NOBLE WILLIAM V. KING [Imperial Chaplain]: Our Father and our God, maker and ruler of the universe, maker of the world and all that which is therein, we come humbly before you and pray that you would bless this One Hundred Fourteenth Imperial Council Session.

We pray, Father, a special blessing for the Imperial Divan, members of the Board of Trustees and the elected Representatives as they meet here to do your will for the aid of our crippled children in the burns and crippled children's hospitals.

We ask for your guidance during these sessions. In your Holy Name we pray. Amen.

DIRECTOR GENERAL VITA: Thank you, Noble King.

The audience may now be seated.

Now, it is a distinct honor to declare this One Hundred Fourteenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening of this session and the assistance given us during introductions by the Rameses Temple band, directed by Noble Barton.

I might add that this is a warm-up rehearsal for them for our Session in Toronto next year and that is why they are here. We are going to teach them how to do it.

... Laughter and applause then ensued ...

DIRECTOR GENERAL VITA: Imperial Sirs, Imperial Sirs, Distinguished Guests, Most Worshipful Grand Masters, Illustrious Sirs, Mayor Barthelemy, Mr. McNeill, Nobles, Ladies, Gentlemen and Guests: I owe a debt of gratitude to the officials of this state, city and the Greater New Orleans Tourist Bureau for their cooperation and courtesies during the

past three years and extend many thanks to my friend, Mr. Ed McNeill, Vice President of the Tourist Bureau, for his help in making so successful the preparations for this Convention.

Also, I would like to thank all of my committees for a job well done thus far. Please do not stop now. We still have a week to go.

Will my committees please stand. Let us give them a round of applause. (Applause)

Also, I would like to thank Keith Kapanka from the Oldsmobile Division of the General Motors Corporation, for his and their continued assistance and dedication to the Shrine. We are most grateful.

Keith, are you in the audience? Let us give him a hand anyway. (Applause)

To our Imperial Potentate, Voris "Kingfish" King, I will always be grateful for appointing me as Director General of this One Hundred Fourteenth Imperial Council Session and for selecting as his Convention site our beautiful city of New Orleans—the city that care forgot.

Let me tell you about some highlights of this convention.

On Tuesday, June 28th, we will have the day parade down world famous Canal Street.

Tuesday night at ten o'clock p.m., the fireworks display at the Spanish Plaza on the river. It will be "Magic in the Sky." Everyone is invited.

On Wednesday night we have the Imperial Potentate's Extravaganza at the Convention Center with a Mardi Gras Parade indoors. Be there among the nearly 4,000 Shriners who, we promise, will thrill to the proceedings.

On Thursday noon, at the Sheraton Hotel on Canal Street, will be one of the largest Imperial Ladies' Luncheons ever held, with about 2,000 beautiful ladies present and then, on Thursday night, we will have the night parade again down on world famous Canal Street.

We are privileged to have with us today on this dais some very distinguished leaders of government, the Masons and the Shrine.

It is now my pleasure to present to you the Mayor of New Orleans, the Honorable Sidney Barthelemy.

THE HONORABLE SIDNEY BARTHELEMY [Mayor, New Orleans]: Thank you very much, Director General Vita.

To the Imperial Potentate, Imperial Sir Voris "Kingfish" King, to the other distinguished Potentates and leaders of the Shrine and to all of you, ladies and gentlemen: I am very happy to welcome you here to the great City of New Orleans and the great State of Louisiana. Not only is this the state of your Imperial Potentate but also the state of Huey Long, after whom, I understand, your Imperial Potentate "Kingfish" Voris King is named.

We are very, very happy to welcome you to the City of New Orleans. We are delighted about the direction of the city. We are excited by your presence here.

We understand that there are about 35,000 of you in the City of New Orleans and we promise you that we have opened and will keep open our facilities for you.

Likewise, we are also happy that you are here because you can help our economy. (Laughter) We hope that you will live up to this obligation and spend as freely as you can. (Laughter)

Now, we also want you to know a few things about the great City of New Orleans.

First of all, we are famous for our cuisine and for those of you who are watching your weight, your cholesterol count and all of your calories, the Council has asked me to pass a resolution removing all of the calories and cholesterol from the food that you will partake of. (Laughter)

We also want you to know that we shall open up all of our facilities twenty-four hours a day so that some of you who happen to be relaxing and having a few drinks and waiting for the last call, that you may hear the last call. (Laughter)

I know that you are already enjoying yourselves because when I came in I saw several bloodshot eyes in the audience and so, again, we are very happy to have you here.

We also have some great things that you can see and visit in this city.

Now, I understand that you have a heavy schedule and that you have very little time to get to see our beautiful city and so maybe, Imperial Sir, you can pass a resolution in order to give these Representatives some free time so that they can go and walk through our French Quarter and see the historical buildings in the French Quarter; that they can take a riverboat cruise and also make a visit to our zoo. I might add as a point of interest there, that our zoo now has a white alligator—a baby white alligator which, we understand, is a

THE IMPERIAL COUNCIL

complete rare animal. However, this particular one was found in the swamps. We also further understand that you may find a white alligator every 500 years and, further, it is said that those who see it will find great financial prosperity and so we are looking forward to all of you seeing it. (Laughter)

We have some, I understand, 35,000 free-spending Shriners in New Orleans and so, if our prediction is correct, we know that if you get an opportunity to see the white alligator, that, after you get home, you will find great prosperity awaiting you. (Laughter)

We are likewise famous for our music, especially our great jazz music, and we hope you will have an opportunity to see some of this while you are in New Orleans. We are famous for our jazz music.

Also, we believe you are going to find a really exciting time by visiting our river front and, also, we are excited about your parades.

New Orleans, as you know, is a city of parades and we are glad to have your organization as an addition to our parades this week. You will find a lot of our senior citizens who are really quite excited about your parade.

Also, let me warn you that when we have our Mardi Gras Parades in New Orleans, those on the floats throw various forms of trinkets to the crowd and so, when you are marching in our parade, you may find some of those viewing your parade asking you to throw trinkets. However, please do not be shocked by that because that is just a natural inclination on the part of our citizens from New Orleans.

You are going to catch that same kind of fever when you have your celebration at the Convention Center.

Also, when you view that Mardi Gras Parade planned for you, do not be afraid to act like a child because we do it once a year and we manage to survive.

Again, we are very happy to have you here in New Orleans. Thank you for coming.

Should any of you require assistance from me or anyone in my office, please do not hesitate to call. I do have considerable power in the event that anybody needs it.

Again, welcome to New Orleans, have a fantastic Convention and we hope to see you all again.

Thank you. (Applause)

DIRECTOR GENERAL VITA: Thank you, Mayor Barthelemy. If for some reason you have to leave, that is perfectly okay.

Well, I see that he has already taken off. (Laughter)

Well, all right, very good. He did not tell me he was going to do that.

Now, it gives me a great deal of pleasure to present to you the Potentate of Jerusalem Temple, Illustrious Sir Walter W. Park.

ILLUSTRIOUS SIR WALTER PARK [Potentate, Jerusalem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Fellow Delegates, Nobles and Ladies: After following the Mayor, I think I should introduce myself. I am Walter Park, the Potentate of Jerusalem Temple and I would like to welcome you to New Orleans.

I cannot tell you how excited I am to have you visit our city and state for this 1988 Imperial Session.

The Nobility of Jerusalem Temple, under the direction of our very own Imperial Sir Voris King, has spent countless hours formulating the type of Convention you will remember for a long, long time to come.

Also, I would like to say something a little bit more about our Director General, Geralto Vita. As a matter of fact, I just cannot tell you of the countless hours of planning that Joe has gone to to formulate this great Convention. Of course, serving in the same capacity in 1981, I believe, was a great asset to him.

He has given his undivided attention and all his energies to assure you that Jerusalem Temple, combined with the City of New Orleans, will leave you breathless for a long time to come.

We have no doubt that after your Convention activities and as you venture into the city, that you will find good food, fine music and a magical atmosphere that will capture your hearts.

The areas surrounding the Convention hotels afford you an excellent shopping opportunity, especially with the recently finished River Walk, which contains several fine eating,

drinking and shopping establishments. Also, you have, for your recreation and pleasure, the French Quarter, which is just a short walk from here.

Please feel free to do what Shriners are accustomed to do in our great city.

Also, our Police Department is very courteous and well aware of your presence this week. Our Mayor and City Officials have participated in planning every event that is scheduled for you and I am sure that before you complete your stay here you will feel like a long time resident.

In closing, let me say that Jerusalem Temple has enjoyed the City of New Orleans for the past 102 years.

The city has had the pleasure of hosting and enjoying Imperial Council Sessions twice before in the past and, together, we will look forward to hosting you again.

May our Heavenly Father keep you well throughout this Convention and guide you back home safely. Enjoy your stay. Enjoy this great city and if I can be of any assistance to you, please feel free to contact me.

Thank you very much. (Applause)

DIRECTOR GENERAL VITA: That was very well done, Bill.

I would next like to introduce to you the Potentate of Habibi Temple. Well, I understand that he still is not here.

Proceeding right along, for the next introductions, I will call upon the Imperial Potentate, Imperial Sir Voris King. Please remain seated. Thank you.

IMPERIAL POTENTATE KING: Thank you, Joe Vita. Is he not a great leader, has not he done a tremendous job? (Applause)

Imperial Sirs, Illustrious Sirs, Distinguished Guests, Most Worshipful Grand Masters, I have chosen this opportunity as my privilege and honor to introduce these Grand Masters.

Before doing that and before I forget, Joe, let me say that when I go home to Lake Charles this coming weekend, I would like to borrow that white alligator because our economy is very poor over there. (Laughter)

Now, it is with great pleasure that I take this opportunity to recognize and to introduce to you the Grand Masters here with us for this festive occasion.

I spent a year going around this country visiting in various states, visiting in various Temples and telling you how great Louisiana was and what we intended to do when you arrived.

There have been some changes here because some of the Grand Masters have not come and, further, if I make some mistakes in their introduction, please excuse me.

Now, I will introduce them all individually and as I introduce them, would you please stand. However, I would ask all of you to hold your applause until they all have been introduced.

... Whereupon, Imperial Potentate King introduced the following Grand Masters ...

DIRECTOR GENERAL VITA: Will you please also recognize them. (Applause)

And now, ladies and gentlemen, it is with a high privilege and distinct honor, with a deep sense of love and personal pride, that I present to you the number one Shriner in North America, one who has given so much of himself to the Shrine and its magnificent philanthropy for so many years—the Imperial Potentate of the Shrine for North America, from Habibi Temple, Lake Charles, Louisiana, Imperial Sir Voris King.

. . . The Assembly arose and applauded as Imperial Potentate King approached the microphone . . .

IMPERIAL POTENTATE KING: My most gracious thanks to all of you, my distinguished colleagues.

Most Worshipful Grand Masters, Illustrious Sirs, Members of the Imperial Divan, Visiting Nobles and Ladies: What a privilege to bring to a conclusion a wonderful opening ceremony. This has been great. My year has been one that would be memorable in anyone's life.

I have, during the last year, visited over 100 Temples. I have visited twenty of our twenty-two hospitals. I have been in most every state in the Union, nearly every province in Canada, Mexico and, of course, Hawaii and Alaska and what a tremendous honor it has been and how wonderfully all of you have received me.

In my visits, I have tried to bring the words of the Shrine to you. I have tried to serve you as your good will ambassador and I have had the privilege of receiving many, many wonderful honors. For all of this I extend my deepest gratitude.

It has been a super year for me, a memorable year. It has been the most significant event in my life in relation to any other thing that I have ever done.

Now, in having this opportunity to look at and see every one of you and in relation to my activities last year, I can only say two words to you—these being two words that express everything—thank you.

Now, as we conclude this Session, it is always great, at least in my estimation, that we have a remembrance ceremony honoring those loved ones who have worked and served with us and passed on—those who have worked with the Shrine so hard.

I have asked that this year we hold our Necrology Ceremony during our Opening Public Ceremony. It is not going to be long and so I would ask you to please remain just a little bit longer.

I will now call on Dr. Daniel Bowers, Past Imperial Potentate, who is in charge of this ceremony. I will now recognize Dr. Bowers.

DR. DANIEL BOWERS [Past Imperial Potentate]: For your comfort, will you please uncover.

Imperial Sir Voris, Imperial Sirs, Delegates, Grand Masters, Ladies, Distinguished Guests and Friends All: In the beginning, God, all things were made by him and without him nothing was made and the word was with God and the word was God and so it was in the beginning.

This is the day that the Lord hath made. Let us rejoice and be glad in it. And what does the Lord require of us but to do justice and love mercy and to walk humbly with our God—to love the Lord our God with all of our hearts, our minds, our strengths and our neighbors as ourselves.

It is most appropriate that at the Public Opening of this One Hundred Fourteenth Imperial Council Session that we pause for a few moments to consider the realities of life, its purposes, death and whence we go from here, for the Lord hath said that the days for each of us are numbered.

It is fitting then that we hold this Memorial Service for those Illustrious Nobles who have passed away during this year but, in a larger sense, to those who have antedated them for it was their ideas, their ideals, their struggles and their battles that built us down, through the century that has passed, not only as the world's greatest philanthropy but the world's most colorful.

These Nobles dead but alive once, as we are now, carried on the activities of our imitable

Brotherhood, who now, each with his hand in the hand of God, is being guided to his spiritual destiny awaiting the return of the Lord.

"I am the resurrection and the life," said the Lord, "He that believeth in me, though he were dead, yet shall he live, and he who liveth and believeth in me shall never die."

"The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures, he leadeth me beside the still waters, he restoreth my soul. He leadeth me in the paths of righteousness for his name's sake. Ye though I walk through the valley of the shadow of death, I will fear no evil for thou art with me. Thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies. Thou anointest my head with oil, my cup runneth over. Surely goodness and mercy shall follow me all the days of my life and I will dwell in the House of the Lord forever."

Our Imperial Chaplain, William King, will now speak on "A Wonderful Truth."

NOBLE WILLIAM KING [Imperial Chaplain]: Thank you, Dr. Dan.

You know, when I heard of this occasion and the number of Nobles that had departed this past year, I felt it would be appropriate for me to share something with you in memory and honor of these great Brethren that was written by my dad, our Imperial Potentate. It is entitled "A Wonderful Truth."

"Over 1,900 years ago there was a man born in this life of humble parentage in a small corner of the earth, about fifty by one hundred miles in size. His parents were inconspicuous, uninfluential and uneducated. He was born in a stable probably with the cattle and laid in a manger in swaddling clothes. In his humble life he never wrote a book, but more books have been written about him than any person that ever lived. He never led an army but more loyal followers have stacked arms at his command than of any general or marshal in history. He never posed to have his portrait painted on canvas or to have his features chiseled in stone, but he has been the inspiration of more art than any other person of all time. He never spoke over radio or television, but he spoke the worlds into existence.

"There was nothing about this man that we would call great according to our standards of greatness today, but yet through his humble ministry of three years in the corner of the earth, he left such an impression on us that today, 1970 years hence, we count time from his birth and celebrate his birthday and resurrection every year. In infancy, he startled the king; in childhood, he puzzled the doctors of learning; in life, he was misunderstood; in death, he was forsaken by God and man; but Herod could not kill him; Satan could not seduce him; death could not destroy him; and the grave could not hold him. He stands forth on the highest pinnacle of heavenly glory, proclaimed by God, acknowledged by angels, adored by saints, and feared by devils as the living personal Christ.

"To the astronomer, he is the bright and morning star, and the son of righteousness with healing in his wings. To the botanist, he is the Rose of Sharon and the Lily of the Valley. To the archeologist, he is the Rock of Ages. To the philanthropist, he is the great Gift of God. To the student of zoology, he is the Lamb of God and the Lion of the Tribe of Judah that is able to break every fetter. To the architect, carpenter and builder, he is the one and only true foundation. To the student and reader of the Bible, he is the Creator of Genesis, the Deliverer of Exodus, the Sacrifice Complete of Leviticus, the prophet like unto Moses in Deuteronomy, the Captain of the Host of the Lord in Joshua, the Kinsman Redeemer of Ruth, the Theme of the Beautiful Psalms, the Messiah foretold by the Major and Minor Prophets, the King of Matthew's Gospel, the Servant of Mark's, the Savior of Luke's and the Everlasting God of the Gospel of John. The Resurrected, Glorified, Enthroned One, leading the church on to glorious victories in the Acts of the Apostles. Our Righteousness in Romans, our Wisdom in Corinthians, our sufficiency as fulfiller of the Law and Ordinances in Galatians, the Head of the Church in Ephesians, our Joy in Philippians, the Fullness of the Godhead bodily so that we are complete in him in Colossians, the Coming One in Thessalonians, our High Priest in Hebrews, the Alpha and the Omega, the First and the Last, the beginning and ending, the Victor over Satan, the King of Kings and the Lord of Lords of the Book of Revelations. What a Wonderful Savior! What a wonderful book, the Bible! It contains the mind of God, the state of Man, the Way of Salvation, the doom of Sinners, and the happiness of Believers. Its doctrines are Holy, its precepts are binding, its histories are true, and its decision are immutable.

"Read it to be wise, believe it to be safe and practice it to be holy. It will furnish light to

guide you, strength to support you, and comfort to cheer you. It is the traveler's map, the pilgrim's staff, the pilot's compass, the world's light.

"Through it Heaven is opened, Paradise is restored and the gates of Hell are disclosed. The Messiah is the grand subject, our good its design and the Glory of God its End. Read it slowly, frequently, prayerfully. If you will obey its precepts, it will be to you a river of pleasure, a mine of wealth, and a paradise of glory. It will furnish you in life to prepare for the judgment and as you choose, so shall your destiny be, in prosperity or adversity.

Thank you very much. (Applause)

DR. DANIEL BOWERS [Past Imperial Potentate]: We will now have the Medinah Chanters, under the direction of John Carlson, sing for us.

... Whereupon, the Medinah Chanters rendered two musical selections entitled, "How Great Thou Art" and "Let There Be Music" ... (Applause)

DR. DANIEL BOWERS [Past Imperial Potentate]: Thank you, John.

Now, it is my sad duty to report to you from the Imperial Council in Tampa that last year 23,175 Nobles passed from this earth to their heavenly home. We did not, I believe, however, create that many to replace them.

Among this group last year I think we have had five active Potentates pass away, which is an unusual year of demise for our Potentates.

They were as follows:

Illustrious Sir Walter Soule Jr., El Jebel Temple.

Illustrious Sir McLynn Sharpe, Kazim Temple.

Illustrious Sir John Laningham, Past Potentate and Past Grand Master of Virginia.

Illustrious Sir Robert D. Broadley, Past Potentate, Crescent Temple.

Illustrious Sir Kenneth C. Johnson, Past Potentate, Sahara Temple.

Now, there were likewise two other distinguished Masons and Shriners who likewise passed away.

One of them was Tom Melham, our Past Imperial Potentate, a charming fellow.

You knew him well because his voice sounded so often from the podium because he was one of our Past Imperial Potentates.

Tom was also Potentate of Tripoli Temple, was a founder of the Great Lakes Shrine Association. He served us well. He was subsequently elected to the Board of Trustees and was our Treasurer for many, many years. He subsequently became Trustee Emeritus and was supported so well by his good wife, Lucia. Tom will be missed.

The other Shriner was Winner F. Delp. You knew him as well as Potentate of Lu Lu Temple. He was a Past Royal Director and Director of the Royal Order of Jesters. He was on our Board of Trustees for many, many years. He loved the Shrine and served on many of its committees.

Winner will be missed. His good wife Mary supported Winner through all of the years in his Shrine efforts.

Our sympathy goes out to both families.

These Nobles are gone. All we have left of them is a memory and we, too, of course, will, in time, be remembered by many of our friends. This is one of the facts of life—for the Lord giveth and the Lord taketh away.

At this time, I will have Harry Moore of Nur Temple, sing for us "The Lord's Prayer," accompanied by John Carlson of Medinah Temple.

... Whereupon, the rendition of "The Lord's Prayer" ensued ...

DR. DANIEL BOWERS [Past Imperial Potentate]: Thank you.

Now, in memorial to some 23,000 Nobles who passed away last year, I burn their last dues card.

... Whereupon, the ceremony of burning of the last dues card ensued ...

DR. DANIEL BOWERS [Past Imperial Potentate]: Again, the Lord giveth and the Lord taketh away. Shall we bow our heads in prayer.

Almighty God, who has decreed a place in your scheme of things for the Masonic Fraternity, the Shrine, that Fraternity destiny upon which rest the hope not only of countries of the continent but of nations of the entire world, as we open this Imperial Session we would beseech thy blessing upon its proceedings. Strengthen us in our faith, almighty God,

for we are convinced and dedicated to the principles of the Fraternity of Masonry, its brotherhood under the fatherhood of all of our fathers.

May the Lord bless you and keep you; may the Lord cause his face to shine upon and be gracious unto you; may the Lord lift up the light of his countenance upon you and give you peace, now, henceforth and forever more. Amen.

Now, Past Potentate Bill Trubeck of Medinah Temple will sound "Taps."

... The sounding of Taps then ensued ...

DR. DANIEL BOWERS [Past Imperial Potentate]: That concludes the Necrology Report.

I want to thank the Chanters from Medinah Temple under the direction of John Carlson; Harry Moore of Nur Temple; and those who participated in this ceremony.

May the Lord bless and keep you all for another year. Thank you.

OFFICE OF THE IMPERIAL POTENTATE

*To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and
the Nobility of the Order:*

They are not dead who live in lives they
leave behind;

In those whom they have blessed, they live
a life again,

And shall live, through the years,
Eternal life, and grow each day more beautiful
As time declares their good,

Forgets the rest, and proves their immortality.

Past Imperial Potentate Thomas W. Melham, 86, passed away on February 28, 1988, at home in Northport, Long Island, New York. Imperial Sir Melham was a Past Imperial Potentate, Past Imperial Treasurer and Emeritus Member of the Board of Trustees of Shriners Hospitals for Crippled Children.

Imperial Sir Melham was born in Brandt, South Dakota, on January 19, 1902. His family moved to Watertown, South Dakota, when he was two years of age. Imperial Sir Melham received a degree in Commerce and Business Administration from the University of Wisconsin. After graduation, he became a sales trainee for the National Cash Register Company in Dayton, Ohio, later moving to their Philadelphia office.

Preferring a more personal service, however, Imperial Sir Melham returned to Wisconsin and entered the field of life insurance, serving as general agent, broker and manager. He was one of the first two individuals in Wisconsin to receive the professional degree of Charter Life Underwriter. In 1937, he joined the Prudential Insurance Company of America in Milwaukee.

During his years in Wisconsin, Imperial Sir Melham's civic activities were many and varied. He served as Trustee for Whitefish Bay, a Milwaukee suburb; as Chairman of the Whitefish Bay Finance Committee; and as Chairman of the Whitefish Bay Board of Health. He was elected the first president of the Whitefish Bay Club, and also acted as Trustee in several financial capacities. He was a member and Deacon of Plymouth Church in Milwaukee. After Pearl Harbor, Imperial Sir Melham was appointed State Rationing Officer by Governor Heil, heading up tire, gasoline and related activities.

Imperial Sir Melham's fraternal activities received his greatest attention, beginning with his election to Kappa Sigma while at the university. He was also a member of Skill and Crescent, an honorary inter-fraternity group.

He was raised in Silver Spring Lodge #37 F. & A.M. in 1928 and was elected Worshipful Master in 1952. He was a member of Kenwood Chapter #90 R.A.M.; Ivanhoe Commandery #24; and Wisconsin Valley Scottish Rite, in which he held several offices.

Imperial Sir Melham joined Tripoli Temple in 1930. He served on the Divan and the Ritualistic Divan and was elected Potentate in 1943. He was a member and Past Director of R.O.J. Court #101; member of El Hajj Court #2; Past National Emir; member of the Cabiri; member of St. Quentin Conclave #75, Red Cross of Constantine; and Honorary Member of the National Sojourners.

In 1948, Imperial Sir Melham was elected Imperial Outer Guard, becoming the first Wisconsin Shriner so honored. He helped organize the Great Lakes Shrine Association; refusing any office in the Association, he was elected its Honorary President. He was also elected into the Wausauken Indians of Zor Temple, and was designated "Chief Badger."

In 1952, he moved to Hickory Hill, near Northport, Long Island, to manage Prudential's Manhattan Agency, which received a President's Citation for excellence in overall operation in 1956. He retired in 1963.

Imperial Sir Melham became Imperial Potentate in 1957. In 1966, he was elected Imperial Treasurer and became a Member of the Board of Trustees. He served honorably in both positions until he elected to retire in 1980, at which time he was elected to the honorary position of Trustee Emeritus.

As a result of Imperial Sir Melham's position as Imperial Treasurer, he served on many hospital committees, and was a long-time member of the Investment Committee. He made many contributions which helped lead to the financial success of the hospital corporations.

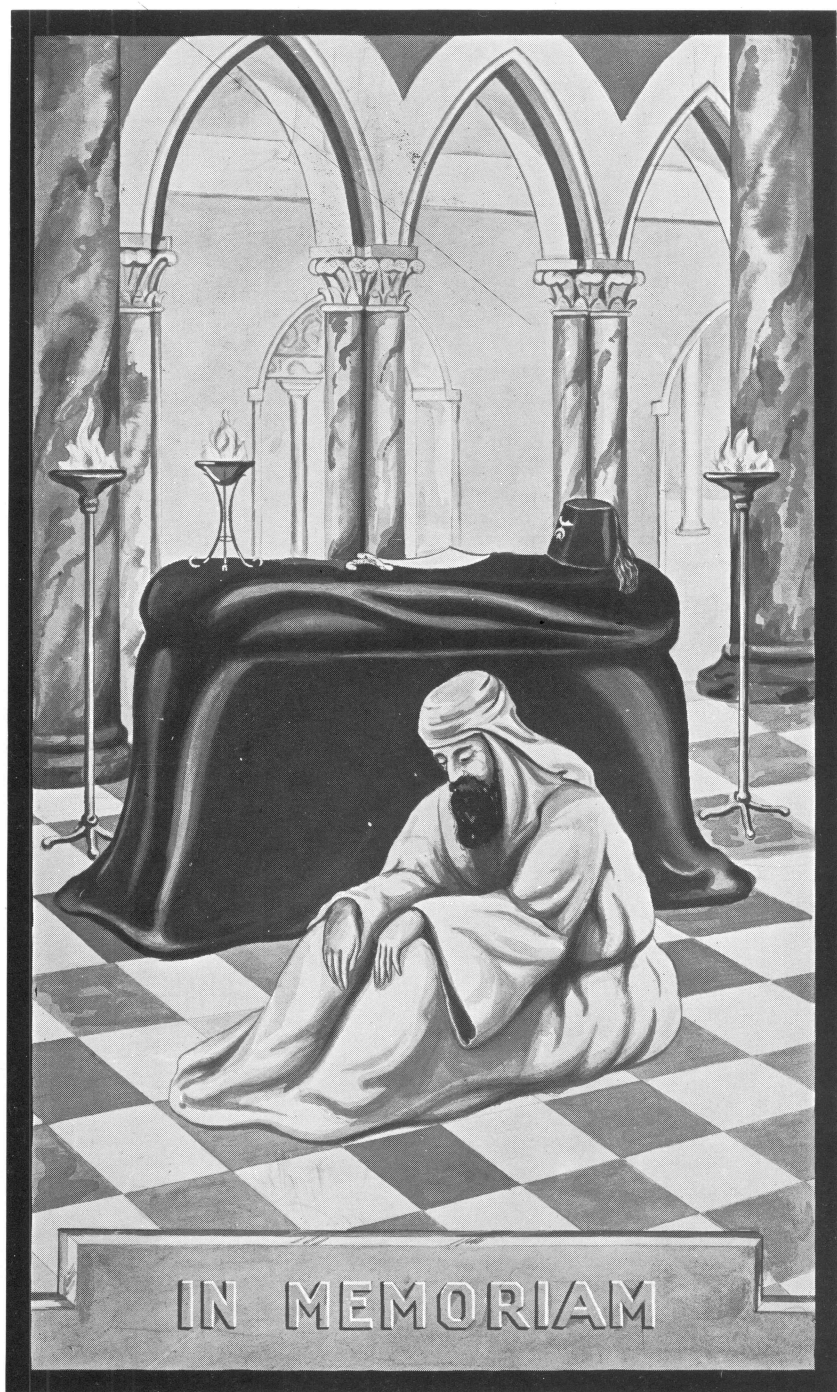

Imperial Sir Melham is survived by his wife, Lucia, and their three children, Mary Lou, John and Tom. A Masonic Service was held in Long Island on March 3, and a Memorial Service, arranged by Tripoli Temple, was held in Milwaukee on March 6.

*Love, like the ocean, is vast and forever,
And sorrow, but a shadow that moves over the sea.*

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones at his parting.

He knew not the way he was going,
But well did he know his Guide,
With a child-like trust he gave his hand
To his Master by his side,
And the only thing he said to Him
As He took it, and held it fast,
"Suffer me not to lose my way,
But bring me home at last."

It is addressed "Brother Voris King, Imperial Potentate, New Orleans Hilton Hotel."

AFTERNOON SESSION
TUESDAY, JUNE 28, 1988
THREE-TEN O'CLOCK P.M.

The One Hundred Fourteenth Annual Session of the Imperial Council was convened in the Grand Ball Room of the New Orleans Hilton Hotel, New Orleans, Louisiana, on Tuesday afternoon, June 28, 1988, at three-ten o'clock p.m., Imperial Potentate Voris King presiding.

IMPERIAL POTENTATE KING: Now, may I please have your attention.

As Master Masons, as Shriners, we are told that before undertaking on any important undertaking that we should invoke the blessing of Almighty God, and we certainly need it.

I would like to call upon our Imperial Chaplain, Bill King, for the Invocation.

IMPERIAL CHAPLAIN KING: Let us pray.

Our gracious and heavenly Father, we come in honor of Your Name to do the business of

this Session this afternoon. We pray, Father, that what we say and do will be to the honor of Your Name.

We ask that Thy Holy Spirit be within this group. Bless us for the work we do for the benefit of our crippled children and burns hospitals and especially for our children.

We come here this afternoon and ask all of these things in Your Holy Name. Amen.

IMPERIAL POTENTATE KING: At this time I would like to call on Joe Vita for a few remarks and announcements.

DIRECTOR GENERAL VITA: May I have your attention, Nobles.

Imperial Sir, Imperial Sirs, My Fellow Representatives: I just want to say we had a wonderful hot day for the City of New Orleans, the City that Care Forgot. We are not going to charge you for this. That is on the house. (Laughter)

Now, I just want to make a couple of announcements with regard to tomorrow evening.

This evening, from four p.m. to nine-thirty, we have the "Battle of the Bands" on the Spanish Plaza and then at ten o'clock tonight, we will have "Magic in the Sky," with fireworks on the river and that is also free to the public and particularly to the Shriners. We are going to put on a spectacular fireworks display for you and we want all of you to be there to view it. Again, that will be at ten o'clock tonight.

Also, tomorrow evening, you will have the Imperial Potentate's Extravaganza. We are going to ask you to be at the Convention Center at least by five-thirty at your tables and we are going to start the parade at six-thirty p.m. sharp.

Therefore, fellows, with that, please stay in good health and have a happy week.

Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you, Joe.

At this time I would declare the One Hundred Fourteenth Annual Session open for business, waiving all forms and ceremonies.

I would like to ask at this time for a report of the Credentials Committee.

I would like to call on Noble Barney S. Foreman, Habibi Temple, a member of this committee, for the report.

Before recognizing Barney, let me say that it is warm in here and if you would like to take off your coats, please feel free to do so.

NOBLE BARNEY FOREMAN: Imperial Sir, Members of the Imperial Divan, Representatives of this Session of the Imperial Council: I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

This report is presented by the Committee on Credentials and is signed by the entire committee and it is so reported and I would request that the report be approved.

IMPERIAL POTENTATE KING: It has been moved that this report be approved. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: It has been moved and seconded that the report of the Credentials Committee be approved.

All in favor say aye; those opposed. It is so carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR JONES: Imperial Sir, I do have a couple of announcements.

... Various brief announcements were then made by Imperial Sir Jones ...

IMPERIAL POTENTATE KING: At this time I proclaim that the Session is open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and will remain open until the Session is adjourned.

I would now like to call to the attention of the Representatives the Annual Report which most of you have received at this time and I believe, in relation to that report and also in relation to other times that I have spoken with you, that I have made a full report of my activities during this past year.

I would like to again express to all of you my appreciation for your wonderful cooperation and for the wonderful hospitality and for the most gracious assistance and pleasant visits

you have afforded me. It has been one of the most pleasant years in my lifetime and I do thank you from the bottom of my heart. (Applause)

At this time I would like to call on Dr. Daniel Bowers, Past Imperial Potentate, who will give you the report of the Committee on Transactions of the Imperial Officers.

PAST IMPERIAL POTENTATE DR. DANIEL BOWERS: Let me first say that Peter Val Preda was unable to attend and he asked that I present this report to you.

To the Representatives of the Imperial Council: Your Committee on Transactions of Imperial Officers, as required by Section 208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well-prepared and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate, Voris King, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He has never hesitated a moment in giving of his utmost in his visitations to our Shrine Temples, Hospitals and other Masonic organizations. He deserves the sincere thanks and appreciation of all Nobles for his dedication to the Shrine work and ideals. He has endeared himself to the hearts of all with whom he has come in contact. His year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Fourteenth Session of the Imperial Council, and move for its adoption.

Respectfully submitted,

 - (a) All matters concerning the mileage and per diem expenses to be paid at this Session.

Also, at this time, I would like to turn the gavel over to the Deputy Imperial Potentate, Ed McMullan, who will conduct this meeting until my return.

. . . The gavel was tendered to Deputy Imperial Potentate McMullan at this point . . .

DEPUTY IMPERIAL POTENTATE McMULLAN: I will recognize the Chairman of Jurisprudence and Laws, Walter Pettit.

NOBLE WALTER PETTIT [Chairman, Jurisprudence and Laws]: Imperial Sir, Imperial Sirs and Representatives:

The Jurisprudence and Laws Committee will again, as it has in the past Annual Sessions and Meetings, report to you on the form of each proposed amendment to the Bylaws, and upon such proposals consistent with other provisions of the Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be.

Likewise, we will report on resolutions and requests which are before this Imperial Session.

I would remind you that we are meeting jointly as Representatives of the Iowa and Colorado Corporations. We will do our best to keep you advised regarding which hat you are wearing as we go along in the proceedings.

The reports of the Jurisprudence and Laws Committee are not to indicate to you that the committee, as such, is either in favor of a proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more of the proposed amendments, resolutions and requests. In doing so, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee.

Again this year, when our committee makes a report to you, it will, at the commencement of the report, refer you to the appropriate page on the Call where the proposal appears so that you can quickly identify the matter.

We are confident that you have already studied the proposals and are prepared to consider them. If you have not done so, we would urge you to do so promptly.

As you have noticed from your Call, there are several matters for you separately to consider that are of similar nature but separate in fact. We will make every effort to group those so that the discussion on one may relate to discussions on the other so that we may act upon those with considered judgment and do them together.

In most instances, pending proposals, resolutions and requests will be considered in the following order:

1. Report of the Jurisprudence and Laws Committee.
2. Report of any other committee to which the matter is referred.
3. Recognition of the sponsor for his motion to adopt and his explanation of the proposal, if any.
4. Your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past and coordinate its efforts with other reporting committees so as to eliminate repetition of readings of the proposals. The proposal will be read only one time into the record, unless you require additional readings.

The Jurisprudence and Laws Committee will not ask you to "receive" our report as by the very fact of listening, you are "receiving" it. We will, however, answer any inquiries that you may have concerning the report.

We once again solicit the courtesy you have before shown to your fellow Nobles. When it is their turn to speak on a matter under consideration, please obtain recognition from the Chair and move to the nearest microphone. You will not be recognized unless you are at a microphone where you can be heard.

Now, let me add also that there are number of items of legislation on the Call which will require considerable debate. When those matters arise, the Chair will first ask the proponent to present his case following the appropriate motion and second. Thereafter, he will call for a response from an opponent. Next a proponent and so on until all are heard or debate is closed.

Because of the extensive amount of legislation, the complexity of some of the issues, the limited time available for protracted debate and the desire of the Chair to afford as many as possible the opportunity to be heard, it is the intention of the Chair to first recognize those persons who agree to limit their remarks to three minutes.

Also, if you desire the right to speak, please do not cover the same ground that another has traveled.

The Chair requests that these matters that any proponent rise at microphone 1, which will be over here (indicating) to be recognized and that opponents present themselves at microphone 2, which is on your left-hand side. Therefore, under that procedure, it will be much easier for the Chair to see both the opponents and proponents.

I will remind you of this or members of the Jurisprudence and Laws Committee will remind you of this when we get to what we feel is controversial legislation. Sometimes, as you recognize from the past, we do not often know about that.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of the Imperial Council. The committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in our area of expertise.

Are there any questions with respect to the procedures at this time?

If not, I would add that as each item is called by the Imperial Potentate for presentation by the Jurisprudence and Laws Committee, that the proposers of the amendment work their way closer to a microphone or to the stage so that they may be able to move adoption of the proposal and make any other statements that they determine appropriate.

Also, just one other item, Nobles, and for the record, only with regard to legislation.

The Imperial Recorder has reported that those Nobles requesting dispensation for a new Temple in Yakima, Washington, Item 15 in the Call, have failed to meet the requirements of Section 329.3 of the Imperial Bylaws and, therefore, their application as contained in the Call will not be heard.

Imperial Sir, that concludes this part of my report.

DEPUTY IMPERIAL POTENTATE McMULLAN: Thank you, Illustrious Sir Pettit.

I will now call on the Chairman of the Election and Tellers Committee, James Hathaway, to explain the procedure.

NOBLE JAMES HATHAWAY: When the Imperial Potentate calls for a ballot, we will give you the colored coupon for use. Please tear it out of your book but leave the stub in your book. Also, we have Tellers that will pass between you and collect the ballots as quickly as possible and then we, in return, will return with the results as soon as possible.

No ballots will be picked up from anyone standing in the aisles. Thank you.

DEPUTY IMPERIAL POTENTATE McMULLAN: Thank you, Illustrious Sir Jim.

Now, let me announce that we will make it a little easier here for all of you this afternoon because are now going to temporarily recess at the present time and allow the news media to enter to observe the presentation and I am sure we will all enjoy this.

We will continue with what I am sure will be a very fine presentation by Imperial Sir Everett Evans concerning Public Relations. I am sure you will enjoy it. I will therefore recognize Imperial Sir Everett Evans for the presentation of his report at this time.

IMPERIAL SIR EVERETT EVANS: If I might at this time, before I start my report, take a point of personal privilege.

This is in relation to the Public Relations Committee.

I have a man on my Public Relations Committee that has done excellent work and I have, throughout the years, from my Public Relations Committee, presented a plaque as Imperial Public Relations Person of the Year.

At this time, I would like to give recognition to an old friend of all of us who has done such good public relations work for the Shrine and has been on our committee for thirteen years and also in the news business for some thirty-odd years. They call him the Dean of the Staff pretty well over the Carolinas.

Also, he is the same individual who has been narrating the Good News Videos which we have been sending out.

Therefore, at this time, I would like to present to you and at this time honor Doug Mayes, Past Potentate of Oasis Temple with this (indicating) plaque for his contribution to the Shrine for these many years in behalf of his various newspaper and media activities.

... Presentation of plaque to Illustrious Sir Mayes and applause ensued ...

IMPERIAL SIR EVANS: [Slide]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Masonic Guests, Fellow Representatives and Nobles All: Before I get into the meat of my public relations talk this afternoon, I want to tip my Fez to each and every one of you. As most of you know, I am from Tyler, Texas, and hard times have fallen on a lot of people in Texas.

You know the difference between a Texas oil man and a pigeon, do you not? A pigeon can still make a deposit on a Mercedes. (Laughter)

Why am I so proud of each of you in this room? Because, in a day and age when companies all across North America, not just my home state, are experiencing difficulties—when many hospitals are being forced to close their doors and health care costs are projected to triple in the next seven years and when cartoons like this one [slide] are more frightening than funny—with all these things happening, the Shrine Hospital picture has never been brighter.

[Slide]: We are paying cash for our hospitals and a large number of Shriners Hospitals are undergoing total reconstruction or major renovations.

Also, we are growing. As a member of the Building and Equipment Committee, when we travel around the country and discuss the major construction projects at our hospitals, inevitably the question of how we are going to finance these projects comes up and when we tell people that we pay cash, people cannot believe it.

However, again this year, Nobles, Shriners Hospitals will operate in the black. You fellows have a great deal to be proud of because you call the shots for a hospital system that is second to none in the world—a system that has helped hundreds of thousands of kids and never once charged a penny to any of its patients.

Think about that, Nobles. At a time when hospitals are emerging with multi-hospital systems just to stay open or when many are having to close their doors altogether, the Shrine of North America continues to operate without charging any of its patients, without accepting third party insurance payments or without local, state or federal funds. I do not know of another hospital or hospital system that can come close to doing what we have done. I think you ought to give yourselves a big round of applause. (Applause)

You know, two years ago at this time, if someone had told me that I would be standing up here giving a "State of the Union" type of address on the State of the Shrine Public Relations and that I would be telling you Nobles that the state of our public relations efforts has never been better or that the image of the Shrine has never been better, I would have said they were crazy.

However, Nobles, that is exactly what I have to tell you today and I would never make blanket statements like that unless I could back them up.

Now, if you will give me your attention for the next few moments, I will bring you up to date on what we have been doing over the past Imperial Year in the name of the Shrine, in your name as a Shriner.

Two years ago this month, we were entering the worst media crisis in the 115 year history of our organization. It seemed like every newspaper you picked up, every broadcast report you turned on had something negative to say about us.

[Slide]: In July of 1986, the Orlando Sentinel ran a series of articles on the Shrine and our fund raising practices and we wound up on the front page of that paper more times than we would like to remember.

[Slide]: But take a look at a copy of the front page of the Orlando Sentinel from last month. We are still making front page news in Orlando in 1988 but our former worst critic is now reporting on helping to make the dreams of parents and their children come true.

Now, I would like to have you take a look at a short video that was aired on KGTV in San Diego. The report on this clip has a reputation for really blasting any group or organization he talks about and so when it was learned that he would be talking about the Shriners on his "Perspective" report, as you can imagine, there were some pretty nervous Nobles. However, take a look at what was said about the Shrine and Shriners.

... Video presentation then ensued ...

IMPERIAL SIR EVANS: [Slide]: Nobles, we have come full circle and in a lot of ways I think we are the better for the publicity we received some two years ago for not only did it allow us to focus on some areas of our organization that needed attention but more people than ever before now associate Shriners with our hospitals and the positive image of the Shriner is at an all-time high. It is, of course, due to the efforts of Nobles like all of you here today.

It is due to the Potentates' Task Force Chairmen, the Public Relations Chairmen, the various committee members and the Nobles on the street who have worked so hard these past two years to let the people know what we as Shriners really stand for and what being a Shriner really means.

Your efforts, and the efforts of Nobles in cities and towns across North America, along with the programs the Imperial Public Relations Department in Tampa have developed since we met twelve months ago in Las Vegas, have helped to position our organization in the most positive light that we have ever been in.

[Slide]: A research project conducted by the National Family Opinion Research firm late last year gave us some feedback on how well we are doing—a report card, if you will, in terms of our image and the awareness of the public with respect to our association with Shriners Hospitals.

When we look at these figures in comparison to two previous surveys done for us in 1980 and 1983 by the Lou Harris people, you can see just how far we have come and what an enviable position we enjoy today.

[Slide]: The image of the Shriner is at an all-time high. Seventy-seven percent of the over 3,000 people surveyed nationwide said they viewed the Shriners in a favorable light. In fact, forty-two percent said they had a very favorable opinion of Shriners, with less than two percent saying they had a negative opinion.

So, as you can see, compared to the past surveys, we are more well thought of today than at any time in the past eight years—perhaps than at any time in our illustrious history.

[Slide]: But all of us have been working extremely hard to increase the awareness of the Shrine in its association with our hospitals and if you remember back to our first Lou Harris survey in 1980, you probably recall that only five percent of the people surveyed associated us with hospitals for children. In 1983 that percentage rose dramatically, according to Lou Harris, to sixty-two percent and at the end of 1987, earlier this Imperial Year, survey results indicated that seventy-four percent of the people surveyed, almost three-quarters of those questioned, associated us with our hospitals.

That figure, Nobles, again, seventy-four percent. That is almost a twenty percent increase since 1980.

Also, I would submit to you that any major corporation in North America would do back

flips to see that kind of an increase. That is an incredible statistic and it means that it is working.

It means that all of the hard work that all of you and your counterparts back home are doing is paying off. It means the public relations programs we have worked so hard on to build a positive image and to increase awareness in terms of establishing the Shrine as more than just a fun-loving group of Fraternity Brothers—but as the guiding light behind an amazing network of hospitals and burns centers for kids is paying off.

[Slide]: There is the proof, Nobles.

However, we cannot rest on our laurels. There is still a lot of work to be done.

We have to continue to work to turn up the volume on our visibility and our association with Shriners Hospitals even more. We have to continue to spread the word and to tell our story louder and clearer than ever before but, hopefully, what you have seen today will make our job a little easier because, Nobles, we now know that it is working for you.

You know, one of the things that makes me proud to be a Shriner is the fact that we Shriners always go the extra mile to help. We do more than just provide medical care to children and Shriners Hospitals are more than just hospitals.

The hallmark of our twenty-two hospitals has always been that they take care of the “whole” child. In other words, that while attending to a child’s body is our main mission, tending to the mind and the spirit of that child is just as important.

The Shriners Burns Institutes have made a dramatic difference in the field of burn medicine and that today, largely because of the efforts of Shriners Burns Institutes, children are surviving burn injuries that just ten years ago would have been fatal but, again, care for kids at Shriners Burns Institutes goes beyond just saving the life of a child.

We have always believed that we have an obligation to help our patients beyond the operating room.

This is why, when we were approached by Disney Educational Productions last year with an offer to work with us on an educational film, we felt as if our prayers had been answered. Very few materials have ever been developed to help explain to children that although a classmate may have suffered a severe burn injury and may look dramatically different, when he or she returns to the classroom they are still the same on the inside. They may look different but they are still the same person. This is not an easy concept to communicate, particularly to children.

We began working, over a year ago, with the Disney folks and we think we have come up with a film that all of you will be proud of.

I would encourage Temples and your Shrine Clubs to purchase extra copies of this film from the Disney Educational Film Division for your local School Boards to have available in their film libraries.

This will show them that we as Shriners care about the kids we help and that we want to better their lives after they leave our hospitals.

Disney will be making the film available through its Educational Film Catalog.

Remember, Nobles, please be aware this film is not designed for your luncheon club meetings. It is an educational film for our burn patients’ peer groups. Certainly it can be shown anywhere but it is not our usual film promoting Shriners Hospitals as you will see.

I have brought along extra copies of the film which we are providing to every Temple at no cost. If each Temple Potentate will just pick up a copy in the Public Relations Office here in the hotel later today or certainly before you leave this week, it will be appreciated. Also, order information will be given to you at that time.

If you will go up to the third level and get off the escalator by Pete Fountain’s, just make an immediate left and go down that hall past the swimming pool, the Public Relations Office is the fourth room on the left.

With that, I would like to introduce the Executive Producer of our new film, “The Jamie Fort Story,” Sallie Zemlin-Kisor, the Director of Creative Development for Disney Educational Productions, who will world premiere The Jamie Fort Story for us this afternoon.

Let me say that Sallie and I have been working together all year long and I told her that she would have the experience of a lifetime in working with a bunch of good-looking Shriners.

Ms. SALLIE ZEMLIN-KISOR: Thank you very much.

First let me say that I am not going to make a speech. I say that because you have been here all day, marching outside and doing the things you normally do and you are to be thanked just for that. Also, it is a mighty hot day out there.

However, I want to thank all of you for providing us with the ability to make this film that you will see in a few moments.

I want to thank both Everett and Charlie Cumpstone and Mike Andrews who worked with us sometimes two, three or four times a day.

Also, I want to thank each and every one of you. Of course, I do not know any of you individually but I hope to receive that pleasure subsequently but then I do want to thank you because without your good work, these hospitals could not exist and, as you know, we are greatly appreciative of them.

Also, I would thank especially the Galveston Unit and the Los Angeles Orthopaedic facility, who really opened up their doors, their hearts, their facilities and their medical expertise concerning this film.

I also wish to thank Mike Andrews because he said on several occasions, "Anything you want or need, you just tell us and we will make it possible for you."

Also, I want to thank Wen-D Kursten, soon to be a mother, who has been the Producer of our film. (Applause)

Again, I want to thank all of you very much. That is all I want to say at this point.

Now, with regard to this film, some of the facts are changed, just like in any television production or movie or other enterprise but Jamie's fight and inspiration were really the heart of this entire film.

Also, one last thing and that is that I want to reiterate that this film is meant for children in grades four, five and six and, as Everett said, it has not been developed for adults but then I hope you will enjoy it as we have done. We think, in the final analysis, that this is something that can really be helpful to kids who have been burned and possibly disfigured.

With that, let us view the film.

... Whereupon, the film entitled, "The Jamie Fort Story" was presented ... (Applause)

MS. ZEMLIN-KISOR: Now, how would you like to have the opportunity of seeing the real Jamie Fort and her parents?

... Whereupon, the audience arose and applauded as Jamie Fort and her parents were presented at the microphone ...

IMPERIAL SIR EVANS: I would first like to present to you Mr. Fort, Jamie's father, who has recently become a Shriner. Now, I think that perhaps Voris may have had something to do with that. (Laughter) However, I am sure he does have a few comments to make to you because, during the proceedings involving this incident, he was not a Shriner but he is now.

NOBLE FORT: Thank you very much.

I did write up something to present to you but, during the course of the film presentation, I kind of changed my mind and I want to, in my own words, tell you a little bit about this incident and if, in the process, I become a little sentimental, please just bear with me.

Let me say that when the television exploded in Jamie's bedroom, within the next twelve hours she was in three hospitals.

She went to the Burns Center in Augusta, Georgia, where we were advised that she had been burned approximately on eighty-five to ninety percent of her body—third degree burns.

Almost immediately, after a short period of time, she was sent, with a doctor, a burn technician, a night nurse and all medical equipment needed to keep her alive to the Shrine Burns Hospital in Galveston, Texas.

Her treatment and surgical attention lasted over three months before Jamie was permitted to return home for the first time. However, that was not the end of her trips. She continued them with many visits, many surgeries on a regular basis in Galveston and, as I understand it, it will continue until she is twenty-one years old and fully grown.

I have been a Master Mason and Scottish Rite Mason since I was twenty-two years old and it has been some twenty years since I have been invited to join the Shrine. Well, when I was first approached, I always said that I did not have the time to serve. However, that was my exposure to what the Shrine was all about and how vital its purpose is to burned and crippled children.

I joined Hejaz Temple in Greenville, South Carolina at its first Ceremonial after I returned home.

Also, this is not where this particular incident ended because I was able to bring my two brothers into Masonry and the Shrine. We all, as a matter of fact, became Shriners on the same day.

You are to be commended, each and every one of you, for taking care of Jamie so excellently. You deserve a place in Heaven and I hope you all get it.

From Jamie, her mother and myself, we would merely like to say a simple thank you to the Shrine and Dr. Dave Herndon of the Galveston Burns Institute, for everything they have done for Jamie. Thank you very much.

... Rising applause ensued ...

IMPERIAL SIR EVANS: And I also have here Dr. David Herndon. (Applause)

DR. DAVID HERNDON: You know, it is moments like this that make you feel proud to be a Shriner and I, too, can hope for this wonderful family. Thank you. (Applause)

MRS. FORT: You know, a simple thank you is never enough because without the work of the Shrine and its hospitals, my child would not be here and for that reason I am grateful. (Applause)

IMPERIAL SIR EVANS: I think, when you see an example of healing such as this, you know that our program is working.

In conclusion, let me thank you for your attention this afternoon. Also, I thank you for your hard work and dedication and, most of all, as those two immortal giants of the advertising industry, Bartles and James would say—"Thank you for your support."

With that, Imperial Sir, I would like to move for the acceptance of my report and, again, thank you for your time and for all of the support you have given your Public Relations Committee. (Applause)

DEPUTY IMPERIAL POTENTATE McMULLAN: I would like to thank all of you for your participation and now, at this time, those who are not Nobles but visitors in the audience, we would request that you exit from the room so that we can get back into our Session.

... Whereupon, the guests left the meeting room at this point ...

DEPUTY IMPERIAL POTENTATE McMULLAN: I believe we can now continue.

I will now recognize Everett Evans for a motion to receive his report.

IMPERIAL SIR EVANS: I believe I already did that once or twice already. However, again, I would, Imperial Sir, move for the acceptance of my report.

... The motion was duly seconded and, there being no further discussion, was voted upon and carried unanimously ...

DEPUTY IMPERIAL POTENTATE McMULLAN: I would like to add that I think you can all see why Public Relations is doing such a great job, especially with a gentleman at the head of it like Everett Evans who, I might add, was my campaign manager, and I want you to know that, and also Charlie Cumpstone and Mike Andrews and the whole Public Relations Department, who have likewise done outstanding jobs and who I will be looking forward to working with during this coming year. You are all to be commended for a very excellent job. Thank you very much. (Applause)

Now, at this time, I would like to present for some brief comments, Illustrious C. Fred Kleinknecht, Sovereign Grand Commander, Ancient Accepted Scottish Rite, Southern Jurisdiction.

ILLUSTRIOUS C. FRED KLEINKNECHT: Imperial Sirs, Representatives, Distinguished Guests and Brethren: It is a great treat to be here and certainly involves an experience that will make me a believer in Shrinedom.

Now, the first thing that I would like to do, and I am sorry that your Imperial Potentate is not here, but the Supreme Council has a special award that it gives out occasionally to people that have done an awful lot of work for Freemasonry and especially for Shrinedom.

It is a certificate of merit that we give and Voris King will receive this certificate, along with the proper signatures, in the very near future. I wish he were here to realize that he is receiving it because only a very, very few of these are given out.

I certainly commend you on your achievements and congratulate you on your accomplishments in all of your Masonic and philanthropic endeavors. All Free Masons and all Americans can take just pride in your work for crippled children and those who have

suffered severe burns and all those who have found hope and help through the gifts and labors of Shriners all across this great land of ours.

The Red Fez has come to represent, for many of our fellow countrymen today, the true spirit of caring and sharing, which is so much a part of what Freemasonry is all about. We wear the Red Fez with pride as we wear the lambskin apron with honor to Freemasonry and pleasure to ourselves. It is great to be a Shriner—it is great to be a Mason.

In the current issue of our magazine, which you will be receiving after you get home, I have a special article and it is entitled "Only Through Masonic Unity Do The Better Get Better."

I would like to read the last paragraph of this article:

"Those Masons who desire to exercise their own authority in a limited scope adhere to the maxim of 'divide and command' a better motto and one at the heart of Freemasonry and every true Brother is 'unite and guide.' Let us then follow the ideals established in the Symbolic Lodge. Let us build on them in all diverse ways that contribute to the benefit of Freemasonry. Our work is great but we must work together to achieve a success we envision. United for the common good of all, we can share common goals and together accomplish uncommon heights for our Craft and our nation.

"As Henry Wadsworth Longfellow wrote: 'All your strength is in your union, all your danger is in your discord.' "

I want to thank you for letting me be a part of this Imperial Session and I am certainly proud to be a Shriner. Thank you very much.

... Rising applause ensued ...

DEPUTY IMPERIAL POTENTATE McMULLAN: Thank you, Most Worshipful.

The Imperial Sir has now returned and I will return the gavel to him at this point.

... The gavel was returned to the Imperial Potentate. ...

IMPERIAL POTENTATE KING: Let me say that I was hopeful that I would have some kind of a report for you on the current situation facing us but I do not and after we leave here, I will go back to the other meeting.

At this time, we will call for the election of our Imperial Potentate who will serve us for 1988–1989.

Are there any nominations at this time? (Laughter)

I will recognize Harry E. Alger.

ILLUSTRIOUS SIR HARRY E. ALGER [Past Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Fellow Nobles: I have presented myself in your audience for several years now as the result of being in the enviable position of nominating a Representative from the great Dominion of Canada but more specifically from Al Azhar Temple in the Province of Alberta.

In well over 100 years of Shrinedom, I feel it is only fair to tell you that only three Canadian Shriners have had the privilege, the responsibility and the dedication to head this magnificent philanthropy through yet another successful year.

Today, Nobles, for the hundredth time, we elect yet another Imperial Potentate to head the Imperial Council for the Ancient Arabic Order of the Nobles of the Mystic Shrine, and it is my most pleasant duty, privilege and honor, to place in nomination for this, the highest of all offices in our Order, for the year 1988–1989, none other than one of the most dedicated and one of the most sincere Shriners we Nobles have ever known—the one and only Imperial Sir Edward G. McMullan for Imperial Potentate.

Imperial Sir, I move you, sir, that nominations cease and that you instruct the Recorder to cast a single and unanimous ballot for the nominee, Imperial Sir Edward G. McMullan, C.D.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the motion, which has been duly seconded.

Are there any other nominations? Are there any other nominations? Hearing none, I will declare the nominations closed.

All in favor say aye; opposed no. It is unanimously carried. (Applause)

Let me ask you, Ed, do you accept?

IMPERIAL SIR McMULLAN: You know, I thought that the Kingfish would never give it up.

(Laughter) He is a hard guy to follow, I want to tell you that. We have had a wonderful time and we are going to put him back to work immediately because we need his input.

Fellows, I will be speaking to all of you tomorrow and we would like to have you here on time.

Thank you for placing your confidence in me and I certainly will do my very best to carry on in the tradition of those who have gone before me.

Thank you all for your confidence and, most certainly, do accept. (Applause)

IMPERIAL POTENTATE KING: Now, we do have time to go on with the elections through the Office of Captain of the Guard.

I would like to ask for a motion from the floor that we be permitted to do this and I would like to call on our Imperial Recorder, Jack Jones, to provide us with the appropriate motion.

Imperial Sir Jones: Imperial Sir, Section 206.2(a) provides that the election of the Imperial Potentate shall be the last order of business on the first day of the Session, unless ordered otherwise by the Imperial Council.

Imperial Sir, I move that all Imperial Officers, except for the Imperial Outer Guard, be elected today so that we can commence with the next day's business, with the election of the Imperial Outer Guard.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: You have heard the motion, which has been duly seconded. Is there any discussion?

. . . There being no discussion and the question being called for, the motion was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE KING: The motion having carried, we will move forward with our elections and at this time I would like to call for the nomination of a Deputy Imperial Potentate.

ILLUSTRIOUS SIR THOMAS HICKMAN [Potentate, Crescent Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Illustrious Sirs and My Fellow Nobles: If I appear to be a little unnerved at this time, I think you will understand why we New Jersey Masons had a little excitement this afternoon which we could have done without and, in the process, we have gotten pretty well drained out.

Now, my name is Thomas C. Hickman and I am Potentate of Crescent Temple.

You know, throughout our lives, each of us are usually fortunate in having on occasions honors and privileges conferred upon or granted to us.

Today I have again been honored by having the privilege granted to me to place in nomination for the Office of Deputy Imperial Potentate the name of a man who, over the years, has been a true and trusted friend of mine as well as our Fraternity, a man from whom I have asked and received sound advice relative to Shrine matters, a man possessing the business skills, wisdom, leadership qualities and courage needed in these times to assist and lead this great Fraternity.

So, again, it is my honor to place the name of George W. Powell in nomination for the Office of Deputy Imperial Potentate for the ensuing year.

Imperial Sir, if there be no objections, I would move that the rules be suspended, the nominations for this office closed and the unanimous ballot be cast for Imperial Sir George W. Powell.

IMPERIAL POTENTATE KING: Thank you. Is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: All in favor say aye; opposed no. The motion is carried.

Let me say that I left George Powell upstairs with the Grand Master and so I would like to accept for him. Will you accept this?

. . . Cries of "yes" . . .

IMPERIAL POTENTATE KING: Thank you very much.

I would now like to call for nominations for the Office of Imperial Chief Rabban.

ILLUSTRIOUS SIR MARVIN TAYLOR [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Nobles All: I am Marvin Taylor, Potentate of Islam Temple.

It is an honor and pleasure for me to stand here and place in nomination for the position of Imperial Chief Rabban the name of Joseph P. Padgett of Islam Temple.

Now, Imperial Sir, if there be no further nominations, I would move that nominations be closed and that the Imperial Recorder, Jack Jones, cast the unanimous ballot for Joseph P. Padgett for the Office of Imperial Chief Rabban for the ensuing Shrine Year.

... The motion was severally seconded ...

IMPERIAL POTENTATE KING: You have heard the motion duly made and seconded.

All in favor please say aye; opposed. The motion is carried.

Do you accept, Joe?

IMPERIAL SIR PADGETT: Imperial Sir, Imperial Sirs and Representatives: It is with humility and gratitude that I do accept. Thank you so very much.

IMPERIAL POTENTATE KING: I would like to call upon Illustrious Sir W. Bruce McFarland at this time.

ILLUSTRIOUS SIR W. BRUCE MCFARLAND [Potentate, Lu Lu Temple]: My name is Bruce McFarland and I am Potentate of Lu Lu Temple and I am happy to place in nomination the name of John Wesley Dean for the Office of Imperial Assistant Rabban for the Shrine Year of 1988-1989. He has served us well for the past seven years.

Imperial Sir, if there be no objection, I request that you ask the Recorder to cast the unanimous ballot. I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the motion made and duly seconded.

All in favor say aye; opposed. It is unanimously carried.

Let me say that Jack Dean is likewise up with the Grand Master and I, too, have been given his permission to accept the nomination.

If there be no objection, I will accept for him. Let us give him a big hand. (Applause)

The next office open for election is the Office of Imperial High Priest and Prophet. I will call on Illustrious Sir Manley McCorkle to make that nomination.

ILLUSTRIOUS SIR MANLEY MCCORKLE [Potentate, Sharon Temple]: Imperial Sir, Imperial Sirs and Representatives: It gives me personal pride and satisfaction to be able to stand here before you as a Shriner and former patient of one of our hospitals, of which I am very proud.

I would like to place in nomination the name of our favorite son from Texas, Everett Evans, for the Office of High Priest and Prophet and I would request your unanimous vote for his election. I would so move.

Bukey for the Office of Imperial Oriental Guide for the ensuing Shrine Year.

Now, Imperial Sir, if there are no further nominations I move that nominations be closed and that the Imperial Recorder, Jack Jones, cast a unanimous ballot for Tony Bukey for the Office of Imperial Oriental Guide for the ensuing Shrine Year.

ILLUSTRIOUS SIR LEONARD SANDNESS [Potentate, Al Kader Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Nobles All: It gives me a great deal of pleasure to place in nomination for the Office of Imperial Treasurer an outstanding man and Mason.

He has served in this office for the past seven years and has handled our investment portfolio with the enthusiasm and professionalism which this office demands.

It is indeed an honor to nominate Webber C. Harrington for the Office of Imperial Treasurer.

Imperial Sir, if there are no further nominations, I would move that nominations be closed and that the Imperial Recorder be instructed to cast the unanimous ballot for the reelection of Webber C. Harrington.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All in favor of the motion please say aye; opposed. It is unanimously carried.

Webber, do you accept?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the motion, which has been seconded.

All in favor of the motion indicate by saying aye; opposed. It is unanimously carried.

Noble Jim Hayes [Chief Rabban, Sahara Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives and Distinguished Guests: It is indeed a pleasure for me as well as a privilege to present the name of Burton Ravellette, Jr., a Past Potentate of Sahara Temple, who has served the Shrine faithfully during the past year, for elevation to the Office of Imperial First Ceremonial Master.

IMPERIAL POTENTATE KING: You know, I made a terrible mistake and I believe that is the only mistake I ever made. (Laughter) I did not ask for a nomination and election for the Office of Imperial Second Ceremonial Master.

Of course, Bob Bailey, as Imperial Marshal this year, has done an outstanding job for me. He has served all of you well. He is great. I would ask all of you to give him a big hand, Bob Bailey, for the wonderful job he has done during this past year. (Applause)

Now, I will call for nominations for the Office of Imperial Second Ceremonial Master. I will call on Past Potentate Gossett, Hejaz Temple, to make the nomination.

ILLUSTRIOUS SIR A. C. GOSSETT [Past P., Hejaz Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives and Nobles All: I was told to cut this short and I will but I just have to say, in relation to the Public Relations presentation made here this afternoon, that James Fort came into Hejaz Temple in the spring of 1984, when I was Potentate and we had Jamie at their ceremonial and you can imagine, at that time, some four years ago, the shape that little girl was in. However, we had her there when James became a Shriner and also her grandfather is a Shriner in Hejaz Temple, is on the medical staff, he is a doctor. Therefore, as you may guess, we all know that story very well and were all sitting over there a little while ago crying.

You know, this is a great day for the Shrine and it is also great to have the opportunity of elevating all of these fine Imperial Divan Officers because they are all so deserving and work so hard.

Now, it is a special pleasure for me to stand before you today and nominate Robert B. Bailey of Orak Temple in Michigan City, Indiana, for the Office of Imperial Second Ceremonial Master.

I do not know of anyone who deserves it more and he is a fine gentleman and he works for our hospitals.

Therefore, Imperial Sir, I would like to place his name in nomination for the Office of Second Ceremonial Master.

Also, Imperial Sir, if there are no further nominations, I would like to have the Imperial Recorder declare Imperial Sir Bailey elected by acclamation.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All in favor of the motion please say aye; opposed. It is unanimously carried.

Let me ask you, Bob, do you accept?

IMPERIAL SIR BAILEY: Thank you very much, Imperial Sir. I certainly will enjoy working for the world's greatest Fraternity during another Shrine Year. Thank you so very much for your confidence. (Applause)

IMPERIAL POTENTATE KING: Thank you.

Now, the last election that we will conduct today will be that for the Office of Imperial Captain of the Guard and I would like to call on Potentate Angus Hastings of Morocco Temple for a nomination.

IMPERIAL SIR A. S. HASTINGS [Potentate, Morocco Temple]: Imperial Sir, Imperial Sirs,

Most Worshipful Grand Masters and Fellow Nobles: It is a pleasure and a privilege for me to nominate for the Office of Imperial Captain of the Guard, my friend and your friend, Illustrious Sir Lewis Brantley.

Imperial Sir, if there be no further nominations, I move that the Imperial Recorder be instructed to cast a unanimous ballot for the election of Lewis Brantley as Imperial Captain of the Guard.

... The motion was duly seconded . . .

IMPERIAL POTENTATE KING: You have heard the motion and the second.

All in favor say aye; opposed. It is unanimous.

Lew, do you accept?

IMPERIAL SIR BRANTLEY: You know, that was a lot easier than last year. (Laughter) However, I do thank you all very much for your confidence in me and I do accept. (Applause)

IMPERIAL POTENTATE KING: Thank you, fellows, for the wonderful way in which you allowed me to hold this election and I would like to call on Jack Jones now for a couple of announcements.

... Various announcements ensued by Imperial Sir Jones . . .

IMPERIAL POTENTATE KING: Before we close, let me remind you to be back here tomorrow morning at nine o'clock because your newly elected Imperial Potentate, Ed McMullan, will have his Session and I would ask you to be here and ready to start at nine o'clock.

Until then, thank you very much and I will now declare this Session recessed until nine o'clock tomorrow morning.

ILLUSTRIOUS SIR HARRY ALGER: Let us turn our hearts and minds to God in prayer for a moment or two.

Our Heavenly Father, on this day of yet another Imperial Council Session, we ask for your guidance in the responsibility we have undertaken and your help in fulfilling our duties.

We offer our sincerest thanks for the safe arrival in New Orleans of several thousand Shriners and their families who will participate with us all this week.

We thank you, too, for the graciousness of this great city and the splendor of its historic river.

As we contemplate all your great bounties, let all of the Nobility pause and rededicate themselves as wise stewards of the chores at hand that we may further our help and goodness to thousands of crippled and burned children throughout this great North American continent.

Lord, we give You thanks for the privilege of being in a position to serve wholeheartedly our fellowman. We ask that You give our newly elected Potentate great wisdom and his Council sound direction that they may lead us through yet another constructive and beneficial year. May they always deliberate with equity, ponder with second sober thoughts and decide according to truth.

ILLUSTRIOUS SIR MORRISON: Escorted to the stage now by the Nobles of Al Azhar Temple, I present the family of the Imperial Potentate-Elect.

. . . Whereupon, the audience applauded as the family members were escorted to the stage . . .

ILLUSTRIOUS SIR MORRISON: Let me say that before I formally introduce the family, Ed's wife, Audrey, asked me to express her apologies that she cannot be here this morning as her health does not permit her to travel. However, Audrey assures me that her thoughts will be centered on New Orleans this morning.

Audrey is more than pleased to have her daughter, Colleen, take her place.

ILLUSTRIOUS SIR ERNIE FIDEGON [Past Potentate, Al Azhar Temple]: To Imperial Sir Edward G. McMullan, C.D.—“Poetry in Motion.”

Got a whale of a tale to give you, Ed, a whale of a tail from your Cabiri. Because of the weight of the whale and the size of the tail, your Eskimo, carving, was left in Calgary—to be presented to you on your return home.

Good luck and God bless you, from your Past Potentates.

IMPERIAL SIR McMULLAN: Thank you very much, Ernie.

I appreciate this gift very much and, further, I did not think that you fellows cared for me that much. Anyway, I am delighted. Thank you very much.

MOST WORSHIPFUL BROTHER DAVID BRUCE [Grand Master, Alberta]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Ladies: Imperial Sir Ed, it is an honor and a privilege this morning as your Grand Master to bring to you on your very special day the greetings and the best wishes of the Most Worshipful Lodge of Alberta, A.F.&A.M.

It is indeed an honor for the Grand Lodge of Alberta to have you, as one of its members, elevated to the pinnacle of Shrinedom in North America.

It is our wish and our hope that you will have a most successful term as Imperial Potentate of the Shrine of North America and leave a lasting and positive impact upon Shrinedom in North America and, in the process, making this world in which we live a better place for the many crippled children.

I wish you God's speed in your travels and, in those travels, a safe journey and much personal satisfaction and until we all meet again, may the Great Architect of the Universe hold you in the palm of his hand.

Congratulations and best wishes for a very successful term. It has been an honor to be with you this morning. (Applause)

ILLUSTRIOUS SIR MORRISON: Thank you, Most Worshipful Grand Master. It has been a real pleasure and honor to have you here and to be able to accept you as both a Mason and a Shriner at the same time. Thank you for your very kind words, Worshipful Sir.

Now we are ready for the presentations to the Imperial Potentate-Elect.

We will proceed with the presentation of the Imperial Potentate's Fez, to be presented by Illustrious Sir Jack Dunlop on behalf of the Nobles of Al Azhar Temple.

ILLUSTRIOUS SIR JACK DUNLOP [Potentate, Al Azhar Temple]: Imperial Sir Ed, this takes me back too long, to the time when you asked me to become a Shriner, at which time I had the honor of having you present my Fez to me. Now the order here today is reversed a little bit.

However, it gives me a great deal of pleasure to perform this duty of presenting to you your Fez as the new Imperial Potentate of the Shrine of North America and doing it in behalf of Al Azhar Temple and all of Shrinedom of North America.

NOBLE KEN TURNER [Al Azhar Temple]: Imperial Sir, it gives me great pleasure, on behalf of the Provost Unit of Al Azhar Temple, to present you with your five-star pin.

... Presentation and applause ensued ...

IMPERIAL SIR McMULLAN: Thank you, Noble Turner. Having been a Captain of this unit in the past, I am very proud and pleased to receive this beautiful diamond pin. You know, it really looks expensive but I have one question—where did you fellows get the money, out of fund raising? (Laughter) You know, of course, I want to know if it was properly done. (Laughter)

At any rate, I do certainly express my deep appreciation for this present and, again, thank you very, very much. (Applause)

ILLUSTRIOUS SIR MORRISON: Apparently this pin has been drafted and designed by Ed. (Laughter)

Now, for the presentation of the Imperial Potentate's Flag, I would like to recognize Imperial Sir Jack Jones, our Imperial Recorder.

McMullan, C.D.

Imperial Sir Ed, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the Shrine's Official Seal as well as your name and title.

As you lead this great Fraternity, let this flag stand with our three national flags and serve as a symbol of your authority and the importance of your high office. Let it also serve as a reminder of our devotion to the principles of Freemasonry and our commitment of service to mankind through the world's greatest philanthropy, Shriners Hospitals for Crippled.

Imperial Sir, representing all Shriners everywhere, I present this Fraternal flag to you with love, respect and best wishes for an enjoyable and productive year.

... Presentation of Imperial Potentate's Flag and applause then ensued ...

IMPERIAL SIR McMULLAN: Thank you, Jack, you certainly did a beautiful job. As a matter of fact, you are getting better all the time. (Laughter)

Of course, I only have one question at this point and that is how we are going to get that through customs. (Laughter)

At any rate, I do appreciate your remarks and accept this from you in behalf of all of the Nobility. Thank you very much. (Applause)

ILLUSTRIOUS SIR MORRISON: At this time we have a special Canadian presentation to be led off with a presentation of the provincial flags by Rameses Temple.

At this time, I will call upon Noble Tom Haughton.

NOBLE HAUGHTON: Ladies and gentlemen, the Rameses Concert Band and the Rameses Patrol, through the kind permission of the Potentate of Rameses Temple, Illustrious Sir Gordon Brittain, proudly present a Special Canadian Salute to our Imperial Potentate-Elect,

Edward G. McMullan, C.D., featuring the twelve Canadian Temples from the Atlantic to the Pacific, this music representing the various parts of Canada.

... There ensued the presentation of the Special Canadian Salute, commencing with the presentation of the Provincial Flags by Rameses Temple and concluding with emphasis upon the fact that there were no political boundaries in Shrinedom by recognition of the three national flags of Canada, the United States and Mexico . . .

NOBLE HAUGHTON: Illustrious Sir, I now return the gavel to you.

... The gavel was returned to Illustrious Sir Morrison.

ILLUSTRIOUS SIR MORRISON: Thank you very much and I am sure those in attendance will agree that there was certainly a great display of color with this presentation. (Applause)

I would now like to introduce and have on the stage en masse the Canadian Potentates, please.

... The Canadian Temple Potentates, as follows, appeared on the stage and were individually introduced . . .

Gizeh Temple—Illustrious Sir Leslie Peterson, Q.C., Vancouver, B.C.

Al Shamal Temple—Illustrious Sir Don Wilson, Edmonton, Alberta.

Al Azhar Temple—Illustrious Sir Jack Dunlop, Calgary, Alberta.

Wa Wa Temple—Illustrious Sir Mal Edwards, Regina, Saskatchewan.

Khartum Temple—Illustrious Sir Keith Collins, Winnipeg, Manitoba.

Mocha Temple—Illustrious Sir Glenn Zellar, London, Ontario.

Rameses Temple—Illustrious Sir Gordon Brittain, Toronto, Ontario.

Tunis Temple—Illustrious Sir Robert Laushway, Ottawa, Ontario.

Karnak Temple—Illustrious Sir Gilles Dube, Montreal, Quebec.

Philaee Temple—Illustrious Sir Roderick Robertson, Halifax, Nova Scotia.

Luxor Temple—Illustrious Sir Alward Mehan, St. John, New Brunswick.

Mazol Temple—Illustrious Sir Vincent Pike, St. John's, Newfoundland.

ILLUSTRIOUS SIR MORRISON: To handle the formal presentation I call upon Past Imperial Potentate Jack Streight, Q.C.

IMPERIAL SIR JACK STREIGHT [Past Imperial Potentate]: Good morning, everyone.

You know, looking out upon this audience here, everyone represents a different state in the United States or a different province in Canada or Mexico. This is the greatest representation you can find anywhere in these great United States.

You know, I could walk down among you in the audience and I would not know whether I was talking to a Canadian or an American, except perhaps I might come to a lady or gentlemen who would say "You all come down South." That is a great nation, I am sure. (Laughter)

You know, when I was a young man and student at the University of British Columbia, I was a part of some students that visited the University of Washington at Seattle and they have a great monument there at the entrance to the gate. This is a monument consisting of a horse and a man on a horse and when I was there, one of my friends said to me, "Jack, this is George Washington, the Father of our country." In those days, of course, they only had horses and if they had had motorcycles, they would be the Father of your country, also. (Laughter)

I do want to thank these great Potentates and Canadian Temples for allowing me to represent them in making two presentations to our Imperial Sir, Edward McMullan. Ed, where are you? I did not recognize you in your skirt. (Laughter)

Will you please unfurl the flag of Canada. You know, that flag belongs to a nation and it is the second largest land mass in the world today and I am more than pleased to present this flag to you, Imperial Sir Ed, on behalf of all of the Canadian Temples to remind you that you are still a Canadian. Now, perhaps you can put this in your den.

... Presentation of Canadian Flag and applause ensued . . .

IMPERIAL SIR JACK STREIGHT: Also, Ed, I want to tell you something else and that is when you go down to the great United States, you will find it to be a great country. As a matter of fact, it is recognized by all of the world as a great democratic country and its flag is known in all parts of the world, especially in Canada.

Also, when you go down to Almas Temple in Washington, D.C., they will give you an American Flag, the Stars and Stripes, and in the process tell you it was flown over the

White House. However, let me tell you, Ed, that the flag I am giving you is brand new. (Laughter)

IMPERIAL SIR McMULLAN: What are you trying to say, Jack? (Laughter)

IMPERIAL SIR STREIGHT: You have received the highest honor that the Shrine can give to any Noble, that of being the Imperial Potentate of the Shrine of North America.

Now, the Temples of Canada have recognized this and they have now for you here a silver tray with the name of every Canadian Temple on it and this is to remind you both now and forever that the Canadian Temples respect the high office that you are going to hold very shortly.

Therefore, it is a pleasure to present this tray to you.

... Presentation and applause ensued ...

IMPERIAL SIR STREIGHT: Now, Ed, before I go, let me say that I know you are going to have a fine Ceremonial and a fine Convention in Toronto and I know you are giving me permission to say, "You all come to Toronto and drink Canada Dry."

... Laughter and applause ...

IMPERIAL SIR McMULLAN: Thank you, Jack.

Now will you come over here, please.

You know, when Jack was Imperial Potentate in 1975, we were able to say, "Hi, Jack" before we got on the plane. However, we cannot do that any more. (Laughter)

However, I do want to thank you very much, Imperial Sir Jack Streight, and all of the Illustrious Potentates of the Canadian Temples.

Also, I might say that it was some seven years ago, right here in New Orleans, when I was Marshal to Hogan H'Doubler that we started this tradition and I did not realize at the time that it was going to be so fast or I would have started earlier. (Laughter)

But, again, thank you very much and I appreciate the wonderful show put on by Rameses Temple. That was a great surprise. Again, thank you very much.

ILLUSTRIOUS SIR MORRISON: Thank you very much, Imperial Sir Jack.

Now, for a presentation by Aloha Temple, I will recognize Illustrious Sir Howard Lau.

ILLUSTRIOUS SIR HOWARD LAU [Potentate, Aloha Temple]: It is with a great deal of pleasure and pride that we in Hawaii like to present a lei with all of our love and I would now like to present a Hawaiian lei to Imperial Sir McMullan and his daughter, Colleen.

... Presentation of Hawaiian leis ensued ...

ILLUSTRIOUS SIR LAU: Also, Imperial Sir, we extend our congratulations and best wishes to you for a great and very happy and successful year and, you know, this is a "first" in the history of the Imperial Council that an Illustrious Potentate kissed an Imperial Sir who was wearing a skirt. (Laughter)

ILLUSTRIOUS SIR MORRISON: And now we will have a presentation by Anezeh Temple, by Illustrious Sir Horacio Clark.

ILLUSTRIOUS SIR HORACIO CLARK [Potentate, Anezeh Temple]: Imperial Sir, I wish to present this to you, something which represents our hospital. As a matter of fact, this is made of clay. Also, it is a part of the land where your son-in-law lives and where your grandchildren come from. We are happy to present this to you for the great symbolic gesture it represents.

... Presentation of gift and applause ensued ...

IMPERIAL SIR McMULLAN: Let me ask you, Illustrious Sir, how did you get a name like "Horacio"?

ILLUSTRIOUS SIR CLARK: My grandfather was Scotch.

IMPERIAL SIR McMULLAN: At any rate, Illustrious Sir, I really appreciate this because I know it comes from the heart, comes from your country to our country and, Colleen, maybe you can say something in Spanish so that he will understand what I am saying.

MS. COLLEEN VALDEZ: Mucho gracias. (Applause)

ILLUSTRIOUS SIR CLARK: Let me say, with regard to that little piece of clay, it comes to us from the heart and from where exactly your grandchildren are living today and those seven little guys are, in reality, smiling children. Thank you, Imperial Sir.

IMPERIAL SIR McMULLAN: Again, thank you very much.

ILLUSTRIOUS SIR MORRISON: And now we will have a presentation from Al Malaikah Temple, by Illustrious Sir Willard Vausbinder and Nobles Art Howard and Roy Maxfield.

ILLUSTRIOUS SIR VAUSBINDER [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles, Ladies and Guests: It is a tradition of the Al Malaikah Temple Patrol to present to the Imperial Potentate a swagger stick with bands engraved signifying his Masonic and Shrine history.

On behalf of Nobles Art Howard and Roy Maxfield and myself, we are proud to present to you, Imperial Sir, this swagger stick. Carry it proudly.

... Presentation of swagger stick and applause ensued ...

IMPERIAL SIR McMULLAN: Thank you all so very much.

I want to tell you that this tradition has been really wonderful. I remember when Marshall Porter was alive that he had his swagger stick in his den at all times and was very proud of it, as I shall be.

I should like to thank Al Malaikah and its Patrol for this presentation to me on this occasion. It is very much appreciated and, again, thank you very much. (Applause)

ILLUSTRIOUS SIR MORRISON: Actually Ed, they call this a "Imperial Divan Persuader." (Laughter)

At this time we will have a presentation from the Oakwood Petroleum Corporation by its President, Brian Ekstrom of Alberta.

MR. BRIAN EKSTROM [President, Oakwood Petroleum]: Imperial Sir, Honored Guests and Shriners All: First of all, let me say that this gentleman, Ed McMullan, has completed nineteen years of corporate involvement with Oakwood Petroleum. He is, as many of you know, one of the busiest individuals that I know of—as a matter of fact, one of the busiest individuals that has ever served on the Oakwood Board and yet, at the same time, he is a man who always had time to be there and to contribute and to be involved.

Today, it is a great honor for my wife and I to be here and to watch this auspicious event. Of course, we have learned a lot about this organization from Ed in the Board Room, as he has led up to his present position today.

It is a great honor for me, in behalf of the Board of Oakwood Petroleum, to thank Ed for his involvement and to present him with a token of our appreciation.

... Presentation of gift and applause ensued ...

MR. EKSTROM: Let me say that this a watch for Ed. Of course, this is not to imply that he is late for Board meetings. (Laughter) It is also not to imply that he is always the last one to parties. (Laughter) This watch is given to him for his many years of service to our corporation. Also, Ed, we will see that it gets home safely for you. (Laughter)

IMPERIAL SIR McMULLAN: You know, it looks like I am not going to get it. (Laughter)

However, I want to say just thank you, Brian, and on behalf of myself I want to tell you that it says, on the outside of this package, "Piaget." Now, I do not know if you know what that means. However, Brian can tell us that it is pretty heavy. This is a gold watch and I think it represents so much for every year that I have served on the Board. I really appreciate it and I know that I will be on time from here, Brian, especially if I have been too early in the past.

At any rate, thank you very, very much and I do appreciate this gift. (Applause)

ILLUSTRIOUS SIR MORRISON: Thank you, Brian.

At this time I would also like to acknowledge the founder of Oakwood, Dallas Hawkins. He is sitting up here right in the front. Will you please stand and be recognized. (Applause)

IMPERIAL SIR McMULLAN: Let me also thank you, Dallas, for being here today.

ILLUSTRIOUS SIR MORRISON: And now for a special presentation in behalf of all of the Nobles of Canada, I would like to introduce Illustrious Sir Les Peterson, Q.C., Potentate of Gizeh Temple.

ILLUSTRIOUS SIR PETERSON [Potentate, Gizeh Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests, Ladies and Nobles: On behalf of the Nobility of all of the Canadian Temples, I want to acknowledge our great pride and, indeed, our great honor on the selection and election of one of our own to the highest office in Shrinedom.

We want to congratulate you, Illustrious Sir Ed, and we wish you well during your tenure of office.

Now, I noticed in the film that we all viewed this morning, that you had a number of old cars. I think you called them "antiques" in your film but in a country like Canada, which is sparsely populated, and where driving involves many, many miles in getting from one place

to another, we do want you to travel in safety and in comfort and, therefore, on the part of the Nobility of all of the Canadian Temples, I will present you now at this time with the symbolic keys to a Cadillac or an equivalent car of your choice.

... Presentation of symbolic keys and applause ensued ...

IMPERIAL SIR McMULLAN: I can tell you that as Chancellor of the University of British Columbia, he knows what he is talking about. Are these your keys, Les? (Laughter) At any rate, thank you very, very much. I really appreciate this.

I might also state that the Canadian Temples represent less than four percent of the Shrine population of North America and yet they give \$2.5 million a year to Shriners Hospitals in Montreal and that, I might add, is from 27,000 Shriners throughout Canada.

We are all very proud of that and we thank them for being able to raise these great sums of money for our hospital.

Thank you very much again for this presentation, I really appreciate it. Of course, whether I get a Cadillac or not, because I already have one of those, I will find something. Again, thank you very much.

... Laughter and applause ensued ...

ILLUSTRIOUS SIR MORRISON: Thank you, Les.

Now, for a presentation from the Sauu Nessu Unit of Rameses Temple, I would call upon Peter Rhodes.

NOBLE PETER RHODES: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles and Guests: I would like to present at this time, for the first time in the history of the Shrine of North America, the official banner of the Sauu Nessu Unit to Imperial Sir Ed McMullan.

... Whereupon, this banner was presented to Imperial Sir McMullan ... (Applause)

IMPERIAL SIR McMULLAN: Thank you very, very much. This is quite a banner. Really, fellows, how did you work that? At any rate, I thank all of you very, very much and I shall certainly put that to good use on one of my vehicles and also be proud to show it within Al Azhar Temple and when I am in parades. Thank you very much.

Now, I know you are a small unit but, on the other hand, you are a strong unit and a strong Temple and we appreciate all the input that we have had from you today on this great occasion. Again, thank you very, very much. (Applause)

ILLUSTRIOUS SIR MORRISON: From the Supreme Council, Order of DeMolay, I present to you James Sheffel, Grand Master.

NOBLE JAMES SHEFFEL: Imperial Sir Ed, Imperial Sirs, Nobles, Ladies and Guests: It is a real honor to be here, Sir Ed. You are best known to us in Canada as "Dad Ed McMullan, Honorary Grand Master of the Canadian DeMolay of Canada."

Sir Ed and "Dad," on behalf of all of the boys of the DeMolay of Canada, the Canadian Supreme Council, we extend to you most hearty congratulations, God's speed and safe traveling throughout 1988 and 1989 and, of course, we also look forward to seeing you at some of the Canadian DeMolay Sessions.

Sir Ed, in behalf of the Canadian Supreme Council of the Canadian DeMolay, it is my pleasure to present to you from all of the young men in Canada and the Supreme Council, this portrait. This portrait was superbly done by a lady in Calgary. Her name is on there. It says—"To 'Dad' McMullan, Imperial Potentate, Honorary Grand Master, Canadian DeMolay, New Orleans, June, 1988."

Also, if you cannot see it, but nevertheless very appropriately done, is a Canadian DeMolay card and a jewel which the Honorary Grand Master carries.

On behalf of all of our boys, advisors and myself, I make this presentation to you today.

... Presentation and applause ensued ...

IMPERIAL SIR McMULLAN: Thank you very much, Jim.

I can tell you that this was a great surprise, was not on the program and I did not know this sort of thing was going to be done. However, Jim is like that, he is a great fellow and the DeMolay is coming back up to strength and, in a few years, I am sure, will be up there again.

Also, let me say that I hope all of you Nobles in the audience will help the DeMolay in the United States and Canada and be sure that the strength of the Shrine and the Masonic Fraternity carries on.

Thank you very much, Jimmy. (Applause)

ILLUSTRIOUS SIR MORRISON: And now, for a family presentation, I would like to introduce Kappy McMullan Britain, sister of Ed.

MS. KAPPY McMULLAN BRITAIN: You know, I can only say that it is not often that I get upstaged but I did get upstaged here a moment ago by the gentleman before me. However, I think I can handle it and I will wing it.

So, Imperial Sir Edward McMullan, what we have here for you is another portrait, this one done by a very well known northwest artist. This artist worked from a series of pictures that I gave her. Of course, we tore out our hair over it for some six months and I want you to know that this gift to you is from the members of your family and friends from Australia, New Zealand, Mexico, Northern Ireland, Canada and the United States as a symbol of our love and devotion for my big brother.

... Presentation of picture and applause ensued ...

IMPERIAL SIR McMULLAN: And, of course, she is my young sister, too. I want you to know that.

Now, I might tell you that Kappy has done a lot of work for me, as you all well know. Further, I think it is wonderful that the artist was able to make this picture look a lot like me and, as a matter of fact, I think it is better looking than I thought I ever was. However, I like it and, again, thank you very much, Kappy and I also wish to thank all of wonderful family and friends. (Applause)

ILLUSTRIOUS SIR MORRISON: For a presentation of special Fezes, I would now like to call upon Imperial Sir Ed.

The first will be the presentation of a special Fez to Jason Edward McMullan.

IMPERIAL SIR McMULLAN: Jason, I hope that you will eventually become a Shriner. Also, I hope you grow up to be a big man, which you are presently doing very rapidly.

With the presentation of this Fez, you are now grandpa's Aide and I want you to know that.

... Presentation of Fez and applause ensued ...

IMPERIAL SIR McMULLAN: You know, when they said he had a six and seven-eighths head size, they were right. By gosh, he has a lot of brains. (Laughter)

... At this point, Imperial Potentate's Aides Fezes were likewise presented to Illustrious Sir Neil Morrison (Past Potentate), Noble Norris Bick, Noble John Hieberg (Khartum Temple) and Noble Ken Brittain (Nile Temple) ...

ILLUSTRIOUS SIR MORRISON: The next Fez, Imperial Sir, is to be presented to Illustrious Sir Peter Rhodes, Rameses Temple, Director General, 1989 for the Session in Toronto.

IMPERIAL SIR McMULLAN: You know, he is the sharpest guy I ever met. You are doing a great job, Peter.

Now, I understand, Peter, that you have sent out five bulletins and another one while at the Session and I would like you to say a little bit about that.

However, honestly, I do not know where he gets the energy. I am pleased with the wonderful job you are doing and also am so pleased to have you as our Director General for the Toronto Convention and, at this point, it gives me great pleasure to present you with your Director General's Fez for 1988-1989.

... Presentation and applause ensued ...

ILLUSTRIOUS SIR PETER RHODES: Imperial Sir Ed, you and I have become very, very close friends for a long time and I know that this involves really a "hand in glove" fit here. It is just super.

All I have to say to the rest of you is that when you come to Toronto you are going to see a Convention you have never seen before. We have had one great time here and to Imperial Sir Voris King and your committees, you have done one super job but, we will do our best to have all of you thoroughly enjoy yourselves.

We look forward to seeing you. Thank you very much. (Applause)

ILLUSTRIOUS SIR MORRISON: I would next call on Illustrious Sir Harry Alger, Past Potentate of Al Azhar Temple, to be presented his Imperial Chaplain's Fez.

IMPERIAL SIR McMULLAN: You know, Harry Alger has been known to many of you for many years. He has been on the Mileage Committee, a member of the Legislature, of the Assembly for the Province of Alberta. I have appointed him to be our Imperial Chaplain for the coming year and if I can find his Fez, we will have him Fezed. (Laughter)

... At this point, Illustrious Sir Alger was presented with his Imperial Chaplain's Fez ...

IMPERIAL SIR McMULLAN: I know, Harry, that you are going to do a great job next year and I am also sure that Bill might give you some advice. (Laughter)

ILLUSTRIOUS SIR HARRY ALGER: Imperial Sir, it will be my pleasure to serve you and to serve all of the Nobility of North America and also serve the Board at the same time. I appreciate this honor and thank you very, very much. (Applause)

ILLUSTRIOUS SIR MORRISON: And now it is a very special honor for me to be able to introduce the Nobles who led the Units of Al Azhar to the Assembly and Imperial Sir Ed.

... At this point, the Unit leaders were introduced and applauded ...

IMPERIAL SIR McMULLAN: I want to thank all of these individuals for the work that they have done. I would like to say, for a Temple of 1,700 people, that we certainly have a lot of units and they are all crack units. We just love them all and thank you very much, fellows, for representing Al Azhar Temple so ably.

ILLUSTRIOUS SIR MORRISON: And now, at this time, I would like to call upon Imperial Potentate-Elect, Edward McMullan, C.D.

IMPERIAL SIR McMULLAN: Thank you very much, Neil. You have certainly done a marvelous job, really you have and we are going to let you out of here in just a few minutes.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, my fellow Nobles and all of the Ladies and Guests here: Certainly I would like to thank the Pipers, Robert Smith and Jim Forde, Jim just became a Noble and was in the Police Pipe Band in Calgary and when he got to meet me he decided that he had better join up. (Laughter)

I would like to thank Norris Bick for the wonderful job he has done; the Rameses Concert Band and George Barton and also Joe Samson.

I would like to thank each and every one for taking the time to participate and share with me, my family and friends on this very special day.

Those of you who have held executive positions in the various organizations to which we are dedicated realize this is a most auspicious occasion to be honored by your peers.

The only regret in my heart this day is that my lady, Audrey, is physically incapable of being with us to enjoy and participate in this joyous event.

When we meet for our next Imperial Session in July, 1989, we will convene in the Queen City of Toronto, in the Province of Ontario, Canada. It was there, in this year 1962, that the then Imperial Potentate, Mr. Justice Marshall M. Porter, Al Azhar Temple, dedicated the peace monument built by the Shrine in the name of International Peace. During the Toronto Convention, it will be my distinct honor and pleasure, as your Imperial Potentate, to rededicate the Peace Monument, thereby reaffirming our continued dedication for International Peace and peace around the world or peace in our time, or as was said by Sir Winston Churchill, whose monument graces the entrance to the New Orleans Hilton, "Peace in our Time."

Therefore, our motto for 1988-1989 is "International Peace."

While there are three countries that make up the Shrine of North America—the United States, Canada and Mexico have always portrayed themselves to be good neighbors. We all know that there have been periods of unrest and stress at times. However, as you can see, having been introduced to my family, our daughter, Colleen and her husband Javier and my lovely grandchildren are residents and citizens of La Paz, Mexico; my wonderful, loving sister "Kappy" and her husband Ken and my nieces and nephew are citizens by birth of the United States and my wife and I are Canadian citizens.

So, as an international family, with immediate members in each of our three countries, what would be more appropriate than to stress during my year, the hope and prayers of all of us, that peace, tranquility and understanding will always be foremost in the hearts and minds of all of our countrymen.

It is my hope that during my year as your Imperial Potentate, many of you will visit Toronto for our upcoming Imperial Session and will also visit other provinces and cities throughout Canada, including my home city, Calgary, which is home to the world famous Calgary Stampede and was host to the most successful Winter Olympics.

Those of you who watched the Games will realize that the air terminal portrayed in my

film has just recently been demolished and replaced by a somewhat more modern facility. In fact, just last year I traded in my dog sled for a more modern mode of transportation.

In extending my heartfelt thanks and appreciation I first want to thank Peter Rhodes, my Director General; Neil Morrison and my sister, "Kappy." I also wish to thank my daughter, Colleen, as well as all of the wonderful Divan, Nobles and ladies of Al Azhar. I wish to also extend my thanks to all of the other Canadian Temples for what they have done for me.

I also wish to thank "Kingfish" wherever he is in the audience. It has been a wonderful thing to have served with you—you have been just great. I love your family and feel a part of your family and I feel that if I could only speak that fourth language, that "Southern" language, that I would fit in easier.

We have had a wonderful time in our Divan under the leadership of so able a person as Voris King.

Also to Bill King and his lovely wife, Betty, we have appreciated you and we want you to know that it is going to be a very, very tough thing to follow in your footsteps.

In conclusion, my fellow Nobles, Ladies, Eminent and Honored Guests, Family and Friends, as I assume this heavy mantle of responsibility as your leader for the ensuing year, let me give you my personal assurance that I will discharge my obligations with a happy heart, open mind and renewed spirit so that each of you can proudly pronounce—"Yes, we are the world's greatest philanthropy"

Thank you. (Applause)

ILLUSTRIOUS SIR MORRISON: Thank you very much, Imperial Sir.

At this point, I would read some communications of congratulations that have been received.

... Whereupon, various communications of congratulations addressed to Imperial Sir McMullan were read ...

ILLUSTRIOUS SIR MORRISON: And now, ladies and gentlemen, for the Benediction, I will recognize Illustrious Sir Harry Alger, Imperial Chaplain Designate.

ILLUSTRIOUS SIR HARRY ALGER: Nobles, Ladies and Friends, let me speak to the Lord in your behalf.

Our Father, we thank Thee for this memorial morning. The color and pageantry added to much to our philanthropy and we ask Thy blessing on all participants in this exciting week.

Bless us now as we proceed on our course and make us ever aware of the misfortunes of others that we continue in creation of new hospitals for crippled and burned children as well as maintenance of the twenty-two edifices that presently serve You and Your children.

Bless all those in attendance here and instill in them that inner desire to make Thy will their will. Amen.

... At this point, the retiring of the Colors ensued ...

ILLUSTRIOUS SIR MORRISON: Thank you all for your attendance here this morning. This completes our presentation for 1988.

... Whereupon, the Pageant Session was, at eleven-twenty o'clock a.m., adjourned ...

MORNING SESSION

WEDNESDAY, JUNE 29, 1988

ELEVEN-FORTY-FIVE O'CLOCK A.M.

The One Hundred Fourteenth Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eleven-forty-five o'clock a.m., Imperial Potentate Voris King presiding.

IMPERIAL POTENTATE KING: If you do not mind, we would like to get started.

I would like to say good morning.

I have a message that I know you are all looking for and I would like to have you all please sit down. I have a message that I would like to read to you.

Nobody in this room has seen this message, nobody, except the Grand Masters and here it is—and, I might add, they are all sitting over there and we are all proud of them. Let us give them a big hand. (Applause)

This message was given to me by my Grand Master, who was chosen to be, more or less,

of a spokesman and, further, this is the result of some all night work, some all afternoon work yesterday and I want to read this.

It is addressed, "Voris King and Members of the Imperial Divan."

It reads as follows:

"The Grand Masters assembled appreciate being escorted to a meeting room yesterday for a briefing and discussion with the Imperial Officers regarding the situation which arose due to action of the Grand Master of New Jersey.

"We, like your Imperial Potentate, are most concerned with the welfare of our general Craft and the Masons of peace and harmony among the Brethren.

"The edict of the Grand Master of New Jersey reflects an internal situation within the State of New Jersey. The edict, as such, is within the power of the Grand Master and, hopefully, this situation will resolve itself.

"The Grand Masters assembled cannot and will not involve themselves in the difficulties of another Jurisdiction. (Applause) We are dedicated to Masonry and since all Shriners are Masons first, we are concerned with Shrinedom as well. They have been an integral part of each other since the founding of the Shrine in North America.

"Masonry has always followed Shrinedom and its philanthropy, as well as the Shrine supporting Masonry and its philanthropy.

"We are concerned with propositions 4 and 5. We feel these propositions would divide our Masonic unity and possibly could infringe on the jurisdiction of the Grand Master. Proposition 4 is destructive to our Fraternity in the long run, maybe illegal to both of our organizations.

"Masonry's difficulties can be solved by united effort on all fronts. A single, large, healthy organization can best meet these difficulties than two poorly wounded ones.

"The disagreement from within is destructive and can be fatal. Let us put this needless family disagreement behind us. It is time to move forward with a great number of our Fraternities, united as a single effort.

"The preservation of our Crafts and all of its philanthropies.

"We must tell the world that both Freemasonry and Shrinedom walk hand in hand as the world's largest and greatest Fraternity, providing brotherly love, relief and truth of mankind."

... Rising applause ensued ...

IMPERIAL POTENTATE KING: My Brethren, the proper way to start this meeting is with the blessing of Almighty God and I would like to call on our Imperial Chaplain, Bill King, at this time.

IMPERIAL CHAPLAIN KING: Our gracious Heavenly Father, these are hurried times and we thank You for a quick and speedy blessing among all of us.

We thank Thee for the leadership and guidance you have provided thus far in our city.

May all of our decisions made today and for the balance of these Sessions, be done for the benefit of our great Fraternity and in honor of Your Name.

We ask all of these things in Thy Holy Name. Amen.

IMPERIAL POTENTATE KING: I will call on our Imperial Recorder, Jack Jones, who I believe has some announcements.

... Announcements by Imperial Sir Jones then ensued ...

IMPERIAL POTENTATE KING: At this time I will call for the election of our Imperial Outer Guard and I would like to have the two candidates to please come forward, come up here to the stage.

... The two candidates approached the stage ...

IMPERIAL POTENTATE KING: You will draw for your election nominations.

... Whereupon, drawing for election position ensued ...

IMPERIAL POTENTATE KING: I would like to announce that Ralph Semb of Melha Temple, has drawn position one. I understand that he will be nominated by Allen G. Zippin, Past Potentate of Melha Temple.

ILLUSTRIOUS SIR ALLEN ZIPPIN [Past Potentate, Melha Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Masonic Guests, Imperial Representatives and Nobles All: I come before you today as a Past Potentate of

Melha Temple in Springfield, Massachusetts, to place in nomination for the Office of Imperial Outer Guard the name of Illustrious Sir Ralph Semb.

I am here to speak to you, as he has done to you, from my heart.

Ralph has traveled hard and long and far across this country. He has corresponded with you repeatedly, has called you, met with you and visited with your Temples, your Associations and he has likewise attended Shrine Club meetings with you.

He has been to your hospitals, participated there and always with the goal of presenting himself in a most personal and forthright manner as a candidate for one office, the only office that he seeks and will seek, and that is the Office of Imperial Outer Guard, where he feels that with his ability and his background, he can provide us with the best service for the future of the Shrine.

You have read his qualifications. You have seen the titles, honors and that sort of thing. I am not going to review them with you. You know them and by now you also know Ralph.

What I am going to tell you, however, is that those titles and honors have been earned through the same work ethics you have seen on the campaign trail—through that same dedication and same sincere devotion to doing what is proper and to reaching you personally.

I would like to tell you that those titles and honors are there because of the achievement, because of the production, because of the results. That is why Ralph Semb has been so successful in civic affairs, in business affairs, in family and certainly in fraternal affairs.

His service to his Blue Lodge, serving three terms as Master of his Lodge; his service in the Scottish Rite and the York Rite and his service to the Shrine, of course, cannot be questioned.

At all times, his youthful exuberance, his enthusiasm, devotion and dedication to you, the Nobles, the men who make the Shrine work, has been clear throughout this campaign.

Wherever he has gone, I think he deserves credit for having taken a stand on the issues, for not dodging questions, for not evading matters but, rather, for responding to your questions and asking what it is that you feel he needs to do to best serve all of you, all of us for the benefit and future of this great philanthropy.

He has always answered your questions, has always responded to them.

He is dedicated to increase the membership program and you have all read about his proposal and his program to the International Shrine Membership Association—a program that has been well received by many people across this country and something that Ralph developed.

He is that kind of an individual. He is dedicated. He is determined to recruit new members and to bring young people into our Fraternity to ensure that the future will be strong and that we will grow.

I am also here and honored and privileged to say to you that you need to think carefully about the future of the Shrine. It is important, at this point, to put aside any regional, personal or political issues and simply decide who it is you feel will be a qualified candidate to best represent our interest in the future.

It is time to vote and Ralph has not asked you for that. All during his campaign, his attitude was to respect the intelligence of the voters but not putting you on the spot or asking you to vote for him. If you will recall, his comments along the way were, "I would like you to consider me."

Also, you will recall the correspondence and messages that he has sent you about what he is doing and where he was heading. Each letter sent out was personally handled. Every phone call, every visit whether on a personal basis or otherwise, he dedicated to you, the working Nobles, the unit men who keep the Shrine alive.

Ralph Semb, candidate for Imperial Outer Guard, has an outstanding record of proven results to this great philanthropy and he is asking you for your vote. I am asking you for your vote. I think it is time for all of us to reach deep into our hearts and in our consciences and think only of what is best for all of the Shrine of North America.

With that in mind, I ask you to please vote for the future, vote for young membership, vote for results, vote for someone with a program and who has taken a stand on the issues we need to address and who has shared these feelings with you everywhere he has gone.

His enthusiasm and zeal will guarantee us a bright future, with your support.

With that in mind, I am pleased to place in nomination the name of Illustrious Ralph W. Semb for the Office of Imperial Outer Guard of the Shrine of North America and ask you, again, to vote for the future, vote for Ralph Semb. (Applause)

IMPERIAL POTENTATE KING: And now I will call on Past Potentate Howard Bozeman of Kербela Temple, who will place in nomination the name of John Nobles.

ILLUSTRIOUS SIR HOWARD BOZEMAN [Past Potentate, Kербela Temple]: Imperial Sir, Imperial Sirs, Distinguished Masonic Brethren, My Fellow Representatives and to Illustrious Ralph and John, I am extremely pleased to come before you today to place in nomination John Nobles for election to the Office of Imperial Outer Guard in our Fraternity, the Iowa Corporation.

Through the succeeding years, the Imperial Outer Guard elected today will become our Imperial Potentate and the leader and spokesman for our great Fraternity.

We are blessed with capable, dedicated and qualified Nobles who have the resources and can devote the time to serve our Fraternity in elective and appointive positions. We have those who have a proven record of service to our Fraternity and to our great philanthropy. Such a Noble is John Nobles, Past Potentate of El Maida Temple.

As you know, to keep our fraternal affairs separate from our Shriners Hospitals' affairs, we have two corporations. The Iowa Corporation handles our fraternal and general business affairs. The Colorado Corporation has full charge of our Shrine Hospitals.

This past year, John Nobles has distinguished himself as an elected Trustee for Shriners Hospitals in the Colorado Corporation, thereby gaining valuable experience beneficial to his service in the Iowa Corporation.

My nomination of John Nobles today is to allow him to bring his valuable experience as a Hospital Trustee into the leadership deliberation of our Fraternity corporation.

Consider his service and experience as a member of the Building and Equipment Committee, the Planning Committee, the Salaries, Personnel and Retirement Committee, the Insurance Committee, as well as being on the Liaison Committee to the Spokane Unit and the Shreveport Unit.

Since the business of the Shriners Hospitals is kept distinctly separate from the Fraternity affairs, think of the rare opportunity we have today of electing a Noble to the foot of the Line who will take with him this unique and valuable experience. I do not recall a single instance in the history of our Fraternity that we have had this opportunity.

You know, if I were to create the ideal candidate for Imperial Outer Guard, it would be a man who has proven his dedication to the Shrine of North America; a man who has proven his ability in the business world; a man who has compassion and sensitivity to deal with all the aspects involved in promoting our Fraternity and in providing care for our crippled and burned children. John Nobles is that kind of an ideal candidate.

Also, I ask you to consider the following for dedication and service:

During the six years John served on the Board of Governors of the Galveston Burn Center, he traveled 800 miles each way, 1,600 miles round trip, and he was absent only a handful of times.

The Shrine of North America is big business and John knows about big business. He is the owner of a large construction company and a Director of a large financial institution in Texas.

John Nobles comes from a Masonic family. His father and great grandfather were both active Masons. His father served as Potentate of El Maida Temple in 1974 and ten years later he, your nominee, served in the same office.

Since first becoming a Mason some thirty years ago, John has proven himself in the Masonic Order as a member of both the York Rite and Scottish Rite. He has attained the Thirty-Third Degree in Scottish Rite Masonry.

He is a member of the National Sojourners, the Royal Order of Jesters, and in his Shrine career has served as Chairman of all committees in his Temple and, of course, he is an elected Representative to the Imperial Council.

With his many Masonic and Shrine activities and with the many duties he must perform with his large and very successful business, John Nobles still finds time to be active in his church and in his community.

He serves his El Paso, Texas, community in many ways. He was awarded the El Paso

Man of Vision Award in 1979. He served as Vice President of the Texas Society to prevent blindness. He is a Counselor of the Methodist Youth Fellowship. He is Vice Chairman of Kids of El Paso; serves on the El Paso Young Life Committee and is a Director of the Sun Bowl Association.

Yes, Nobles, I am indeed honored and privileged to nominate a man whom I feel is highly qualified for the Office of Imperial Outer Guard, a man who has proven that he cares about the young people of North America, an outstanding Mason and Shriner, a man with good business judgment and vision to serve now and for many years to come.

I place into nomination for the Office of Imperial Outer Guard the name of Past Potentate John Nobles of El Maida Temple. Thank you for your favorable consideration of him. (Applause)

... At this point, it was duly moved and seconded that nominations be closed . . .

IMPERIAL POTENTATE KING: We have a motion and a second that nominations be closed.

All in favor please say aye; opposed. It is carried and so ordered. (Gavel)

I would like to call on the head of our Tellers Committee at this time, Jim Hathaway.

NOBLE JIM HATHAWAY: Imperial Sir, Imperial Sirs, Most Worshipful Sirs and Fellow Representatives: In relation to this ballot, you may use either the first name or the last name on your ballot and it will count. You can use either "John" or "Ralph" or "Nobles" or "Semb." Either one will be satisfactory.

We will use ballot 5. Please tear the ballot out, fold it once and put it in the ballot box that will be passed between you and then we, in due time, will return to you with a verdict as soon as possible. Thank you.

IMPERIAL POTENTATE KING: We will use ballot 5 which says, "ivory" on the top of it.

... Whereupon, voting and collection of ballots ensued . . .

IMPERIAL POTENTATE KING: Has everybody balloted who desires to ballot? Please hold up your hands if they have not been picked up from you.

Has everyone balloted? If so, I will declare the ballot closed. (Gavel)

... Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: At this time, while we are waiting for the results of the ballot, I would like to call upon Sir Knight Donald H. Smith, Grand Master, Grand Encampment of Knights Templar.

SIR KNIGHT DONALD H. SMITH: Imperial Sir, Imperial Sirs, Distinguished Guests, My Brothers and Nobles All: I bring you greetings of some 300,000 Knights Templar in the United States. Certainly, we wish for all of you, you great Brothers in the Mystic Shrine, a successful and enjoyable One Hundred Fourteenth Annual Imperial Council Session.

I want to pay my respects to the Imperial Council and express my appreciation for the gracious invitation for Kate and me to be your guests. We are enjoying being with you and look forward to the remainder of the time with you.

Imperial Sir Voris King, we thank you for your hospitality and wish you a very active retirement as a Past Imperial Potentate.

To your successor, Imperial Sir Ed McMullan, we wish for him a fruitful and successful term of office. We know he will have that.

My tenure as Grand Master is almost completed—just six weeks to go and, let me say, it was a very fleeting and speedy three years.

I know I will have memories to treasure of my sessions in Los Angeles and Las Vegas and attendance at the Masonic Leadership Conference in Tampa in 1986.

In closing, I hope, that as we progress in Masonry and the Shrine and in the appendant bodies, we will all, at one time, be able to bring our memories together in one great brotherhood and maintain that for the next hundred of years.

God bless you all and God bless our great Fraternity. (Applause)

IMPERIAL POTENTATE KING: You know, not often do you have an opportunity to meet a Potentate who lays down his hat and picks up a bigger hat for another job and not very often is it that you get to trade rifles in the middle of a stream, from a Winchester to a Remington. However, we have one such gentleman here today, a Past Master and Past Potentate of Palestine Temple, who is now the General Grand High Priest, Royal Arch Mason International, Albert A. Remington.

ILLUSTRIOUS COMPANION ALBERT A. REMINGTON: Imperial Sir, Imperial Sirs, Represen-

tatives and Nobles of the Mystic Shrine: It is a great pleasure for me to follow my colleague, Don Smith, to the podium and to bring to each of you greetings of the Royal Arch Masons, International.

I served, as has the Imperial Sir, as Potentate of Palestine Temple last year and one of the wonderful rewards of that service and also the current service I have embarked upon, is the friendship of Voris King. He has truly served this organization with great distinction and he has been a joy to be with.

I have been with him now in many places and the service, again, has been outstanding.

I am preaching the theme, wherever I go, of unity, of working together, staying together so that our organizations will never be a problem.

Also, I was very pleased to come into this room this morning and find such a positive attitude here—one that I feel is in the best interest of us all. I hope it will continue and I am sure it will.

I express my thanks to the Imperial Council for their gracious hospitality. It has been a great pleasure to be here and I look forward to the rest of the Session and to working with Voris in the last few hours of his term. Also, to our new Imperial Potentate, Ed McMullan, I wish him the very best of luck.

Thank you all. (Applause)

IMPERIAL POTENTATE KING: Thank you very much.

And now I would like to present to you the General Grand Master, General Grand Council of Cryptic Masons, Most Illustrious Companion James A. Kirkbride.

MOST ILLUSTRIOUS COMPANION JAMES KIRKBRIDE: Thank you very much, Imperial Sir.

Illustrious Sirs and Nobles, I feel kind of like the mule that belonged to a Tennessee farmer. That old mule was really loved. That man really loved that mule.

One day he took this mule over to Churchill Downs and entered the mule in the Kentucky Derby and an individual came up and said to him, "Do you really think that mule has a chance to win?"

The old farmer looked at him a moment and then said, "Well, no, but just look at the company he gets to keep." That is the way I feel—look at the company I get to keep.

Don and I have both been to your meetings before. This is not my very first time. I have enjoyed viewing your proceedings thus far and am looking forward to the rest of them.

Now, before again being seated, I do have a little story that I would like to tell you and this is about the young boy who was in the fourth grade and went over to his teacher one day and he said, "Madam, I am bored stiff with your class; I understand everything you have taught me. I know everything, I would like to have a promotion."

She replied, "Well, young man, I just cannot arbitrarily promote you. We will have to talk to the principal about that." He replied, "Well, let us go talk to the principal."

So they both went up to the principal and the teacher related to the principal the fact that this young boy knew everything that was going on in her class and that he would like to be promoted.

Well, the principal said to the teacher, "I guess I am going to first have to test him to see if he actually does know what is required of him."

So he asked, "Young man, what is eight times eight?" The boy comes back with the answer, "Sixty-four."

"What is ten times ten?" The boy comes up with the answer, "One hundred."

The principal then asked, "What is twelve times twelve?" The little boy replied, "One hundred forty-four."

The principal then looks at the teacher and says, "Well, he appears to be rather intelligent in mathematics. Perhaps you should just ask him some questions about science and biology—ask him some questions about life."

She replied, "Well, all right."

Her first question was, "Young man, what does a man have below his waist that there are two of and are always found on a pool table?" The boy replied, "Side pockets." (Laughter)

She said, "Well, all right, what does a woman have two of that a cow has four of?" The boy replied, "Legs."

She then said, "Well, what does a lady do sitting down and a gentleman does standing up

and that a dog does on three legs?" He comes right back with "Well, shake hands." (Laughter)

Well, at about that time, the principal looks at the teacher and says, "Well, you might as well go ahead and promote him. I have already missed the last three questions." (Laughter)

Let me say again, Nobles and Brethren all, what a pleasure it is for me to be in Louisiana with you attending this One Hundred Fourteenth Annual Session. I look forward to more of them in the future and my thanks go to each and every one of you, especially the Imperial Divan, for the hospitality that I and my wife have been shown during these past few days and now, to reiterate what the previous speaker said, God bless and keep every one of you. Thank you. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: I would like to declare that we are now back in the Iowa Corporation. We have a report from the Tellers and I would like to call on Jim Hathaway for that report.

NOBLE HATHAWAY: Imperial Sir, it is a pleasure to present to you the results of ballot 5 for the Office of Imperial Outer Guard.

There were a possible 856 votes, 820 actually voted. There were no spoiled ballots—necessary for choice 411.

The ballots were distributed as follows: Semb, 399; Nobles, 421.

... Cheers and applause ensued ...

NOBLE RALPH SEMB: Imperial Sir, I would move to make this a unanimous ballot for Noble John Nobles for the Office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE KING: Thank you, Ralph.

NOBLE RALPH SEMB: Also, I would like to thank everyone who did vote for me and I will say this to you, that I will be here again next year.

... Rising applause ensued ...

IMPERIAL POTENTATE KING: John Nobles, do you accept? (Laughter)

NOBLE JOHN NOBLES: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Nobles: It is with a great deal of humility that I do accept.

Also, I want to, first of all, thank my family for really allowing me this particular time to do this. It is a great sacrifice on their part.

Also, I would like to thank my Temple, my Potentate and all the Nobles that worked for me and especially the Nobles from North America who worked hard for me. I appreciate all of that very, very much.

Also, I would like to thank Noble Ralph for running such a worthwhile and certainly a campaign that was very upstanding which is a tribute to him. I was also glad to hear him say that he will again be back next year.

Also, at this present time, Imperial Sir, I would like to resign my position on the Board of Trustees to, in accordance with the Bylaws, have the position available for somebody to fill the uncompleted term.

Again, thank you very much and I will look forward to being with you in the Imperial Line for the next eleven years. Thank you again. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: It is now twelve-thirty p.m. I will rap the gavel shortly after one-forty-five which will give you an hour and fifteen minutes for lunch.

... The One Hundred Fourteenth Annual Session of the A.A.O.N.M.S. recessed at twelve-thirty o'clock p.m. ...

AFTERNOON SESSION WEDNESDAY, JUNE 29, 1988 ONE-FORTY-FIVE O'CLOCK P.M.

The One Hundred Fourteenth Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one forty-five o'clock p.m., Imperial Potentate King presiding.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: While we have a minute here, I would like to recognize

those of you who were privileged to see the service that was held on Sunday for the Shrine of North America. It was held in the oldest cathedral in the United States and, they also say, in North America.

It certainly is a beautiful church and for those of you who were not there, let me suggest it would be worth your while to go back and just walk around and look at that beautiful cathedral. However, let me add, that was a great service we had on Sunday. The Bishop of New Orleans allowed us to have this beautiful ceremony in that cathedral and also one of our Monsignors from Lake Charles, who is one of the most beloved people in our city, asked me if he could not personally come and put this service on. It was a beautiful service and I appreciated it.

We, in our state, have both Protestants and Catholics. We have some wonderful relations between them and we have many of my friends here who are presently in the Masonic Lodge, in the Scottish Rite, and also in the Knights of Columbus. We are very proud of all of them. Thank you very much. (Applause)

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: We have another distinguished gentleman in this room and he is Illustrious Francis G. Paul, Sovereign Grand Commander, Ancient Accepted Scottish Rite, Northern Jurisdiction. It is, of course, a great pleasure to have him with us. I would ask him, if he will, to say a few words at this time.

ILLUSTRIOUS SIR FRANCIS G. PAUL: Thank you, Imperial Sir.

Imperial Sirs, Worshipful Grand Masters and My Brethren All: It is a privilege for me today to represent the Scottish Rite Masons of the Northern Masonic Jurisdiction. Also, I certainly appreciate the hospitality of the Shrine.

You have been so great to us, Imperial Sir.

Also, I would like to mention that your Imperial Marshal, insofar as I am concerned, is doing a great job.

You know, I have not been disciplined so much since I spent a year in a military school (laughter) that I know exactly where to be, where to go and what to do when I get there.

I have had the privilege of meeting our Illustrious Potentate at various meetings this past year and it has always been a pleasure to work with him. Also, Voris, it has been a joy to be with you when circumstances permitted, throughout this year. I know that you have had a great year and that we can congratulate you for that.

You may be interested to know that I do a lot of traveling in our various Scottish Rite Valleys and some of the things that we are talking about, I think, are appropriate for all of us here. Perhaps I can just mention a few of them at this time.

We are working hard on what we call long range planning and what they really mean is that you have to take a look at your decisions today and make sure they are right because whatever you decide today is going to affect you out there at sometime in the future and so make sure that you make the right decisions today.

We are asking our various Valleys to work hard in this area this year. Take a look at your finances, take a look at your leadership and your programming and your membership. If that were being done, I would not really believe we would have a membership problem.

Essentially, I think what we have is a leadership problem. (Applause)

Let me give you an example here.

I learned just from my good friend, the Southern Jurisdiction Commander, that he is running some educational seminars and I attended some of these and I am trying to do the same thing. As a matter of fact, both he and I are working closely together.

As you know, unity is important. We really only have one Scottish Rite in the United States. We are doing a lot.

There is one incident that I can relate to you with regard to membership which gives me hope.

There is an Illustrious Potentate in the great City of New Orleans and he has been talking to the Southern Jurisdiction. He is just a superb man and he is certainly an activist because I understand that he initiated and he raised over 100 Masons this year in New Orleans. Essentially, he was promoting membership, was out there doing something, was enticing people to join.

We have to tell people about Masonry. We have to go forward and each contribute our

little part. This man, for example, did it and, as I said, in the process, put over 100 men into Masonry.

Now, I would like to see you all go back, because I am going to do the same thing—go back to your Lodges and let us get the right kind of leadership in there—the kind of people who have some enthusiasm, who have some goal power, who believe in the Fraternity and, when this happens, we will not have a membership problem. (Applause)

I know that everybody has been telling you about this, the money that is being given to the hospitals and I think it is very, very inspirational to hear about all this money that is being given to the hospitals. It shows what a wonderful job your Public Relations group is doing here in attempting to motivate people to really do something.

Now, in closing, I would like to leave with you one thought.

There was a young man walking that last mile in prison—they were going to put him into the electric chair. As they were walking to that facility, the Chaplain walking wondered, "What am I going to say to this young man who is soon going to leave us?" He thought for a moment and then he said, "Well, I guess the only thing I can say to him is 'good-bye.' Well, I do not think I will do that—that sounds kind of final. Perhaps I will just say to him, 'I will see you again.' " At this point, the Chaplain really wondered whether he wanted to say that either.

Well, as they put the man in the electric chair and got ready to pull the switch on the young man, the Chaplain said, "More power to you." (Laughter)

In closing, I would like to say that to the Shrine—"More power to you." (Applause)

IMPERIAL POTENTATE KING: Illustrious Sir, thank you very much for that very fine message.

REPRESENTATIVE [Anezeh Temple]: Imperial Sir, we are the smallest Temple in the whole of Shrinedom. We are really sorry we can offer no one thing as a contribution to our hospitals but we do have a lot of children that need help in our country and we thank you for all the help that you have given us for the Mexico City Unit.

You know, I feel that we are a bunch of great and beautiful people who are looking to enjoy ourselves and to support our crippled and burned children.

Now, one of the fine gentlemen that has helped us is Tony Bukey and, in the name of Anezeh Temple, I want to thank him for his great help and though we do not have great gifts to give, I want to present him with this little silver coin in token of our appreciation for what he has done for us in Mexico City.

... Presentation of silver coin and applause ensued ...

IMPERIAL SIR BUKEY: Imperial Sir, perhaps I may be permitted to respond.

You know, I did not expect this to happen but let me say that Anezeh Temple, while being small in numbers is dynamic in enthusiasm.

I had the privilege of visiting with the Temple down there and they invited me to march with them and I thought it was kind of fun and today they have honored me greatly.

I know, for example, that this coin says, "pure silver," but it is no purer than their hearts and I thank all of these fine Nobles down there for this presentation. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: We have with us the Grand Master of DeMolay, Robert Hannon, and I would ask him to come up here and give you a few words at this time.

BROTHER ROBERT F. HANNON [Grand Master, Order of DeMolay]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Distinguished East, My Brother Nobles All: It is a great pleasure for me to be here today to represent DeMolay International in the United States and the seven foreign countries. Also, in the room is the Grand Master of DeMolay in Canada. Well, I do not see him, he must have left.

Now, I want to thank all of you on a national and on a local level for supporting my young men in DeMolay and I mention that because this year I am called "Dad" by all of the DeMolay boys throughout the United States and other countries.

On a local level, you support them with your gifts and with your support for leadership.

Now, my Brothers, let me say that each of you work with young people today. I work with them in the ages between thirteen and twenty-one and I also know that a lot of you do. As a matter of fact, a lot of you are advisors to young ladies and young men.

Now, let me tell you a little bit about some of these teenagers so that you will know a

little bit more about them. Let me cite these particular characteristics concerning them to you.

First of all, they are terrified at being alone, not because they are afraid but because they need someone around to prove that they really matter.

Also, outside of mealtimes, the average teenager spends an average of ten minutes alone with his or her father and five minutes of his time is spent watching television.

In a study of some 8,000 teenagers, they were asked whom they would rather be alone with and not one of them said an adult.

Also, in a survey of some 2,000 teenagers, they were asked to describe the ten things that they wanted the most and here I want you to listen to what the first four were.

First, "I want my parents to think that I am someone special."

Secondly, "I want my parents to be warm and friendly."

Thirdly, "I want my parents to be more concerned about me."

Fourthly, "I want my parents to know about me what no one knows."

Then, some of the others are as follows:

"I want to go to school with kids that I can relate to."

"I want to be part of a happy family."

"I want to learn more about my emotions."

And, finally, "I want to live in a world at peace."

Every seventy-eight seconds, a teenager commits suicide.

Every twenty minutes, a teenager is killed in an automobile.

Every eight seconds, one is murdered.

One-half of all high school students have used drugs. Ninety percent have used alcohol—some on a daily basis.

Every thirty-one seconds, a young teenage girl becomes pregnant.

There are troubled times for teenagers in this country today because there are so many things to do and so many things to get involved in.

Right now there is a "now" generation among these young kids. They are the ones, for example, that turn on the radio and get instant service.

Today, these teenagers can put something in the microwave and get it in seconds. However, you and I, when we were that age, used to have to put it in an oven and have to wait for an hour before it warmed up.

In relation to all the books and reading and everything they do, they want excellence in quality.

If we are going to get these kids into Freemasonry and into the Shrine, we are going to have to be mentors—good mentors—and we are going to have to give them quality and excellence.

We all have to look to the future and, as a matter of fact, I look to it for my own young men and say, "Where are we going?"

Now, I cannot go anywhere without help from you. I am tied to your coattails and, again, I cannot go anywhere unless I have sponsors. I need adult leaders and so my plea to you, the Grand Masters, Shriners and to all Masonic bodies is "Give me sponsors, I need to grow; give me men who will spend some time with young people listening."

You know, the good Lord gave us two ears and one mouth so we could listen twice as much as we spoke. That is what young people are looking for—someone to listen to. I ask for your support. Be a visionary, look to the future, look to the young people.

An old philosopher was asked, "Where lies the future?" He answered, "The future lies in the way we nurture, in the way we train and the way we guide our youth."

My Brethren, the young men of DeMolay are the leaders of tomorrow. I ask for your help.

I thank you for what you have given me in the past and let us look to the future. Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: Now, Nobles, as soon as the results of the last ballot are announced, I would like to have the members of the new Temple who are going to receive their Charter here in a few moments to please come forward. I understand that they want

to wear their new Fezes tonight and so we will take time to present them with their new Charter. If the new Officers are in the room, I will ask them to please come forward so that we can act on their Charter quickly.

As I say, we cannot do it right away but you all be here so we can do it when we get ready.

You know, it is great to get a new Temple in Shrinedom because the new Temples that we have taken in during the last few years have been very active, have been very successful and have done a tremendous job and I know that these young men, in turn, are looking forward to continuing the job which they have done in earning the necessary merits to acquire a Charter.

Let me say that I was in Florida—visited with the Temples down there and they were all in accord with these men receiving a Charter. I know all of you are going to look forward to seeing them.

You know, so you will not have to waste your time later, why not give them a hand now so that you will not have to do it later.

. . . Laughter and applause ensued . . .

IMPERIAL POTENTATE KING: I will recognize Imperial Sir Lew Brantley.

IMPERIAL SIR BRANTLEY: Imperial Sir and Nobles All, we are awfully proud in our State of Florida to be considering today, with your approval a little bit later, the establishment of the eleventh Temple.

It being in our Capital City, of course, has a particular meaning to me.

There were two things that were of significance to me in relation to the new Capital Building.

I was privileged to have been the last Presiding Officer of the Senate in the old Senate Building and was also privileged to be the first Presiding President of the Senate in the new Capital.

Now, I might add that there was no chapel in the old Capital but we created three chapels in the new Capital Building of Florida.

At the same time this happened, there was no visible activity of Masons in our Capital City other than those that were in their own places of abode. We felt, therefore, that there ought to be some Masonic visibility in the Capital, especially because of it being the seat of government.

We started a Masonic breakfast in Tallahassee. In 1985, when I was privileged to be the Potentate of Morocco Temple, I was invited to address that breakfast group. Well, I addressed that particular Masonic breakfast on the morning as scheduled and in the course of my comments, I said that there ought to be a Temple in our Capital City. That is really when the effort started and today we have the culmination of all that effort.

Now, I will stop at this point and turn it back to the boss.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: Now, please, Nobles, is you will give us your attention, we will attempt to get this over with quickly. I know you will enjoy it.

NOBLE GRAVES H. TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in the Tallahassee, Florida area requesting a dispensation for a new Temple to be located in Tallahassee, Florida and to be known as Marzuq. It is item 14 and appears on page 23 of the Call.

A hearing was held thereon before your committee on June 26, 1988, at which time the proponents were present. No persons appeared in opposition thereto.

Your committee finds that the application for dispensation was signed by more than 500 eligible Nobles who were in good standing in the Order at the time the petition was filed with the Imperial Recorder; that they reside in the proposed territory of the new Temple; that the dispensation form, its execution and filing were in compliance with our Bylaws; the petition was approved and supported by all other Temples in the state and your Dispensations and Charters Committee; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple. That the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior

to the Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation. The committee then reviewed an agreement executed between Morocco Temple and Marzuq Temple (proposed) which effectively addressed the issues of assets and liabilities of the Temple, units, Shrine Clubs and appendant and affiliated entities within the territorial jurisdiction of the proposed Temple. A copy thereof is attached hereto and made a part of the report. The committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the Officers of Morocco Temple, the Temple which presently has jurisdiction in this territory. Such officers have extended to the petitioning Nobles, assurances of good will and support if dispensation is granted, and all the Temples in Florida approve and support the petition for dispensation.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your committee met in executive session and unanimously approved and recommends the granting of this dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines are required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

Therefore, your committee recommends that dispensation be granted and that the Temple be granted exclusive jurisdiction in the counties of Gadsden, Jefferson, Lafayette, Leon, Taylor and Wakulla.

Respectfully submitted,

NOBLE POSEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a petition from Nobles residing in the Tallahassee, Florida area requesting a dispensation for a new Temple to be located in Tallahassee, Florida and to be known as Marzuq.

A hearing was held thereon before the Committee on Dispensations and Charters on June 26, 1988. As you have just heard, such committee recommends the granting of a dispensation.

Your committee then met in joint session with the Committee on Dispensations and Charters as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

This committee also commends the presentation of the Nobles who appeared, as well as the spirit of cooperation, understanding and fraternal courtesy extended by all in attendance.

Imperial Sir, if there are no questions concerning the report, I request that you call upon Illustrious Robert E. Cooper for the report of the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE KING: The Chair will next recognize Judge Cooper of the Jurisprudence and Laws Committee.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, the request that is item 14 on Call of the Annual Session of 1988, located on page 23 of the Call. It concerns a proposal to create a new Temple at Tallahassee, Florida, to be known as Marzuq.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, that dispensation be granted and that jurisdictional lines be modified, Article 54 of the Bylaws of the Iowa Corporation would be amended, the Sections renumbered so that all Florida Temples would appear alphabetically and Sections added thereto which would read as follows:

ARTICLE 54

MOROCCO TEMPLE

Has exclusive jurisdiction in the county of Duval and the remainder of the state except the counties of Indian River, Martin, Dade, St. Lucie, Palm Beach, Broward, Monroe, Hillsboro, Citrus, Hernando, Pasco, Pinellas, Polk, Manatee, Sarasota, De Soto, Hardee, Highlands, Charlotte, Glades, Lee, Hendry, Collier, Brevard, Lake, Okeechobee, Orange, Osceola, Seminole, Sumter, Volusia, Escambia, Holmes, Calhoun, Santa Rose, Washington, Gulf, Okaloosa, Bay, Liberty, Walton, Jackson, Franklin, Gadsden, Jefferson, Lafayette, Leon, Taylor and Wakulla.

MARZUQ TEMPLE, U.D.

Has exclusive jurisdiction over the counties of Gadsden, Jefferson, Lafayette, Leon, Taylor and Wakulla in the State of Florida.

Your committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Imperial Sir, if there are no questions or comments on this report, I move the granting of dispensation and the adoption of the amendments to the Bylaws granting jurisdiction of the

State of Florida as recited in the reports of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: You have before you the motion and the second. Is there any discussion?

If not, all in favor will say aye; opposed. It is unanimously carried and so ordered.

Now, I believe that Lew Brantley has the conclusion of his speech to make. (Laughter)

IMPERIAL SIR BRANTLEY: Imperial Sir, Imperial Sirs, Grand Masters and Nobles: We are grateful for your affirmative vote on granting dispensation and a Charter to Marzuq Temple in Tallahassee.

These fellows have worked very hard for us and I think they are going to convince you that they are entitled to be a permanent Temple next year and they are grateful for that.

If I may, I would like to name the Provincial Divan and, as their names are called, I would ask that they raise their hands. They are as follows:

Joe Gillespie, Potentate

Charlie Watson, Chief Rabban

Gary Wright, Assistant Rabban

Wally Tanner, High Priest and Prophet

Elvoy Land, Oriental Guide

Bill Rogers, Treasurer

Warner Garrison, Recorder

Congratulations, gentlemen. (Applause)

IMPERIAL POTENTATE KING: I also believe that Imperial Sir Tony Bukey has a word.

IMPERIAL SIR BUKEY: I would just like to say that this is the result of legislation that was passed by the Imperial Representatives at the last Session and I want to commend the Temples in Florida for their foresight, vision and confidence in the future of the Shrine. They have demonstrated they are not afraid of growth and, hopefully, this will encourage others to make their Temples available for people.

Joe, I congratulate you and your Temple Officers, on your excellent efforts.

. . . At this point, the Dispensation presentation to the new Officers of the Temple was made by Imperial Potentate King, following which Imperial Sir Brantley presented the new Temple Fez to the new Potentate and picture taking ensued . . .

IMPERIAL POTENTATE KING: Thank you for being so kind and patient. Give them a big hand. (Applause)

We will now stand recessed until eight-thirty in the morning.

. . . The One Hundred Fourteenth Annual Session of the A.A.O.N.M.S. recessed at four-twenty o'clock p.m. . . .

MORNING SESSION
THURSDAY, JUNE 30, 1988
EIGHT-THIRTY O'CLOCK A.M.

The One Hundred Fourteenth Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eight-thirty o'clock a.m., Imperial Potentate King presiding.

IMPERIAL POTENTATE KING: If you will take your seats, we will get started.

Will you please stand and I will call upon our Imperial Chaplain to open this meeting with prayer.

IMPERIAL CHAPLAIN KING: Our gracious Heavenly Father, we come to you again on this day and continue to ask for thy guidance as we deliberate for our philanthropy. We ask that Thou continue to be with us on this day, especially as we look to Thee for guidance. All of this we ask in Thy Holy Name. Amen.

IMPERIAL POTENTATE KING: At this time I would like to give your attention to our Imperial Recorder, Jack Jones, who has several announcements he would like to make.

. . . Various announcements were made by Imperial Sir Jones . . .

IMPERIAL POTENTATE KING: At this time I would like to ask if any of the Imperial Committee are ready to make a report.

At this time, Imperial Sir Tony Bukey has some membership plaques which he would like to award.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Nobles All: I would like to announce the Membership Awards concerning our 1987 program.

We are going to award a plaque to any Temple and all Temples who have had an increase in membership of one percent or more. There were ten Temples that met that criteria.

As I read the Temple names, I would appreciate it if the Temple Potentate would come up to pick up these plaques.

. . . At this point, the following 1987 Imperial Membership Awards were announced by Imperial Sir Bukey . . .

1987 IMPERIAL MEMBERSHIP AWARDS

IMPERIAL SIR BUKEY: Of course, the greatest challenge here is that those who are not on the list attempt to participate so that we, as a group, can get the Shrine going again.

You know, with the red figures we are faced with and if we had a 1.2 percent increase in every Temple from now to the year 2002, we would have a little over a million Shriners. That is a lot to ask of any organization that works for a one percent increase. At any rate, that is the challenge we all face.

Congratulations again to the ten Temples that have received the awards for 1987.

I would like to reserve the balance of my report for a later time.

IMPERIAL POTENTATE KING: Thank you very much, Tony.

I would now like to call on Sewell Lamdin to give us a report in behalf of the Grievances and Appeals Committee.

ILLUSTRIOUS SIR LAMDIN: Thank you very much, Imperial Sir.

Imperial Sir, Imperial Sirs, and Fellow Representatives, before I commence I am going to take just a brief second as a point of personal privilege to introduce to you the gentlemen who serve on this committee.

When you all go home tomorrow noontime, hopefully, the new committee will begin work because this committee works all throughout the year.

. . . At this point, Illustrious Sir Lamdin individually introduced the members of the Grievances and Appeals Committee . . .

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an Appeal filed by Noble Jerome Horowitz, Past Potentate of Mecca Temple, appealing the findings of no probable cause, concerning his complaint against Noble Gus Wolfe of Mecca Temple.

The Appeal was timely filed and the matter was scheduled for hearing in accordance with Article 8, Section 208.9(a)(5) for Tuesday, June 28, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Subsequent thereto, by letter dated May 1, 1988, Noble Jerome Horowitz, Past Potentate of Mecca Temple, requested permission to withdraw his Appeal.

In view of the above, your Committee on Grievances and Appeals recommends that Noble Jerome Horowitz, Past Potentate of Mecca Temple be permitted to withdraw his Appeal from the finding of the Mecca Temple Grievance Committee of no probable cause concerning his complaint against Noble Gus Wolfe of Mecca Temple; and, further recommends that your Committee on Grievances and Appeals be discharged from any further consideration of the said Appeal.

Respectfully submitted by the Committee on Grievances and Appeals,

I. Sewell Lamdin, Chairman

Gerald Groat

Imperial Sir, I would move for the adoption of the recommendation.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: Is there discussion on the motion as made and seconded?

All in favor say aye; opposed. The motion is unanimously carried.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was submitted to your Committee on Grievances and Appeal, an Appeal filed by Noble Donald J. Coller of Sahib Temple from the finding of the Temple Trial Committee which found Noble Coller "guilty" of conduct unbecoming a Noble and sentenced to expulsion from the Shrine.

Said appeal was timely filed and the matter was scheduled for hearing on Sunday, June 26, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Due notice of said hearing was given all parties by first-class mail, postage prepaid.

The hearing was held as scheduled. Noble Coller did not appear and submitted the matter for determination based on the documentary evidence furnished the committee. Sahib Temple was present and represented by the Temple Attorney, Divan and interested Nobles. All present were heard, documentary evidence received and argument heard.

After fully considering all of the evidence and the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals is of the unanimous opinion that the Appeal should be denied.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal be denied.

Respectfully submitted by the Committee on Grievances and Appeals,

I. Sewell Lamdin, Chairman
Charles S. Iverson
Warren Upton
Jack Streight
J. B. Hopkins
Robert Hughes

Imperial Sir, I would move adoption of the recommendation.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: The motion and second is to adopt the recommendation. Is there any discussion?

If not, all in favor say aye; opposed. It is unanimously carried.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was submitted to your Committee on Grievances and Appeals, an Appeal filed by Noble Donald J. Collier from a finding of "probable cause" by the Temple Grievance Committee that was appointed to hear a complaint filed against Noble Collier.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal filed herein be denied.

Respectfully submitted by the Committee on Grievances and Appeals.

I. Sewell Lamdin, Chairman
Charles S. Iverson
Warren Upton
Jack Streight
J. B. Hopkins
Robert Hughes

I would move for the adoption of the recommendation.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there discussion?

If not, all in favor say aye; opposed. The recommendation is adopted.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was submitted an Appeal filed by Noble Donald J. Collier of Sahib Temple from a finding of "no probable cause" by the Temple Grievance Committee that was appointed to hear this complaint against Noble Wallace Tervin.

The Appeal was timely filed, and the matter was scheduled for a hearing on Sunday, June 26, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. Noble Collier did not appear and submitted on the basis of the documentary evidence furnished to the committee. Sahib Temple was present and represented by the Temple Attorney, Divan and other Nobles. All present were heard, documentary evidence was introduced and argument was heard.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there any discussion on the motion?

If not, all in favor say aye; opposed. It is carried.

Said Appeal was timely filed and a hearing was scheduled for Sunday, June 26, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. Noble Baustert was not present and submitted the matter for determination based on the documentary evidence previously submitted to the committee. Sahib Temple was represented by the Temple Attorney, Noble David Wilcox and the Divan and other interested Nobles of Sahib Temple were present. It is further recommended that the hearing be conducted at the site of Sahib Temple.

In view of the above, your committee recommends that the matter be referred to the incoming Committee on Grievances and Appeals. It is further recommended that the incoming committee conduct an investigation and hold a hearing on the matter at the site of Sahib Temple and report to the next Session of the Imperial Council to be held in Toronto, Canada, in 1989.

Respectfully submitted by the Committee on Grievances and Appeals,

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was submitted to your Committee on Grievances and Appeals an Appeal filed by Noble Francis L. Blackwell of Abba Temple from a finding of no probable cause by Abba Temple Grievance Committee of his complaint against Noble Billie T. Sawyer of Abba Temple of conduct unbecoming a Noble.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: It has been moved and seconded that the recommendation of the committee be adopted.

All in favor say aye; opposed. It is carried.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an Appeal filed by Judd B. Farr, a former Noble of Hejaz Temple, who was expelled from his Blue Lodge, Mt. Vernon Lodge No. 22, located at Athens, Georgia.

Such Appeal was scheduled for a hearing on Sunday, June 26, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and Mr. Judd B. Farr was present and heard. Mr. Farr was raised in Mt. Vernon Lodge No. 22 in Athens, Georgia, in 1951 and remained a member until expelled on April 19, 1986. He was created a Noble of Hejaz Temple in December, 1951. Mr. Farr has been engaged in the wholesale beer distribution in Greenville, South Carolina, for twenty-three years. The Masonic Code of Georgia, 1981, Section 77-116 provides that "It is un-Masonic conduct for a Mason to apply for or to procure a license to sell intoxicants or to knowingly retain such a license in his name."

After fully considering all the evidence submitted together with the applicable Imperial Council Bylaw provision, your committee is of the unanimous opinion that Article 23, Section 323.8(e) of the said Bylaws is not retroactive and takes effect from date of adoption June, 1987.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal be denied.

Respectfully submitted by the Committee on Grievances and Appeals,

I. Sewell Lamdin, Chairman
Charles S. Iverson
Warren Upton
Jack Streight
J. B. Hopkins
Robert Hughes
Gerald Groat

Imperial Sir, I would move for the adoption of the recommendation of the committee, which is that the appeal be denied.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the motion and the second, which is denial of the appeal

Is there any discussion?

ILLUSTRIOUS SIR JOSEPH ESQUIBEL [Potentate, Sabbar Temple]: Imperial Sir, I would like to get some more details on this before we vote on it. It sounds as though it is pretty involved and I would like to have a little more information on it, please.

ILLUSTRIOUS SIR LAMDIN: Well, I will be happy to answer any questions.

Does anyone have a question? We condensed all of this for the report.

ILLUSTRIOUS SIR ESQUIBEL: Could you give us more information on this so that everybody would understand exactly what the problem was and how it occurred?

ILLUSTRIOUS SIR LAMDIN: This gentleman had been a member of his Blue Lodge up until 1986 and paid his dues each and every year.

He lived in Greenville, South Carolina, and conducted his business there. His Mother Blue Lodge was across the line in Georgia.

Every year the check was sent in and it was brought to light when, one year, his wife sent in the check for his dues and on that check was the logo of his company.

The Secretary of his Lodge wrote him a letter and suggested that he might be in violation. Well, the rules were followed, a hearing was scheduled and he was given notice of the hearing. Everything was done according to the rules and there is no question about it.

He owns a wholesale beer distributing business in Greenville, South Carolina. They distribute some eighty-eight different kinds of beer. Essentially, that is all that happened.

The man paid his dues, was in this business for twenty-three years and during twenty-one of those years nothing happened. Unfortunately, his wife sent in the wrong check and that is where we are.

Are there any other questions?

IMPERIAL POTENTATE KING: Are there any other questions? If so, please come to the microphone.

ILLUSTRIOUS SIR ESQUIBEL: Can you tell us the decision that the Grievance Committee made?

ILLUSTRIOUS SIR LAMDIN: We recommended that the appeal be denied because all the legislation of the Imperial Council, unless so indicated, takes effect from the day it is adopted.

We adopted proposition 5 in Las Vegas in June of 1987. This occurred before June of 1987. Proposition 5 in last year's Call did not have any legend about retroactive action.

IMPERIAL POTENTATE KING: Are there any other questions?

Again, the motion is that this be denied.

All in favor say aye; opposed. There are a few negative votes but I will rule that they are overruled and the recommendation of the committee is passed.

ILLUSTRIOUS SIR LAMDIN: Gentlemen, we have one more decision and that decision comes from a matter out of Boumi Temple.

I recused myself. For those of you who do not have access to a Black's Law Dictionary, you will not find it.

The Grand Master asked me what this meant and what dictionary I got it out of. Is he here this morning? Yes, he is sitting over there. He wants to know what dictionary I got it from because you do not find that in the little dictionary that he used out in Maryland. It is in Black's Law Dictionary.

Recuse means that you disqualify yourself. I did and did not participate in this and so J. B. Hopkins will present this.

ILLUSTRIOUS SIR HOPKINS: Thank you, Mr. Chairman.

You know, at our meetings, Judge Lamdin will do nothing that would even give an appearance of impropriety and so he properly recused himself. I suspect, however, that the Grand Master knew what that meant.

At any rate, the matter that was before us, and perhaps I should read the report to you, concerned an appeal filed by a Mr. Robert C. Ritter, a former Noble. Well, let me read it to you.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an Appeal filed by Mr. Robert C. Ritter, a former Noble, who was suspended for an indefinite period of time from his former Blue Lodge.

The Appeal was scheduled for a hearing in accordance with Article 8, Section 208.9(a)(5) of the Imperial Council Bylaws for Sunday, June 26, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

Subsequent thereto, by letter dated June 20, 1988, the Appellant, Robert C. Ritter, requested permission to withdraw his Appeal.

In view of the above, your Committee on Grievances and Appeals recommends that

Robert C. Ritter, be permitted to withdraw his Appeal, and further recommends that your Committee on Grievances and Appeals be discharged from any further consideration of said Appeal.

Respectfully submitted by the Committee on Grievances and Appeals,

Charles S. Iverson
Warren Upton
Jack Streight
J. B. Hopkins
Robert Hughes
Gerald Groat

I would move you, Imperial Sir, the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there any discussion concerning this report?

If not, all in favor of the motion indicate by saying aye; opposed. The motion is carried.

ILLUSTRIOUS SIR LAMDIN: Thank you, J. B.

Imperial Sir, we have one more report but I do not believe it should come at this time because it involves item 19, I believe, in the Call. So we report later on that.

IMPERIAL POTENTATE KING: Thank you.

I would now like to recognize Walter Pettit for a matter involving withdrawal of legislation.

NOBLE PETTIT: As you know, we are somewhat pressed by the matter of legislation and so it is a pleasure for me to be able to ask your permission to withdraw four items of legislation.

First, I have before me a request to withdraw item 12 which appears on page 22 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 12 in the Call for the Annual Session of 1988."

That is signed by John M. Terry, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I would recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE KING: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Remember, this withdrawal requires unanimous consent of the Representatives.

All in favor say aye; those opposed. I would say it is unanimous.

NOBLE PETTIT: Imperial Sir, I also have a written request before me for the withdrawal of item 1 which is contained on page 16 of the Call. It is signed by Lewis B. Brantley, the proponent. Again, this requires unanimous consent to withdraw.

IMPERIAL POTENTATE KING: We have a motion for withdrawal. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All in favor of this withdrawal please indicate by saying aye; is there any opposition? I will declare the motion to withdraw is unanimous.

NOBLE PETTIT: Imperial Sir, I also have a written request before me to withdraw item 17 which appears on page 23 of the Call for the Annual Session. It is signed by Winfred Trafford, the proponent of the proposal. Again, it requires unanimous consent.

IMPERIAL POTENTATE KING: The motion is for the withdrawal of item 17 which appears on page 23 of the Call for the Annual Session. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All in favor please say aye; are there any in opposition? It is unanimously carried.

At this time I would like to call on Judge Cooper concerning a report on the Imperial Potentate's General Orders.

NOBLE COOPER: To the Representatives of the Imperial Council: The Imperial Potentate's

General Orders (Series of 1987-1988) were issued pursuant to Section 206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and are in all respects consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

DEPUTY IMPERIAL POTENTATE McMULLAN: Nobles, you have heard the motion. Is there a second?

... The motion was duly seconded ...

ATTENTION IS CALLED TO THE FOLLOWING AMENDMENTS TO THE BYLAWS AND RESOLUTIONS OF THE IMPERIAL COUNCIL (IOWA CORPORATION) THAT WERE ADOPTED AT THE LAS VEGAS SESSION.

ARTICLE 23

Temple Membership

§ 323.8 Retention of Membership.

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his temple is effective when it becomes final in the prerequisite body unless he shall file an ap-

peal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in § 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to the Imperial Council with its decision. If the appeal is sustained by the Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple.

(f) Except as herein provided, a temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the temple.

ARTICLE 24

Temple Meetings and Ceremonials

§ 324.1 Stated meetings.

(a) ...

(b) ...

(c) (1) Not more than two stated meetings of the temple during a calendar year may be held elsewhere than the location of the temple but within the exclusive or concurrent jurisdiction of the temple. If the stated meeting is to be held in concurrent jurisdiction, and the temple is not located therein, then a written consent therefor must be secured from all other temples in the concurrent jurisdiction.

§ 324.3 Special meetings. Special meetings may be called by the Potentate at any time, but notice must be given to each member stating the business to be considered and no other business than that specified in the call may be transacted. Except, however, the Potentate may, at a stated meeting of the Temple, issue a call for a future special meeting for the single purpose of receiving and balloting on candidate petitions, without any further notification to the Temple members.

ARTICLE 25

Officers; Their Election or Appointment

§ 325.4 When Elected. Each temple must elect its officers and representatives at its annual meeting in January unless its bylaws allow the election to occur at the temple's stated meeting in December.

ARTICLE 26

Enthronement and Installation of Temple Officers

§ 326.3 Installation.

(a) The officers shall be installed at the annual meeting in January, or on such other date in January as prescribed by its temple bylaws, in accordance with the ceremony of installation prescribed by The Imperial Council.

ARTICLE 27

Duties of Temple Officers

§ 327.1 Potentate

(a) The potentate is responsible to the Imperial Council for the government of his temple.

(b) It is his duty to require that his temple, its officers and members, at all times observe Shrine law and the bylaws of his temple.

(c) He shall appoint the temple officers and committees to be appointed.

(d) He shall require that accurate records are kept and just accounts rendered.

(e) He shall require that regular returns are made to the Imperial Council and that candidate fees, annual per capita taxes, hospital levies and assessments are properly paid.

(f) He shall require that the requisite stated meetings are held annually, of which one shall be held in January as provided in § 324.1.

(g) He may issue orders to Nobles, clubs, units and organizations within his jurisdiction to comply with matters over which he has authority. All such orders shall be confirmed in writing and mailed to the affected Noble or Nobles.

ARTICLE 29

Dispensation and Charter for New Temple

§ 329.3 Required Signatures and Effect on Other Temples.

(a) General. The petition must be signed by 1,000 Nobles, and the membership of any Temple in the same jurisdiction or the nearest Temple in another jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(b) Exceptions. Notwithstanding the requirements of subsection (a), dispensation may be granted:

(1) In any state in which there is no temple or in the capital city of Canada or in unoccupied territory, upon a petition signed by 300 Nobles.

(2) In any state in which the petition is approved and supported by all other temples in the state and the Dispensations and Charters Committee, upon a petition signed by 500 Nobles.

ARTICLE 34

Temple Business Affairs and Fiscal Regulations

§ 334.5 Audit.

(a) Every temple is required to have its financial accounts and those of its affiliated or appendant corporations, including shrine club holding companies, audited by a certified, chartered or licensed public accountant selected by the temple at the close of each year. However, if the temple has fewer than 3,000 members, a review in accordance with U.S. Standards for reviewed financial statements or, if temple is located in Canada, an audit limited to those procedures normally performed in the conduct of a U.S. review, by a certified, chartered or licensed public accountant shall be acceptable unless an audit is ordered by the Imperial Potentate.

(b) The accountant shall submit a report thereon, which shall include a balance sheet, statement of revenue, expense and changes in members equity, statement of changes in financial position, notes to financial statements and supplementary financial information on designated and restricted funds and all fund-raising activities. A copy of the report must be filed with the Imperial Recorder before the first day of May following the end of the year reported on, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of a temple.

§ 334.6 Fiscal reports required at temple meetings.

(a) The temple officers must make available to the members at the annual or budget meeting the following documents:

THE IMPERIAL COUNCIL

- (1) A copy of the latest available audit of the temple accounts.
 - (2) An operating statement for the previous year showing in parallel columns the budget items and the actual expenditures related thereto; and

- (b) The temple officers must make the temple report, prepared as required by § 334.5, available to the members at the first stated meeting following its completion but not later than May 15, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of a temple.

ARTICLE 35

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of The Imperial bylaws.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is **ORDERED**:

Potentates and Recorders of temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of temples are further directed to inform all shrine clubs to follow this same procedure should the shrine club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All temples and shrine clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a court receipt by a representative of the temple or shrine club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such court receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of temples are further directed to see that their temple council reviews for accuracy the subject matter of all articles scheduled to appear in temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1988 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1988 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the city of New Orleans, Louisiana, the week of June 27, 1988. The Director General is Gerardo "Joe" Vita, 1137 St. Charles Avenue, New Orleans, LA; telephone (504) 522-5512.

Pursuant to § 337.2 of the bylaws of The Imperial Council, chief rabbans of temples have full authority to make plans for attending this Session with the units of their temples, and this includes the authority for making contracts for rooms in the New Orleans area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans shall have been approved by a vote of the membership of the temple in accordance with the temple's bylaws.

The Imperial Potentate desires to bring to the attention of all temple officers the following:

HOUSING—Imperial Council Session in New Orleans, Louisiana, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee — **CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY** — and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1988 Session in New Orleans, Louisiana.

Potentates, Recorders, and all other nobles, are reminded that an Imperial Session must house (1) Official Imperial representatives; (2) uniformed units; (3) the general nobility; and (4) the general public—in that order of precedence. The official representatives are annually paid mileage and per diem to transact the business of

the Imperial Council Session; the uniformed units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the representatives there would be no business transacted to justify the Imperial Session; without the uniformed units there would be no parade.

Hotel room assignments at New Orleans are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in New Orleans is Harold Bretz, 1137 St. Charles Avenue, New Orleans, LA; telephone (504) 522-5512.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the representatives and other temple officers who are not representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, temple or any noble violating either the spirit or the letter of this Order.

RESPONSIBILITY OF POTENTATES

The potentate of each temple is reminded of his individual official responsibility for the operation of his temple in accordance with the law of the land, the articles of incorporation, bylaws and Orders of the Imperial Council and Imperial Potentate, and the temple bylaws.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all temples requesting visitations. The temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your temple and Shrinedom. He would like to have a short meeting with the temple divan and representatives.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether shriners only, shriners and their ladies, shriners and masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE DIRECTOR AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE DIRECTOR.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each temple of the Order is instructed to provide and display at all shrine parades and shrine functions the three National flags under which shrine temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all shrine meetings.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

A SPECIAL NOTE FOR COLOR SQUADS**IMPORTANT**

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All temples are urged to use the provisions of Shrine Protocol which are found in the forward pages of your Imperial Council directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At shrine activities, masonic dignitaries are guests. Therefore, protocol requires that the highest ranking shrine officer speak last.

IMPORTANT — CHIEF RABBANS

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities, including tours or cruises for their administration, to the temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIAL SECOND SECTIONS

§ 335.1 of the bylaws of the Imperial Council states that shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all temples, officers, and nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any temple, officer, or noble has any concern or question concerning the applicability of this Order, that the potentate or temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

TOURS AND CRUISES INSTRUCTION

1. The potentate of any temple which intends to sponsor a tour, shall give notice in writing to the Executive Director of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those

pilgrimages which are limited to shrine association meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The potentate of any temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The potentate of any temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the temple, shrine club or unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the potentate of the temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The potentate of any temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The potentate of any temple which intends to sponsor a tour or cruise shall himself have the responsibility to ascertain the fiscal integrity of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. *The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land.* For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain. *Further, inasmuch as complimentary or reduced fares, hotel accommodations, or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.*

9. The potentate of any temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his temple no later than his second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by shrine clubs, units, or other organizations affiliated with or appendant to any temple shall be considered as having been sponsored by such temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by associations of temples, national or inter-

national associations of units, and other organizations not affiliated with or appendant to any temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the potentate of a temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and in order to serve the best interests of the Order and nobility, IT IS HEREBY ORDERED.

1. Insurance Advisory Committee

In compliance with § 334.2(b)(1) of the bylaws of The Imperial Council, A.A.O.N.M.S., the potentate of every temple shall appoint an Insurance Advisory Committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the temple attorney. The Insurance Advisory Committee shall have the following duties and responsibilities.

(a) Review all temple, shrine club and unit operations and activities, including fund-raising events.

(b) Review, analyze and, when appropriate, appraise all property, real or personal, of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

(c) Review and analyze the current temple insurance program and all insurance policies of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, in order to determine the adequacy of the coverage and limits.

(d) Review and consider whether the temple, shrine clubs, units, holding companies and appendant and affiliated companies engage in activities or own property for which there should be:

- (1) Liquor law liability and host liquor liability insurance covering potential liability related to the sale, consumption, use of dispensing of alcoholic beverages.
- (2) Products liability and/or completed operations coverage.
- (3) Blanket contractual liability for all written agreements and, if available, for oral agreements.
- (4) Parade and/or spectators liability.
- (5) Carnival circus or athletic event liability.
- (6) Owned and non-owned aircraft and watercraft liability insurance and physical damage on owned items.
- (7) Property insurance.
- (8) Boiler and machinery coverage for physical damage should be obtained if any exposure exists.
- (9) Any other insurance coverages warranted by the operations and activities of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, including, but not limited to, medical expense reimbursement insurance.

(e) Annually prepare a written report to the potentate and official divan of the temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage. The report should also include recommendations in order to comply with this General Order to adequately protect the temple, shrine clubs, units, holding companies and appendant and affiliated companies, and include an estimate as to the cost thereof.

- (1) This annual report of the Insurance Advisory Committee shall be completed and submitted to the potentate and official divan of the temple in

sufficient time for it to be used by the chief rabban in preparation of the proposed temple budget for the following year.

- (2) Supplements to this report shall be made in writing during the year as events, activities and exposures change.

It shall be the responsibility of the potentate and recorder to send a copy of this annual Insurance Advisory Committee report and any supplements thereto to the *Executive Director* of The Imperial Council, A.A.O.N.M.S., by the first day of March of each year.

2. Mandatory Insurance

In compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S., and, if appropriate, state law, every temple must procure for itself, its shrine clubs, units, holding companies and appendant and affiliated companies:

(a) Comprehensive general liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence, and it should include at least minimum limits for voluntary medical payments for injury to members and guests as well as fire and explosion legal liability for any leased premises.

(b) Comprehensive motor vehicle liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence. It is recommended that where temple units and shrine clubs include member owned vehicles used in temple activities, that certificates of the owners' current liability insurance coverage be permanently on file at the temple. The decision regarding the minimum amounts of insurance protection required for these member-owned vehicles rests with the potentate and temple. However, it is recommended that the highest feasible limits, up to the temple's non-owned insurance limit, be procured.

(c) Fire and extended coverage or all risks insurance for real and personal property, whether owned or leased.

(d) Workers compensation insurance. As required by state law, including coverage for both paid employees and "volunteer" workers.

(e) Fidelity. Every temple, at its own expense, must procure a corporate fidelity bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or nobles, of its funds or property.

3. Named Insureds

In further compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S.:

(a) In all liability insurance policies written for the temple, its shrine clubs, units, holding companies and appendant and affiliated companies, the following shall be included as additional named insureds, with respect to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations."

(b) The potentate and recorder of each temple shall be responsible that appropriate certificates of insurance on all workers compensation and liability policies showing compliance with (a) above shall be filed with the *Executive Director* within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the temple.

(c) The certificate of insurance issued by the insurance company shall be "irrevocable" so that no coverage may be canceled or materially altered until notice is provided by the insurance company to the *Executive Director* at least 30 days prior to such action.

4. Miscellaneous

(a) A voluntary mass-marketed property and casualty insurance program is now available to each temple and association. The broad liability coverages (similar to

umbrella coverages) are specifically designed for fraternities such as ours. The requirements of The Imperial Council, A.A.O.N.M.S., are automatically included and, in most cases, the premiums are lower because of the bulk discounts for liability and property insurance that are applied. Contact the *Executive Director* or the chairman of the Imperial Insurance Committee for further details.

(b) Liability limits in excess of the suggested minimum are recommended in most instances and, wherever feasible, consideration should be given to the purchase of "umbrella" or similar coverages for general and automobile liability coverage.

(c) Any temple sponsoring a fund-raising event for fraternal purposes, including, but not limited to, circuses, sporting events and other activities, should consider any potential exposure to the athletes, participants and public. Proper liability, including adequate medical and accident coverage for participants, should be purchased.

(d) Any fund-raising event which is for charitable purposes must have prior written permission therefor from the Imperial Potentate and the Chairman of the Board of Trustees. Except for good cause shown, the written permission will not be granted without adequate liability and other appropriate insurance coverage for the event.

(e) "Named peril" (fire, E.C.E., theft), or "all risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (buildings, contents, uniforms, and the like) of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

FUND RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§ 335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN." The use of the name "Shriners Hospitals For Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a temple or noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§ 503.6 The use of the name "Shriners Hospitals for Crippled Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No noble (in his capacity as a shiner), club, unit, organization of nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with § 335.3 and § 503.6 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No noble (in his capacity as a shriner), club, unit, organization of nobles or affiliates or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children and Shrine Hospital Patient Transportation. Permission therefor must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees .

(b) 100% of the net proceeds received from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the special purpose funds provisions of any existing General Order.

(c) The temple shall report the result of each fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the temple.

(d) This section shall not apply to activities exempt under § 335.4(b) of the Bylaws of the Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to §334.5 & §337.8 of the bylaws of the Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclaimer:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

(b) Every fund-raising activity which is not for the benefit of Shriners Hospitals for Crippled Children or Shrine Hospital Patient Transportation funds shall prominently state on the solicitation material, tickets and documents that the "proceeds from this activity are not for the benefit of Shriners Hospitals for Crippled Children."

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fund-raising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving nobles, clubs, units, organizations of nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

6. Notification to Nobility:

A copy of this section on "fund-raising activities" shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, noble or temple which violates a provision of this section is subject to discipline pursuant to the bylaws of the Imperial Council.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have

adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following. IT IS ORDERED:

1. Neither the temples nor their shrine clubs, nor their units, nor their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all temples, temple affiliated corporations, shrine clubs, uniformed units, committees, boards, or other entities subject to the supervision or control of any temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of § 334.5 of the bylaws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any temple, including those of temple-affiliated corporations, shrine clubs, uniformed units, committees, boards and other entities subject to the supervision or control of any temple, shall be the responsibility of the same temple officers, committees, or boards who are charged with the custody and administration of the general funds of the temple.
4. Any temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
5. After a fund-raising event for the benefit of Shriners Hospitals has been held and upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half ($\frac{1}{2}$) of the net profits of a designated fund-raising activity may be held by a temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the temple or one of its members. Such retained funds, including interest earned on those funds, shall be maintained in a separate account designated as the "Hospital Transportation Fund." The balance in the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the fund revert to Shriners Hospitals for Crippled Children.
6. In the event a temple is experiencing an undue hardship in meeting the expenses enumerated in paragraph 5, its written request should so specify. When such a request is received, the Imperial Potentate and the Chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a

finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the temple to retain a percentage in excess of 50% of the net profits of a designated fund-raising activity, solely for the uses enumerated in paragraph 5. This authorization shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.

7. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three (3) years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
8. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children or any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the temple or any of its shrine clubs or units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation and charitable fund-raising activity sponsored by or related to each temple shall be furnished to the Imperial Recorder by the potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1986, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1986.

The statement or statements of each temple shall be accompanied by a certificate of the potentate to the effect that: (1) each of the statements is true and correct; (2) the temple exercises control over each of such funds, corporations, and other activities; and (3) there are no charitable funds, corporations, or activities sponsored by or related to the temple other than those for which statements are submitted.

COMPLIANCE WITH INTERNAL REVENUE CODE

Inasmuch as U.S. temples are required annually to file 990 informational forms, one for the temple and its units, one which consolidates the financial activities of all its shrine clubs, and, if applicable, one for the temple holding corporation; inasmuch as some U.S. temples and shrine clubs may be required to file a form 990-T if they have unrelated business income; and inasmuch as penalties may be assessed by the government against the *person or persons* in the temple or shrine club who may be responsible for failure to file a return.

Now, therefore, by virtue of the authority in me vested by § 206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. FORM 990. By reason of the Treasury Department letter ruling dated October 12, 1973, which modified a group letter ruling to The Imperial Council, A.A.O.N.M.S. dated April 29, 1971 (copies of which have been previously furnished to U.S. shrine temples), informational tax returns (990 forms) are required from each U.S. shrine temple.

(a) The first 990 form required to be filed by each U.S. shrine temple covers the financial transactions of the temple and all of its units. This 990 form, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) The second 990 form required to be filed by each U.S. shrine temple con-

solidates the financial transactions of the temple's shrine clubs (inasmuch as, for informational tax return purposes, each temple also constitutes a "central organization" for purposes of § 6033 of the Internal Revenue Code). Each U.S. temple is to file this second 990 form as described in Treasury Regulation § 1.6033-2(d), consolidating in columnar form the financial transactions of the temple's shrine clubs.

2. FORM 990-T

(a) By reason of the said Treasury Department group letter ruling dated April 29, 1971 to The Imperial Council, A.A.O.N.M.S. if any U.S. Shrine temple or any of its units has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, the temple must file a form 990-T. This return, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) Treasury Regulation § 1.6012-2(e) requires that each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, must file its own form 990-T. There is no provision under the U.S. tax laws which would permit a shrine temple to file a "group" form 990-T for the "unrelated business income," if any, of its shrine clubs.

3. ACCOUNTING RECORDS. All temples, units, shrine clubs, temple holding corporations, shrine club holding corporations, and appendant and affiliated corporations, shall maintain adequate and timely accounting records of all financial transactions.

4. TIMELY FILING. All temples, temple holding corporations, shrine club holding corporations and all appendant and affiliated corporations, which are required by law to file tax or informational returns, are to do so in a timely manner and with the advice and assistance of the temple attorney and the independent auditor who prepares the temple's tax and informational returns.

5. DEDUCTIBLE CONTRIBUTIONS. Each U.S. shrine temple shall keep and maintain a separate set of financial records and a separate bank account in the name of the temple for the receipt and disbursement of all contributions to the temple which qualify as deductible contributions under § 170(c)(4), § 2055(a)(3) or § 2522 (a) (3) of the Internal Revenue Code.

6. SHRINE CLUB CHANGES. Each U.S. shrine temple, as a "central organization," is required annually to report any changes of shrine clubs in its group to the Executive Director, International Shrine Headquarters, P. O. Box 25356, Tampa, Florida 33622.

7. COPIES TO EXECUTIVE DIRECTOR. Copies of all returns referred to in paragraphs 1 and 2, and returns of all temple related organizations, shall be sent to the Executive Director at the same time that they are filed with the Internal Revenue Service.

8. TEMPLE ACTION. The potentate and recorder of each U.S. temple shall immediately:

(a) Furnish the independent temple auditor and the temple attorney with a copy of this Order.

(b) Inform each of its shrine clubs that Treasury Regulation § 1.6012-2(e) requires each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, to file its own form 990-T.

(c) Require each shrine unit which is separately incorporated or which has its own separate federal tax-exempt status to dissolve such corporation and discontinue its separate federal tax-exempt status. Pursuant to § 336.1 of the bylaws of The Imperial Council, A.A.O.N.M.S., a unit is a part of the working corps of the temple and it has no separate legal or tax existence.

9. RESPONSIBILITIES. The potentate and recorder of each U.S. temple are charged with the duty and responsibility of personally determining that there is compliance with this Order.

SUMMARY GENERAL ORDER NO. 1

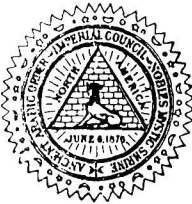

This section contains a list of the newly elected Imperial Divan officers, committee appointments made to date, amendments to bylaws adopted at the Imperial Council Session, suggestions regarding the Imperial Potentate's visitations, an edict relating to fund-raising activities, miscellaneous instructions and other information of value to temple officers and nobles.

The complete details of all General Orders are to be kept on file in the Recorder's office and will be made available to any noble for review.

SUMMARY TO BE READ

It is directed that the Summary of this General Order No. 1 be read to the Nobility of each temple at the first Session following its receipt, and record of the entire General Order be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this First day of September, A.D., 1987, and of the Order A.H. 1407.

GENERAL ORDER No. 2
SERIES OF 1987-1988

OFFICE OF THE IMPERIAL POTENTATE
JANUARY 20, 1988, TAMPA, FLORIDA

*To the Representatives of The Imperial Council, Potentates, elected Officers
and the Nobility of the Order of the Subordinate United States Temples:*

“ES SELAMU ALEIKUM”

The Revenue Act of 1987 is now the law of the land in the U.S.A. One of its provisions becomes effective for fund raising solicitations of any sort occurring after January 31, 1988. Another provision is effective as to I.R.S. information returns (Form 990) filed after December 31, 1987. This will call your attention to the Act. It is your obligation to comply with it and to obtain guidance thereon from your temple attorney and temple accountants.

1. LABELING OF NONDEDUCTIBLE FUND RAISING SOLICITATIONS.

(a) On and after February 1, 1988 every fraternal organization, having annual gross receipts in excess of \$100,000 per year, must label each fund raising solicitation that contributions to the fraternal organization are not deductible *as charitable contributions* for federal income tax purposes. A fund raising solicitation by a fraternal organization will not be subject to the nondeductible labeling rule if the entire net proceeds of a particular solicitation are to be used exclusively for charitable purposes. If the entire net proceeds are not to be used for exclusively charitable purposes, then the label must be applied to each format for each solicitation.

(b) The disclosure of nondeductibility of contributions applies to any solicitation of contributions that is made in written or printed form, by television or radio, or by telephone. It does not apply to oral solicitations for contributions. The nondeductibility disclosure label applies to a fund raising solicitation whether the organization labels the requested support as contributions, donations, gifts, membership dues or fees, voluntary assessments, support or any other term and whether or not the solicitation is for cash, property or even for volunteer services. The disclosure requirement applies even if the solicitation for a contribution is directed to the organization's existing members.

(c) According to available reports, the label should read; "Contributions, gifts, membership dues, etc. paid to [Insert Name] are not deductible as charitable contributions."

(d) The nondeductibility label must be set forth in a conspicuous and easily recognized format. Thus, for example, it would have to be on the face of any tickets for a raffle or ball game, or in any newspaper ad, and in a form which cannot be obscured by placement, color, shading or other means. A nondeductibility statement cannot be "buried" in any part of the solicitation material where it would not ordinarily be read by the person being solicited.

(e) The labeling rule applies to every fund raising event so that fund raising dinners, fund raising rallies, fund raising football games, fund raising membership drives, etc. must all contain nondeductibility language, unless the entire net proceeds are going to be used for exclusively charitable purposes.

(f) This new disclosure requirement is enforced by a penalty provision which authorized the Internal Revenue Service to assert a \$1,000.00 a day penalty for each day on which a failure to disclose nondeductibility occurs. The maximum amount which can be imposed on an organization (but see below) is \$10,000. No penalty will apply with respect to any failure to label if the organization shows that the failure was due to reasonable cause. Ignorance of the law, according to Congress, is not reasonable cause for failure to label.

(g) The \$10,000 limitation does not apply if the organization intentionally disregarded the disclosure label. If there is an intentional disregard of the new law, then the failure to comply, for the solicitation day involved, is a penalty of the greater of \$1,000 or 50 percent of the aggregate cost of all fund raising solicitations that occurred on that day and did not contain the required disclosure statement.

(h) The penalty is imposed only on the organization. There is no personal liability on the fraternal organization's managers or administrators.

2. DISCLOSURE OF EXEMPTION APPLICATION AND FORM 990

(a) Under existing law, the central unit and all subordinate units of a fraternal society must file IRS Form 990 if gross receipts are in excess of \$25,000 annually. The failure to file a timely or complete return with the Internal Revenue Service makes the organization liable for a \$10 a day penalty for each day the failure continues with the maximum penalty being \$5,000 per year.

(b) Effective for returns to be filed for calendar 1987, or for fiscal years ending January 31, 1988 or later, all fraternal organizations required to file Form 990 (i.e., receipts over \$25,000) must make available for inspection, at their principal place of business, during regular business hours, a copy of each annual information return filed by the organization for the three year period beginning with the filing date for the 1987 (or fiscal 1988) return. This means that if a fraternal organization files its Form 990 on a calendar year basis (and assuming no extension is granted by I.R.S.) then as of May 16, 1988, it must have a copy of the entire 1987 return available for inspection by any individual who asks to see it.

(c) If the fraternal organization regularly maintains one or more district or regional offices which have three or more employees, a copy of the annual information return must be made available at each such district or regional office as well as the principal office.

(d) The fraternal society must make available a copy of any papers it submitted in connection with its original exemption application. This applies to any organization filing a new application (IRS Form 1024) after July 15, 1987 and to all organizations which in fact have copies of their original exemption application whenever they originally filed the papers. Apparently there is no penalty for an organization which failed to retain (or which lost) its original exemption application. The law does not cover the question of the availability of exemption application where the fraternal unit is part of a group ruling of a central organization. In that case, one assumes that access is only required at the central unit.

(e) A fraternal organization which is under duty to comply with the requirements of the legislation on public inspection of its annual return, or of its exemption application which fails to comply with the rules, is liable for a \$10 a day penalty for each day in which the failure continues. The maximum penalty payable by the organization for failure to disclose its return or exemption application is \$5,000 per year.

(f) If the Internal Revenue Service makes a written demand on the fraternal unit that it

has failed to make available to the public its Form 990 or exemption application, the individual manager or managers responsible for the failure (I.R.S. selects responsible person) is personally liable for a \$10 a day penalty for each day in which failure to disclose continues. The maximum penalty is \$5,000 per year under joint and several liability rules.

(g) No penalty is imposed with respect to a failure if it is shown that the failure is due to reasonable cause. Ignorance of the law is not reasonable cause.

(h) In addition, the Internal Revenue Service is authorized to assess a penalty of \$1,000 on any person who willfully fails to disclose the information return or the exemption application.

(i) A person who willfully refuses to disclose the return or exemption application (or discloses false information) may also be prosecuted for his or her failure under Section 7207 as a misdemeanor (dealing with the prosecution of individuals for furnishing fraudulent information to the Internal Revenue Service).

Given under our hands and the seal of the Imperial Council this Twentieth day of January, A.D., 1988, and of the Order A.H. 1407.

GENERAL ORDER NO. 3
SERIES OF 1987-1988

OFFICE OF THE IMPERIAL POTENTATE
MAY 31, 1988, TAMPA, FLORIDA

CALL FOR THE ANNUAL SESSION OF 1988

*To the Representatives of The Imperial Council, Potentates, elected Officers
of the Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred Fourteenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in New Orleans, Louisiana over the dates of June 28, 29, 30 and July 1, 1988. The PUBLIC OPENING Session and NECROLOGY SERVICE will be held in the GRAND BALLROOM at the NEW ORLEANS HILTON at 3:00 P.M., on Monday, June 27, 1988. The OFFICIAL OPENING Session will be held in the GRAND BALLROOM at the NEW ORLEANS HILTON at 3:00 P.M., on Tuesday, June 28, 1988. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or Imperial Council. Monday, June 27	9:00 A.M. to 5:00 P.M.

It is suggested that it would simplify the details of registration if the Representatives of various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD, his COMPLETED MILEAGE FORM, THIS CALL TO THE 1988 IMPERIAL COUNCIL SESSION, and his HOTEL CONFIRMATION. If he contemplates using his Directory at this meeting, he should not neglect to bring his individual copy.

IMPORTANT: In order to register for the 1988 Imperial Council Session and receive your Mileage and Per Diem payments, you must bring your completed "mileage reimbursement payment form" and your ORIGINAL return airline tickets and present them to the SPECIAL REGISTRARS who will be working the above hours, and in the same place. COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to §208.8 of the Imperial Council bylaws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

RESOLUTION

The Insurance Committee of the Imperial Council, A.A.O.N.M.S., all of whom are Representatives, propose the following resolution:

WHEREAS, the Representatives of the Imperial Council Session of 1986 adopted a resolution authorizing the board of directors to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation, including, but not limited to, the formation of a captive insurance company;

WHEREAS, such resolution authorized the board of directors to take such action, including the formation of a captive insurance company, as they, in their discretion, determine to be in the best interest of the corporation and which will provide adequate and economically feasible protection;

WHEREAS, a comprehensive investigation, analysis and review was conducted of the insurance market, availability of coverage, and costs thereof, as well as the respective merits of traditional insurance companies, captive insurance companies, rent-a-captive insurance companies, trust accounts and risk retention groups;

WHEREAS, the board of directors, upon the completion of its investigation, analysis and review concluded that the traditional insurance companies were not providing coverage at reasonable prices and, for some risks, not providing any coverage, and that a captive insurance company would most adequately address the insurance requirements of the Imperial Council and the temples if all temples participated therein;

WHEREAS, the board of directors determined that their investigation, report, findings and recommendations should be presented at the Imperial Council Session of 1988 to the Representatives thereat assembled for such action as may be appropriate;

NOW, THEREFORE, BE IT RESOLVED, That:

1. The president and secretary of the corporation be authorized and directed to form a captive insurance company under terms and conditions acceptable to the board of directors, to insure such risks as are encountered by The Imperial Council, A.A.O.N.M.S., U.S. Temples and their holding companies, affiliated and appendant corporations, including shrine club holding companies;

2. The Imperial Potentate is requested to issue a General Order, pursuant to §206.5(a)(4) of the bylaws, implementing this resolution which would direct, among other things consistent with this resolution, that The Imperial Council, A.A.O.N.M.S. and all U.S. Temples and their holding companies affiliated and appendant corporations, including shrine club holding companies, place all their insurance requirements with such captive insurance company; and

3. The captive insurance company also accept Canadian temples and their holding companies, affiliated and appendant corporations, including shrine club holding companies, should said temples all elect to place their insurance requirements with the company.

RESOLUTION

Wayne Crowson, Potentate and Representative of Amran Temple, proposes the following resolution:

WHEREAS, there has been a controversy for over twenty-five (25) years between the Durham Red Fez Corporation of Durham, North Carolina and the Amran Temple (also its predecessor, Sudan Temple); and

WHEREAS, the Imperial Council of North America did several years ago direct and order the Amran Temple to settle all matters and things arising between Amran Temple and the Durham Red Fez Corporation; and

WHEREAS, the Amran Temple directed and appointed Hiram J. Casebolt, Past Potentate of Amran Temple to effect a settlement and/or reconciliation between said bodies; and

WHEREAS, The said Hiram J. Casebolt entered diligently upon said duties and as a result thereof certain litigation was instituted in the Superior Court for Durham County, North Carolina against said Casebolt which actions resulted in a judgment personally against Casebolt in the amount of Fifty Thousand Eight Hundred Nineteen Dollars and Eight Cents (\$50,819.08); and

WHEREAS, all the actions on behalf of Casebolt which resulted in a judgment against him were a direct result of orders of various Potentates of Amran Temple, who in turn acted on the authority of the Imperial Council of North America; and

WHEREAS, it would be grossly inequitable and unfair for said Casebolt to have to pay said judgment; and

WHEREAS, the financial situation of Amran Temple is not such as to enable said Temple to pay said judgment;

NOW, THEREFORE, BE IT RESOLVED, That Imperial Council, A.A.O.N.M.S., pay to the Durham Red Fez Corporation the sum of the judgment, namely Fifty Thousand Eight Hundred Nineteen Dollars and Eight Cents (\$50,819.08) plus any other legal claims arising as a result of this action.

II.

Procedures and Instructions for Imperial Session Parades

1. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Over the years, there have been very reasonable grounds for dissatisfied criticism by a number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

The parades in New Orleans will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

2. Motor Vehicles. There has been criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In New Orleans only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

3. Marching cadence will be 110 steps to the minute.

4. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

5. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

6. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

7. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

8. Only Shriners are permitted to participate in the parades.

9. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshall prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.

10. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

11. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.

12. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.

13. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.

14. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.

15. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

III.

Procedures and Instructions for All Shrine Parades

16. The parade reviewing stand shall be at the right of the parade movement.

17. No national flag shall be lowered or dipped when passing the reviewing stand or elsewhere.

18. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

19. No motorized vehicles shall be equipped with any sirens, flashing lights or colored lights, except for turn indicators and items authorized by law.

20. Motorcycles, scooters and other motorized vehicles shall obey local laws regarding use of hard helmets instead of the fezzes.

21. No outhouses, stills, bathtubs or other items that may be considered in poor taste are permitted.

22. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.

23. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

24. Each potentate is personally responsible and accountable for knowingly permitting any violation of this Order.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

PROPOSED AMENDMENTS AND RESOLUTIONS**20**

Theodore Corsones, a member of the Colorado corporation and General Counsel, proposes the following:

Amend Article 3 of the bylaws of the Colorado corporation by adding a new §503.5 and renumbering the present §§503.5 and 503.6 as §§503.6 and 503.7. The new § 503.5 to read as follows:

ARTICLE 3**Powers**

§503.5 UNAUTHORIZED ACTS. *Except as specifically provided by the articles of incorporation, bylaws or regulations of this corporation, or resolution of the board of directors, no hospital, group of persons or person:*

(a) *Has the authority, express or implied, to act as the agent of, to act on behalf of, or to bind Shriners Hospitals for Crippled Children.*

(b) *Can by its act or omission obligate or bind Shriners Hospitals for Crippled Children.*

21

Mahlon W. Hessey, a member of the Colorado corporation and Trustee, proposes the following:

Amend Article 3 of the bylaws of the Colorado corporation by adding §§503.7 and 503.8 thereto. The new sections to read as follows:

ARTICLE 3**Powers & Prohibited Practices**

§503.7 CONFLICT OF INTEREST. *Directors and Trustees must, at all times, avoid conflicts of interest while acting as such, and they shall comply with the following:*

(a) *DISCLOSURE.* Any duality of financial interest or possible direct or indirect conflict of interest on the part of a director or trustee shall be disclosed to all other directors and trustees and made a matter of record through a periodic procedure established by the board of directors, and again when the interest becomes a matter of board action.

(b) *ABSTENTION.* Any director or trustee having a duality of interest or possible conflict of interest on any matter shall not vote or use his personal influence on the matter, and shall not be counted in determining the quorum for the meeting. The minutes of the meeting shall reflect that a disclosure was made, by whom, the abstention from voting, and the quorum situation.

(c) *STATEMENT.* A director or trustee having a duality of interest or possible conflict of interest on a matter may briefly state his position in the matter and answer pertinent questions of other directors and trustees since his knowledge may be of assistance.

§503.8 NO COMPENSATION. Directors and trustees shall perform their duties and responsibilities as directors and trustees without compensation, but they shall be reimbursed for any expenses reasonably incurred as members of their respective boards in accordance with the policies and procedures established by the board of directors.

Lewis B. Brantley, a member of the Colorado corporation and Director, proposes the following:

Amend §507.4(a)(2) of Article 7 of the bylaws of the Colorado corporation, by adding certain language so that such section, as amended, will read as follows with the new language italicized:

ARTICLE 7 Officers

§507.4 DUTIES OF OFFICERS.

(a) **CHAIRMAN OF THE BOARD OF DIRECTORS.** The chairman of the board of directors has the following duties:

(2) He appoints a General Counsel and an Auditor with the consent of a majority of the board of directors. *They shall serve until their successors are appointed, approved and qualify.*

IMPERIAL POTENTATE KING: The next report will be concerning the Imperial Potentate's Special Orders.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: The Imperial Potentate's Special Orders (Series of 1987-1988) were issued pursuant to Section 206.5(a)(5) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. The Imperial Potentate's report is in proper legal form and it was submitted in compliance with the Bylaws of the Imperial Council. There have been no objection to or appeal from these Special Orders.

Imperial Sir, I move that the Imperial Potentate's Special Orders (Series 1987-1988) be approved. I recommend that you allow Deputy Imperial Potentate Edward G. McMullan to conduct the vote as this motion involves your Orders.

DEPUTY IMPERIAL POTENTATE McMULLAN: You have before you the motion to approve the report concerning the Imperial Potentate's Special Orders. Is there a second?

... The motion was duly seconded ...

DEPUTY IMPERIAL POTENTATE McMULLAN: Is there any discussion?

If not, all in favor please say aye; are there any in opposition? The motion is carried.

SUMMARY IMPERIAL POTENTATE'S SPECIAL ORDERS Series 1987-88

Pursuant to Section 206.5(a)(5) of the bylaws of the Imperial Council, the Imperial Potentate issued three (3) Special Orders, Series 1987-88:

SPECIAL ORDER NO. 1, dated October 13, 1987

To The Potentate, Officers and Nobles of Azan Temple deputizing and commissioning Special Representatives to investigate charges and countercharges between officers of Azan Temple and the Greater Melbourne Shrine Club of Azan Temple.

SPECIAL ORDER NO. 2, dated December 28, 1987

To the Officers and Nobility of Palestine Temple authorizing and directing the Imperial Auditor, or his designee, to audit the accounts of Palestine Temple.

SPECIAL ORDER NO. 3, dated January 6, 1988

To the Potentate, Officers and Nobles of Azan Temple directing a special meeting of Azan Temple, January 27, 1988, chaired by the Chairman of the Committee on Jurisprudence and Laws, report the findings of the investigation made pursuant to Special Order No. 1 and communicate to the Officers and Nobles of Azan Temple, directions of the Imperial Potentate.

IMPERIAL POTENTATE KING: The next item will be a J and L Special Report to be given by Walter Pettit.

NOBLE PETTIT: Before I begin, Imperial Sir, I would like to remind the delegates that you received this morning at your seats a proposal and report from the Committee on Jurisprudence and Laws concerning Section 101.5 of the Bylaws of the Iowa Corporation. I would like to read to you now the proposal as being presented by the Jurisprudence and Laws Committee.

To the Representatives of the Imperial Council: The Jurisprudence and Laws Committee, pursuant to its authority under Section 101.5 of the Bylaws of the Iowa Corporation, submits the following proposal for adoption at this Session of the Imperial Council.

Amend Section 323.3 of Article 23 of the Bylaws of the Iowa Corporation by adding a new Subsection (c) so that such Section, as amended, will read as follows, with new language underlined:

ARTICLE 23

Temple Membership

Section 323.3 PREREQUISITES FOR MEMBERSHIP

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

1. A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

2. A Thirty-Second Degree Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these Bylaws. A Temple may not require that a candidate must be both a Thirty-Second Degree Mason and a Knight Templar.

(c) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members or one of its Temples, Section 323.3 shall not apply to petitions for membership or retention of membership. In any such state it shall be sufficient for membership in the Order that one be a male who has attained the age of majority, who believes in the existence of God, who is of good moral character, and who is acceptable to the members of the Temple as manifested by their ballot. Applicability of this Subsection to any Temple shall be by certification of the Imperial Potentate, for so long as he certifies that the threat of suppression or proscription continues, and notwithstanding any provision of the Bylaws to the contrary.

Your Jurisprudence and Laws Committee, as is its obligation, has followed the activities of this Session with particular attention to the maintenance of the integrity of the Articles of Incorporation, Bylaws and General Orders of the Iowa Corporation. As a result, your committee has engaged in extensive deliberation as to the effect on our Order and the hospitals of any edict which has been, or may be, issued, directly or indirectly, by any other fraternal body. As a result of these deliberations, it has reached the unanimous conclusion that an immediate amendment to our Bylaws is required in order to protect and defend the integrity of our organization; to allow it to discharge its responsibilities to its 828,352 members; and to permit its charity, Shriners Hospitals for Crippled Children and its twenty-two hospitals, to discharge their mission of mercy to our burned and crippled children.

It is for this reason that your Committee on Jurisprudence and Laws is proposing this amendment. It will have no effect unless a Grand Lodge takes action which is designed to suppress or proscribe the ability of this organization to execute its responsibilities. To do

less, would allow your Fraternity and its hospitals, to be placed in a position of peril by organizations over which we have no control.

Respectfully submitted,

Imperial Sir, I would move the adoption of the report and the amendment.

... The motion was severally seconded ...

NOBLE PETTIT: Also, in behalf of the Imperial Sir, I would like to remind the Representatives of the rules of procedure, namely that anyone desiring to speak in the affirmative must speak from the microphone over here (indicating) and those in the negative proceed to the microphone at the other side of the room. Also, a time limit of three minutes per speaker has been set.

IMPERIAL POTENTATE KING: You have heard the motion and the second. I am sure there will be debate.

Let me say that I have modified the rules a little bit by saying that everyone will be able to speak for five minutes and we do have a timer at the Imperial Recorder's desk and you will get an indication when four minutes of your five minutes are up and then you will have one more minute to speak and you definitely then will be cut off.

Also, the only people who can speak for or against this business are those who have on a yellow badge—only members of the Iowa Corporation.

Again, as indicated, we will start with the proponents and I would ask that you please announce your name and Temple before you make your statement.

NOBLE LEONARD [Al Malaikah Temple]: Imperial Sir, my name is Davis Leonard and I am the High Priest and Prophet of Al Malaikah Temple.

I would like to propose and move an amendment to this and the amendment would be added onto the bottom of paragraph (c).

IMPERIAL POTENTATE KING: Just a moment, give the Representatives time so they can get to that particular paragraph.

Please proceed.

NOBLE LEONARD: I would like to add at the end of that paragraph—"To be retroactive to the year 1980." (Laughter)

That is it, that is my motion, Imperial Sir.

IMPERIAL POTENTATE KING: Does anybody desire to second that amendment? Is there a second? Is there a second? Is there a second? The amendment dies for lack of a second.

ILLUSTRIOUS SIR GORDON BRITAIN [Potentate, Rameses Temple]: I would like to propose another amendment, that this be for any "jurisdiction." This would then cover the provinces in Canada as well as Mexico.

IMPERIAL POTENTATE KING: Just a moment, the Jurisprudence and Laws Committee says it is covered by definition. Do you want clarification?

I will recognize our Parliamentarian.

ILLUSTRIOUS SIR LAMDIN: On page 11 of the Imperial Council Bylaws, Section 101.1, a "state" means a "state, province, district or territory" and includes the Canal Zone and the Republic of Mexico.

According to that wording, I think they are now already included.

IMPERIAL POTENTATE KING: Does that satisfy you?

ILLUSTRIOUS SIR BRITAIN: Yes, it does, Imperial Sir.

IMPERIAL POTENTATE KING: Thank you.

I will go next to a proponent.

NOBLE ALVIN WONG [Islam Temple]: Imperial Sir, I am Alvin Wong, a Representatives from Islam Temple.

You know, when we met here on the first day, a letter was written and read to us which shocked us. Then clarification subsequently came out which, in turn, further shocked us. Today, we got further information which shocked us.

My fellow Representatives, I would strongly urge adoption of this measure. It is designed to take care of a situation which is not unlike a terrorist hostage situation. So I would urge a "yes" vote concerning this item.

IMPERIAL POTENTATE KING: Thank you very much.

We will next go to an opponent.

NOBLE MATTHEWS [Kena Temple]: Imperial Sir, I am Reynold "Dick" Matthews, a Past Potentate of Kena Temple and an elected Imperial Representative from that Temple.

I have been asked by the four Temples of Virginia to speak for them representing some 18,000 Shriners.

Imperial Sir, we are creating, with this particular piece of legislation, a worse situation than if we were to pass the one that was in the Call.

In addition to creating a death knell in the A.A.O.N.M.S., this particular piece of legislation proposed by Jurisprudence and Laws, although we are in sympathy with what is the bottom line, would create several classes of membership in the Shrine.

In one state, for example, we may have non-Masons who are Shriners. In another state we will have Shriners who must have been Master Masons.

Also, with our Nomadic tendencies in the Shrine as we move from state to state, how can we in one state require that you be a Knight Templar to be a Shriner and also have a non-Mason be a Shriner from another area—to visit or become an associate or an affiliated member because he no longer meets the requirements for membership in our particular jurisdiction?

My Nobles and my friends, remember that the courts of this country today are about to tear apart every fraternity that has ever existed on the basis of the equal rights amendment. If you take away the umbrella of Freemasonry with its heritage, with its coverage, with its present membership requirements and something which has remained static throughout history, you will also have taken away the cover that has prevented us from being attacked under the Civil Rights legislation for everything including having women as Shriners and, further, I predict that if you pass this legislation or the other piece of legislation in the Call then Shrinedom, as we know it, will cease to exist and you will be nothing, for example, more than another Elk and I must say that I am an Elk—a moot organization or something or other.

If you do this, Shrinedom will soon cease to exist. Thank you. (Applause)

IMPERIAL SIR WARREN WECK [Past Imperial Potentate]: My name is Warren Weck and I am a Representatives from Zuhrah Temple of Minneapolis.

Imperial Sir and Nobles, you may recall that in 1978 we faced a similar situation and then in 1979 you reversed yourselves.

For some ten years now we have heard these platitudes and I am enraged that an organization other than us could control this organization.

The Bylaws that we have prepared and that which we have adopted maintain what the requirements are for membership in this organization and also how we shall go about doing this.

Now, if we are faced with these outside threats, it is your right to change that Bylaw and do what is necessary to preserve our membership.

The previous speaker just briefly spoke about our Charter and umbrella. That is no longer true, if, for example, the government insists that membership be opened to all—to women or anybody else—then we, too, shall face that. We have no shelter under those circumstances.

So there is not a satisfactory argument for opposing this amendment. Therefore, I would recommend you change our Bylaws and protect our membership.

Thank you. (Applause)

NOBLE H. WILTON GRIFFIN [Hamasa Temple]: I am Wilton Griffin, Past Grand Master of Mississippi, a member of Hamasa Temple and also Chief Rabban of Hamasa Temple.

I would like to compliment the Grand Masters on their resolution yesterday and understand also why Jurisprudence and Laws came up with this. I understand their reasoning in proposing it.

I also realize what the speaker before me was saying.

We must also remember that Masonry has been around for a long, long time. Also, it will be around perhaps in a thousand years to come.

To me, any change in the way we operate is wrong.

For example, in Mississippi, all of the Blue Lodges and the appendant bodies are a spoke of the wheel. We do not have a problem in our state.

I think, as I view this, this has become an emotional issue. Also, I might add, Masonry has been here longer than the church, at least as we know it today.

I realize there are some states that may have problems but with the proper communication these can be worked out.

IMPERIAL SIR JAKE WINGERTER [Past Imperial Potentate]: Imperial Sir, I am Jake Wingarter, a member of Salaam Temple, a Past Imperial Potentate of the Shrine who has served some thirty-three years in Masonry and in the various facets of the appendant Masonic bodies.

Now, as I said, I am a member of Salaam Temple in New Jersey. Because of the edict of the Grand Lodge of New Jersey, I have, in effect, no Temple to return to. I am a Shriner, therefore, without the same rights and privileges as are the rest of you. This will be true for me effective tomorrow noon.

I beg of you, my fellow Shriners, do not let this happen to your fellow Shriners in New Jersey. Please vote yes for this proposal as proposed. I would plead that you do this, especially for my Temple and the other Shriners coming out of New Jersey.

You know, the Shriners of New Jersey are not bad Shriners. The problem that came up in connection with this whole incident had to do with the ballot.

They voted one man at a time and nobody conspired about anything. However, we did have a secret ballot and this is the problem.

I do wish you would give us the consideration that you would like to have in your own Temples. Thank you very much. (Applause)

ILLUSTRIOUS SIR CARL GARNY [Potentate, Tripoli Temple]: I am Carl Garny, Potentate of Tripoli Temple.

I would like to begin by asking the Jurisprudence and Laws Committee a few questions.

If this resolution should pass and a Temple makes a request because of some problem that they have, such as a person coming into that Temple with any Masonic background and if that individual is transferred to another jurisdiction and seeks membership in a Shrine Temple in a different jurisdiction, what do you do with his petition for affiliation? In other words, are you required to accept it?

IMPERIAL POTENTATE KING: I will ask the Chairman of Jurisprudence and Laws to answer that.

NOBLE PETTIT: I am sorry, I was distracted here for a moment and did not hear all of your question. Could you please repeat it?

ILLUSTRIOUS SIR GARNY: I will repeat it again then.

If a Temple goes through the Imperial Potentate under Section 3 of this resolution and the Imperial Potentate allows them to take in members that are not Masons, have no Masonic background, and then this person then moves to another state and he wants to attend and become a member of another Temple in that state, is that Temple required to take him as a member?

NOBLE PETTIT: Well, Illustrious Sir, it is my feeling.

ILLUSTRIOUS SIR GARNY: I did not ask for your feeling, I asked for your ruling.

NOBLE PETTIT: Well, Illustrious Sir, I cannot make a ruling at this point in time. There is no issue.

You are asking me to make a ruling based upon a proposition which is not before us at this time. I can tell you what my feeling would be with respect to this but, on the other hand, I cannot give you an official ruling of this body.

In the first place, Illustrious Sir, I cannot make an official ruling—I can only make recommendations with respect to a ruling to the Imperial Sir.

Now, under the circumstances which you presented to me, it would be my recommendation to the Potentate that that Noble would not have the requisites to be admitted to a Temple other than which the Imperial Sir certifies is under suppression or proscription.

ILLUSTRIOUS SIR GARNY: So you are saying I do not have to admit or give him entrance?

NOBLE PETTIT: That would be my recommendation to the Imperial Sir. Under those circumstances, only the Temple which is under suppression or proscription is under those considerations.

ILLUSTRIOUS SIR GARNY: In other words, a Shriner of this Temple, he could not join another Temple that was not under the proscription?

NOBLE PETTIT: He could not join another Temple that was not under the proscription.

ILLUSTRIOUS SIR GARNY: I think, in view of that and in view of many other things said against it, I cannot help but strongly urge that this resolution be defeated because we are going to take a North American organization and take it into 189 individual Temples. (Applause)

NOBLE JAMIE BEREICHEZ [Anezeh Temple]: Imperial Sir, every man in the world has a right to defend himself. Every organization in the world has a right to defend itself.

The way I see this resolution, we are not attacking our own family, we are not attacking the Grand Masters, we are not attacking the Grand Lodges or Masonry—we are just defending ourselves. Everybody has a right to defend themselves.

Therefore, I ask you, why do not we give ourselves the weapon with which to defend ourselves?

Here it says clearly, for example, that before the Imperial Potentate can give a Temple the right to admit non-Masons, before that, the Grand Lodge of that jurisdiction has to take an action against the prohibited order. This is what it says here and so this is not an attacking resolution—this is just a defense resolution.

This is the way that I, at least, see it and I urge you, let us defend ourselves. We do not want to attack. I do not, for example, want to attack that which created me but I want to defend myself when I am attacked. (Applause)

NOBLE GERALD WALKER [Syrian Temple]: Imperial Sir, I am Gerald Walker, Assistant Rabban of Syrian Temple.

You know, I am shocked that we have to sit here and deliberate such an issue and one of the things we do not want to do is to lose any of our good Brethren in the Nobility.

There is one thing, however, I think should be brought out and that is that if this passes, we will have to change the Ritual for the First Section.

I can quote all of the passages which refer to our Master Mason Degree, the Scottish and York Rites and so I think that will have to be addressed if this issue passes.

Thank you, sir.

ILLUSTRIOUS SIR CLIFFORD BOYER [Moila Temple]: I think it may be, Imperial Sir, that some of us are confused in relation to what we are voting on.

As I read Section (c) of the amendment, the way I interpret it, we are not voting anything down from our Blue Lodges. All we are saying is that if something appears as it did yesterday that we can continue to go on. We are not trying to take anything away from our membership in the Blue Lodge.

Each of us has our strong ties to the Blue Lodge but if the situation does appear as it did yesterday, then we do have a right to continue our work as Shriners in support of our hospitals.

I fully believe that is what the intent of this is.

I would urge you to vote for it, urge that we pass it. This has nothing to do with intermixing this with Section 4.

For example, there is nothing in here that says we will not take a Shriner in unless he is a Mason. All we are saying in this particular Section is that if a particular state Grand Master overrides something like this, we can continue to go on as Shriners. Thank you.

ILLUSTRIOUS SIR LESLIE PETERSON [Gizeh Temple]: I have been a Freemason for some thirty-six years.

The problem, as I see it, Imperial Sir, with this resolution, is that by adopting this resolution, we will be adopting the principle for the first time in our history that one can be a Shriner without being a Mason—that we will no longer be considered a concordant of

Freemasonry and that is if you buy this resolution, you will be allowing Temples who come in under this Section to take in members who are not Freemasons.

Of course, I think we all recognize the problem and it is very unfortunate and no one can understand an action by a Grand Master and the timing, notice and everything that goes with it.

However, I would suggest that in this interim period, until this matter is resolved, that we limit ourselves to the question of adopting the existing membership so that our Imperial Officers are not affected, that members of the Shrine in this particular state are not affected, rather than extending this resolution, as it would, to include new members who are not Masons.

Therefore, I would present an amendment to the motion by striking in lines 4 and 5 of Section (c), striking the words "petitions for membership or" and then also striking the sentence which follows, "In any such state it shall be sufficient for membership in the Order" and then striking the sentence which follows, "In any such state it shall be sufficient for membership in the Order"—so that then the Section would read and apply to retention of membership and so that no one presently a member of these Temples would be affected by any reason on the order of a Grand Master and then perhaps at a subsequent time, if necessary, we may also have to consider further steps.

I think what we are witnessing here is a reaction to the arbitrary action of the Grand Master of one State of the Union and it would be a great mistake in years to come if we, at this time, sever our connections with Freemasonry by adopting the principle contained in this resolution.

Therefore, I would move that amendment to the present motion.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: You have heard the amendment, duly seconded.

ILLUSTRIOUS SIR MAHLON HESSEY: A point of information, Illustrious Sir.

Would you address the issue of how your amendment affects the ability of Temples to get new members in the event that action is taken to action concerning the things proposed in New Jersey is taken, which effectively shuts down a Temple's operations? In other words, how does the amendment treat the ability of the Temple to gain any members?

ILLUSTRIOUS SIR PETERSON [Gizeh Temple]: My amendment does not treat the ability of such a Temple to treat such people. For one year, until we meet again, they would not have the ability to get new members but, on the other hand, would be able to retain existing membership and then, hopefully, we can resolve that question at a further time and determine whether or not we want to be a concordant body of Freemasonry.

ILLUSTRIOUS SIR HESSEY: So, as I conceive your amendment, it would come back before this body a year from now and we would then have to make a decision on that issue?

ILLUSTRIOUS SIR PETERSON: If the problem still exists but, surely, reasonable people can resolve these problems. We have not had an opportunity in the time of this Session and in view of the arbitrary action taken, to do anything.

ILLUSTRIOUS SIR HESSEY: Thank you very much for your explanation.

IMPERIAL POTENTATE KING: Does that answer your question?

ILLUSTRIOUS SIR HESSEY: Yes.

IMPERIAL POTENTATE KING: We have a motion on the floor, duly seconded.

Is there any further discussion? I am sorry, we have the amendment made by Illustrious Sir Peterson from Gizeh Temple.

Is there further discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE KING: Just a moment, we have somebody over here.

ILLUSTRIOUS SIR JACK STEWART [Potentate, Isis Temple]: I have a question.

My question is as to whether or not the proposed amendment will accomplish the desired purposes?

Section 323.3 of our Bylaws applies to qualifications for membership. I did not bring my Bylaws with me but am I not correct, and this is that I am asking the point of information about, that the subject of retention is covered under Section 323.8 of our Bylaws so that if we are going to pass this amendment, it is going to apply to petitions for membership and

also to retention, is that correct? In other words, I am wondering if we are not amending the wrong Section of the Bylaws?

I pose that as a question to the committee.

Further, I realize that this is "panic" legislation, done in a hurry and it is difficult to do things and allow for every possible aspect that is going to happen. However, I would put that question to the committee that perhaps this should be rethought and reconsidered.

... The question was again severally called for ...

IMPERIAL POTENTATE KING: I do not think you were speaking on the amendment.

ILLUSTRIOUS SIR STEWART: Yes, I am. I speak in opposition to the amendment.

That completes my presentation. I am opposed to the amendment but, at the same time, I am asking the committee to consider that and perhaps redraft the entire resolution.

IMPERIAL POTENTATE KING: There has been a call for the question on the amendment to the amendment, I believe it is.

IMPERIAL SIR GEORGE POWELL: Imperial Sir, I have a question, if I may.

This motion, as I understand it, still puts the New Jersey Shriners out of business for one year. They cannot hold meetings, no Shrine Club can hold meetings, there can be no unit meeting and there will be no initiations.

Therefore, for that reason, I would object to the amendment.

IMPERIAL POTENTATE KING: Is there further discussion?

... The question was again called for, with likewise "roll call" also being heard ...

ILLUSTRIOUS SIR LAMDIN: May I comment, Imperial Sir?

IMPERIAL POTENTATE KING: Perhaps you can straighten us out.

ILLUSTRIOUS SIR LAMDIN: The motion has not as yet been amended. We are now essentially speaking on the amendment to the main motion.

... At this point, several requests were made to have the motion read as it would be amended ...

ILLUSTRIOUS SIR STEWART [Isis Temple]: Imperial Sir, I really feel we have been put into a terrible situation here. Has anybody, for example, checked with the Grand Master who put us in this position?

IMPERIAL POTENTATE KING: To clarify, we are now talking about the amendment to the amendment.

ILLUSTRIOUS SIR STEWART: Imperial Sir, what I want to know is that if this were passed and he wants to amend it, does anybody know what the Grand Master would feel or say?

IMPERIAL POTENTATE KING: Just a moment, you are out of order with your comment.

We are on the amendment to the amendment.

Does anybody want to speak to the amendment to the amendment?

... The question was again called for ...

ILLUSTRIOUS SIR GARNY [Tripoli Temple]: All I would like to know is what would the proposal, in its entirety and with the amendment, how would that read?

IMPERIAL POTENTATE KING: I will ask you all to turn to the second page and have Walt Pettit read it as it is now proposed in relation to this amendment to the amendment.

NOBLE PETTIT: This is the way it would read if adopted:

"In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members or one of its Temples (Section 323.3) shall not apply to petitions for membership."

You would then delete the balance of the wording down to the word "ballot" and then insert the following—"applicability of this subsection to any Temple shall be by certification of the Imperial Potentate, for so long as he certifies that the threat of suppression or proscription continues and not withstanding any provision of the Bylaws to the contrary."

Let me ask, is that the proposal as I presented it?

ILLUSTRIOUS SIR PETERSON [Gizeh Temple]: That is my proposed amendment and now, if the committee drafting the original resolution considers this retention of membership not be in here, I will be pleased to have it referred back to the committee to implement that intent. However, that would only apply to retention of membership in this interim period.

NOBLE PETTIT: In that case, I believe that would be out of order because it does not take into consideration Section 323.8.

ILLUSTRIOUS SIR PETERSON: Then I think the rest of it would likewise be out of order because we did not take into consideration retention of membership.

... The question was then again called for ...

IMPERIAL POTENTATE KING: Just a moment. The question has again been called for.

You are voting on the amendment as submitted by the Potentate of Gizeh Temple.

IMPERIAL SIR OLFENE [Past Imperial Potentate]: Imperial Sir, if I may, I would like to clear something up.

I have been sitting in the back listening to this and there appears to be confusion back there.

Can that Temple, for example, that is under suspension concerning this problem, can they solicit new members?

... Cries of "no, no" ...

IMPERIAL POTENTATE KING: That is virtually what it says.

Again, the question has been called for and you are voting on the amendment to the amendment.

All in favor please say aye; opposed no. The "noes" have it and the amendment is lost.

Now we will continue debate and we will now go to the proponents. Please give your attention so that we can expedite this business.

ILLUSTRIOUS SIR SYLVESTER DORAK, JR. [Potentate, Salaam Temple]: In relation to how this problem has arisen, perhaps I might explain that.

On June 17th, we had an election. At that election we had a class of forty-two. Forty-one out of the forty-two were elected to the class. One was black balled.

The election was held in accordance with the Bylaws of the Imperial. When that one candidate was black balled, the Deputy Grand Master of the State of New Jersey came up to the stage and discussed this with me. He said, "You know, I have taken a Masonic Oath." I also told him that I took a "Shrine Oath and that I would stand by that Shrine Oath in relation to the sanctity of the ballot box." He then walked away.

Now, when the edict went through with the Grand Master of the State of New Jersey, I spoke to the Grand Master on the phone and said, "We have no home to come home to."

Therefore, I would urge for your support and passage of this proposal. I appreciate your help.

... Cheers and applause ensued and the question was again called for ...

ILLUSTRIOUS SIR WILLIAM VAUGHAN [Past Potentate, Kazim Temple]: You know, we are really in a real situation here because the year before I was elected as Grand Master, one of our elderly statesmen, a great guy involved in Masonic Law, said, "Bill, before you get elected, I want to tell you something. I know, for example, that some Grand Masters can never be wrong but they can make a hell of a lot of mistakes. I hope you will make only a few of them or a limited number."

Now, as I said, this is a terrible situation and I hope and pray, Nobles, that we will not be wrong here.

Also, I have said to every member in Masonry as I traveled around, I have said to every Mason that I have talked to, "Gentlemen, we are on the wrong subject. As Shriners, what we ought to be talking about is retention of membership and, Nobles, maybe you do not realize it, but we are losing our membership more through the back door suspension route and demits than we are not getting members. Both of these are hurting us."

However, really, I am for this amendment in a sense and I am also against it in a sense because it has some things in it that I wish it did not and I feel we should vote against this amendment—vote against 4 and for 5 and put Masonry and Shrinedom back together, put them together where they should be.

I just cannot understand what is happening here.

IMPERIAL POTENTATE KING: I will next recognize Imperial Sir George Powell.

IMPERIAL SIR GEORGE POWELL: I feel that I need a little bit more background than what is here.

This legislation, and let me say that I do employ attorneys and pay them a lot in my business but sometimes I think they use words that are really not necessary.

What we are trying to do here is not have our rights taken away from us. Briefly, let me tell you what happened.

About five years ago, the Grand Lodge met in the State of New Jersey and passed legislation which said that once you become a member of the Grand Lodge, you may petition any other Masonic body in the State of New Jersey and they must automatically accept you as a member by the payment of the dues.

Now, when that happened, the Scottish Rite stopped all classes, the York Rite stopped all classes and the Shrine stopped all classes for quite a few months.

We obtained a new Grand Master—appealed to him and that vote was repealed and, as a result, once again we had classes in all of our Masonic bodies.

Now, we have had a problem within our state and you have already heard a part of it from Salaam Temple.

Now, in our Temple, we had a vote about eighteen months ago in which two members, two applicants, were black balled. They called for another vote and they were black balled for a second time. As a result, they were not initiated that day.

However, that Grand Master, that night said, from the podium, "I, as Grand Master of the State of New Jersey, by the authority invested in me, declare all applicants for membership in Crescent duly elected today."

He then called for a short form of initiation in a few days and the Potentate held it and, as a result, those two members were initiated into our Temple, having been black balled on both occasions.

He then turned to our Recorder and he said, "Issue their membership cards." Our Recorder refused to do so. The attorney for the Grand Master and the Grand Lodge turned to the Grand Master and said, "If he does not issue those dues cards, I recommend that you lift his." Well, the Recorder signed the new cards.

We have in our Temple today two men that were black balled. The Grand Master of the State of New Jersey took away our right to vote, which is in violation of our Bylaws and in violation of the Bylaws of the Imperial Council.

So what I am saying to you, Nobles, is this—I believe that the day has come when we must have protection against these decisions made here and there now and then and we should also be able to maintain within a Temple our right to vote.

Again, there is much more involved in this. It is not something that just came up last week.

As I said previously, this has been going on for many years. Also, attempts have been made to try and straighten it out but it does seem to be a hopeless case.

Now, if you would like me to continue as a Shriner—

... Cries of "no" ...

IMPERIAL SIR POWELL: If you want me to continue as a Shriner and try to make a contribution, as I have tried for all these years, I would appreciate you supporting this legislation. Thank you very much.

... Rising cheers and applause ensued ...

ILLUSTRIOUS SIR WILLIAM SHAWLEY [Potentate, Al Kaly Temple]: I would like to thank God that we do not have this problem. I think we are fighting a brush fire here and I do not think we have a clear answer. Keep in mind that, Illustrious Sir, in relation to the Shrine of North America, that type of situation could have arisen in any state, but it has not.

These things, as I see it, have to be fought by the body of the governing force of Masonry in the area where the problem has arisen.

I do not think that any government, religion or any other organization has the right to tear up Masonry and, in relation to their attempts, they have not as yet succeeded and, also, I do not think that as Shriners and Shrine Masons, we should want to tear it apart, either. Thank you.

IMPERIAL POTENTATE KING: Nobles, I would like to say that I have tried to be fair, tried to give everybody their right to speak.

I would like to have this individual at the microphone conclude his remarks within the next minute or two and then we will cease the debate at that point.

ILLUSTRIOUS SIR RODERICK ROBERTSON [Potentate, Philae Temple]: I am very proud to be a Master Mason and proud to be a Shriner but I am completely ashamed of how the gentlemen of this group are acting here today.

Also, I am sick and tired of hearing of the Grand Lodge of New Jersey and their problems.

If there are any problems, I feel they should be resolved before those people get to this Session and, as was previously said, this situation has been going on for a long, long time. Also, the Shrine has been going on for a long, long time and, therefore, I would ask everybody in this room to vote against this motion. (Applause)

IMPERIAL POTENTATE KING: Well, I said that I would only accept that speaker before we were going to act.

ILLUSTRIOUS SIR STEWART [Isis Temple]: However, Imperial Sir, I have two points of information.

I would like to inquire if item 4 on the Call will still be voted on today? Has there been any move to withdraw it, item 4?

IMPERIAL POTENTATE KING: To my knowledge, there has been none.

ILLUSTRIOUS SIR STEWART: Well, as I look at it, item 4 would be a more sweeping proposition and, as I see it, would affect all qualifications for membership of a Masonic nature.

Also, my second point of information is this—whether this resolution as proposed has the desired result? It may be necessary, in my opinion, to change Section 323.8 of the Bylaws regarding retention.

My question at this time is this—if we pass the proposed resolution, will there be opportunity for the Committee on Jurisprudence and Laws to bring back another similar resolution to change Section 323.8 in order to accomplish the desired purposes and could that be done today?

NOBLE PETTIT: If that is considered, we will be happy to discuss it with you or any other Representative here following this discussion, following this day's Session and, yes, it is possible.

ILLUSTRIOUS SIR STEWART: May I comment to Illustrious Sir Pettit while he is at the podium with regard to this matter?

I am not sure that the J and L Committee and you, Illustrious Sir, have the same perspective about this matter.

NOBLE PETTIT: Well, I am speaking simply as a Representative but as I view this proposal, it occurred to Jurisprudence and Laws that it is a means by which the historic and proper association and ties where the Masonic heritage can be preserved but, at the same time, place firmly into our own hands and the hands of our leadership the means by which this Fraternity may, under any circumstances, proceed to attend to its own business and that involves the hospitals, in relation to which we are placed in great trust. That is the reason for the proposal.

The main reason, as you can see, has been disruptive of our ability to manage our own affairs and for this reason the proposal is in Jurisprudence and Laws.

ILLUSTRIOUS SIR STEWART: If I may, Imperial Sir, let me say that the remarks made by the Chairman are well taken and well put. Likewise, the rationale in the printed handout today is also well taken. I speak for the adoption of this resolution, particularly in relation to any holes that can be plugged that might be necessary.

I believe that we should go ahead and adopt this now—we should say “no” to any other tactics to hold this organization hostage. Let us vote to adopt this resolution.

ILLUSTRIOUS SIR PAUL FRIDY [Potentate, Hadi Temple]: A point of clarification.

In our state, in a special meeting held with the Grand Master of our state last year and all the elected Divan, it was understood once a person on appeal was allowed into the Shrine and we sat with them, it was non-Masonic and that we, in turn, would be in violation of the Bylaws of the State of Indiana Grand Lodge and we would be suspended.

I merely would like to have a clarification that even though Indiana is all Masonic in relation to all of the other prerequisite state bodies being involved, if people were to come to a meeting and have to sit with people who are non-Masonic people and belong to the Shrine, where would we stand then?

Really, what I am asking you is this—is there protection here for those people that cannot sit in a body, people who are non-Masonic, especially when the prerequisite bodies should be Masonic in the State of Indiana? I understand, however, that once we move out of this state, then we do not have that, although I sympathize with the Jurisprudence and Laws

Committee and, in doing this, I also think we are taking upon ourselves here a consideration that we are going to lose membership.

I wonder if I could have some clarification in relation to those particular comments?

IMPERIAL POTENTATE KING: Well, I ruled that this would be the last speaker when the other two speakers spoke. (Laughter)

However, I see Illustrious Sir Turley down at the floor and so I will recognize him.

ILLUSTRIOUS SIR ROBERT TURLEY: I am not going to argue with the Imperial Potentate but I have heard no motion for a previous question, much less the previous question having been carried by a two-thirds majority which is necessary to stop debate. However, in view of the fact you do not want to listen to me, I will sit down.

... laughter and applause ...

IMPERIAL POTENTATE KING: All in favor of having Illustrious Sir Turley sit down please say aye; opposed. That is the necessary two-thirds majority. (Laughter)

Let me say that I do not want to have anybody walk away from here on Friday and say that in the process of legislation being considered, they were cut off from debate. I have tried to be fair with everybody.

ILLUSTRIOUS SIR PETER EKHOLM [Potentate, Osman Temple]: Insofar as I know, Imperial Sir, we do not have a problem in Minnesota. We have our Grand Master with us.

In reality, what I have a great concern about is attempting to solve problems with the members of our Temple. For example, if something like this were to come about in our Temple, I would lose most of my workers. They are dedicated Masons and will, in turn, sit with the Lodge and quit the Shrine.

... The question was again called for ...

IMPERIAL POTENTATE KING: The question has again been called for. We are now going to vote on this.

First of all, is there a second to the question being called for?

... The question was severally seconded and also with a ballot vote being requested ...

IMPERIAL POTENTATE KING: I hear you. However, first of all, we are going to attempt this by a voice vote.

... Cries of "no, no" and "ballot" ...

IMPERIAL POTENTATE KING: Well, I will accept that. We will take a ballot.

Give your attention to Jim Hathaway.

NOBLE HATHAWAY: Fellow Representatives, you will use ballot 8. That is the yellow ballot in the book.

Just indicate on there either "yes" or "no." In other words, do not first write down "yes" and then change it to "no" because that will be considered a spoiled ballot. Use one or the other.

Again, this will be done on ballot 8, the yellow ballot. Again, just write one or the other.

... At this point, several requests were made for restatement of the motion before the Representatives ...

IMPERIAL POTENTATE KING: We are going to have the motion restated. Please give your attention to the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: An "affirmative" or "yes" vote will be a vote in favor of the proposal of the Jurisprudence and Laws Committee as you received it at your seats this morning. A vote in the negative or a "no" will be in opposition to the proposal. Again, it will require a two-thirds vote.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE KING: Have all balloted who desire to ballot? Is there anyone who has not balloted? Hearing no comments, I will declare the ballot closed at this time. (Gavel)

While we are waiting, we will proceed with the report of the Temple Fund Raising Committee, to be presented by Imperial Sir Edward McMullan.

IMPERIAL SIR McMULLAN: Imperial Sir, Distinguished Guests, Nobles and Brethren: Your Imperial Fund Raising Committee has taken into consideration your numerous requests for simplification of disclosure and disclaimer language on fund raising material. This committee, obviously, cannot change the United States law which went into effect on February 1, 1988, which requires that all fund raising which is not entirely for charity must prominently state on the solicitation material that contributions are not

deductible as charitable contributions. However, this committee believes it can simplify the remaining language. As a result, the committee reported to the Boards that the Shrine should only emphasize the positive—that is, disclose the purpose of the use of the funds being solicited and eliminate the negative as to what they will not be used for.

Therefore, your Imperial Potentate-Elect will give this his most serious consideration as he prepares General Order No. 1 and you can be assured that your requests will be foremost in his mind.

Now, let me give you a quick overview, through the use of some slides here, as to the forthcoming changes to General Orders that will affect policies and procedures for Shrine fund raising.

[Slide]: First, there are still only two types of fund raisers—charitable and fraternal.

Under charitable fund raisers, the new General Orders will state that 100 percent of the net proceeds must go to Shriners Hospitals for Crippled Children. There will no longer be a provision to allow fund raisers solely for Shrine Hospitals patient transportation. Funds for that purpose must be raised in the name of Shriners Hospitals for Crippled Children and then may be retained for patient transportation as provided by the General Orders in the Special Purpose Funds Section.

Fraternal fund raisers are still the same, where the net proceeds benefit the Temples, clubs, units, etc.

[Slide]: Now, let us discuss the statement of purpose and where required, the disclosure statement that must be included on all tickets, solicitation and promotional materials, including Temple publications.

[Slide]: As you can see by this slide, the statement of purpose for charitable fund raisers has not changed. It simply states that “Proceeds are for the benefit of Shriners Hospitals for Crippled Children.”

[Slide]: And here is a sample of how it should look on a ticket.

[Slide]: This slide describes the statement of purpose and new wording for the disclosure statement that must be printed on all fraternal fund raising material.

As you can see, the statement of purpose is still the same but the big change is in what used to be called the “disclaimer,” which is now called “disclosure.”

The purpose of this change is to include wording that will satisfy the United States Internal Revenue Service requirements instituted this year. We believe that this new wording not only satisfies those requirements but serves in the best interest of our Shrine Temples and the general public of all nations.

The new disclosure simply states that “Payments are not deductible as charitable contributions.”

[Slide]: This slide shows a sample circus ticket with the proper statement of purpose and disclosure.

[Slide]: This slide shows a sample circus ad or poster with the proper statement of purpose and disclosure at the bottom.

[Slide]: This slide shows a sample page about our hospitals, which contains the appropriate statement of purpose and disclosure that could be placed in the program of a fraternal fund raising activity.

I believe that concludes the slide portion of the presentation.

Now, let me add, gentlemen, the forthcoming General Order No. 1, Series 1988–1989, will contain the information that I have just briefly covered and, also, a revised policies and procedures pamphlet which will be sent to your Temple in the very near future.

Upon notification that the new policies and procedures pamphlets are ready, I would suggest that your Temple order enough, not only for your Temple Officers, but for all Club and Unit Officers and any committee members that may have fund raising responsibilities.

Now, gentlemen, in the interest of time, I have tried to abbreviate this report because I know that many of you have heard it before. However, I do not think it hurts to repeat it.

With that, Imperial Sir, that concludes my report and I would move for its acceptance.

... The motion was severally seconded ...

IMPERIAL POTENTATE KING: You have a motion and a second that this report be accepted. All in favor say aye; opposed no. The motion is carried and the report is accepted.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: Now, I see Jim Hathaway has returned and so let us now have a report from our Tellers Committee.

NOBLE HATHAWAY: Imperial Sir and Imperial Sirs, it is a pleasure to give the results of ballot 8.

There were a possible 856 votes; 821 actually voted. There were two spoiled ballots. Necessary for choice was 547. The ballots were distributed as follows:

Yes—512.

No—307.

IMPERIAL POTENTATE KING: It takes a two-thirds vote for passage and so the ballot is defeated.

We will now continue on with our legislation and I will recognize Bob Lake who will speak on the issue of removing the prerequisites for membership.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 4 on Call of the Annual Session of 1988, located on page 17 of the Call. It is a proposal to delete Article 10, Prerequisites for Membership, entirely, and to delete the present Section 323.8 and Subsection (d)(1) of Section 323.11 and to amend and renumber Section 323.3 and subsequent Sections of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, so that Section 323.3 to Section 323.11, as amended, will read as follows:

ARTICLE 23

Section 323.4 - No change

Section 323.5 - Investigation

(a) Each petition for membership shall be presented to the Recorder of the Temple and he shall immediately deliver it to the Potentate.

(c) The Investigating Committee shall return the petition to the Recorder within thirty days with a report of its findings and with a recommendation as to whether the candidate should be accepted or rejected.

Section 323.6 Balloting. - No change in content

Section 323.7 Candidate; when initiated. - No change in content

Section 323.8 Associate membership. - No change in content

Section 323.9 Suspension or Termination of Membership - No change in content.

Section 323.10 Demit. - No change in content.

Section 323.11 Suspension for nonpayment of dues.

(a) - (c) No change.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Without vote of the Temple upon terms authorized by the Temple.

(2) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman

Robert E. Cooper

Theodore Corsones

Robert C. Lake, Jr.
 William A. Buckaway, Jr.
 Gerald L. Davis
 J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Marvin D. Taylor, for an appropriate motion.

IMPERIAL POTENTATE KING: I will recognize the proponent of the legislation, Marvin Taylor.

ILLUSTRIOUS SIR MARVIN TAYLOR [Potentate, Islam Temple]: Imperial Sir, I would like to yield the floor to our Recorder, Ford Long, to speak on this proposal.

IMPERIAL POTENTATE KING: Is there objection to yielding to Noble Long? If not, I will recognize Noble Long.

NOBLE FORD LONG [Recorder, Islam Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs and My Fellow Representatives: Last year we came before you with a problem that has plagued us through the past twenty-nine years and a problem that becomes increasingly worse each succeeding year—a problem that is universal to Shrinedom, not regional to a few Temples. That problem is the continuous decline in membership.

While there are a few Temples that show an increase, those increases are minimal—small. The far greater number of us are suffering dramatic losses.

Shrine membership in just the past ten years has dropped from over 941,000 to under 823,000, a decline of thirteen percent.

In 1986, the Shrine dropped 20,000; in 1987, it dropped another 25,000; in the past twenty-nine years, membership in Masonry dropped from over 4,100,000 to under 3,000,000—a decline of thirty-one percent.

In 1974, the Shrine initiated over 45,000 new Nobles. In 1987, less than 19,000 new Nobles were created. That is a fifty-eight percent decline in new Nobles in only fourteen years.

Nobles, we have a problem that, unlike fine wine, will not improve with time. The Shrine is suffering a dramatic and catastrophic loss of membership. When are we going to recognize that problem as real and do something about it?

We have a problem. It will not go away because we choose to ignore it. You and I must take decisive action now. Others look without seeing, hear without listening.

No one in support of this item has suggested that you abandon or separate from Masonry—no one has stated, intimated nor inferred that you should be asked to “make a choice” between your Blue Lodge and the Shrine. You can remain both a good Shriner and a good Mason.

We encourage you to be an active and vibrant member. What is wrong with Shrinedom “leading the way”? What we are seeking is a broader base for selection of Shriners.

Can the Shrine survive? Yes, the Shrine can and will survive and if we are going to survive, we must control our own destiny and rule our own Fraternity. We must bring back and raise the level of vitality, pride and respect. No longer can this catastrophic problem be ignored. The time for action is now and the place is here.

You know, this is a difficult and emotional issue that is easily misunderstood but it is hard for me not to get emotional when misleading information is purposefully disseminated—when a Grand Master in a Northern Jurisdiction writes that he will “excommunicate” all Shriners in his jurisdiction if we do not alter our stand; when a Grand Master of a Southern Jurisdiction threatens to “pull the Blue Lodge dues card” of Shriners in his jurisdiction; when a Grand Master of a Northeastern Jurisdiction forces us to accept members who were rejected by vote of the Temple members; when a Sovereign Grand Inspector General of a Far East Scottish Rite Jurisdiction will not allow candidates to progress beyond the Fourteenth Degree thereby preventing them from joining the Shrine and when a Grand Master writes that the Shriners of his jurisdiction cannot even attend a Shrine meeting under threat of suspension.

When that happens, yes, I am emotional.

I urge each one of you to cast your vote to allow the Shrine to be leaders by voting “ues” on proposition 4.

Imperial Sir, I move the adoption of item 4 in the Call.

Imperial Sir, when there is no further discussion on this item, I request a written ballot.

IMPERIAL POTENTATE KING: You have heard the motion, is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: Let me say to you that this item was in the Call last year. It is in the Call again this year. It has been discussed thoroughly and so I am going to ask that the Imperial Recorder allow three minutes for each speaker.

ILLUSTRIOUS SIR WILLIAM SMITH [Potentate, Kena Temple]: Imperial Sir, Imperial Sirs, Worshipful Grand Masters, Nobles and Brethren All: Again, I will not repeat what I had to say about the J and L resolution previously. However, I think I will just reaffirm that but I would like to point out to some of our Temples something that they may not have considered in removing the Masonic basis for membership as a Shriner.

We, in Kena, are a small Temple. We have approximately 2,750 members. We have approximately 600 of them who are active.

I think that percentage would probably prevail throughout all of the Shrine Temples to some degree more or less.

Have you thought what those 2,100 members of Kena Temple who pay their dues every year and are carrying their Shrine card to—as to why they do that? They are doing it, I believe, because they consider the Shrine to be the topmost organization in Freemasonry and they join the Shrine so that they can carry that Shrine card no matter where they are.

Now then, if we take away the Masonic basis for being a Shriner, what is going to happen to these 2,100 members? Are they simply just going to carry that card again? Absolutely not. They are no longer going to carry it and so we are going to have 600 members in Kena Temple—600 members to support the budget that 2,100 can scarcely do now.

In relation to Al Malaikah Temple, for example, with 21,000 members, and its active members, once they leave that Masonic basis, what incentive will they have for carrying that beautiful Shrine card?

Nobles, we are heading for a quagmire of despair and defeat and dissolution—the dissolution of the Shrine and, you know, I cannot even see that happening.

IMPERIAL SIR WARREN WECK [Past Imperial Potentate]: I am here to speak in favor of this proposal. I am not against Masonry. I do not intend to drop my Masonic affiliation. I may get kicked out but I am not going to do that.

My purpose is to try and help toward the solution of the problem of membership. I would like to give you an example in relation to my own Temple.

At the height of its membership it was approximately 13,000 members. Today we have a little over 9,300 members.

In the last four to five years we have lost approximately twenty-five percent of our membership and we are losing our members at the rate of thirty to forty per month by death, and this does not speak about suspensions, drop-outs and demits. We will lose approximately 400 a year.

Now, if we look at my own state, for example, we raised approximately 400 members last year. If we, in our Temple, had received every member in each one of those facets, we still have had a loss.

I will tell you why I think we need to make a change. It is economic.

Today, in my Temple, we charge for almost every affair that we have—ceremonial dinners and everything else. Even in spite of that, we barely break even.

If we continue to lose members at the rate we have in the past three to four years we will be losing \$20,000 to \$25,000 this year in dues. Next year it will be \$40,000 to \$50,000. That says nothing about losing candidates and, in the meantime, our expenses go up.

I think all of the people coming up the line in the various Temples must give serious consideration as to what they are going to do about retaining membership and likewise increasing membership in their respective Temples. If that be your goal, then I urge that you vote for this proposal. Thank you.

IMPERIAL SIR RUSSELL ANTHONY [Past Imperial Potentate]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters and My Fellow Representatives: I am Dr. Russell Anthony and I was Imperial Potentate in 1986–1987. Most of you know that during that year most of my program had been dedicated to the Shrine-Mason and good

Masonic relations. As a matter of fact we did dedicate and name our year "The Year of the Shrine-Mason."

Now, we did that for one express purpose and that was to tell all of the Brethren, all of the Shrine-Masons and the entire general public that we are not only Shriners but we are also Masons and we are just as proud to be Shriners as we are Masons.

Gentlemen, I am here to tell you that it is with deep regret and with deep sorrow that I am on this side as a proponent of this legislation but I am here also to tell you that at the time Imperial Sir George Powell referred to, I was your Imperial Potentate and I had to bow to the will of one individual Grand Master.

Gentlemen, I urge you to support this legislation, not in the spirit of the issue but perhaps it will make us all realize that if we are ever going to solve the problems that here and now and down into the future and also the new problems of membership and other problems that face us, we must tell our Masonic leaders that we must work together and that this is our way of showing them that if they do not understand what we are doing, perhaps through some of this legislation, they will.

ILLUSTRIOUS SIR GARNY [Potentate, Tripoli Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Nobles All: During the past few months I attended the Grand Lodge of Wisconsin, the Grand Commandery, their Annual Convocations, and on each one of those occasions I was given an opportunity to speak and, at those times, I chose to tell them about the important resolution coming up at this Imperial Session—and I can tell you that, to a man, all in attendance at those meetings, at each and every one of those annual meetings, they asked me to come forward and to speak in strong opposition to this resolution.

Also, I spoke at the Des Moines Seminar a few years ago when we were talking about membership.

Unfortunately, I feel that the Shrine talks of Shrine membership and not prerequisite membership.

Now, this year at Tripoli Temple we are going to have a Square and Compass Month in the month of October and, in that connection, I am asking every unit and every Shrine club chartered by Tripoli Temple to work with more and more Blue Lodges in their areas to promote symbolic Masonry with a non-Mason.

We have a unity conference in the State of Wisconsin and we work together and I am sure that while this is a first attempt at it, we will increase membership through this program.

I think that if more Shrine Temples were to work in the area of the Square and Compass, we would not be standing here today talking about this type of resolution. Thank you.

NOBLE PAUL STEVENS [Islam Temple]: My name is Paul Stevens and I am Chief Rabban of Islam Temple.

I am also proud to be a Past Master of my Lodge in California. I am glad to be a Blue Lodge Mason. In fact, I am damn glad to be a Blue Lodge Mason. I also know that others likewise feel the same way.

Now, I would say to you today that I think the time has come for us to say that we have to stand united.

Now, let me add that I am worried about the membership in relation to all of our appendant organizations and, further, I am also worried about it in New Jersey because on Friday the axe is going to fall on those young people out there. Therefore, it is going to be up to us to pass an affirmative vote for proposition 4.

Now, it was just about during the last five minutes that I made up my mind to do this and I hope everybody in this room will do the same thing. Thank you.

ILLUSTRIOUS SIR OTIS BAXTER [Potentate, Abba Temple]: I, too, am definitely concerned with membership.

I have been Membership Chairman of the Scottish Rite, have been Membership Chairman of the Shrine. As a matter of fact, I have worked hard on membership and I know that membership can be accomplished.

I have a little bit over 100 men in relation to my Temple alone that I have signed the top line on and I know it can be done.

Also, I know that we must, in Shrinedom, work with our Blue Lodges. That is where the

candidates come from and if you do not support the Blue Lodges and Grand Lodges and if you have a problem with a Grand Master, please try to discuss it with him a Master Mason because, as has been said many times here, we are Masons first.

Every man in this room is a Mason first and, therefore, when you take that Masonic background away from a Shriner, then you take Masonry right away from the Shrine.

I am really worried about how many men wearing the Red Fez here today would walk out of here if this proposition passed? I know, in my state, that we would lose some twenty-five percent of our Shriner members if this happened.

I do discuss membership with my Grand Master and we are working on that all of the time. We all, in our Masonic bodies, try to work together to promote both Shrinedom and Masonry.

Further, if we pass this, we will kill the York Rite and the Scottish Rite. Therefore, I am against this proposal.

I look to quality in relation to membership and not quantity and, as I see it, we do have great quality within our membership and I would hope to keep it that way and even increase it but, Nobles, if we pass this, we will lose many men wearing the Red Fez today because they will not be wearing it tomorrow. Thank you.

ILLUSTRIOUS SIR STEWART [Isis Temple]: If I may borrow from Shakespeare, I come not to bury Masonry but to praise it.

The Shrine strengthens Masonry. It is our roots, our heritage, our principles.

There is not a man in this room who believes that we should turn away from the teachings of Masonry. It is simply a question of who is going to rule or control our destiny.

I come from a Masonic background. My father joined the blue Lodge in Oklahoma in 1914. There was not a whole lot to do at that time. He always told me that he looked forward to Lodge night, it was a big thing in his life.

However, times have now changed, the world is turning over. There is much vying for our attention today. As a result, fraternal orders of all sorts have suffered.

The system that was put in many years ago is not working today. We are losing membership and I will not go over all of those statistics again.

However, you all know that we are sitting on a demographic time bomb. Also, many think that it will get worse before it gets better.

Also, I am sure we have all attended various Shrine Club meetings, looked around the room and saw the age of these men. Many of these club members will not be here ten years from now. The Craft is losing speed and when it gets slow enough, it will stall out.

I am worried about survival of the Shrine. I think it is necessary that we do two things—that we adopt proposition 4 so that we can control our destiny and so that we are not at the whim and caprice of any individual outside of this organization—that we have the power within ourselves to absolutely control what we do.

Shrinedom is no longer just a playground of Masonry as my father used to allude to it many years ago. It is much more than that. We have a multi-million dollar responsibility to our children and to our hospitals. We must remain in control.

I urge you to pass proposition 4.

NOBLE VAUGHAN: I am sure we are all proud to be Masons. I became one some fifty years ago and am very, very proud of it.

Further, I, too, do not want to see us do anything that will hurt us in the long run.

We have been talking about membership losses but let me say that I can tell you where our problem really lies and this is true in bodies of Masonry and that is in the word "leaders." If we go home and turn to the basics of Masonry, holding our heads up high with dignity and being enthusiastic about Masonry, attending meetings and furnishing leadership, then I am sure membership will pick up.

We have more ability sitting in this room among the Shrine membership and the Scottish and York Rites than we need to turn Masonry around. Therefore, if we get to work, we will solve our problem.

Let us go home and lock the back door that is open through the demits and suspensions. These two factors in some cases, exceed the number dead.

Also, my Brethren, after you do get these people into your organizations, you have to contact them and keep them enthusiastic and working in harmony.

I am involved with all branches of Masonry and I am proud of all I do. Therefore, I urge you to vote against item 4 and go home and go to work and work in relation to that leadership we need today and, when we do that, in the course of doing this, we will likewise save our membership. Thank you.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Fellow Nobles: As you may know, I am a member of the Imperial Divan and I am also Chairman of the Membership Committee.

I would like to say that the problems that we are talking about, problems about membership, that this is not new, not just something that came up in the last two years. It is something we have been trying to deal with for many, many years.

In researching the effort that the Shrine has made, which I did in relation to activities with the Membership Committee, we find evidence to suggest that the only effort that has been made in the last ten or twelve years has been initiated and paid for by the Shrine of North America.

I came here to the Annual Convention and Annual Meeting of the Shrine of North America to do the business of the Shrine. On Tuesday, I was standing with my Imperial Potentate on the reviewing stand for purposes of reviewing the marching troops from the various Temples of the Shrine when, at that point, a Representative brought to the Imperial Potentate, taking him abruptly by surprise on the stage, a note and brought him over here to the Headquarters Hotel for the purpose of discussing a problem that had arisen.

A few moments after that, some of the Imperial Marshal's Aides came onto the stage and notified all of the Imperial Officers that we had been called to an emergency meeting, the Imperial Divan Officers, to be held in our General Counsel's office in this hotel.

We went to this meeting. The entire Imperial Divan was present. We had not been apprised prior to coming to this meeting what the nature of the problem was.

When we became involved in that particular emergency meeting, at that time we were made aware of the edict handed down by the Grand Master of the State of New Jersey. We received no information as to why it had occurred—simply that we had a Temple that had been taken hostage and delivered a letter, which you have now all heard about, which also indicated to us that ransom was negotiable.

Gentlemen, I think that is the question you have to consider. We are still in peril and tomorrow at noontime we will have a Temple that is going to be out of business.

I would suggest to you that we handle our problem today and forever and, when that happens, the Shrine, in turn, will be able to grow again. (Applause)

NOBLE T. K. GRIFFIS [Hamasa Temple]: The question I think we all have to answer is why would a group of Masons be sitting around here today and discussing separating Shrine from the Masonic body?

Now, you came here this morning and listened to some statistics on membership that were given to you. I want to give you some that came out of the report of the Imperial Council, in the event you have not read it.

Membership in the Grand Lodges is three million; Grand Commandery approximately 300,000; Scottish Rite one million; Shrine membership about 822,000. This, if my figures are correct, leaves some 341,000 prospects from the Scottish and York Rites. However, do you know that there are 1,649,000 Blue Lodge Masons that are not Scottish Rite or York Rite or Shrine Masons? We have some prospecting to do.

Further, in ten years we have had suspended for non-payment of dues, 158,000 members in the Shrine. The Shrine problem is not in prospects but, in reality, is in relation to priorities and motivation.

Further, Nobles, membership is not only the problem of the Shrine—it is likewise the problem of the church, the Moose, the Elks and other organizations.

For example, I can remember when we had 440,000 members in the Junior Chamber of Commerce. This has now dropped to 240,000 and they then decided to go to work and they are now back up on the up climb.

What we have to do is work with the prospects that are available to us and, when that happens, our membership will also go up. Thank you. (Applause)

NOBLE J. D. BEREICHEZ [Anezeh Temple]: Imperial Sir and Nobles, let me say that I do not believe in the infallibility of anybody, not even the Grand Master, not even anybody else. I was Worshipful Master of my Lodge, I was the Grand Junior Warden of the Grand

Lodge, I am a Commander-in-Chief of the Consistory and I believe in democracy. Here all of us make a decision and not just one individual.

You know, my mind tells me one thing and my heart tells me another thing. For example, my mind tells me that I should vote "yes" and my heart tells me I should vote "no" and I do not know what to do.

I am in the position right now where I believe we all should be, first of all, Masons but if Masonry is going to react against Shrinedom then that is something else. After all, I am also a Shriner with all my heart and I can be both and I am trying to do the right thing. Thank you.

... At this point, the question was severally called for ...

IMPERIAL POTENTATE KING: There has been a call for the previous question. I did not hear it seconded.

... The call for the question was severally seconded ...

IMPERIAL POTENTATE KING: Let me remind you, it takes a two-thirds vote.

All in favor say aye; opposed. The ayes have it and debate is now concluded.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KING: Now, the original proposer of this resolution requested a secret ballot and so I will call for a secret ballot.

I will recognize Jimmy Hathaway.

NOBLE HATHAWAY: Nobles, we will use ballot 6, the green ballot in your books. You will either vote with a "yes" or a "no." Just mark the ballot in that fashion. Please do not write on the ballot.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE KING: Have all voted who desire to vote? Have all voted? Have all voted? I will declare the ballot closed. (Gavel)

I will recognize our Imperial Recorder, Jack Jones, for announcements.

... Various announcements ensued by Imperial Sir Jones ...

IMPERIAL POTENTATE KING: Let me say that I again want to thank all of you for the wonderful decorum you have exhibited and the manner in which you have helped to make this such a fine meeting up to this point.

Let us go on just a few more moments, until we get the result of this ballot. We do have a few little reports we can have presented and get them out of the way and, in the process, it will shorten our meeting.

Now, let me say that Dr. Anthony has now served on the Trustees by virtue of his office. I have been working with him now for some eleven years and, of course, he will not be on the Board next year. However, he does have a word he would like to say at this time.

IMPERIAL SIR ANTHONY [Past Imperial Potentate]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Right Worshipful Grand Masters and My Fellow Representatives All: It is with a great deal of pride and humility that I stand here today and thank you for the many, many courtesies and support that you have given me as one of your leaders for these last twelve years.

Also, I want to thank all of you for the great way in which you have supported the 1987 Imperial Council Session that was held in Las Vegas.

My Director General told me just last night that there were some 27,000 rooms used, occupied by some 60,000 Shriners, guests and ladies.

I have tried hard to be a communicator to you during these years that I have had the privilege of serving you but I am sure that occasionally I may have failed in that regard.

I am reminded of the third grade school teacher who was teaching poetry. She said, "If it rhymes, it is poetry; if it does not, it is prose. To illustrate, my Aunt Susie fell down the hill. If we had not picked her up, she would have been there still. That is poetry."

She commented further, "And if I said that Aunt Susie fell down the hill, if we had not picked her up yet, she would have been there yet—well, that is prose."

A small boy raised his hand and said, "Teacher, can I try?" She replied, "Yes."

The boy replied, "My Aunt Nellie fell in the well, if we had not pulled her out she would have gone to —. Do you want poetry or do you want prose?" (Laughter)

In conclusion, let me again thank you for everything. You will see me around even though

it will not be in a leadership role. I am like that soldier and Shriner, General Douglas MacArthur, when he said, "Old soldiers never die, they just fade away."

Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Russ.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: I see Jimmy coming down and I believe he is ready to give us a tally on the last ballot vote.

NOBLE HATHAWAY: Representatives, it is a pleasure to present to you ballot 6.

There were 856 possible votes, 817 actually voted, 5 spoiled ballots, which left for choice 542. The vote was as follows:

Yes—282.

No—530.

... Applause ensued ...

IMPERIAL POTENTATE KING: With that, we will stand adjourned until one-forty-five p.m.

... The One Hundred Fourteenth Annual Session of the A.A.O.N.M.S. recessed at twelve-ten o'clock p.m. ...

AFTERNOON SESSION
THURSDAY, JUNE 30, 1988
ONE FORTY-FIVE O'CLOCK P.M.

The One Hundred Fourteenth Annual Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one-forty-five o'clock p.m., Imperial Potentate King presiding.

IMPERIAL POTENTATE KING: If you will take your seats, we will get started.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: We will next go to item 5 in the Call.

I will call on Noble Tingle.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 5 on Call of the Annual Session of 1988, located on page 18 of the Call. It is a proposal to amend Subsections (e) and (f) of Section 323.8 of the Bylaws of the Iowa Corporation by deleting certain language so that such Subsections as amended, will read as follows:

ARTICLE 23
Temple Membership

Section 323.8 Retention of Membership

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provisions of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS
Walter S. Pettit, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
William A. Buckaway, Jr.
Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon one of the proposers, (Illustrious Sirs James P. Palumbo, James E. Fulghum and Richard C. Thistle) for an appropriate motion.

IMPERIAL POTENTATE KING: I will recognize Illustrious Sir James Palumbo.

ILLUSTRIOUS SIR JAMES PALUMBO [Potentate, Cyprus Temple]: Let me say that along with this proposition I am joined by James E. Fulghum, Potentate and Representative of Oasis Temple and Richard G. Thistle, Potentate and Representative of Orak Temple.

Imperial Sir Voris King, Imperial Sirs, Illustrious Sirs and Representatives: I believe it is in the best interest of both the Shrine and Masonry that Subsections (e) and (f) of Section 323.8, Bylaws of the Iowa Corporation, be amended by deleting certain language that was circulated at this Session.

This Subsection has brought nothing but unrest in the Shrine and the Craft since passage last year. We are having enough problems in the Shrine and in the Craft that we presently have to deal with.

We have never had a problem with the York Rite or the Grand Commandery and the Grand Master of the State of New York. He, as a matter of fact, is, at this time, very proud to be a Shriner, as I am a Mason and, therefore, I would urge the passage of this amendment.

I would also like to indicate that the State of New York favors passage of this amendment. In New York State we are Shriners-Masons. We are also a member of the New York-Ontario Shrine Association and the majority of our Temples desire the passage of this amendment.

I urge the Representatives to vote for this amendment.

I am sure that when there are difficulties among the Shrine Temples, that they can come to an understanding on an individual basis rather than involve the entire Shrine Fraternity.

Thank you, Nobles and Brothers.

IMPERIAL POTENTATE KING: You have not made a motion.

NOBLE PALUMBO: Imperial Sir, I would make a motion that we change Subsections (e) and (f), Section 323.8 and revert back to the original way it was stated last year in Las Vegas.

IMPERIAL POTENTATE KING: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there discussion?

We are going to have, as usual, the proponents over here (indicating) and the opponents over there (further indicating).

Now, I am sure you understand that was debated, was passed last year and now it is up again this year and so I will allow three minutes to each speaker.

You have heard from the proponents and now we will go to the opponents.

ILLUSTRIOUS SIR JAMES SKELTON [Past Potentate, Hamasa Temple]: Imperial Sir, I would first like to state that in no way are all of the Representatives of Hamasa Temple in accord with me. I speak in opposition to item 5.

Yesterday and again today I sat in this hall with some 856 fellow Representatives and countless other Nobles and watched tears come to the eyes of many as these two little girls thanked all of the Shriners for the medical attention they had received when they were badly burned over most of their bodies.

I knew that the two Temples in New Jersey were just swelling with pride. Can it be the last time that we will share this fraternal fellowship with these two distinguished Temples? I certainly hope not.

Do we, for example, after the eleven years of service of Past Imperial Potentate Jake Wingerter now bid him farewell? I hope not.

Could we, after asking Imperial Sir George Powell to work for us and who has given so much of his time to this Imperial Line and looked after our Fraternal affairs, could we ask that we now deny him the privilege of serving us as our Imperial Potentate? I certainly hope not.

I hope that the Representatives here today will take all of this into consideration—all of what the Shrine is doing and has been doing and will continue to do. Therefore, I would urge that you vote "no" on this item.

You know, I have been coming here for some twenty-odd years and have seen people get up here and say, "All we need to do is to go back home and go to work." However, when

we leave here and get back home, we pursue our other duties and forget. We are still going to go down, however, if we do not do something. We need one tiny, little loophole in order to have us have an opportunity of taking care of our own destiny. Please vote no on item 5. (Applause)

... The question was severally called for ...

ILLUSTRIOUS SIR LESLIE PETERSON [Potentate, Gizeh Temple]: Imperial Sir, I can understand, in the light of what has happened during this current Session, the reason for this amendment coming forward but then I would also like to have you recall that the action we took at the last assembly was certainly disruptive and caused a great deal of problems for those of us in the Canadian Temples.

I personally had to meet with our Grand Master in an endeavor to prevent any reciprocal action being taken from the Province of British Columbia.

Now, I can understand that in the light of what has happened here yesterday, we need something to protect the Temples from being jeopardized.

Now, after dealing with this motion, and I support the motion to put us back in the same position as we originally were, that I will be proposing to reconsider a motion that was defeated before in order to bring a remedy forward that I think will work and protect the Temples and so I would like to see this motion passed or tabled until reconsideration can be given to other matters.

IMPERIAL POTENTATE KING: Just a moment. I would like to recognize our Parliamentary.

ILLUSTRIOUS SIR LAMDIN: You made a motion to table?

ILLUSTRIOUS SIR PETERSON: I would so move.

IMPERIAL POTENTATE KING: Is there a second? I did not hear a second.

... The motion was then severally seconded ...

IMPERIAL POTENTATE KING: You have a motion before you to table, which is in order. I am going to call for a secret ballot.

... Cries of "no" ...

IMPERIAL POTENTATE KING: That is what I said—I am not going to call for a secret ballot.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KING: Well, all right, I will ask Illustrious Sir Walter Pettit to explain to you what the motion is.

NOBLE PETTIT: The motion before you is a motion to table and it takes a majority vote. You will be asked to vote either for or against the motion to table.

IMPERIAL POTENTATE KING: And if that passes, what does that mean?

NOBLE PETTIT: That means that it will not be reconsidered until after the motion for reconsideration is made as proposed by the proponent. This matter will not be discussed at this point in time.

IMPERIAL POTENTATE KING: In other words, it cannot be reconsidered unless it is taken off of the table?

... Cries of "yes" ...

IMPERIAL POTENTATE KING: Very well, we have a motion to table.

All in favor please say aye; now those opposed. The ayes have it.

... Cheers and applause ensued ...

ILLUSTRIOUS SIR PETERSON [Gizeh Temple]: Imperial Sir, on the former resolution that was voted on relating to requisites for membership. This is item 4. It is the amendment to Section 323.3.

Let me say that I voted against the amendment and I would now like to move for reconsideration of the proposal that the Jurisprudence and Laws Committee presented and I will be proposing a substitute motion which I think is a solution to our problem.

IMPERIAL POTENTATE KING: Is there a second?

... The motion was duly seconded ...

IMPERIAL SIR BRANTLEY: Imperial Sir, I would like an opportunity to speak against the motion for reconsideration, if I may.

IMPERIAL POTENTATE KING: Well, you are a little late. I did not see you but I did hear you. (Laughter)

IMPERIAL SIR BRANTLEY: Am I allowed to proceed?

IMPERIAL POTENTATE KING: Go ahead.

IMPERIAL SIR BRANTLEY: Imperial Sir, Imperial Sirs and Fellow Delegates: I know that we have a problem—as a matter of fact, all of us know that. We know that we think we have almost resolved that problem. For by a lack of some thirty-five votes and by a two-thirds vote, it would have passed as a far reaching piece of legislation. Also, we know that we are all concerned about what is going to happen to our friends and our fellow colleagues and Nobles and fellow Masons of New Jersey.

Also, I have to tell you that I think that the action taken in New Jersey is highly repulsive to most of us. There was, however, a great deal of conversation on the floor this morning and there were at least four and possibly more fellows wearing stars speaking in favor of passing a limited divorce bill, if you will. As a matter of fact, there was not a single "star" speaking against it. There was somebody on the floor at the time but then debate was shut off.

During the noon hour, our Legal Counsel and a goodly number who have a great deal of talent discussed among themselves, along with others such as myself, as to what they thought we ought to do to correct this problem. I think, for example, we should do what we can to correct this problem in the State of New Jersey because, after all, I do not want that problem in Florida. Also, I would hope you would not desire it in Texas or North or South Dakota or the Carolinas or anywhere else.

Now, if we fell we have to do something, Imperial Sir, I think we have the legal talent right here on this platform to draft a piece of legislation and say, "New Jersey, you are wrong, you are wrong in New Jersey and we are going to confront you with it and if you want to take further retaliatory action, we are prepared to deal with that. We are not going to be stampeded because of one ill-advised Grand Master in the country."

Now, I would ask that you do what both you and I would like to see done. (Applause)

ILLUSTRIOUS SIR ROBERT TURLEY: Imperial Sir, I would like to maybe say now what I was going to say earlier today.

IMPERIAL POTENTATE KING: Will you please state your name—some of the individuals do not know you. (Laughter)

ILLUSTRIOUS SIR TURLEY: My name is Robert J. Turley. I am from Oleika Temple in Lexington, Kentucky. Hold your applause about that. (Laughter)

Also, I am pleased to be an Emeritus Representative of this Imperial Council.

I speak in favor of the motion to reconsider and I understand it to be appropriate in these circumstances to say why I am in favor of reconsideration and why I am in favor of the adoption of the amendment that was offered by the Jurisprudence and Laws Committee.

When we came to this Session, we were faced with three alternatives having to do with our relationship as the Shrine to the Grand Lodges of the various jurisdictions in which our Temples exist.

Those alternatives were to adopt proposition 4 and sever our ties with Masonry. This morning you decided, and I think wisely so, to defeat that motion.

The second alternative you were offered had to do with proposition 5. You have now tabled that. If that were defeated, then we would be left in the same situation as that in which we came to this Session.

Now, I do not know how many of you know, but I am sure that Jack Jones can tell you, he has received and the Imperial Potentate has received several written communications from various Grand Masters throughout North America threatening retaliation if the Shrine did not, at this Session, repeal that Section of the Imperial Bylaws you adopted last year.

So you were left with the alternative to leave things as they were with those pending threats of retaliation, or you could adopt proposition 5, which you have before you, if it is taken from the table by appropriate motion and if you do this, you send the Shrine back to the same situation in which we found ourselves in previous years—in which any of our Temples or Nobles can be subjected to actions which we consider arbitrary and capricious on the part of Grand Masters who were offended the last time they saw this.

Now, your Jurisprudence and Laws Committee, realizing that those three options were before you, thought it wise to bring you a fourth alternative and that fourth alternative did not require a divorce from Freemasonry—it did not send us back to the age in which

arbitrary and capricious action by some Grand Masters could place one of our members under their threat of expulsion, not only from the Grand Lodge but from the Shrine as well and, further, it did not leave us in a position where we were subject to the written threats of retaliation about which I spoke.

Sixty-two and a half percent of you this morning thought it wise to prepare what the gentleman from Anezeh Temple called "self-defense." I suggest, however, that this proposal that was before you this morning does nothing more than this—that it contains, first, a condition—has no effect in any respect, unless by its terms, the Grand Lodge takes action which is designed to suppress or proscribe the Order—that is, the Shrine or one of its Temples—and, without that action, states, like my own Temple, it can have good relations with the Grand Lodge of Kentucky.

Now, let me say that in relation to the Jurisprudence and Laws Committee, and having served on this committee for several years, I am very proud that they brought to you a solution to this problem which does not require a divorce from Masonry and which provides only for the self-defense of our Temples in the states where they feel threatened.

I hope you will support the motion to reconsider. I hope it passes and when it does, I hope you then adopt this proposal prepared by those lawyers whom Lew told you were brilliant and indeed they are and add this to our law.

Thank you. (Applause)

ILLUSTRIOUS SIR GARNY [Potentate, Tripoli Temple]: I request, Imperial Sir, that on legislation as important as this, that it all be done by secret ballot.

IMPERIAL POTENTATE KING: Thank you very much and I will certainly give that consideration. (Applause)

Now, I will call on my Parliamentarian to explain to you as to how we are going to vote.

ILLUSTRIOUS SIR LAMDIN: Earlier in the day you received a proposal from the Jurisprudence and Laws Committee. That proposal was voted upon and it was defeated because it did not get the necessary two thirds vote.

Now, the gentleman who voted against this motion has a right to make a motion to reconsider and he has made that motion. If you agree with him and you pass his motion, it only takes a majority vote to reconsider and when it comes back before you for reconsideration, it is also back before you for amendment.

Do you understand what you are voting on?

... Cries of "yes" ...

IMPERIAL POTENTATE KING: Well, all right then.

I am going to call for a secret ballot.

... Cries of "no, no" ...

IMPERIAL POTENTATE KING: All in favor say aye; opposed. The ayes have it—I think the ayes have it. (Laughter)

We are now going to recognize again the Potentate of Gizeh Temple.

ILLUSTRIOUS SIR LESLIE PETERSON [Potentate, Gizeh Temple]: Imperial Sir, I would now like to make a motion for reconsideration and this is in relation to the proposal being distributed.

Now, while the proposal is in the process of being distributed, let me say, first of all, that the proposal that is being distributed has been approved by General Legal Counsel and the Jurisprudence and Laws Committee.

Now, the objection that I have to the proposal that we voted on earlier in the day was the divorce that would result from the Masonic Fraternity. This does not in any way, in any submission, impair our relationship with the Masonic Fraternity. It merely gives the right to those Temples that have been the subject of this suppression and their members to continue to exist. It will still mean, however, that any member coming and petitioning for membership must still be a Mason with all the qualifications that we have heretofore had. However, it will mean that those members of those Temples, when the Imperial Potentate so provides, can continue to hold their office, that we as Masons can continue to sit with them without being in violation of our Grand Lodge in our own jurisdiction.

So I would like to read the amendment.

This amendment relates to Section 323.8, Section (f) which relates to Section 323.8,

which are provisions for retention of membership and that is what we are basically talking about—retaining membership when such action has been taken in the State of New Jersey.

The amendment is to provide a new Subsection 5 and renumbering old Subsection (f) to (g) and the proposal would then read as follows:

“(f) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members or one of its Temples, the Imperial Potentate shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its Temples in such jurisdiction retain all of their rights, responsibilities and authority, notwithstanding any provision of the Bylaws to the contrary.”

This, in my thinking, satisfies all of the requirements and will not, in any way or shape, impair our relationship with the Grand Lodges in our respective jurisdictions.

ILLUSTRIOUS SIR LAMDIN: Just a moment, there has been an inquiry and, as I understand it, you said you were making a new motion. However, what you are actually doing, as I understand what you are talking about, is you are offering an amendment to the original proposition.

That is in order.

ILLUSTRIOUS SIR PETERSON: That is what I am doing and that amendment is by substitute to Section 323.8 rather than 323.3.

ILLUSTRIOUS SIR LAMDIN: You cannot do it the way you want to do it.

If you want to offer a substitute, you may do it but you are not actually amending what was before the body this morning. You are moving over to another completely different Section.

Now, you are under Article 23 but you have moved away from what was voted on this morning.

ILLUSTRIOUS SIR PETERSON: With respect to the subject matter considered earlier, it did deal with retention of membership and in that debate it was suggested it should relate to Section 323.8 rather than Section 323.3.

In my opinion, General Counsel is correct and in consultation with General Counsel, this resolution now has been drafted in the present form and it is offered as a substitute motion which will deal, in my humble opinion, satisfactorily with the situation—will not affect qualifications of membership or individuals coming into the Shrine—will still be part of the Masonic Fraternity but deals with retention of membership when the Imperial Potentate so specifies and when there has been suppression against individual Temples within our jurisdiction.

IMPERIAL SIR DEAN: Imperial Sir, I would like to rise to a point of order.

It is not my understanding that on reconsideration we can bring in a totally new piece of legislation with an amendment. We can, for example, reconsider what was brought up this morning and that is what these Representatives voted to do, which was an amendment of Section 323.3 and now all of a sudden we want to move over to something entirely new, which is 323.8. I would like to have a ruling of the Parliamentarian on this point.

IMPERIAL POTENTATE KING: Let us have the Parliamentarian give a ruling.

ILLUSTRIOUS SIR LAMDIN: I will rule that the gentleman is in order.

We have a problem. We operate on Robert's Rules of Order. We also operate under this yellow book this year. Now, let me read to you what the yellow book says about it. This is Article 101.5, Amendments. I am reading from the yellow book. I am reading from item (d):

“A proposed amendment may be modified by the Imperial Council while it is under consideration, but such modification must be germane to the subject matter of the proposed amendment and it may not go beyond the scope of the proposal submitted.”

Now, I think we have met all three of the criteria under this particular paragraph and I think it is in order.

... Cries of “right” ...

REPRESENTATIVE: Imperial Sir, I have two questions.

First of all, this sheet that I am looking at, the one passed out for this proposed amendment, applies to 323.8 and the one that was submitted this morning was 323, paragraph (c).

Now, does paragraph (c) remain in here or is it replaced by (f)? If so, are these improperly numbered?

ILLUSTRIOUS SIR LAMDIN: Well, it is all under Article 23. If you adopt this amendment, then you will have to take a second vote. It is going to take two votes.

The first one is whether or not you want to adopt this amendment. If you do, then you will have to vote on the original proposal as amended.

REPRESENTATIVE: Well, if that is the case, then, just in case this passes, I would like to explain for one moment that I got up here and made a proposed amendment this morning to the amendment offered by the Committee on Jurisprudence and Laws and that amendment was intended to take care of one problem that the Imperial Council faces and that is that you were voted down on a decision regarding our member who has been in the business of selling alcoholic beverages for something, as I remember, on the order of twenty-three years and has been a Mason for twenty-two years or vice versa.

That thing is kind of hanging fire because, obviously, if we go with the law that passed last year, and I think that is proposal 5 that we are looking at today, it has been tabled.

If you look at that aspect of it then what you are saying is we should dismiss that member. However, all I am trying to do is to get an amendment to the amendment here that will give you the authority to be retroactive to take care of this fellow, inasmuch as the entire body this morning, by their voice vote, voted to keep this individual in the Shrine and so, again, I move that we make this retroactive to these number of years.

Also, I am talking about 1980, because I am sure that is far enough back to take care of this Noble who obviously we all want to keep in Shrinedom simply because he got kicked out on kind of a silly Lodge rule in the first place. (Laughter)

ILLUSTRIOUS SIR PETROCY [Potentate, Moslem Temple]: In connection with the reconsideration brought up this morning, I believe that the comments brought in concerning Section 323.8 have directly to do with the retention, which is item 5 on the Call. I think if this will take care of item 5, maybe we could take care of everything and not have to go back to reconsideration.

... Cries of "no, no" ...

ILLUSTRIOUS SIR LAMDIN: With regard to the gentleman who offered the amendment to make it retroactive, was that seconded?

IMPERIAL POTENTATE KING: I did not hear a second.

... The amendment was, at this point, duly seconded ...

IMPERIAL POTENTATE KING: Now I did. (Laughter)

ILLUSTRIOUS SIR LAMDIN: You are now voting on the second amendment which was just offered and which makes it retroactive to 1980.

ILLUSTRIOUS SIR STEWART [Potentate, Isis Temple]: A point of information here.

Is this a motion, an amendment to the amendment, or what is its status?

IMPERIAL POTENTATE KING: Well, as I understand it, what you are first going to have to vote on is whether or not to make this retroactive to 1980.

All in favor of doing this please say aye; opposed. The ayes have it.

ILLUSTRIOUS SIR LAMDIN: Gentlemen, we are now going to vote on the main proposal and so that we all understand what was proposed, and I think I understand what was meant to be said, if you adopt this as substituted, the amendment, the first one this morning, will not be under consideration. That Section (c) will not be before you because a substitute amendment has been offered which is Section (f) under Section 323.8 of Article 23.

I give you that so that there will not be any conflict there at all. There is no conflict there at all.

ILLUSTRIOUS SIR PETERSON [Potentate, Gizeh Temple]: That is correct. I still remain totally opposed to Subsection (c) that we voted on this morning. I support, however, in its place, Subsection (f) which is to another Section, Section 323.8.

... At this point, the question was severally called for ...

NOBLE VAUGHAN [Kazim Temple]: A point of order.

Is it proposed that this Section (f) is going to replace Section (c)?

... Cries of "right" ...

ILLUSTRIOUS SIR STEWART [Potentate, Isis Temple]: A point of order.

It is my understanding that the substitute amendment now on the floor has the status of a

substitute motion, to substitute for the proposal which was put on this morning for an amendment to 323.3 and now they want to propose this in place of that, to amend 323.8 as stated on this printed form. Is that correct?

... Cries of "correct" ...

ILLUSTRIOUS SIR STEWART: Now this intertwines with proposition 5, which is to amend Subsection (e) and (f) but that has not yet been voted on and so Sections (e) and (f) of 323.8 remain as they were on this printed form. It is just stated on here as (f).

For example, am I to take it that what is shown as (f) on this circulated paper takes the place of (f) as it now states in Section 323.8 and that then the present (f) moves down to (g)? Is that correct?

... Cries of "yes" ...

ILLUSTRIOUS SIR LAMDIN: I think that you are going to have to reletter that. What you said is going to be effective in relation to what happens if (f) is adopted.

If you look at the last line, there is a parenthesis with a small (f) in it and it says "To be relettered as (g)."

... The question was again severally called for ...

IMPERIAL POTENTATE KING: All right, this motion is going to take a two-thirds majority. I am going to call for a written ballot.

ILLUSTRIOUS SIR LAMDIN: It is a little difficult but we are going to get it straightened out. You still have two votes to take.

You have adopted the second amendment, which made it retroactive. You are now voting on the amendment offered by the Potentate of Gizeh Temple. If you adopt that amendment, then you have to have a vote on the original proposition as twice amended.

This amendment takes a majority vote. The original proposition will take a two-thirds vote.

IMPERIAL POTENTATE KING: I am going to call upon first that which takes a majority vote and the second one which takes the two-thirds vote, I am going to have a ballot.

Therefore, all in favor of the second one say aye; opposed. The ayes have it.

We will now go to the secret ballot for the other one.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Nobles: Use dark green ballot 11 in the front of your book.

ILLUSTRIOUS SIR VAUGHAN [Kazim Temple]: A point of information.

Are we voting now on the proposition proposed by the Jurisprudence and Laws Committee this morning and that (f) takes the place of the wording in (c) that they gave us this morning?

IMPERIAL POTENTATE KING: That is correct.

ILLUSTRIOUS SIR VAUGHAN: In other words, if we vote for this amendment then we vote on the deal to accept the whole thing and have this in it instead of (c)—is that correct?

IMPERIAL POTENTATE KING: That is correct.

Now, is there any further debate?

... Cries of "yes" and "no" ...

IMPERIAL POTENTATE KING: Before we vote, would you like to have the whole thing read as now amended twice?

... Cries of "yes" ...

IMPERIAL POTENTATE KING: I will then ask the Chairman of Jurisprudence and Laws to present the proposition as it is now before us.

NOBLE PETTIT: The proposition upon which you will vote is as follows. It will be to amend Section 323.8 (f) of Article 23 of the Bylaws of the Iowa Corporation by inserting in the place of the present (f) the following language:

"In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members or one of its Temples, the Imperial Potentate shall so certify. Upon certification of the Imperial Potentate and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its Temples in such jurisdictions retain all of their rights, responsibilities and authority, notwithstanding any provision of the Bylaws to the contrary.

"This provision shall be retroactive to the year 1980.

"Section (f) to be relettered as Section (g)."

That will be what you are voting on.

IMPERIAL SIR JACK DEAN: Imperial Sir and My Fellow Representatives, I do not want to prolong this but I think there is something going on that you do not understand and that is the reason I insisted that we have the issue of whether or not we had a right to debate here and I wish to speak against this motion and I want to tell you why.

... Cries of "out of order" ensued at this point ...

IMPERIAL POTENTATE KING: You do not want to debate, do you?

... Cries of "no" ...

IMPERIAL POTENTATE KING: Very well, we shall now ask you to mark your ballots and deposit them in the ballot boxes as they come to you.

... Whereupon, the balloting and collection of ballots ensued ...

IMPERIAL POTENTATE KING: Has everybody voted? Has everybody voted? Hearing no dissent, I will now declare the ballot closed. (Gavel)

... At this point, a brief pause ensued while the ballots were being counted ...

IMPERIAL POTENTATE KING: All right, I believe we are ready to receive the report on the action on the last ballot that you took.

I will recognize Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir and Representatives: This is the result of ballot 11. There were a possible 856 votes; 825 actually voted. There were no spoiled ballots. Necessary for choice, 551.

No votes—97

Yes votes—728.

... Cheers and applause ensued ...

IMPERIAL SIR GEORGE POWELL: Nobles, from the bottom of my heart, I thank you. (Applause)

IMPERIAL SIR WINGERTER [Past Imperial Potentate]: My dear friends and Nobles: I just want to tell you that I thank you for that but I also want to say that we are not all bad in Salaam Temple. Thank you very much. (Applause)

ILLUSTRIOUS SIR J. B. HOPKINS: Imperial Sir, Imperial Sirs and Fellow Nobles: This morning there was reported by your Committee on Grievances and Appeals the matter before it involving a Noble from Hejaz Temple with jurisdiction in a Blue Lodge in Alabama. Our committee felt there was nothing by way of law before us and so we had nothing to report.

However, now that this matter has now changed, I would move that the matter be referred to the Committee on Grievances and Appeals.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: It has been moved and seconded that this matter now be referred to the Committee on Grievances and Appeals.

Is there any question on the motion?

If not, all in favor say aye; opposed. It is unanimously carried.

I will next recognize Noble Buckaway of the Jurisprudence and Laws Committee.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 2 on Call of the Annual Session of 1988, located on page 16 of the Call. It is a proposal to amend Article 7 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding new Sections 207.7 and 207.8 thereto. The new language will read as follows:

ARTICLE 7 Board of Directors

Section 207.7 AGENTS, EMPLOYEES AND INDEPENDENT CONTRACTORS. The Board of Directors shall employ such agents, employees and independent contracts as may be necessary to conduct the business and affairs of this corporation.

Section 207.8 UNAUTHORIZED ACTS. Except as specifically provided by Articles of Incorporation or Bylaws of this corporation or resolution of the Board of Directors, no Temple, unit, Shrine club, group of persons or person:

(a) Has the authority express or implied, to act as the agent of, to act in behalf of, or to bind the Imperial Council.

(b) Can by its act or omission obligate or bind the Imperial Council.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Theodore Corsones, for an appropriate motion.

IMPERIAL POTENTATE KING: I will not call upon the proposer of the amendment, Illustrious Sir Theodore Corsones.

ILLUSTRIOUS SIR CORSONES: Imperial Sir, Imperial Sirs and Fellow Representatives: I would move for the adoption of this proposal.

IMPERIAL POTENTATE KING: You have heard the motion, is there a second?

. . . The amendment was severally seconded and, there being no discussion was voted upon and declared to be carried . . .

IMPERIAL POTENTATE KING: That proposal is carried.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: I will next recognize Gerald L. Davis of the Jurisprudence and Laws Committee.

NOBLE GERALD DAVID: Let me say that there are two companion amendments here in your Call. One is item 3 and the other is item 10. We will take the report concerning item 3 first.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 3 on Call of the Annual Session of 1988, located on page 17 of the Call. It is a proposal to amend Section 211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding and deleting certain language so that such Section, as amended, will read as follows:

ARTICLE 11 Budget and Revenues

Section 211.5 PER CAPITA TAX

(a) AMOUNT. Each Temple shall pay an annual per capita tax to the Imperial Council of \$3.00 for each member of the Temple, computed on Temple membership as of the first day of January of each year.

(b) INCLUDABLE WITH DUES. The full amount of the per capita tax shall be passed on to each member as a part of his annual dues, unless the Temple, by affirmative vote at a stated meeting, elects to absorb all or part of the per capita tax, in which event that part not absorbed by the Temple shall be passed on to each member as a part of his annual dues.

(c) PAYMENT. The annual per capita tax shall be paid to The Imperial Council as follows:

(1) Not later than March 31, fifty percent;

(2) Not later than June 1, thirty-five percent; and

(3) Not later than October 1, the remaining fifteen percent.

Any Temple failing to remit the per capita tax on the dates herein shall pay an additional seven percent penalty for such late payment in each instance of late payment unless such

penalty is waived by the Imperial Potentate for good cause shown upon the written request of the Temple.

(d) **SUBSEQUENT MEMBERS.** The per capita tax must also be collected from members who are reinstated or affiliated, and candidates initiated during the year, without ratable abatement. This per capita tax must be remitted to the Imperial Council immediately after it is received by the Temple.

(e) **DISTRIBUTION.** Of the annual per capita tax, twenty cents shall be set apart and used for such financial aid in connection with the current Annual Session of The Imperial Council as the Imperial Potentate deems necessary. The balance of the annual per capita tax shall be used for general expenses of The Imperial Council.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson of the Finance and Accounts Committee for the appropriate motion.

IMPERIAL POTENTATE KING: I will recognize Sam Erickson.

NOBLE ERICKSON: Imperial Sir, Imperial Sirs and Representatives: The Finance and Accounts Committee moves for the adoption of this change.

... At this point, Deputy Imperial Potentate McMullan assumed the Chair ...

DEPUTY IMPERIAL POTENTATE McMULLAN: Is there a second?

DEPUTY IMPERIAL POTENTATE McMULLAN: Is there discussion?

If not, all in favor say aye; opposed no. The ayes have it and I will declare it to be carried.

NOBLE DAVIS: We now go to item 10 on the Call. This is the report of the Jurisprudence and Laws Committee concerning that item.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 10 on Call of the Annual Session of 1988, located on page 21 of the Call. It is a proposal to amend Section 332.3 of Article 32 of the Bylaws of the Iowa Corporation, by adding and deleting certain language so that such Section, as amended, will read as follows:

ARTICLE 32

Initiation Fees; Dues; Hospital Levy; Assessments

Section 332.3 Hospital Levy

(a) The annual levy in every Temple for the Hospitals shall be \$5.00 for each member except an associate member.

(b) The hospital levy shall be computed on Temple membership, including life members, as of the first day of January of each year.

(c) The hospital levy received from the membership must be remitted to the Imperial Treasurer by separate check as follows:

- (1) Not later than March 31, fifty percent;
- (2) Not later than June 1, thirty-five percent; and
- (3) Not later than October 1, fifteen percent.

(d) The hospital levy must also be collected from members who are reinstated or affiliated,

and candidates initiated during the year, without ratable abatement. This hospital levy must be remitted to the Imperial Treasurer immediately after it is received by the Temple.

(e) A Temple may take credit for and deduct from its remittance all unpaid hospital levies of the preceding year occasioned by death or suspension.

(f) A Temple is not required to remit to the Imperial Treasurer any unpaid hospital levy in the event of subsequent reinstatement of a member suspended for nonpayment of dues.

(g) A Temple must collect all of the unpaid hospital levies before reinstating a member who has been suspended a second time, and remit to the Imperial Treasurer.

(h) The hospital levy is a trust fund and every Temple must segregate it in a separate account and remit it to the Imperial Treasurer as provided in this section.

(i) A Temple, which has remitted the dues of a member because of hardship, may also remit the hospital levy of such member for the year or years that his dues have been remitted, and so advise the Imperial Treasurer.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson of the Finance and Accounts Committee for its report.

DEPUTY IMPERIAL POTENTATE McMULLAN: I will recognize Sam Erickson.

NOBLE SAM ERICKSON: Imperial Sir, the Finance and Accounts Committee moves for adoption of this change to Section 332.3.

... The motion was duly seconded ...

DEPUTY IMPERIAL POTENTATE McMULLAN: Is there discussion on this motion?

NOBLE EUGENE MUSGRAVE [El Karubah Temple]: We would like a little information and clarification under the third line under "affiliated."

It is our understanding, for example, that if the assessment has been collected by the Temple from which the Noble comes to us for affiliation, then we would still have to pay this and we would be involved with a double payment of assessment, is that correct?

NOBLE ERICKSON: Sir, that is correct.

NOBLE MUSGRAVE: Then I would respectfully submit that we amend this to delete the word "affiliate." I would so move.

... At this point, Imperial Potentate King resumed the Chair ...

IMPERIAL POTENTATE KING: There has been an amendment proposed. Is there a second?

... The amendment was duly seconded ...

IMPERIAL POTENTATE KING: Is there further discussion?

If not, those in favor of the amendment as proposed indicate by saying aye; opposed. The amendment is carried.

We are now back on the motion as amended.

Is there further discussion on that?

Seeing no further indication of further discussion, all in favor of the motion as amended please say aye; those opposed. The motion as amended is carried by the necessary two-thirds vote.

I will next recognize Judge Cooper for a report from the Jurisprudence and Laws Committee.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred

to your Committee on Jurisprudence and Laws, Item Number 18 on Call of the Annual Session of 1988, located on page 24 of the Call. It is a resolution approving the formation of a captive insurance company. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Representatives of the Imperial Council Session of 1986 adopted a resolution authorizing the Board of Directors to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation, including, but not limited to, the formation of a captive insurance company;

WHEREAS, such resolution authorized the Board of Directors to take such action, including the formation of a captive insurance company, as they, in their discretion, determine to be in the best interest of the corporation and which will provide adequate and economically feasible protection;

WHEREAS, a comprehensive investigation, analysis and review was conducted of the insurance market, availability of coverage, and costs thereof, as well as the respective merits of traditional insurance companies, captive insurance companies, rent-a-captive insurance companies, trust accounts and risk retention groups;

WHEREAS, the Board of Directors, upon the completion of its investigation, analysis and review concluded that the traditional insurance companies were not providing coverage at reason prices and, for some risks, not providing any coverage, and that a captive insurance company would most adequately address the insurance requirements of the Imperial Council and the Temples if all Temple participated therein;

WHEREAS, the Board of Directors determined that their investigation, report, findings and recommendations should be presented at the Imperial Council Session of 1988 to the Representatives thereat assembled for such action as may be appropriate;

NOW, THEREFORE, BE IT RESOLVED, That:

1. The President and Secretary of the corporation be authorized and directed to form a captive insurance company under terms and conditions acceptable to the Board of Directors, to insure such risks as are encountered by The Imperial Council, A.A.O.N.M.S., U.S. Temples and their holding companies, affiliated and appendant corporations, including Shrine Club holding companies;

2. The Imperial Potentate is requested to issue a General Order, pursuant to Section 206.5 (a)(4) of the Bylaws, implementing this resolution which would direct, among other things consistent with this resolution, that The Imperial Council, A.A.O.N.M.S. and all U.S. Temples and their holding companies affiliated and appendant corporations, including Shrine Club holding companies, place all their insurance requirements with such captive insurance company; and

3. The captive insurance company also accepts Canadian Temples and their holding companies, affiliated and appendant corporations, including Shrine Club holding companies, should said Temples all elect to place their insurance requirements with the company.

The committee reports that the resolution is in proper and legal form and its approval will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Burt Ravellette, a member of the Insurance Committee, for an appropriate motion.

IMPERIAL POTENTATE KING: The Chair will recognize Imperial Sir Burt Ravellette.

IMPERIAL SIR RAVELLETTE: Nobles, a letter was sent to all Temple Potentates requesting them to appoint their Chief Rabban or a Representative of their choice to attend a meeting last Tuesday for the purpose of informing them of the intent of this resolution.

During the meeting, some good questions were asked and I will read to you the Insurance Committee's response.

Some of our Temples at present, are involved in multi-tenant arrangements and insurance coverage commensurate with that arrangement. A question was asked—would they be able to receive coverage? The answer is, yes, we can structure our coverage to meet our total needs.

There were concerns that this resolution may place us into a program with dramatic cost fluctuation before the program is finalized. The provision of Article 2 of this resolution provides that the Imperial Potentate is requested to issue a General Order to implement this captive insurance company.

Now, let me explain to you what a captive insurance company is. I did not know completely about it myself previously but a captive insurance company is simply a company owned by the parties it insures.

We have proposed a fee of approximately \$3 per member to capitalize our insurance company with substantial reserves to facilitate the necessary layering in of the reinsurance levels over that base established by our captive company. The larger the capital reserve, the more attractive our captive will be to the reinsurers.

The \$3 fee will give us approximately a \$2.5 million capital base.

We have, from records available to us and the results of a questionnaire from our Temples, established solid numbers which indicate that the average premium of our Temples would not exceed \$6 per member to provide coverage commensurate with their existing policies.

Now, the members asked questions about "average." In other words, what is an "average"? Well, an "average" would be dependent upon who you were trying to insure, what your Temple's exposure is to the different risks involved.

Now, when all of the mechanics are in place and the numbers assembled, they will again stand the scrutiny of the Board of Directors, who will then make a recommendation to the Imperial Potentate. I can assure you that the Imperial Potentate will only issue a General Order when he is completely satisfied the cost of the insurance is well in line with the industry's, with saving our Temples the profits generally being paid to the insurance company.

Some requested that a full feasibility study be made. In 1986, the Imperial Council gave your Board of Directors the authority to, among other things, form a captive insurance company if they determined it was a viable solution to our insurance dilemma.

Your Board of Directors has exercised extreme caution and sensible judgment in the twenty-four months since given that directive. We have worked diligently to accomplish that request and believe that we have delivered to you a vehicle of relief through this resolution.

Some Temples indicated that they have no insurance problems. However, I must tell you that the same markets for coverage prevail throughout the Shrine. These Temples are indeed few when compared to those experiencing near financial instability due to exorbitant insurance premiums.

One Temple questioned the legality of a captive being able to perform in the state due to existing laws. Obviously, we will, I repeat, we will comply with all existing laws.

Some Temples expressed concern about liquor liability. All related exposure to Temple operations would be covered.

A master policy date would be established and all existing policies expiring prior to that date would be issued new policies with expiration dates commensurate with the master policy date.

I believe this answers most of the questions, if not all of the questions put to us at the meeting the other day.

Imperial Sir and Representatives, your Insurance Committee has recommended to our

Board of Directors, after an in-depth study, including advice of consultants with expertise in the field and review by counsel, that this resolution is the most merited vehicle to accomplish the directive by this Imperial Council.

Therefore, on behalf of your Insurance Committee, all of whom are Representatives, I move the adoption of the resolution. Thank you.

NOBLE PETTIT: In reality, we will say that the motion just made was not made and it has been considered best, in the interest of everybody here, that the motion be withheld until the first item of business in the morning—the reason being that there are four other items in the Imperial Bylaws that must be considered by this Session on Thursday.

Now, if we are going to do that and have you get to the parade in a timely fashion, they must be considered today.

The full and complete discussion of the resolution concerning the captive insurance company will occur the first thing tomorrow morning, at tomorrow morning's session.

Do you all understand that? Thank you.

IMPERIAL POTENTATE KING: So, technically, that motion will be presented tomorrow morning and so, at this point, there will be no discussion on the question.

Now, at this time I would like to call for the report of the Committee on Emeriti Members, to be presented by Vernon Bell.

NOBLE VERNON BELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I stand before you today representing Imperial Sir Peter Val Preda as Chairman of the Committee on Emeriti Members. Standing with me are the members of my committee. I now ask that all of those Representatives who have been notified of their eligibility for Emeritus Membership come forward.

Now, in prior years, you Representatives requested the biographical data submitted on each of these outstanding Representatives not be read but, rather, placed in the record. If that is your desire today, your committee will honor that request.

Is there any objection to that? Hearing none, then that will be the procedure.

Also, as you know, Imperial Council Law, Section 203.4 reads as follows:

“Section 203.4 Emeriti Representatives: Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years including that Session.”

Now, I will call on the individual members of the committee to present in nomination the name of one or more Representative for Emeritus status.

NOBLE BELL: Imperial Sir, I would move that these Nobles be elected as Emeriti Members.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: All in favor of their election please indicate by saying aye; those opposed. You have unanimously elected these Nobles as Emeriti Members.

Does that complete your report?

NOBLE BELL: Yes, Imperial Sir, that completes our report.

IMPERIAL POTENTATE KING: We then will move on to the report of the Finance and Accounts Committee, concerning the Iowa Corporation and I will recognize Sam Erickson.

NOBLE ERICKSON: Thank you, Imperial Sir.

To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval the following reports with respect to income and expenditures for the Imperial Council (Iowa Corporation).

1. Report for the year 1987.
2. Report for the adjusted budget for the year 1988.
3. Proposed budget for the year 1989.

REPORT FOR THE YEAR 1987

The report for 1987 has been reported to you in the Book of Reports which you have already received. No inquiries having been received, your committee recommends ratification and approval of this report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of the report for the year 1987 as submitted.

. . . The motion was duly seconded, voted upon and carried . . .

NOBLE ERICKSON: Report for the Adjusted Budget—1988 and Proposed Budget for the Year 1989.

Included within your registration package you have a breakdown of the operating expenditures showing amounts appropriated for the year 1988, including the adjustments made by the Joint Boards and the proposed figures for the year 1989.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for the year 1989 so as to provide funds for the incoming Imperial Potentate. The proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session.

The budget for the year ending December 31, 1988 and 1989, as you received in your registration package, reflects an adjusted budget from that approved at Las Vegas in that there was a \$65,000 change to \$2,770,000 of total revenues.

In the expense category, the adjustments made totaled \$72,150, for an adjusted budget, total expenses, of \$3,421,933.

It does show an excess of expense over revenue for a negative loss of \$651,933. The Treasurer will be giving a report tomorrow reflecting a savings in air fares.

I would be able to say at this point that this savings in air fares will reduce this loss by more than fifty percent. I do not have the exact number. However, Imperial Sir Harrington will give that to you tomorrow when available. So this loss will be cut at least in half with that report tomorrow.

Imperial Sir, if there are no questions I move the ratification, approval and adoption of the adjusted budget for the year 1988 and the proposed budget for the year 1989, with the proposed accounting change as noted, be approved as submitted.

THE IMPERIAL COUNCIL

Respectfully submitted,

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: We have the motion and the second for ratification, approval and adoption of the adjusted budget for the year 1988 and the proposed budget for the year 1989 with the proposed accounting changes as noted. Is there any discussion?

If not, all in favor say aye; opposed. The motion is unanimously carried.

Just a moment, Dick, is there something you want to say?

IMPERIAL SIR OLFENE [Past Imperial Potentate]: I just have a comment, Imperial Sir, and I say that without any concern of what has been done.

However, I would hope that the Imperial Council would start to present to us budgets that are not in the red. I do not think that is the way we should run the ship and, admittedly, I understand the concern they have relative to the air fares. They are up and down and they float around but the best we are probably going to do is reduce this \$651,000 deficit spending figure by only a small amount and still end up in the red.

I do not think that sounds good to us in this organization. Now, of course, it is going to take some correction. Somebody has to maybe say, "no" to some of the wild spending that goes on. We have to reduce expense and increase income.

I feel strongly about the fiscal responsibility we have for running both of these corporations and I urge the Directors of the Iowa Corporation to budget in a meaningful capital manner and not be presenting to us deficit spending budgets. (Applause)

IMPERIAL POTENTATE KING: Let me say to you, Dick, that I do not think we spend money wildly.

I will next recognize Bob Bailey for the presentation of the Committee on Mileage and Per Diem.

IMPERIAL SIR BAILEY: To the Imperial Potentate, Officers and Members of the 1988 Imperial Council: As provided in Article No. 5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse if she accompanied him. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of ninety-eight and 50/100 dollars (\$98.50) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive ninety-eight and 50/100 dollars (\$98.50) plus twenty dollars (\$20) per day for four extra days. All members of the Committee on Finance and Accounts shall receive ninety-eight and 50/100 dollars (\$98.50) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive ninety-eight and 50/100 (\$98.50) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive ninety-eight and 50/100 dollars (\$98.50) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive ninety-eight and 50/100 dollars (\$98.50) plus twenty dollars (\$20) per day for two extra days.

Your committee recommends the adoption of this report and I so move.

Respectfully submitted

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: That concludes everything for today. We will meet again at nine o'clock in the morning.

... The One Hundred Fourteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at five-forty-five o'clock p.m. to reconvene at nine o'clock on the following morning ...

MORNING SESSION FRIDAY, JULY 1, 1988 NINE O'CLOCK A.M.

The One Hundred Fourteenth Session of the Imperial Council reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at nine o'clock a.m., Imperial Potentate Voris King presiding.

IMPERIAL POTENTATE KING: Good morning, Nobles. Is everyone happy? We are ready to go. I know that you are anxious to get away. I also know that we still have a bit of business left to do today.

Now, if you will please give me your attention, I would like to call on our Imperial Chaplain to open the meeting with prayer. We certainly need these blessings and we always ask for them in the openings of our various Masonic meetings.

IMPERIAL CHAPLAIN KING: Let us pray.

O, gracious Heavenly Father, we ask that You would bless us at this last meeting of our Session.

Give us strength, courage and honor so the things we may do may be to the benefit of our children and hospitals.

We ask these things in Thy Holy Name. Amen.

IMPERIAL POTENTATE KING: Let me say that we have several people who need to get away a little bit early and so I will change the agenda just a little bit.

Therefore, the first thing I will turn to is item 8 in your Call and this concerns Temple membership and I will call on Walter Pettit.

NOBLE PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 8 on Call of the Annual Session of 1988, located on page 20 of the Call. It is a proposal to amend Section 323.7(b) of Article 23 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such Subsection as amended, will read as follows:

ARTICLE 23 Temple Membership

Section 323.7 Associate Membership.

(b) The applicant need not hold a demit to make an application for associate membership. However, an application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr., Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
William A. Buckaway, Jr.
Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Roger Williams, the proposer, for the appropriate motion.

IMPERIAL POTENTATE KING: the Chair recognizes Roger Williams.

NOBLE ROGER WILLIAMS: Imperial Sir, Imperial Sirs and Fellow Representatives: I move the adoption of this amendment.

... The amendment was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the amendment for adoption, which has been seconded.

Is there discussion?

NOBLE ROGER WILLIAMS: Imperial Sir, if I may, I would like to comment on this, also.

By changing the wording relative to this amendment all that is being done is taking away the situation where a Noble would have to be in an area for six months or longer to become an associate member.

We are doing this only for the purpose of enhancing the Shrine. You know, we have many people that live close to other Temples—traveling people and the like—construction workers coming through the area—that we really would like to have them be able to join that Temple.

We are not, in the process, taking anything away from any Temple. These individuals still have to pay dues to their Mother Temple, plus the dues as an associate member. So, really, we are not taking anything away from anybody.

We are merely trying to enhance Shrinedom and that is all we are trying to do.

IMPERIAL POTENTATE KING: Thank you very much.

ILLUSTRIOUS SIR IRVIN SLATE, JR. [Potentate, Ainal Temple]: Imperial Sir, Imperial Sirs and Representatives: Of course, I am certainly in favor of anything that is going to enhance Shrinedom but I think that the purpose and effect of this proposed amendment is a little bit different than what has been suggested.

Any Shriner who wants to become an associate member of your Temple, if he resides in

your geographical area, may do so simply by applying and being voted into your Temple. If he does not live within your territory, then he may apply simply by signing a waiver from the Temple in whose jurisdiction he lives.

That happens quite often and it is good for Shrinedom.

Personally, I feel that this is an unfortunate piece of legislation. However, because it provides the opportunity for people who live in your territory, the territory over which you have responsibility as an Officer, to associate with another Temple and perhaps have a stronger allegiance to the other Temple than yours—well, technically you still have full responsibility for all of their Masonic conduct and all their Shrine conduct while they are in allegiance and in alliance with the other Temple. On that basis, you may have a difficult time in enforcing the kind of formal order in relation to keeping our Fraternity and your Temple in good shape.

For example, if a group with allegiance to the other Temple decided to sell circus tickets for the benefit of another Temple to people who have been your customers for years, those people may purchase those tickets thinking they are purchasing tickets for your circus. Also, they may purchase ads in the program of another Temple's circus. There may be fund raising activities that could occur and be held without the benefit of disclosure and, further, it would be up to you to enforce the necessary discipline, to enforce the rulings of your Temple within that territory and yet, in the process, you would be developing a bunch of Nobles who have an allegiance to another Temple.

As I see this, this could be extremely difficult, could lead to unnecessary Shrine trials and cause our Divans a lot of trouble.

I think the way we have been doing it, it has worked well and I see no need for a change. Let us leave our rulings granting waivers as they are and we will get along fine.

Thank you for your time. (Applause)

IMPERIAL SIR KISSELBURGH [Past Imperial Potentate]: Imperial Sir, Imperial Sir and Fellow Nobles: I am a Representative from Al Malaikah Temple.

I live in the Palm Desert area, which is the home of many, many retired persons—California, for example, being next to Arizona, the home of many, many retired persons.

Now, for example, we also do get a lot of snow birds coming into our area who would like to associate with our Temple in the desert and also the same can be said for Florida and who are willing to become involved with allegiance to two Temples.

This resolution, if passed, would facilitate that type of action by knocking out the six-month requirement. You know, they are not paying any attention to the six-month requirement anyhow and so let us make it legal.

... Cheers and applause ensued ...

ILLUSTRIOUS SIR WILLIAM VAUGHAN [Kazim Temple]: Imperial Sir, I want to be sure as to what we are doing here and so I want to ask a question.

There is nothing in here about jurisdiction.

As I understand it, one of our Recorders told me, for example, that we have a Shrine Club in our Temple jurisdiction now in relation to which ninety percent of the members belong to a Temple out of state, in another jurisdiction.

Therefore, I wonder, on that basis, if we do pass this, that it would involve us into somewhat of a broken egg situation.

Therefore, I speak against the motion.

IMPERIAL POTENTATE KING: Thank you very much.

ILLUSTRIOUS SIR VAUGHAN: I just wanted everybody here to know that this could open up a can of worms if passed, especially if what the Recorder told me is right.

IMPERIAL POTENTATE KING: Thank you very much.

Are you ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE KING: All in favor of the adoption of this proposal please say aye; opposed. It is carried.

Now, last evening when we concluded I specifically asked all of you not to discuss the issue involving an insurance matter that was before you at that time and, in align with that request, all of you were able to leave a lot earlier than you would have left.

Therefore, I am going to ask, at this time, Imperial Sir Burt Ravellette to come back and conclude and give us his motion relative to his report concerning the Insurance Committee.

IMPERIAL SIR RAVELLETTE: Thank you, Imperial Sir.

I presented to you my report yesterday afternoon and in relation to the opening remarks, prefacing the motion for adoption, let me ask, are there any questions this morning that any of you would like to have me answer before you vote on the adoption of this resolution?

ILLUSTRIOUS SIR EDWARD MAAG [Past Potentate, Ainad Temple]: Imperial Sir, I am a Representative of Ainad Temple. I would like to ask you, as Chairman of the Insurance Committee, what factual information was furnished to Alexander and Alexander that they used to prepare this sheet that was in the packet given to the Representatives?

IMPERIAL SIR RAVELLETTE: There was quite a bit of material.

One, for example, was a questionnaire that was sent to our Temples concerning all of the questions pertaining to their coverage and their insurance.

Another was the information from the program in effect and that has been underwritten by Travelers.

ILLUSTRIOUS SIR MAAG: How many Temples are in the Travelers program?

IMPERIAL SIR RAVELLETTE: Well, I cannot answer that question directly. Approximately sixty-five, I am told.

ILLUSTRIOUS SIR MAAG: So, with 189 Temples in Shrinedom, these people had experience from sixty-five Temples in the Travelers program?

IMPERIAL SIR RAVELLETTE: I believe so, yes.

ILLUSTRIOUS SIR MAAG: I would also ask you, Imperial Sir, is the Temple survey to which you just referred, that survey that you inserted in the book of the 1987 Proceedings on pages 263, 264 and 265—I want to know if that is the survey to which you alluded a moment ago as having been used as the basis for your report?

IMPERIAL SIR RAVELLETTE: Well, I understand where you are coming from, Ed. I am trying to put my memory together to see if there was a later survey. I do not know whether or not there was.

ILLUSTRIOUS SIR MAAG: Well, I do not think there was. At any rate, the report only refers to one survey.

IMPERIAL SIR RAVELLETTE: I think you are right, Ed, and if I remember correctly, it was about 127 Temples.

ILLUSTRIOUS SIR MAAG: One hundred twenty-nine, to be exact. (Laughter)

At any rate, my question is this.

First let me say that I studied all of this at considerable length and detail and it occurs to me that what they did was to use a sample from their survey, the 129 Temples out of 189 and attempt to extrapolate that information for all 189 Temples.

Is that your understanding as Chairman of this Committee?

IMPERIAL SIR RAVELLETTE: I understand the words, exactly.

ILLUSTRIOUS SIR MAAG: Then that means that you assume that the results of that 129 Temples are representative of those 189 Temples in Shrinedom?

IMPERIAL SIR RAVELLETTE: Well, I think you are right.

ILLUSTRIOUS SIR MAAG: Now, sir, I did some studying on the captive insurance company and some of the people who wrote back on the captive insurance company have emphasized, and even underlined this, that the most grievous fault that can befall an entity planning to enter into a captive insurance venture is to use data that is not a 100 percent sample—in other words, to use data which is not at all a random sample and I might respectfully suggest that Alexander and Alexander may very well have been misled by using a nonrepresentative sample, to wit, the results from 129 Temples, to apply to all 189 Temples and Shrinedom.

I would earnestly like you to address that issue and you, as Chairman, to tell us what the sample—to what strength it was deemed to be representative and non-biased?

IMPERIAL SIR RAVELLETTE: Well, Ed, to answer your question as simply as I can and with the minimum knowledge I may possess, each Temple in the Shrine of North America had the opportunity to respond to this questionnaire. After all, we can only do what you want us to do and we have attempted to do that.

We have used every figure that is available to use. Also, I would like to tell you that in

relation to the captive, we will perform a feasibility study, an actuarial study on risk exposure and losses to comply with regulatory requirements. That study will also satisfy the Imperial Council, the captive managers and the reinsured as to financial integrity of the captive.

The study, its basic function, will be to statistically evaluate loss exposure from insurance fact sheets.

I do not know what more your Insurance Committee can do to solve the problem that exists within our Temples than what you asked us to do by your resolution.

ILLUSTRIOUS SIR MAAG: Thank you.

REPRESENTATIVE: Mr. Chairman, let me say that our Temple's present insurance coverage runs about \$35,000 a year. Now, if we went into this program, our first year would cost us some \$74,700 and the second year it would be considerably higher.

Now, my question is this—if this is approved, is it mandatory for all Temples to participate or may we still carry our own insurance?

IMPERIAL SIR RAVELLETTE: Well, I would suggest to everyone present here that the only way that this captive insurance would perform would be on a mandatory basis. Now, as you presented your figures, I can only accept them as you have presented them. However, at this point, I would like to read into the record what seems to be the conventional basis. If you have a piece of paper handy and a pencil, I am going to read you some figures.

In 1982, which seemed to be the crisis year in relation to insurance, we received premiums from the number of Temples participating in the program at that time in the amount of \$169,752. Current losses that year were \$133,376. We were told at my Temple that they had a disastrous year—that they lost money.

In 1983 the annual premium was \$276,677. The incurred losses were \$164,141.

In 1984, the premiums were \$450,345. The incurred losses were \$213,266 and they lost a lot that year.

In 1985, the annual premium was \$914,378 and the incurred losses were \$645,000. Therefore, we lost that year also.

In 1986 the premiums increased to \$1,709,254 and the incurred losses were \$241,579 and they told us they lost money that year also.

In 1987 the premium increased to \$1,958,360. They paid out \$238,262 and also lost that year.

Also, I have heard from several people this year that we are going to get an increase in the cost per member.

I submit to you, Nobles, that it is obscene to charge that kind of rate. In all fairness I have to tell you this does not include unfilled claims.

REPRESENTATIVE [Al Koran Temple]: Illustrious Sir, I was at the meeting that you mentioned concerning insurance and also, from your discussion, I can see that you have a very limited amount of knowledge concerning this issue and, on the other hand, I would assume that as Chairman of this committee, you would be most informed. Now, when we were here the other day, I likewise felt I did not have the necessary answers that I required.

Now, on that basis, I feel it is premature to present this on the floor at this time and for us to attempt to pass this resolution at this time. However, you can do anything you desire.

IMPERIAL SIR RAVELLETTE: Let me say, Noble, I respect your opinion and I am sure it will be duly recorded.

NOBLE SALVATORE RUSSO [Aleppo Temple]: You know, we have had an extraordinary amount of problems with insurance—just this year. Therefore, I just want to say that we need it badly.

IMPERIAL SIR RAVELLETTE: Do you have a question?

NOBLE RUSSO: Well, I did not make it into a question but I really need to make a statement because I am in favor of this.

IMPERIAL SIR RAVELLETTE: I think that, by itself, is already a pretty good statement.

Now, if there be no further questions, I am going to refer it back to the Imperial Potentate.

Now, before doing that, Imperial Sir, I would again move for the adoption of this resolution and you are in charge and there is no doubt about that. (Laughter)

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: Thank you, Burt.

The motion has been duly made and seconded for adoption. Now we will have discussion—proponents and opponents.

NOBLE RUSSO [Aleppo Temple]: Imperial Sir, I am in favor of this proposal. We are from Boston and, as I say, we have had an extraordinary amount of problems concerning insurance.

To give you an example, our premiums this year amounted to \$76,000. Now, we just cannot afford to keep paying that kind of money. Our Potentate had budgeted an "X" amount of money for insurance and suddenly they came back and said that there had been an increase, that we must come up with some \$30,000 more.

We have a football game in Massachusetts in relation to which we give all of our net proceeds over to the hospitals and, in relation to spectator insurance, for coverage for one afternoon, we had to pay the sum of \$4,000.

Therefore, I feel we need relief concerning insurance and I think the only way we can protect ourselves and all of us, is to spread this to the point where we can have some kind of a family group insurance like we have in relation to our hospitals. I think that is the only way we are going to be able to survive these extraordinary insurance premiums. Thank you.

NOBLE CHARLES PHEIFFER [Kaaba Temple]: I am speaking against the motion and my reasons for speaking against it are as follows.

In 1986, we authorized a study to be performed to tell us what we should do with regard to this particular issue. It is now 1988 and you are asking for ratification and, as of yet, you have not done a feasibility study.

Now, I am against the motion because I feel that we should have an in-depth feasibility study first and then have it presented to us for purposes of voting on it.

At this juncture, I believe that we have the cart before the horse. Now, I am not against a study of the program but I think we have to have an in-depth feasibility study first, something detailing benefits and then, based on the results of that, we can then vote our ratification. Thank you. (Applause)

IMPERIAL SIR RAVELLETTE: I understood that to be a question, at least in a way, and your statement was that a feasibility study had not been done. I would like to tell you, however, that is an error—that we have been working diligently with our consultants, professionals in the field and experts in the field.

Our counsel has reviewed this whole program and, therefore, to say we have not done a feasibility study, at least in my opinion, is totally in error.

ILLUSTRIOUS SIR ED MAAG [Ainad Temple]: With regard to your latter statement, Mr. Chairman of the Insurance Committee, according to the schedule from Alexander and Alexander that you gave us in our packet, the feasibility study and actual cost analysis in relation to these Temples and how much this is going to cost them, that is not even projected to be started for several months as yet.

Look at your own figures. It is not in there and that is what the previous speaker is talking about when he desires to know what the actual bottom line will be and you do not have it.

Also, I must tell you this—that the schedule of events that you have here, in my opinion, is impossible.

Let me say that I have represented insurance companies for most of my career and I think I know them and I must tell you, if you do not believe it, that it is impossible to get a captive insurance company formed and qualified to do business in all fifty states of the United States and, as you project, be prepared to go into business on March 30th, 1989. I do not think you can do it because you do not even know the cost figures as yet.

Moreover, your resolution, as I read it, creates an anomaly unprecedented in this Fraternity's history.

You would require every Temple in the United States to purchase this insurance from a captive but you would let our great friends in Canada join or not join, as they wish. At any rate, that is what your resolution says. I consider that to be totally unprecedented.

Never have we had a situation where we have discriminated against nations in the Shrine and, further, I have to tell you that this kind of a situation will create a huge bureaucracy, with a budget larger than the whole Iowa Corporation and a completely new staff of bureaucrats with international implications, I respectfully suggest, at the very least, before

we embark upon such an expensive or extensive venture, that a feasibility study which gives us both the top line and bottom line ought to be completed.

Now, Mr. Chairman, I oppose this in its present posture but I am willing to keep an open mind if you can come back and tell me what it is going to cost. (Applause)

IMPERIAL SIR RAVELLETT: Well, Ed, I can only tell you definitely that there can be no total feasibility study until after we pass a resolution that says or will tell us how much our capital base would be. Once we establish a capital base in relation to this captive corporation, it puts us in the marketplace for purchasing insurance. It is a very simple issue.

The feasibility study is the cart and the horse has to get out in front.

Further, I respect Ed Maag's ability, I respect his knowledge but again I can only tell you that, yes we as your Insurance Committee have tried to do what you have asked us to do and this is the vehicle we have recommended to you.

Now, the decision will simply have to be made by you. Again, it is for you to decide upon the presentation of the facts by us as we see them.

I have tried, through the committee, to put this thing together and I have done everything in my power to do this and, as I said, with my limited ability, which may be a misstatement but I sure as heck have put a lot of time into it and, again, the decision is there for you to make.

It is your captive. It will be owned by the people who are insured by it. It is, as I said, the best thing available for all of us.

Further, I certainly have faith in this or I would not be standing here proposing it to you.

ILLUSTRIOUS SIR ROBERT J. ALEXANDER [Past Potentate, Mahi Temple]: I think it is high time we get on with this insurance business.

Let me say that our Temple belongs to the Travelers group and, as of the day I left home, we had not been delivered a policy for 1988. When I asked them as to what the premium was going to be, I was informed that it was still under consideration.

We have seen our insurance rise from \$14,000 to \$67,000.

I think that this resolution should be adopted and I believe we should at least proceed in order to give us some relief.

NOBLE FRANK FIEDLER [Aloha Temple]: I speak against this motion and for a few reasons, the main one being we have only used one company to talk to. That is at least in accordance with this report. That is item one.

Secondly, in the State of Hawaii, we do have captive insurance laws that will not be going into effect until tomorrow. This committee could not have had any knowledge of that change. This was presented to the legal staff yesterday or the day before yesterday.

Another situation is that I think our loss ratio, as put out by the Chairman of the committee in relation to his materials, has been poor and until we know what these loss experiences are, I do not know how we can come up with and provide administrative costs for this particular program.

Again, I have to go along with those who have spoken before me and say that we need more information. There are a lot of holes in this business.

ILLUSTRIOUS SIR ROBERT HUGHES [Past Potentate, Hasan Temple]: You know, I voted for most of the people sitting up there on the stage and when I voted for them I had confidence that they were going to run this organization in a businesslike manner, in the way in which they ought to run it.

We have to have some relief and, fellow Representatives, I do not think that these people are going to do anything that hurts the Temples because when they hurt the Temples, they likewise hurt themselves.

Therefore, I urge passage of this and call for the previous question.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Just a moment, I do not think you can discuss and then call for the question. Let me consult with the Parliamentarian.

... A brief discussion with the Parliamentarian then ensued ...

IMPERIAL POTENTATE KING: Your Parliamentarian tells me that the call for the previous question was in order. It was seconded. It only takes a majority to pass the previous question. That is all you will be voting on. You are not voting on the main motion.

Now, we will do that by voice vote.

All in favor of calling the previous question please say aye; opposed no. Well, it sounded like fifty-fifty to me. Let me hear that voice vote once again.

All in favor say aye; opposed no. The ayes have it. (Applause)

Now, at this time, we are going to vote on the resolution and I am going to call for a written ballot.

NOBLE HATHAWAY: Use ballot 7 and vote either yes or no. Do not fold the ballot.

IMPERIAL POTENTATE KING: You have been informed that you will use ballot 7. Also, please do not fold your ballot. Vote either "yes" or "no." Again, this requires a majority vote.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE KING: Has everybody voted? Is there anyone who has not voted? I declare the ballot closed. (Gavel)

At this time, I am going to recognize Past Potentate William Vaughan, Chairman of the Shrine Rooms-East Committee, to give his report.

ILLUSTRIOUS SIR WILLIAM VAUGHAN: Imperial Sir, Imperial Sirs and Fellow Nobles: We have a report here of the Shrine Rooms-East Committee. We are not going to make any motions because I understand we cannot do any business right now but let me say that we met several times this year. Shrine Rooms-East, insofar as I am concerned, is a great asset to Masonry and to Shrinedom, our Shrine.

Our Imperial has voted to close Shrine Rooms-East and move it to Tampa and I think you Brethren and Nobles should know that.

I think that it still should be there but I am not going to make any motion. It will be up to you fellows but I felt at least I should try to give you this report. A lot of times I just pass it in.

Now, I am still not going to read it to you but I do feel that you should know before you go home so that if you do not agree with closing Shrine Rooms-East, you can tell the members of the Imperial Divan.

I have already told those that I have talked to that I do not think it should be closed. Of course, I am all for saving money, Brethren, I am a Scotsman but, really, on this issue, I think you have to spend money sometimes to make money in business and, also, I think we have done a great job in relation to our public relations and I feel that to close Shrine Rooms-East is the wrong thing to do. However, I will leave that decision to the Imperial Divan and to you Nobles.

Now, as I said, I am not going to make any motion or anything but I merely am going to turn the report in and, so far as I know at this time, you all know the situation. You can have your own say on it.

... The written report of the Shrine Rooms-East Committee is as follows:

REPORT OF THE SHRINE ROOMS-EAST COMMITTEE

To the Imperial Potentate, Imperial Divan and Imperial Representatives to the One Hundred Fourteenth Imperial Council Session, A.A.O.N.M.S.: Your committee is pleased to submit this report on the administration of the Shrine Rooms-East, located in the George Washington Masonic National Memorial for the year June 1, 1987 through May 31, 1988.

The committee met twice during the year, October 19, 1987 and May 16, 1988. Both meetings were held in the North Room of the Memorial. Both were well attended and all business was fully discussed. Items notable of reporting are as follows:

A complete inventory of items on display and in storage along with his annual report was forwarded to Shrine Headquarters by Chief Custodian Frank L. Dority on June 1, 1988. All displays and memorabilia are in excellent condition with one exception as herein detailed.

The new TV projector in the Hospital Room is a great improvement over the old slide projector. However, it is thought the new film is too long as visitors leave the display before the film is finished. This has been discussed with Shrine Headquarters who prepared the film.

A new showcase for Past Imperial Potentate W. Freeland Kendrick's memorabilia has been installed in the Hospital Room. It is quite an impressive display.

The Administrator of the George Washington Masonic National Memorial who has only

held that office for some three years has had to retire due to a serious health problem. A new Administrator has been appointed and our contacts with him have been very good.

Imperial Potentate Voris King, Imperial Recorder Jack Jones, the Grand Master of Masons in North Carolina, E. P. Stiles, along with several other Shrine dignitaries, visited the Rooms on February 11, 1988. All were greatly impressed.

In March, 1988, the Shrine Rooms-East received from Imperial Sir Voris King a gavel. This gavel was made from the oak trees planted at the Shreveport Hospital in 1922 which were felled to make room for the new hospital.

During the year we were pleased to receive caravans from Salaam, Kismet, Nur, Ballut Abyad, Acca, Cairo and Sphinx Temples. No doubt the fact sheets sent out from the Public Relations Office in Tampa have done much to encourage these pilgrimages. We trust further efforts will be made in the future to continue this trend. A total of 42,613 people signed our visitor's register during the period of this report.

Expenditures now reported on a calendar year basis were \$40,360 for the year 1987.

As reported in previous years, the dioramas of the Orthopaedic Hospitals are outdated and in poor condition. Since the actual hospitals are being replaced or remodeled, this area of display is being held in abeyance for the time being.

In recent weeks the Imperial Divan and the George Washington Masonic National Memorial Association have been negotiating on the Association proposal to raise the annual contribution of the Imperial Council to the Association for the space occupied by the Shrine Rooms-East in the Memorial. As of the writing of this report, the Shrine Rooms-East Committee has not been advised of the outcome of these discussions.

We, the committee, conclude this report by conveying our thanks to the custodial staff for the pleasing and efficient manner they presented the Shrine Rooms-East to the public and by expressing to the Imperial Potentate our appreciation for permitting us to serve in this capacity.

Respectfully submitted,
SHRINE ROOMS-EAST COMMITTEE
William C. Vaughan, Chairman

IMPERIAL POTENTATE KING: You have heard the report and I will now recognize Imperial Sir George Powell.

IMPERIAL SIR POWELL: Good morning, everybody.

You know, I have been a firm believer that everybody should know both sides of the coin—never just one. Therefore, that is one reason why I always agree with you that if you are not completely satisfied with the background for whatever you are concerned with, you have the right to get additional information before you vote on a particular subject.

Also, I feel that sometimes we should have a footnote to our resolutions and changes in the Bylaws which say that if you vote "no," this is what you do, if you vote "yes," this is what you do and, therefore, based on that, I would like to have a minute of your time to tell you about the background of our exhibition in the George Washington National Memorial.

A few years ago, when we were requested to change our dues, and they call it "dues," and I call it "rent" for the space that we have in there, to an additional \$5,000, we agreed to that, not having paid any increase for a few years.

The expense, and I have the records for a few years, has varied between \$40,000 and \$45,000 per year, totally expense and the reason why it ran so high is because we have our own personal guides. We do not feel that anyone should be brought to a room and left there on their own. We feel they should be met there by a Shriner. We feel they should have a story to tell. Consequently, we do have a staff and we do pay them, not as much as I guess

they are worth but which they seem to be willing to work at. Therefore, our total cost runs somewhere between \$40,000 and \$45,000 a year.

Now, early this year or in December of last year, we had a letter from the President of the Memorial Association requesting that our dues be increased—to go from \$15,000 to \$40,000 a year. Now, when you add \$40,000 a year to what we are already spending, you can readily appreciate our total cost is going to be \$70,000 a year.

Now, the problem we have there is basically, and perhaps those of you who have been there in the Memorial have seen this—two entrances—one in the front and one on the side. People, for example, park their cars on the side where we are located—the side of the building and then they are forced, because the door must be kept locked, to walk all the way around the front of the Memorial and up the steps and then they enter.

Now, the guides are supposed to personally walk those people over to our exhibit but this does not happen.

We have brought it to the attention of the Association time and time again—"Please bring them over because we are not getting the total number of people who come into the Memorial."

Now, how do we know that? Because our staff sits there at their desk and they watch them go by as they look out the window, having come from the front of the building.

Now, we have attempted to correct that situation but it has not been successful. We have been concerned and we have talked about it.

Also, we had another little problem in relation to which they put the donation box, the only one there, between our two sections—right smack in the middle—so that anybody that may come to our exhibit is confronted with their donation box and, of course, they empty it frequently because Shriners are generous.

Now, it took over a year for me to get that box removed because those who donated thought they were giving it to Shriners Hospitals for Crippled Children and, of course, that was wrong, and so they finally moved it out of our section and away. Therefore, if anybody wants to donate, they are now not donating under false pretenses, believing that it is for Shriners Hospitals for Crippled Children.

Well, the Imperial Potentate desired cooperation and so he said, "Imperial Sir George, you are the nearest one, you have been associated with that Memorial now and then, please go down and see what you can do to straighten things out." I said, "Fine."

I went down and talked to our employees—told everyone that I did want any secrets—no mysteries—called them all into a room and asked them to express their concerns and problems.

What, for example, did they think we could do to increase our attendance so that our cost of a dollar a person coming into the room could change a little. They said, without question, "Open the building on our side—have them come in on our side where they can park their car nearby. Let them then go through the building and come out the front door and then walk down the steps and get to their car and, by doing that, we ought to be able to bring in another 5,000 to 6,000 people."

You know, it makes sense. I asked, "Do we have a contract?" Well, we did have a contract and the contract said that the side door is to be open. I sent that to our Legal Department for verification and they said, "Yes, that is just what it says—the side door is to be open."

So I then asked for another meeting and we met with the President of the Association and the President of the Association said that, in his opinion, they will never open the side door as an entrance because they feel that when someone comes to the front of the building and stands on the steps and looks out over the city, over the City of Washington, it gives them a great impression." I replied, "Well, I do not think that will change anything if they see all of that when they leave the building." (Laughter)

However, I did say to them, "If you will change the entrance to the side door, we will consider increasing our dues another \$5,000 a year. I have no authority to do it, none whatsoever, but I will offer it to the Joint Boards."

Now, that is that picture.

The other picture is that because we have built new hospitals and because we have renovated some new hospitals, the fixtures that we have, the panoramas that we have, are

outdated and so, to upgrade the exhibit, we have some quotations indicating that it will be a cost of \$40,000 to \$60,000.

Now, there are just a couple of things I want you to keep in mind.

We have better than 25,000 visitors a year coming into our Tampa exhibition and it is increasing every year and in our exhibit, the Memorial, it has consistently been between 40,000 and 44,000 and I doubt that it ever will change because the laws in Virginia say that you may not have any billboard advertising.

I personally went to some travel companies, tour bus companies and said, "Why do not you stop there?" They replied, "Because you will not pay us. We are not going to bring anything to your Memorial because it costs us money. We have to pay the driver to sit there. However, if you will give us fifty cents for each person, we will be glad to make a stop."

Now, I brought that up in my conversation with the President of the Association. He shook his head and said, "That is not going to happen. We are not going to pay it, either."

Now, we were faced with all of these problems, the increase in the rent, the situation where they emphatically will not open the side door, with the situation where we have to spend \$40,000 to \$60,000 more to upgrade the exhibit and, further, we are faced with the situation where they will not pay anything and we cannot advertise to increase our attendance.

Therefore, at the meeting we had with the Joint Boards, it was decided that we will take that which is of value and transfer it to Tampa and increase our display in Tampa and we will take many things of which there are only one, which we feel will be beneficial to Shrine Rooms-West, and transfer it to them because they are doing a great job at Shrine Rooms-West. We will ship all of this to them so that they, in turn, will have a strong exhibit and, by so doing, we will end up with a stronger exhibit in Tampa and in Shrine Rooms-West. Further, we will not have to spend that \$60,000 for renovation and we will save \$44,000 a year out of the Iowa Corporation.

Thank you very much. (Applause)

Also, I must tell you that I was not satisfied with the report that was made and so I went there myself and I am not going to tell you what happened—no, I am not.

However, I am only going to tell you that, with snow on the ground, I tried to get into the side door and people on the other side said "Go around." Now, I walked up a long group of steps to get on the ground level and when I reached the top of the front steps, I told them I wanted to go to Shrine Rooms-East and the individual said, "They are down in the basement." However, to get there, you have to go to the top first.

IMPERIAL POTENTATE KING: I am not going to tell you everything that happened to me when I was there but I can tell you what happened to George is true and we truly need to go into that side entrance.

Further, as I see this, all of these people go through the front door, they go in and go up and see all of the beautiful displays, which are many, but when they come down, they exit the front door again and, in the process, miss our exhibit downstairs. They really do not want to go down into the basement and look at our exhibit.

That is what George is trying to tell you and, as he said, the Joint Boards discussed this and their consensus, after hearing all the facts, was that we should pull out.

Now, I also went and visited the facilities at Shrine Rooms-West and that was certainly a beautiful display. I was well satisfied with that, not only with it but to the individuals who ran it. I thought it was well done, updated and kept up.

Now, of course, there are some things at Shrine Rooms-East that can never be replaced and, if we move, they will be either put in the memorabilia room at Tampa, where we get over 100 people per day coming in to view our memorabilia there, or they will be transferred to the West Coast. That is the reason for it.

ILLUSTRIOUS SIR MATTHEWS [Past Potentate, Kena Temple]: Let me say, Imperial Sir, that we are certainly completely humiliated by the treatment that you received. Unfortunately, it was the fault of Shriners that you were treated that way because those who waved to you through the window and told you to go around were members of our Temple who work there and they had all the basis in the world to recognize the Imperial Potentate and to open that side door for you to allow you to enter. However, they did not and I apologize.

If I had known about it, they would have let you in that side door. However, be that as it may, I would like to make reference to one thing that Imperial Sir Powell stated.

You are getting some forty-odd thousand people going through the George Washington Memorial, individuals who come into Shrine Rooms-East. You are also getting, I think he said, some 20,000 people into Tampa.

Let me just ask you one thing. Into Tampa, Nobles, we are getting Shriners and their families that come there to visit the Shrine Hospital and Shrine Headquarters in Tampa. On the other hand, at the George Washington Memorial we are getting a large number of Master Masons who are eligible to become Shriners, who go back to their home states and their home areas and say, "Hey, that thing was certainly great."

That is what Shrinedom is all about.

Now, all during the year of 1987 I tried to tell all of my people in Kena Temple that it was lovely to have them supporting me in Kena Temple but that is not getting members because we are all Shriners. We have to go to the place where we can get new members—go to the Blue Lodge, to the Scottish Rite, to the Knight Templars, the Commandery meetings. That is where we will obtain new Shriners.

Now, through the George Washington Memorial we are getting Master Masons who are eligible to be new Shriners and that is where we need to put our money. Thank you. (Applause)

IMPERIAL POTENTATE KING: You know, I would like to say to you, before you leave the microphone, that those men ought to apologize. You know, when I walked in there, I am in reality just a Shriner and I would like to be treated as such. I would like them to give me the same treatment that I would get had I not had my Imperial Potentate's Fez on.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KING: I also want to tell you, I love Kena Temple and I love the men in it. They are all good friends of mine. As a matter of fact, you and I walked about that a little bit before.

Also, the decision that was made was not my decision—it was a decision made by the Joint Boards and I also want to tell you that when we were in Chicago, had our home office in Chicago, there were not 100 people a year that came in. However, now we are getting almost 100 people a day in our Florida office. Of course, they are not all Shriners—there are many visitors but I say we are proud. We, at Tampa, have a beautiful building and, when they come, we give them the royal treatment. Thank you very much.

ILLUSTRIOUS SIR MATTHEWS [Kena Temple]: Well, in spite of the decision, Imperial Sir, and while we love you all, I still think you are making a big mistake.

IMPERIAL POTENTATE KING: I see that Jim Hathaway has returned and I will now ask him to give you the vote on the insurance and captive company issue.

NOBLE HATHAWAY: Imperial Sir, it is with pleasure that I give you the results on ballot 7.

There were a possible 856 votes; 759 actually voted. There was one spoiled ballot. Necessary for choice 380.

No votes—326.

Yes votes—432. (Applause)

IMPERIAL POTENTATE KING: Did everybody get the tabulation?

IMPERIAL POTENTATE KING: Now, I would like to call Bill Vaughan back up here for a moment. I did not know about this but I would like you to listen to this because Bill has devoted many years and many hours and personal dollars representing us at Shrine Rooms-East.

This reads:

"WHEREAS, W. C. Vaughan has devoted countless hours and contributed generally of his time and talent in support of Shrine Rooms-East; and

"WHEREAS, he served as a guiding force behind the development and growth of this most valuable Shrine home since 1976; and

"WHEREAS, he served as Chairman of the Imperial Council Shrine Rooms-East Committee since 1978; and

"WHEREAS, it is fitting that his fifty years of service be memorialized in a resolution to preserve in the archives of the Shrine; now, therefore, be it

"RESOLVED, that the Board of Directors, Imperial Council, A.A.O.N.M.S., officially

recognize his outstanding contribution, tremendous service and dedication and hereby presents this token of their gratitude and appreciation."

This is signed by your Imperial Potentate and the Imperial Recorder this 30th day of June, 1988, New Orleans, Louisiana.

... Presentation of plaque to Illustrious Sir Vaughan and applause ensued ...

ILLUSTRIOUS SIR VAUGHAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Delegates: I appreciate this. I have enjoyed serving. It never cost the Shrine one penny for my bills, hotel or anything else. I never billed for anything because, to me, it was a labor of love.

Also, we still, those of us who have been involved, love Shrine Rooms-East. I also apologize to the Imperial Sir because, when he was there, I do not know what happened to him but I have never been in the George Washington Memorial but by anything other than the side door. It normally is open. I did not know it was not open.

I still say what I said to my friend, George Powell. I said, "George, I have been visiting with these Nobles for some sixty-four years. You know, we use the back door of my house most of the time, as a matter of fact, almost all of the time and, further, if I went home and told my wife that I wanted to have our visitors and friends come into the side door or the back door, she would run me out because she wants that front door opening and closing."

Further, I feel that the George Washington Memorial is one of the most outstanding Masonic edifices in the United States and I would hate to see us close that facility because, to my way of thinking, Shrinedom is a part of Masonry. In fact, it is really the heart and soul of Masonry and that is why I initially said we should not close it. Thank you very much.

IMPERIAL POTENTATE KING: Thank you very much, Bill. (Applause)

ILLUSTRIOUS SIR JAMES PALUMBO [Potentate, Cyprus Temple]: Imperial Sir, I would like to make a motion that the issue 5 be brought off of the table. I think we discussed this fully yesterday.

We have an amendment to this motion and any extenuating circumstances where the Imperial Potentate can act anytime where they have a problem once this proposition passes as requested.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: I do not understand—you want to take this off the table?

ILLUSTRIOUS SIR PALUMBO: Yes.

IMPERIAL POTENTATE KING: And what were all of the other things you were mentioning?

ILLUSTRIOUS SIR PALUMBO: I said we put an amendment to this, I believe, and we changed this to go into Section 323.8.

At any rate, I want to take it off of the table and I would like to have action taken.

IMPERIAL POTENTATE KING: That is certainly in order.

I understand the motion has been seconded. I will put it to a vote.

All in favor of taking this off the table please say aye; opposed no. The "noes" have it.

I would now like to call on Imperial Sir Bob Bailey.

IMPERIAL SIR BAILEY: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and Nobles and Representatives: Each year the Shrine of North America grows a little larger. Each of the parades are a little more complex. Movement of the Imperial Family and movement of the Representatives becomes more and more critical.

This year, I am proud to say, we divided the Imperial Marshal's staff into five decisions, which made it a more workable task force and we are just extremely grateful to each and every one of the Imperial Marshal's Aides and particularly Judge John Walter, the Chairman of the Imperial Marshal's staff and also to Jack Denton and Ronald Warfield, his two assistants and also to each and every one of you for your cooperation in making these parades the ones that have had fewer problems than anything in recent history.

We are grateful to you for all of your cooperation and also thanks to all of our Aides. Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Bob.

I would now like to call on Judge Cooper.

NOBLE COOPER: to the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 16 on Call of the Annual

Session of 1988, located on page 23 of the Call. It is a resolution approving change of location of Khedive Temple. Such resolution reads as follows:

RESOLUTION

WHEREAS, Khedive Temple, Norfolk Virginia, has requested that its location be changed to 645 Woodlake Drive, Chesapeake, Virginia; and

WHEREAS, it appears that Khedive Temple has complied with Section 332.5 of the Imperial Bylaws; and

WHEREAS, it appears to the Imperial Council that the move would be in the best interests of the Order;

NOW, THEREFORE, BE IT RESOLVED, that the proposal to move Khedive Temple from 243 West Freemason Street, Norfolk, Virginia, to 645 Woodlake Drive, Chesapeake, Virginia, be approved and that the Charter of Khedive Temple be accordingly amended.

The committee reports that the resolution is in proper and legal form and its approval will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir B. D. Clark of the Dispensations and Charters Committee for its report.

IMPERIAL POTENTATE KING: I will recognize B. D. Clark of the Dispensations and Charters Committee.

NOBLE B. D. CLARK: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters Item 16 which appears on page 23 of the Call. It is a proposal to change the location of Khedive Temple as recited in the report of the Committee on Jurisprudence and Laws which was just read to you.

A hearing was held before your committee on June 26, 1988, at which time the proponents were present. No person appeared in opposition thereto but your committee was informed that Past Imperial Potentate Aubrey Graham had reservations about the change of location.

The change contemplates moving from downtown Norfolk to an outlying area where the Temple owns a building and 13.7 acres. The facility has been paid for and on premise parking will be available for 200 cars.

Your committee finds that the Temple followed the proper procedure in adopting the resolution to change its location; that more than two-thirds of the Temple members voting were in favor of the change (actually approximately ninety-five percent voted in favor of the change); that the result was certified to the Imperial Recorder at least sixty days before this Session; and that the move will be in the best interest of the Order.

Imperial Sir, if there are no questions concerning the report, I move that the proposal be granted and that the Charter of Khedive Temple be amended changing the location of the Temple to Chesapeake, Virginia.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: You have heard the motion, which has been duly seconded. Is there any discussion?

. . . The question was called for, the motion was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE KING: Please give your attention to Gerald Davis of the Jurisprudence and Laws Committee.

NOBLE GERALD DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 19 on Call of the Annual Session of 1988, located on page 24 of the Call. It is a resolution approving the payment by the Imperial Council of a judgment against Hiram J. Casebolt. With the concurrence of the sponsor, the committee recommends an amendment to the language of the resolution which would delete the last twelve words. The resolution, as amended, will read as follows:

RESOLUTION

WHEREAS there has been a controversy for over twenty-five (25) years between the Durham Red Fez Corporation of Durham, North Carolina and the Amran Temple (also its predecessor, Sudan Temple); and

WHEREAS, the Imperial Council of North America did several years ago direct and order the Amran Temple to settle all matters and things arising between Amran Temple and the Durham Red Fez Corporation; and

WHEREAS, the Amran Temple directed and appointed Hiram J. Casebolt, Past Potentate of Amran Temple to effect a settlement and/or reconciliation between said bodies; and

WHEREAS, the said Hiram J. Casebolt entered diligently upon said duties and as a result thereof certain litigation was instituted in the Superior Court for Durham County, North Carolina against said Casebolt which actions resulted in a judgment personally against Casebolt in the amount of Fifty Thousand Eight Hundred Nineteen Dollars and Eight Cents (\$50,819.08); and

WHEREAS, all the actions on behalf of Casebolt which resulted in a judgment against him were a direct result of orders of various Potentates of Amran Temple, who in turn acted on the authority of the Imperial Council of North America; and

WHEREAS, it would be grossly inequitable and unfair for said Casebolt to have to pay said judgment; and

WHEREAS, the financial situation of Amran Temple is not such as to enable said Temple to pay said judgment:

NOW, THEREFORE, BE IT RESOLVED, That Imperial Council, A.A.O.N.M.S., pay to the Durham Red Fez Corporation the sum of the judgment, namely, Fifty Thousand Eight Hundred Nineteen Dollars and Eight Cents (\$50,819.08).

The committee reports that the resolution is in proper and legal form and its approval will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE KING: The Chair recognizes Sam Erickson.

NOBLE SAM ERICKSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Accounts Item 19 on the Call of the Annual Session. This resolution has been read to you.

Your committee has met and reports that there is no fund established that makes provision for this type of expenditure in the Iowa Corporation.

Your committee further recommends that if Hiram J. Casebolt was acting in a representative capacity for and on behalf of Amran Temple, then the Temple should bear the responsibility and satisfy the judgment.

Imperial Sir, if there are no questions or comments on this report, I recommend you call on Illustrious Sir Sewell Lamdin for the report of the Committee on Grievances and Appeals.

IMPERIAL POTENTATE KING: The Chair recognizes Illustrious Sir Sewell Lamdin.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals Proposition No. 19 on page 29 of the Call with reference to the Red Fez Corporation and Amran Temple.

A hearing was scheduled for Tuesday, June 28, 1988, in the Magnolia Room of the New Orleans Hilton Hotel, New Orleans, Louisiana.

The hearing was held as scheduled and Amran Temple was represented by Earle Purser, Temple Attorney, the Divan and several interested Nobles of Amran Temple.

All present were heard and documentary evidence was received.

After fully considering all the evidence and the applicable Imperial Council Bylaw provisions, your committee is of the unanimous opinion that (1) Hiram J. Casebolt, Past Potentate of Amran Temple, was authorized to and did represent the Temple by directive signed by Edward Givens, Potentate, Amran Temple on January 28, 1982; and,

(2) that there is no legal obligation on the part of the Imperial Council to pay the judgment entered against Hiram J. Casebolt in the case of the Red Fez Corporation and others against Hiram J. Casebolt in the amount of \$50,899.08.

Respectfully submitted by the Committee on Grievances and Appeals.

Imperial Sir, if there are no questions or comments on this report, I recommend you call on Illustrious Sir Wayne Crowson, Potentate and Representative of Amran Temple, for an appropriate motion.

IMPERIAL POTENTATE KING: The Chair recognizes Illustrious Sir Wayne Crowson.

ILLUSTRIOUS SIR WAYNE CROWSON [Potentate, Amran Temple]: Imperial Sir and Fellow Representatives, I would move that the resolution in the Call be adopted.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: You have heard the motion to adopt the resolution, which has been severally seconded.

Is there any discussion?

ILLUSTRIOUS SIR CROWSON [Potentate, Amran Temple]: Imperial Sir, Imperial Sirs and Representatives: I would only comment by saying that when I was elected Potentate, I inherited this situation that has existed now for probably twenty or more years and, at that time, I dealt with the illegally formed corporation called the Red Fez Corporation and we were charged, in 1976, and that is when I inherited this problem in relation to Amran Temple but it had, I might add, gone on many years prior to that under Sudan Temple and from all I can find out, Imperial has been involved deeply in approving certain things over the years.

First, we had concurrent jurisdiction. The Potentate had received a letter from Imperial stating that he should clear up the mess. He proceeded to appoint Hiram J. Casebolt, Past Potentate, and gave him authority to dig into this matter and clear it up. Hiram, in turn, did diligently pursue this matter.

As the proceedings went on, it was declared by Imperial that, in their opinion, this was a North Carolina corporation and not a Shrine holding corporation.

Hiram, in pursuing to clear up the matter, had disbanded the present officers and appointed new officers. They were told not to hold another meeting of the Red Fez Directors. They violated a direct order of the Potentate and they were expelled, after a due Shrine trial.

Subsequently, Imperial found that the trial was legal. Evidence backed up the decision. However, they did change the wording from expulsion to suspension for one year.

As a result of this, our troubles came back.

Hiram was sued for \$1.5 million in the Superior Court of Durham County. Many trials were scheduled and rescheduled and eventually it came down to binding arbitration.

Binding arbitration is where the \$50,800 judgment comes from. I have met with Hiram Casebolt and the last time I met with him I was unable to resolve this situation.

Past Potentate Hiram is the President of this corporation. He has received threatening telephone calls and his promise to me was, and I have no reason to doubt it whatsoever, that if this \$50,000 judgment is not paid after this Imperial Session by someone, there will be a lawsuit against Amran Temple and the Imperial Council at no less than \$250,000.

Nobles, Amran Temple is a young Temple. We have 2,300 members.

I was on the stage yesterday to help present a check to the Shrine for \$2.5 million. You know, we feel we work hard—we feel this is not our obligation and we beg of you to give this consideration because, we feel that if we have to spend these funds in this issue, we will be in great financial harm.

We have already had harm to Masonry in this area. We plead with you to pass this resolution as amended. Thank you.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, Imperial Sirs and Representatives: You know, it is very difficult for me to have to speak in opposition to this but I must. I am speaking both as a member and Chairman of the committee and as a Representative and I just want to set the record straight.

That was not an illegally formed corporation. That corporation was formed twenty-five or thirty years ago by fourteen men within Sudan Temple and, when they had an IRS problem, they, in turn, put their hands in their pockets and paid off the bills and then they started the proper charitable corporation and, further, when they were incorporated, they were incorporated under the laws of North Carolina, not as a Shrine Club but under the Red Fez Corporation, a private corporation, charitable corporation, and it was one.

At that time you also had the Durham Shrine Club and there was a running battle from then on and has been and still is.

Now, Hiram Casebolt was directed by his Temple Potentate to do what he could to settle the issue and he could not settle it and, I might add that the reason he could not settle it was because his personality was not of a nature that would permit him to settle it.

Now, let me tell you what I mean by that.

He was like a bull in a China shop and, of course, when you want to sell something, you extend the olive branch and having extended the olive branch, I think it could have been worked out but in all of these various situations, it just gradually got worse and got more heated so much so, that Casebolt, acting only on the Temple Potentate's directive—well, let me stop here and say that there is no one who could produce before our committee or even can produce on this floor today any directive from an Imperial Potentate telling them to do this. Now, they do have a letter signed by Charlie Cumpstone and if you read the letter it says, in essence—"Mr. Chief Rabban, you are coming in as Potentate, and You should run your temple in accordance with the Bylaws."

Three times in this resolution it says, "Directed by the Imperial Council." We have never taken an action on that. We have never voted to direct him and that is the way we would have a legal obligation. However, we have no legal obligation in this matter.

I might also say that Casebolt is a very politically involved person in North Carolina and he used that involvement. An amendment made to the Articles of Incorporation, when the assets were collected, in the event of dissolution, they originally were to come to Shriners Hospitals for Crippled Children. However, he changed it and what did he put it in—they go to Amran Temple.

I have the Articles of Incorporation right here. He changed it to Amran Temple. Now that, in turn, further takes it away from us. We have no legal obligation whatsoever.

I might further say that I made two visits to North Carolina and I thought I had the matter settled. Now, I am not going to go into why it was upset.

Let me say that you had some fourteen men here who put their hands in their pockets. They did not take money from Sudan Temple. Sudan and Amran Temples inherited the situation. Of course, it is unfortunate for them and I feel for them, I really do, because they are gentlemen, they treated me with courtesy. As I said, I visited there twice and could not have been treated any nicer.

In reality, they inherited a bad situation and it was multiplied and made worse by Hiram Casebolt and nobody else.

Those men were willing to deed the property to Shriners Hospitals for Crippled Children in return for something and the return just was not there. It could have been but it was not forthcoming.

Also, let me tell you something else that Casebolt did.

I suggested to him, "Why do not you get some members in there, get enough in there, put it on the floor and, in the democratic way that we operate, let them vote for it and I am sure you will have a majority and you will win." Well, they gave him thirty days to get new members, opened up their Charter and books offering him the opportunity to take in new members for thirty days.

Now, let me tell you the character of this man. I know that you, me, everybody in this room, we would have gotten those applications within forty-eight hours. However, he waited not the thirty days from the date that they said, he waited sixty days beyond that and, as a result, he began collecting all of these applications six days past the thirty days that were extended and, when he got the applications and walked over to them, they said, "You are too late."

Now, gentlemen, this is what you are up against when you are trying to be nice to these type of gentlemen. Now, on the other side of it, he could have had their applications over there together with the necessary application fee within a period of ten days or less but he held those to the last night, took them down that night, got them there before midnight and so, as a consequence, he lost the battle.

Now, gentlemen, as they said to us before the committee, each and every member of this Temple, they need help and they do need help but they can also help themselves.

Later on, for example, they disbanded the Durham Shrine Club and took twenty-some thousand dollars out of the assets of the Durham Shrine Club.

Now, the first thing that I said to them when I went from Boston to Durham was, "You have to pay the rent—what are you going to if you do not pay the rent?" Well, the answer was, they were going to be put out. However, again, they took assets from the Durham Shrine Club in excess of \$20,000 and the rent at that time was twenty-some thousand

dollars. Now, the Durham Shrine Club did not have a nickel. They could have paid the rent and that is the first time in relation to the judgment—it is some twenty-odd thousand dollars for rent.

The second item on the judgment is for attorney fees.

The Temple Attorney, I do not know how in the world he pays his secretary or his office help but he has lived with this for many years and to this day I do not think he billed them for one dollar.

IMPERIAL POTENTATE KING: Thank you, Sewell.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, I did go over.

IMPERIAL POTENTATE KING: Thank you for your explanation.

ILLUSTRIOUS SIR LAMDIN: I move that you reject this.

IMPERIAL POTENTATE KING: Thank you.

I will recognize the Recorder of Amran Temple.

NOBLE ROBERT E. MARSHBURN [Recorder, Amran Temple]: I, too, have lived with this situation for a long time. I have been Recorder for ten years and in 1981, during the Session at New Orleans, Amran Temple was awarded the jurisdiction which included the famous Red Fez Corporation—perhaps rather infamous in our state because it had been a continual problem.

The problem, however, is still there. We are trying to resolve it.

Further, I do not know that the figures that Illustrious Sir Lamdin gave you are completely accurate as far as the \$20,000 is concerned but I did get involved in that.

We did have a Potentate who disbanded that Shrine Club that year and that Shrine Club was ordered back into operation some two days, I believe, prior to his going out of office. This, in turn, has caused a great deal of commotion in our Temple and, as a result, that money was demanded by the Treasurer and the Potentate at this time demanded that the Treasurer and the Recorder write a check assigning the money back to the Durham Shrine Club.

Also, Nelson Banks, the Grand Master, who was in office at that time, was also a Recorder of quite some esteem.

ILLUSTRIOUS SIR LAMDIN: Would the gentleman yield for a question?

IMPERIAL POTENTATE KING: Sewell, he presently has the floor.

ILLUSTRIOUS SIR LAMDIN: However, I would ask if he will yield to a question.

IMPERIAL POTENTATE KING: Will you yield to a question?

NOBLE MARSHBURN: Yes.

ILLUSTRIOUS SIR LAMDIN: When you appeared before the committee, did you not tell the committee that the money involved was in the amount of \$35,000?

NOBLE MARSHBURN: Yes, sir, but we did not get \$20,000 at the outset. There was \$5,000 given back to them. There was a lot of debt that had been incurred by the Durham County Shrine Club and when they were disbanded, we received calls from the telephone company, from the electric light company and from various and sundry people all over Durham which indicated that they owed various bills and, of course, we had to pay the bills in order to keep the name of Amran Temple good.

Now, as has been indicated, we do have great concern over what is being requested here. Amran Temple does not have that kind of money to put out. Therefore, we have this before you and we are pleading and asking for some help. If we get this help then we, in turn, can lay this monster to rest.

We have had Grand Masters involved, we have had legal counsel involved and the Imperial Council and to again sum it all up, the concern that we have now is the matter of the \$250,000 indicated lawsuit. Now, if this is not settled, if that suit is promulgated, we will have more legal fees, have more tie-up, more harassment of Masonry in North Carolina and we believe we ought to put the thing to rest once and for all. I thank you.

... The question was severally called for ...

IMPERIAL POTENTATE KING: I will recognize Ed Maag.

ILLUSTRIOUS SIR ED MAAG [Ainad Temple]: Imperial Sir, Imperial Sirs and Fellow Nobles: Let me say that I sympathize with these Brothers.

Also, I want you to know that I know what I am talking about on this one because I spent

over eleven years involved with the Red Fez Club. For seven years I was General Counsel of the corporation.

The day I became General Counsel the Red Fez problem was sitting there and it was still sitting there festering when I left and handed it over to Ted. Therefore, I know what I am talking about.

Also, I want to tell you now that I agree with the seven lawyers, agree with Sewell's committee and the statement that the Imperial Council, in my opinion, is not legally liable for this judgment.

Did you hear me say that? I agree with the Committee on Grievances and Appeals. This is unusual.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE KING: Yes, that is unusual. (Laughter)

ILLUSTRIOUS SIR MAAG: However, let me tell you, and put this down in your memory book, the judgment here is for some fifty-some thousand dollars. Part of it is for rent, part is for attorney fees but they have not told you yet that some, I believe \$12,000 of this \$50,000 judgment is for punitive damages imposed by the arbitrator for the outrageous misconduct of Hiram Casebolt.

Now, I ask you to query any attorney in the room as to what punitive damages are imposed for. I would respectfully suggest that if Hiram Casebolt's conduct at the moment when he was the agent of this corporation was so outrageous as to warrant imposition of punitive damages, that this is of his own doing and does not involve the Imperial Council. The Imperial Council is not responsible for his being assessed punitive damages.

Moreover, if Hiram sent us this message saying, "You either pay my \$50,000 judgment, you guys, or I am going to turn around and sue you for \$250,000," I would send the message to Hiram, "Grab your bat. I will go to bat with you if you sue for \$250,000."

. . . Cheers and applause ensued and the question was again called for . . .

IMPERIAL POTENTATE KING: The question has been called for. Is there a second?

. . . The call for the question was severally seconded . . .

IMPERIAL POTENTATE KING: All in favor of closing debate please say aye; opposed. The motion is carried and debate is now closed.

We are now on the motion made to adopt the resolution as previously presented.

All in favor of the resolution please say aye; those opposed. I think the "noes" have it.

IMPERIAL POTENTATE KING: At this time we will have the Membership Report from Tony Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives, Nobles and Guests: The Membership Committee of the Shrine reassessed its mission to the Shrine. After a lot of research and analysis of the information that had been accumulated over the past twenty years in the Shrine, we spent the first year going over that information and trying to come to some sense and purpose out of it. It appeared to us that the committee was not functioning in the best interest of the organization.

The committee was reorganized in 1986 and met and talked about the philosophy the Imperial Membership Committee should endorse and try to promote.

We have 189 Temples; we have 189 sets of circumstances that vary from one region to the other, even in the same jurisdictions where we operate. The conclusion of the committee was that we cannot effectively address a program and identify closely with your Temple or your jurisdiction because of the local problems that you have to face.

Basically, we have certain restraints that were imposed on the organization from the very beginning as to where we gain our members.

To date, we have penetrated that market to the extent of seventy to eighty percent of available resources. In any other industry or enterprise, if you penetrate a market to that degree, you effectively put your competition out of business. The problem is that we are not playing on the same field that the competition is.

When I walk of competition, I am talking about the other fraternities that operate in this hemisphere and there are some other great fraternities. I am sure many of you here are members of some of those other organizations just as we are.

The committee, after reviewing the facts and looking at the options available to them, came to the conclusion that the Imperial Membership Committee can better serve this

organization by working for reform within our organization. As a consequence of that, the effort put forth by the committee the last two years has been in that direction. In other words, we have tried to create an atmosphere and an environment in which the Shrine can grow.

Obviously, if you penetrated the market and exhausted the resources for members, there are only a few things you can do. You can start recruiting from other bodies, which we are doing and we urge you to continue to do. As long as our Bylaws are as they are, that is the only course we can follow. Yet, when the other bodies have a reluctance, which they have shown over the life of those organizations, to recruit, then the burden becomes ours. Under our present structure, our very lifeblood is dependent on the prerequisite bodies.

A committee has been formed of members of all concerned organizations to address these matters. Imperial Sirs Jack Jones and Lew Brantley are the Shrine representatives. Jack Jones is one of the best informed people in the world when it comes to the Shrine and its affiliations with the Masonic bodies. Lew Brantley is a young, contemporary leader, with a handle on today and an eye to the future. They will present the Shrine's position well to the committee.

The problems we have are of our own doing but are presently beyond our control.

I have never advocated from the Membership Committee or as an individual putting the blame on any organization other than our own. I firmly believe that the membership problems the Shrine faces today are problems that the Shrine can solve themselves. It is going to require a change of mind and a change of heart. We are going to have to reassess our position and we are going to have to say to ourselves, "Is this great philanthropy that has been built as a result of our great Fraternity going to suffer because of our unwillingness to change?"

I am not suggesting that Shriners Hospitals for Crippled Children will cease to exist. I am confident that it will go on in perpetuity because it is well endowed, because it is well run and it serves a need of mankind.

What I am suggesting is that if this Fraternity, because of lack of interest, continues the decline we have experienced for the last ten years, Shriners Hospitals for Crippled Children, at some point in time, may assume another name and different characteristics. This is not what the Shrine has envisioned for that organization. If the Fraternity goes out of business, somebody is going to wind up with Shriners Hospitals for Crippled Children. Now, who will it be? Will our hospitals be turned over to the jurisdictions in which they are located? That would be the normal course of events.

You and I do not want that. You and I do not want to look at the prospect of the Shrine, the great organization which built a great humanitarian philanthropy, having its hospitals dismantled and turned over to several jurisdictions or states in which they are located and our losing control of the very thing that has kept us together these many years. We have to retain the ability to grow because it is a question of vitality and support.

Can we survive? Can we do business in the way we are structured without the financial and membership support of an organization?

We lost 25,000 members in 1987. That means that the Imperial Council lost \$75,000 in revenue for 1987.

At the March Board meeting, I asked our Imperial Treasurer, Webb Harrington, if he had any projections as to the financial fate of the Iowa Corporation. He said, "Yes, we are projecting a deficit of \$600,000 for the year 1988."

Now, gentlemen, if you think that our membership problem is not serious, when you start running deficits in excess of a half a million dollars a year and when your reserves are only in the neighborhood of \$4 million or \$5 million, it does not take any genius to figure out that your days are numbered.

Unless and until you change the structure of the organization, can you compete in the society of the 1980's, into the 1990's and go successfully to the year 2000? This great Fraternity can still be the backbone of a great philanthropy, Shriners Hospitals for Crippled Children. This will require change. Gentlemen, there are difficult decisions which must be made.

Let me share with you some additional distressing facts.

There are several Shrine Temples which are on the verge of bankruptcy. Let me pose this

to you—should these Shrine Temples go bankrupt and have to go out of existence, how will that impact on the public image of the Shrine as an organization? The answer is obvious. I suggest to you that we certainly do not want that to happen.

True, some of it might come from bad management in a Temple, but that is the exception. Sometimes you do all you can under the rules by which you play and you just cannot get ahead.

What I am suggesting and what the Membership Committee has finally concluded is that if we are to survive, if we are to be the great organization in the future that we are today, as we have been in the past, if we want to pass on to our sons the privilege and the honor and the distinction of being called a Noble of the Mystic Shrine and being able to go about the country and point with pride to all the Shriners Hospitals, we have to change. We have to become competitive. We have to create an atmosphere and environment in which we can grow.

You know, these are not the same countries that they were fifty years ago. This is not the same organization that it was fifty years ago. Times have changed. It has become a very competitive world. Even those of you who are the most dedicated in the Shrine organization are faced with conflicts that demand your time, demand your resources.

This is a fact of the very society in which we live. Most of us, if not all of us, have changed our lives to adapt to society in the pressures of our environment. Then, why in the Shrine do we hold tight, like a pit bull, and resist change simply because we have always done it that way? I do not think that is a valid position. I do not think we can resist change any longer. We have to muster all of the courage, all of the love we have in our hearts for our great organization and come to an understanding with ourselves and then act responsibly for the Shrine.

I am committed to that. I suspect you are also.

I have not seen any evidence that any other organization is as interested in the future as we are. I am not suggesting that others change. If an organization feels that the format that they offer, the philosophies and the rules that they operate under are best suited for their purposes, I say, fine, I have no argument with that. I would not ask them to change one thing.

I would ask, however, that our organization take a critical look at itself and take control of its own destiny and not be subject to ransom from either one jurisdiction or another from time to time.

Gentlemen, I just do not think we can survive as a first-rate organization unless we address this problem. If there are solutions within the present framework of the organization, they have eluded the Membership Committee.

Quite often, the most serious problem we face or any organization faces starts out as a minority position by those who lead and those who make decisions and have the ability to change the nature of the organization and shape the future of the organization, to guarantee the future of the organization.

There is a reluctance to face those issues because you may be 180 degrees from your best friend on it and there is nothing at all wrong with that. I know people I have a high regard for and do not question their dedication one bit to the Shrine as an organization that differ with me and my ideas.

Today, people are generally better off than they have been in our lifetime—certainly in my lifetime. I am better off today and I still complain about the economy. I think the economy takes the blame a lot of times for things that we are unwilling to address. It is a good place to lay problems on that we do not want to solve and say the economy is not that great.

That may be true in some instances. However, in the majority of cases, we are simply living off our problems on something that we perceive we have no control over. I think we are doing that as an organization. I think we have begun to lay our problems at the feet of others and somehow excuse ourselves for not being able to survive. I do not agree with that. I think that we should take charge of our own destiny. I think we have every right to hold ourselves up and be proud of our organization and stand on our own merits.

To suggest that we continue to pursue the course we have pursued for the last ten years is unconscionable and irresponsible.

The obvious conclusion to your committee is that if we are interested in the survival of the Shrine, if we do have a commitment to the organization is to change the atmosphere in which we exist, we must reorganize and bring ourselves into this century, become competitive and begin to grow again.

In a competitive society there are only two options—either you become stagnant or you progress and, gentlemen, we are not progressing. Are we ready for change? Your committee prays that we are.

Let us take control of our own destiny and give our Fraternity the chance to reach its full potential, not beholding to anyone but as a result of our own incentive and enterprise.

We are the beneficiaries of an over \$2 billion endowment fund for our hospitals. Generous citizens in this hemisphere have contributed this money with the understanding that we would run our own affairs and that no other organization would control our destiny or impair our ability to treat thousands of crippled and burned children. It is a dereliction of our responsibility to let others determine who should be Shriners and, ultimately, who should run our hospitals.

Nobles, the future of the Shrine is in your hands. We have the power to shape our future—do we have the courage?

There will be proposals before you which will allow us to determine our own destiny and I hope you will support them.

That concludes my report, Imperial Sir, and I would make a motion that it be accepted.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: We have a motion and a second to accept the report of the Imperial Membership Committee as just presented by Imperial Sir Bukey.

Is there any discussion?

ILLUSTRIOUS SIR WILLIAM H. WOOD [Past Potentate, Morocco Temple]: I would like to address a question to Imperial Sir Bukey.

As I listened to his report, it sounded as though it would be inappropriate for us as Shriners to appropriate some money to advertise for the Blue Lodges. It sounds as though we are not our brother's keeper and I feel we definitely are but also ultimately for ourselves.

Therefore, I would like to know if there would be some way we could appropriate some of our public relations money to advertising for Masonic membership, thereby ultimately increasing Shrine membership?

IMPERIAL POTENTATE KING: That is an excellent idea but let me remind you that there are presently only thirty percent of the Masons who are Shriners. We still have a quite open field to go out and round up those out there.

IMPERIAL SIR BUKEY: May I respond to that last statement, Imperial Sir?

IMPERIAL POTENTATE KING: Certainly.

IMPERIAL SIR BUKEY: Well, if I inferred by my talk that I was against helping us remain in the Masonic organization, I certainly did not mean to do that. I am simply suggesting that we should consider a change, particularly in the light of the best interests of this organization.

Also, when you talk about a public relations effort, you have to realize that I reported in my report that we had projected a deficit of some \$600,000.

I have no problem in spending money to publicize the Fraternity. The fact of the matter is, however, that we do not have the money to do it but then, again, the Membership Committee has been and is working on a solution to this problem in relation to which every Temple will be advised soon and, hopefully, will be able to participate.

ILLUSTRIOUS SIR WOOD [Past Potentate, Morocco Temple]: Perhaps I did not make my point clear. I was not advocating, for example, that we try to get the remaining seventy percent or whatever remaining percentage there is of Masonic members into the Shrine. I was essentially hoping that we could bring new members into Masonry and perhaps use some of our budgeted public relations funds of the Iowa Corporation, perhaps a quarter of a million dollars, for the purpose of funding public relations for getting these members into Masonry and the Shrine.

Perhaps we might be able to put wording in our various publications suggesting how a man may become a Mason.

That is what I had in the back of my mind.

IMPERIAL POTENTATE KING: Thank you very much.

ILLUSTRIOUS SIR R. J. MATTHEWS [Past Potentate Kena Temple]: To you, Imperial Sir Tony, I would only ask this question—namely, that it must be that we have a great deal of quality left in these diminishing numbers of Shriners because, as Imperial Sir Robert Turley pointed out, in the past year we have increased our fund balances by \$353 million. This, therefore, does not seem to be a dying organization from the standpoint of quality.

Also, I have one further comment.

At the last Imperial Session held in Las Vegas, we told the Imperial Divan that we wanted to remain Masons and Shriners. We also told you the same thing here again in New Orleans—that we wanted to be remain Masons and be Shriners.

Now, I believe that if the Imperial Divan cannot, in good conscience, support what the majority of their Representatives tell them, then we ought to look for some other people to be on the Imperial Divan.

... Cheers and applause ensued ...

NOBLE T. K. "PETE" GRIFFIS [Hamasa Temple]: Imperial Sir, Imperial Sirs and Representatives: I fear that we have just heard from a prophet of doom and I am here to tell you that this is the most enthusiastic, most viable, most powerful organization in the world and it is never going to come to an end regardless of what the prophet of doom says.

... Cheers and applause ensued ...

NOBLE GRIFFIS: You know, I told them myself, when we were having trouble with the Consistory, that we were going to continue having that kind of trouble as long as they kept sending those type of folks to us. When we send better type of folks to some of these organizations then we, in turn, will see better organizations.

Therefore, let us send better folks to the Membership Committee—people who feel and know that we are the greatest, that we will remain the greatest and that we will be here a million years from now.

... Further cheers and applause ensued ...

IMPERIAL SIR BUKEY: Imperial Sir, it appears from the response of several of these Representatives that they have no confidence in me as Membership Chairman. Therefore, under this type of situation, I would request that you relieve me of this responsibility.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KING: Well, Tony, you will go out with me—in a blaze of glory.

... Further cheers and applause ...

IMPERIAL POTENTATE KING: We have before us a motion and a second to accept the report.

All in favor please say aye; opposed. The motion is carried and the report will be accepted.

I will next recognize Noble Tingle for a report from the Jurisprudence and Laws Committee.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and laws, Item Number 6 on Call of the Annual Session of 1988, located on page 18 of the Call. It is a proposal to delete Section 208.9(b)(1) of Article 8; amend Subsection (a) of Section 323.4 and delete the remaining Subsections of Section 323.4 of Article 23, amend Subsections (a), (b) and (c) of Section 328.2, delete Section 328.4, create a new Section 328.4, amend Subsections (a) and (b) of Section 328.6, delete Subsections (e) and (f) of Section 328.6, all of Article 28, so that such Sections 323.4, 328.2, 328.4 and 328.6 read as follows:

ARTICLE 23 Temple Membership

Section 323.4 Residence.

A petitioner need not be a resident in the Jurisdiction of the Temple to which he applied.

ARTICLE 28
Temple Jurisdiction and Waivers

(a) Unless otherwise determined in Part IV of these Bylaws, the territorial jurisdiction of each Temple, for all purposes except the initiation of new members, extends in all directions to one-half the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or upon the vote of the Imperial Council in accordance with Section 328.3(d).

(c) Temples in the same state may agree upon concurrent jurisdiction with the state or an equitable division of their territory for all purposes except the initiation of new members.

Section 328.4 Waivers. No waiver is required from any Temple for the initiation of a petitioner for membership.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Tony Bukey for the appropriate motion.

IMPERIAL POTENTATE KING: I will next call upon Imperial Sir Tony Bukey for the appropriate motion.

IMPERIAL SIR TONY BUKEY: Imperial Sir, Imperial Sirs and Representatives: I would like to suggest that the Imperial Membership Committee feels, and I feel, that if a man desires to become a Shriner that we should not throw barriers up in front of him. I would suggest if a man wants to become a Shriner of any Temple, we ought to allow him that opportunity. I believe it will be in the best interest of the Fraternity and so I would move for adoption.

IMPERIAL POTENTATE KING: You have made a motion?

IMPERIAL SIR BUKEY: Yes, I would move that this proposed legislation be adopted.

IMPERIAL POTENTATE KING: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there discussion?

REPRESENTATIVE: Imperial Sir, inasmuch as there no doubt will be a revamping of some of these committees by the new incoming Imperial Potentate and perhaps a new committee will be appointed, I would move that we table further consideration of this proposal.

... The motion was severally seconded ...

IMPERIAL POTENTATE KING: Let me remind you, and I think I am correct, when I say that on any motion, there must first be two to speak for and two to speak against. Now, if we do not have the two on either side then, of course, your motion to table would not be in order.

Let me ask, for the record, are there any proponents that wish to speak for this motion?

Are there any opponents?

Well, all right; then we can entertain this motion to table, which has been duly seconded.

All in favor of the motion to table kindly say aye; those opposed. The motion to table has carried.

The Chair will next recognize Noble Lake.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 7 on Call of the Annual Session of 1988, located on page 20 of the Call. It is a proposal to amend Section 323.3 of Article 23 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such Section, as amended, will read as follows:

ARTICLE 23

Temple Membership

Section 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knight's Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A Thirty-Second Degree Mason, or a Fourteen Degree Mason who cannot advance further due to absence of a special invitation, in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States of a Supreme Jurisdiction of such Rite in the United States or a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these Bylaws. A Temple may not require that a candidate must be qualified under both (1) and (2) above.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer Illustrious Sir Howard K. S. Lau for the appropriate motion.

IMPERIAL POTENTATE KING: The Chair will recognize Howard Lau.

ILLUSTRIOUS HOWARD LAU [Potentate, Aloha Temple]: My name is Howard Lau and I am the Potentate of Aloha Temple in Honolulu, Hawaii.

I would move for the adoption of this amendment.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: You have a motion and a second for adoption.

Is there discussion?

I will recognize Illustrious Sir Lau.

ILLUSTRIOUS LAU [Potentate, Aloha Temple]: This amendment deals with a situation in the Philippine Islands which has and will continue to affect membership in the Shrine.

The Supreme Council of the Philippines has adopted the European system of membership. What they have in effect done is restrict membership in the Scottish Rite by application only to the Fourteenth Degree.

We met with the Grand Master and received an explanation of why they adopted the European system. He told us, for example, that over the years they had accumulated sufficient funds and had very favorable investment experience and now they have sufficient money income which will provide for them operating now and for the future and so, as a result of this, their philosophy insofar as membership is concerned now has changed from, for example, membership by numbers to membership by quality.

Also, the fact of the matter is that the Scottish Rite in the Philippines is a predominant concordant body and technically they have no longer become a viable source of Shriners for Shrinedom.

The other thing that has happened is that the York Rite seized this golden opportunity to get new members and they raised their initiation fee some 300 percent. For example, from 1,500 pesos, which is \$75, they raised their fee to 4,500 pesos, which is \$225. Therefore, what has happened is that we no longer have an effective way to getting new members into the Philippines.

Also, I want to say here that I have never met a finer group of Nobles than in the Philippines. They have established their own wing of the hospital to take care of crippled children. They also manage and support crippled children in three other hospitals.

I submit that the approval of this amendment will allow the Fourteenth Degree Scottish Rite Masons to become Shriners under these qualifying positions and that this would go a long way to continuing the fine growth of Shrinedom in the Philippines.

I urge you to support this amendment and request your "yes" vote.

IMPERIAL POTENTATE KING: Thank you very much.

Is there any other discussion?

If not, all in favor of adoption of the amendment please say aye; opposed. It is carried by the necessary two-thirds majority.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KING: I will next recognize Noble William A. Buckaway from Jurisprudence and Laws.

NOBLE WILLIAM A. BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 9 on Call of the Annual Session of 1988, located on page 20 of the Call. It is a proposal to amend Section 327.4 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such Subsection as amended, will read as follows:

ARTICLE 27

Duties of Temple Officers

Section 327.4 TREASURER. It is the duty of the Treasurer to:

- (a) Act as the chief financial officer of the Temple.
- (b) Act as custodian of all funds.
- (c) Sign or countersign all checks, for the withdrawal of funds unless provided otherwise in the Temple Bylaws.
- (d) Examine as often as necessary the financial reports and books of account of the Temple.
- (e) When requested at any meeting of the Temple, give a financial report of the income and expenditures of the Temple since the last report.
- (f) Prepare from books and records of the Temple and submit at its annual meeting the following information:
 - (1) An annual statement of the financial condition;
 - (2) An annual operating statement; and
 - (3) Any other of supplementary report or statement necessary to disclose the true financial condition, the nature and current value of the assets, the operating results, the income and sources thereof, of the Temple and any affiliated subsidiary of appendant corporation or fund.
- (g) Present his books and papers to the audit whenever required.

This proposal to amend Article 27, Section 327.4 has been previously read to you by the Jurisprudence and Laws Committee.

Imperial Sir, if there are no questions or comments on this report, I recommend you call on Leonard Kindred, Chief Rabban and Representative for Akdar Temple, for an appropriate motion.

IMPERIAL POTENTATE KING: I will recognize Leonard Kindred, Chief Rabban of Akdar Temple for the appropriate motion.

NOBLE LEONARD KINDRED [Chief Rabban, Akdar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, I would move for the adoption of Section 327.4 as it pertains to the duties of the Treasurer.

... The motion was severally seconded ...

IMPERIAL POTENTATE KING: Thank you.

You have the motion and the second before you.

Is there discussion?

ILLUSTRIOUS SIR ROBERT BODENSTEIN [Potentate, Al Koran Temple]: Imperial Sir, Imperial Sirs and Representatives: I feel as though the number one elected officer in any Temple should be responsible for the finances of his Temple and, therefore, I cannot support this measure.

NOBLE KINDRED [Chief Rabban, Akdar Temple]: May I comment a moment on this?

Let me say that we did not intend by any stretch of the imagination to take away any of the responsibilities of the Temple Potentate. This should be handled as a corporate situation.

At present, the Treasurer's duties are a bit cloudy in certain parts and this is being submitted so that the Bylaws can be made more clear.

Again, we do not take any powers away or ask that any powers be taken away from the Potentate because, after all, he is responsible for the governance of his Temple.

IMPERIAL POTENTATE KING: Thank you.

ILLUSTRIOUS SIR JOHN PIPPIN [Past Potentate, Karem Temple]: Imperial Sir, I would disagree with the Chair with respect to this because it is in direct conflict with 327.1, which says that the Potentate is in charge of the government of the Temple. He is absolute. I disagree with this entirely, especially in relation to the responsibilities of the Temple Potentate.

IMPERIAL POTENTATE KING: I will next recognize Sam Erickson.

NOBLE SAM ERICKSON: During the last week, Mr. Hendrix, who is the Imperial Auditor, and myself met with the Treasurer's officers proposing this and we feel that it is in the best interest of Shrinedom to adopt this motion. The Potentate will still be the Chief Officer of the Temple. We are only suggesting a Chief Financial Officer and, personally, as a CPA, I believe this is necessary. Thank you.

. . . The question was severally called for . . .

IMPERIAL POTENTATE KING: The question has been called for. Is there a second?

. . . The motion to call for the question was then severally seconded . . .

IMPERIAL POTENTATE KING: The motion is to close debate. It will take a two-thirds majority.

All in favor say aye; opposed. The ayes have it.

Do you want to do it again?

All in favor please say aye; opposed. Debate is therefore closed.

We now come to the question before us.

All in favor of this motion please say aye; those opposed. I will rule that it did not receive the necessary two-thirds majority.

I will recognize Bud Tingle.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 11 on Call of the Annual Session of 1988, located on page 21 of the Call. It is a proposal to amend Section. 332.9 of Article 32 and Section 323.12 of Article 23 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such Sections, as amended, will read as follows:

ARTICLE 32

Initiation Fees; Dues; Hospital Levy; Assessments

Section 332.9 Life Annuity Trust Fund

(a) All Temples may adopt in their Bylaws a provision that any member in good standing (regular or associate member) may thereafter be exempt from payment of annual dues, excluding the per capita and hospital assessment, provided said member pays a sum of money in cash determined by the Temple, not less than an amount representing the present value of an immediate life annuity on a single life, computed in accordance with an Experience Table of Morality in common use by the Life Insurance Industry and approved annually by the Finance and Accounts Committee. The Imperial Recorder shall mail a copy of the currently approved Experience Table to each Temple Recorder.

(b) All payments made, as provided in this section, shall be placed in a separate fund by the Temple to be designated as the "Life Annuity Trust Fund" and no part of this fund, or the income derived therefrom, shall be used except that for each member that shall have made payment, a sum equal to the current annual dues of the Temple may be withdrawn annually as long as his membership continues.

(c) Temples may allow a member who elects to purchase a life annuity trust membership to pay the total amount in five equal annual installments as provided in the Table.

(d) Payments to the Life Annuity Trust Fund are not refundable for any reason. However, the Potentate may request the Imperial Potentate to approve an actuarial review of the fund. The review may not be made more than once in a seven year period. If an excess is determined, the Temple may, with the approval of its membership and the Imperial Potentate

withdraw from such fund that excess amount for Temple expenditures. The cost of said actuarial review is to be borne by the Temple operating fund.

(e) Any fund previously accumulated for the purpose of creating a right of exemption from the payment of dues, such as Life Membership, is not affected by this provision except that no other funds will hereafter be established for this purpose except as outlined under this provision.

(f) Amounts accumulated in the Life Annuity Trust Fund shall be invested only in United States, Canadian or Mexican Government securities or insured bank accounts.

ARTICLE 23 Life Membership

Section 323.12 Life Membership

Life Membership may be granted for meritorious service or upon payment of the fee prescribed in Section 332.9

Imperial Sir, if there are no questions or comments on this report, I recommend you call on General Counsel

IMPERIAL POTENTATE KING: The Chair will now call on General Counsel.

NOBLE TED CORSONES: To the Representatives of the Imperial Council: There has been referred to General Counsel Item 11 which appears on page 21 of the Call. It is a proposal to create a life annuity trust fund.

You have just heard the report of the Finance and Accounts Committee. It addresses many of the issues. However, I believe that there are other issues which you should consider when making your decision.

The current life membership provisions found in Section 332.6 of the Bylaws are very straightforward. These let you know that a Temple may issue a life membership for a sum not less than twenty times the annual dues. These provisions are not subject to interpretation or variance. This Section 332.6 of the Bylaws will be replaced by the present proposal as far as prospective use is concerned.

Under the proposal 11, the "member pays a sum of money in cash determined by the Temple, not less than an amount representing the present value of an immediate life annuity on a single life, computed in accordance with an experience table of mortality." As I read this sentence, it occurs to me that something is missing. You must have an underlying dollar amount, or reference to a factor, before you can actually determine the amount to be paid by an individual Noble. This underlying dollar amount or factor is missing. Is it supposed to say the current dues for the particular year involved when the life annuity membership is purchased?

Next, we all know that dues increase in future years. I have been assured by the Finance and Accounts Committee that they have taken the cost-of-living increase into consideration when drafting this proposal. However, quite often a Temple embarks on an ambitious building, renovation or expanded program for its members. This often is done with an assessment. This may cause a doubling of the current dues. I do not believe this contingency has been included in the formulation of the language of the proposal.

Next, review Subparagraph (d). It provides for the withdrawal of funds under certain procedures. Yet, present or current actuarial assumptions as to interest rates, future inflation, and other variables may impact on the fund after withdrawals have been made. With a little creative structuring of the variables, a Temple may be able to create an excess in a particular year that its general fund needs some assistance.

Next, the word "trust" should not be used in the proposal. The word "trust" has connotations under both state trust law and federal tax law, which could give the proposed funds separate legal and tax identity. It is likely that Temple accountants, recorders and other persons in charge of preparing our Temple financial reports and tax returns, will wonder whether or not a separate taxpayer identification number, or a separate accounting or return, should be created for a "trust." The same comment applies to the present Bylaws.

Lastly, will the extra bookkeeping and accounting be worth it? Keep in mind that it will be a different amount of money for each differently aged Noble in the Temple.

Your General Counsel makes no recommendation on how you should vote on the proposal. I just want you to be aware of some of the concerns that have come to my mind inasmuch as the Imperial Potentate referred this item to me for comment.

Imperial Sir, if there are no questions concerning my report, I request that you call upon Illustrious Sir Benjamin C. Hardin, the proponent, for an appropriate motion.

IMPERIAL POTENTATE KING: I will recognize Illustrious Benjamin Hardin.

ILLUSTRIOUS SIR BENJAMIN HARDIN (Potentate, Antioch Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: First of all, I would move for the adoption of item 11 as indicated in the call.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: The motion has been duly seconded.

Is there discussion?

I will recognize Sam Erickson.

NOBLE SAM ERICKSON: Imperial Sir, there are two comments I would like to make before I go through an explanation of how this was computed.

First of all, I see no problem changing the word "trust" to whatever is acceptable.

Secondly, the dues increase for programs during the year I have been involved with, and

so on, we do not see "dues increases" but we see "applications for assessment, which go through our committee."

Now then, I would like to give you a very brief explanation as to how this was computed.

The committee met and there were several proposals to take care of this particular life annuity and the one that was accepted as the one that we prepared at Mankato State University in Minnesota and the gentleman who assisted me in preparing the program for this is an expert witness in the entire area and fully understands it.

Now, what we used as a backup for this computation was from the National Center for Health Statistics and this publication comes from the Government Printing Office.

In your packet that you received when you registered, you received one page which was the one on the side explaining how to make this computation. That was the first time in your packet and this information stated that to compute your single life membership payment for your age in column 1, multiply any factor in column 2 by the amount of time you paid annual dues. Of course, there we give you some examples, either using a single payment or a five-year payment.

The computation that you would come up with using these tables would be greater than, in most cases, what we currently have in our Bylaws, which is twenty times.

Also, I now would like to explain just briefly as to what assumptions were used.

We used the year 1976, which is that last published statistics and those numbers were based on the survival possibilities of those different ages.

For example, we used a four percent inflation factor to come up with the dollar amounts, and a seven percent interest rate, which would be a real return then of three percent. Now, if you were to go back and examine what happened in the last thirty to forty years, that is what you will discover.

IMPERIAL POTENTATE KING: Thank you, Sam. Can you conclude in one minute?

NOBLE ERICKSON: Yes.

The conclusion is that this was all carefully examined and I feel that the study that we did will work in your Temple and we will, on the Finance and Accounts Committee level, examine this each year to see that the form at seven percent is still applicable. Thank you.

IMPERIAL POTENTATE KING: Thank you very much.

Now, I believe we have an opponent over here.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs and Representatives: What we are creating sounds to be good but what it means is that every year the formula for setting the life membership is going to change.

This means, I feel, that you will receive in the mail from your Recorder's office a form that says "Now your life annuity dies or is going to be according to the table this year."

The current statistics are only good, as Sam said, as long as interest rates are higher by three percent than inflation.

Back a few years ago, you will find out that, in relation to the formula, we were not getting high interest rates and high inflation will price life membership out of the market.

I submit to you the present system is the best system for you. There is less changing and it is something you can operate easily by just putting your money into a passbook and receiving a five percent return. Therefore, I would urge you to reject this proposal.

... The question was severally called for ...

ILLUSTRIOUS SIR HARDIN [Potentate, Antioch Temple]: As you know, Representatives, this legislation was tabled at the 1987 Session. At that time it was moved and second that further action on this proposal be tabled until the 1988 Session in order to allow proper time to come back with a proposal in more detail. This motion was unanimously carried.

The wording in here as proposed legislation has been changed and is now in order for your approval.

The new legislation will permit Nobles to purchase a paid up dues program that is in keeping with their life expectancy.

While this is an excellent tool for retaining members, it also permits the Temple to withdraw each year the amount of current dues or applying it to a current year' operation expenses.

The idea is sound. It permits a Temple to use the life annuity trust fund only if they desire. It is not saying it is mandatory but if used a Noble may, in his income producing

years, produce a paid up membership that will relieve the worry of paying dues when he reaches retirement age.

We have also just heard that we must work for membership increase in our great Fraternity. We must also use every tool available to retain our members.

I urge your approval of this motion for this legislation.

IMPERIAL POTENTATE KING: Thank you very much.

NOBLE EUGENE CAPOBIANCO [Aleppo Temple]: Imperial Sir, Imperial Sirs and Representatives, there seems to be a little bit of conflict here in the fact that in Section 323.12, the life membership, that this also involves Section 332.6 and, as I understand it, this Section is still in the Bylaws and has not been changed and, therefore, we would have to also change Section 332.6 for clarification. In other words, there seems to be a conflict here in the fact that Section 332.6 is still in the Bylaws and still offers a way to be a life member. Now, when you come under Section 323.12 in relation to membership, it makes no provision to go back and I would say that you would have to have some change in Section 332.6 or that Section 323.12 has to clarify that aspect of it. I think that needs to be taken care of.

NOBLE WALTER PETTIT: For clarification, I will say, on behalf of the Jurisprudence and Laws Committee, that question was considered by the committee. The committee determined that to be an alternate with respect to life membership and it is not in conflict or in conflict as it presently stands or is proposed.

... The question was severally called for ...

ILLUSTRIOUS SIR SLATE [Potentate, Ainad Temple]: As I understand this, the Jurisprudence and Laws Committee says that both provisions will be available to the Temple. General Counsel says only one will be available.

NOBLE CORSONES: No.

The answer of General Counsel is that now the twenty times will be our conventional life membership. Insofar as the prospective is concerned, you will have eliminated the life part that we have.

Also, Illustrious Sir, I think that Walter Pettit was indicating to you that he did not see any conflict in the Bylaws. He thought the conflict would be handled within the Bylaws but he was not disagreeing insofar as substance was concerned.

IMPERIAL POTENTATE KING: Well, the question has been called for. It takes a two-thirds vote.

All in favor of the adoption of this amendment please say aye; opposed. I will say that it failed of the necessary two-thirds majority.

I will recognize Judge Cooper.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 13 on Call of the Annual Session of 1988, located on page 23 the Call. It is a proposal to amend Section 335.2 of Article 35 of the Bylaws of the Iowa Corporation by adding certain language so that such Section, as amended, will read as follows:

ARTICLE 34

Section 335.2 Improper Advertising

(a) The use of the word "Noble" or "Shriner" or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises is prohibited unless specifically approved by a majority vote of the Representatives present during the Annual Session of The Imperial Council. Any proposal to allow the use for such purpose shall first be sent by a Representative to the Imperial Recorder, in writing and in the form to be proposed, at least sixty days before the Session of The Imperial Council at which it is to be submitted; and every such proposal shall be published with the Notice of the Session.

(b) This section does not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Walter S. Pettit, Jr., for an appropriate motion.

IMPERIAL POTENTATE KING: The Chair will recognize Walter Pettit.

NOBLE WALTER PETTIT: Imperial Sir, I move adoption of the proposal as presented.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: You have before you the motion and the second to adopt this proposal.

Is there discussion?

If not, all in favor say aye; opposed. It is unanimously carried.

ILLUSTRIOUS SIR DWANE TREAT [Potentate, Scimitar Temple]: Imperial Sir, I would like to move that item 3 in the Call be reconsidered so that it will comply with 10 in the same language.

IMPERIAL POTENTATE KING: Let me ask you, Illustrious Sir, how did you vote on that?

ILLUSTRIOUS SIR TREAT: Imperial Sir, I did not get a chance to vote or comment. It was passed without any comment.

IMPERIAL POTENTATE KING: Well, I understand that the legislation has already been adopted and so your motion will be out of order.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, if the legislation, when considered, was defeated, defeated legislation can be reconsidered, adopted legislation cannot.

ILLUSTRIOUS SIR TREAT: Thank you.

IMPERIAL POTENTATE KING: I will recognize Sewell Lamdin.

ILLUSTRIOUS SIR LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals the matter of Judd B. Farr, a former Noble of Hejaz Temple who was expelled from his Blue Lodge, Mt. Vernon Lodge No. 22, located at Athens, Georgia, for further consideration in light of the legislation concerning retention of membership which was adopted retroactive to 1980.

Prior to your committee convening to consider these new developments, information was received that the Grand Masters of Georgia and South Carolina were confident that they could resolve the matter.

In view of the above, your committee recommends that the jurisdiction over this appeal remain with your Committee on Grievances and Appeals until the 1989 Session of the Imperial Council to be held in Toronto, Canada, July 2-7, 1989.

Respectfully submitted,

IMPERIAL POTENTATE KING: As I understand it, the committee recommends that the jurisdiction concerning this particular appeal remain with the Committee on Grievances and Appeals until the 1989 Imperial Council Session. That was your recommendation?

ILLUSTRIOUS SIR LAMDIN: It was, Imperial Sir, and I would so move.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KING: You have heard the motion, which was duly seconded. Is there any further discussion?

If not, all in favor of the motion please say aye; opposed. The motion is carried.

ILLUSTRIOUS SIR R. J. BLACKMAN [Past Potentate, Kena Temple]: Imperial Sir, I am wondering if it would be in order to make a motion that a letter be written to the Grand Masters of Georgia and South Carolina commending them on what they have done in the interest of Masonic and Shrine unity.

IMPERIAL POTENTATE KING: I would like to say to you that I feel that this has been done. I feel that these two men are in the ball park. I feel that these two men are in the ball park. I would speak to them but I think this thing will resolve it.

NOBLE WALTER PETTIT: Let me say, Imperial Sir, that the duties of the Committee on Jurisprudence and Laws will be concluded after three more reports.

If I may, Imperial Sir, I would like to make one consolidated report, with your approval, with assurances that those matters which concern the actions of the Imperial Potentate with reference to approval of Bylaws, rejection of Bylaws and Rules and Decisions may be covered at one time? I can assure you that the full report will be put into the record if you approve this consolidation.

IMPERIAL POTENTATE KING: Is there objection?

Hearing no objection, it is so ordered.

NOBLE PETTIT: To the Representatives of the Imperial Council: This will be, with your approval, a consolidated report—the full text of which will be published in the record.

The Imperial Potentate's report of all Bylaws approved and rejected and Rulings and Decisions issued were delivered to you in your Representatives' packet. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that the Imperial Potentate's Rulings and Decisions are in proper and legal form and were submitted in compliance with the Bylaws of the Imperial Council. It, therefore, reports that all Rulings and Decisions and the Bylaws of Temples have been properly determined and recommend approval.

. . . The motion was severally seconded . . .

DEPUTY IMPERIAL POTENTATE McMULLAN: Is there discussion?

. . . There being no discussion, the motion was voted upon and declared to be carried . . .

. . . The individual reports, as mentioned in the aforementioned report are inserted in this record as follows . . .

To the Representatives of the Imperial Council: The Imperial Potentate's report of his Rulings and Decisions were issued pursuant to Section 206.5(a)(13) of the Bylaws of the Imperial Council, an Iowa Corporation, and summaries thereof were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. DEPUTY IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second, Is there discussion?

... There being no discussion, the motion was voted upon and was declared to be carried

... NOBLE PETTIT: I believe, Imperial Sir, that completes the business we have before us and at this time I do wish to make a concluding statement.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I know I speak for you—the Representatives of the Imperial Council—when I extend congratulations to Imperial Sir Voris King for the manner in which he conducted this One Hundred Fourteenth Imperial Session. Do you not agree? (Applause)

I would like to also congratulate you, the Representatives to this Imperial Session, for the businesslike and fraternal manner in which you have conducted the affairs of this great Fraternity and its hospitals.

Next, I would like to thank the members of the Committee on Jurisprudence and Laws in your name for a job well done and in a fashion which I believe to be appropriate for your lawyers. It was accomplished with hard work, in an unassuming manner and with the utmost efficiency.

They have worked in your vineyard for a solid week now, meeting sometimes with four or more committees each day, sometimes day and night. They are all fair-minded and dependable.

To Bob Cooper of Alhambra Temple and Jerry Davis of Tadmor Temple, a special thanks for your work with the Committee on Jurisdictional Lines.

To General Counsel, Ted Corsones of Cairo Temple and Bob Lake of Hejaz Temple, a similar thanks to you for your work with the Committee on Dispensations and Charters.

To Buddy Tingle, Zamora Temple, to Bill Buckaway, Jr., of Kosair Temple and to our Emeritus Member, Bob Turley, will you join me in extending to them our appreciation for their dedication and response? Thank you very, very much. (Applause)

IMPERIAL POTENTATE KING: Thank you all, you certainly ran it just like I wrote it. (Laughter) However, thank you again and thank you all for the kindness you have extended to me and given all during this Session.

Now, I believe we have one more item of business and that is the Imperial Treasurer's report and I will recognize Imperial Sir Webber Harrington at this time.

IMPERIAL SIR HARRINGTON: Thank you.

Imperial Sir, Imperial Sirs and my Fellow Representatives: I will give you a quick Treasurer's report on both the Iowa and Colorado Corporations.

First of all, as I suggested yesterday, I hope all of you have read the Blue Book of Reports which was in your Representatives' packet. There is valuable and important information contained in those reports and I believe you will gain important knowledge about both of the corporations if you will please take time to read them.

Now, with respect to the Iowa Corporation, we have had during each of the last few years, because of not knowing what airline fares might amount to, to budget deficits in this

corporation. However, if you will read the Treasurer's report, the five-year comparative summary that I have given you, you will note that in each of those five years that we again wound up in the black.

However, that is the good side of it. The bad side is that with respect to the year 1987, the only reason we wound up in the black is because we were left a bequest of ninety-some thousand dollars to the Imperial Council and therefore you can see that we are getting into a position that we will have to take a hard look at in relation to future finances of the Iowa Corporation.

Now, with respect to the year 1988, I am pleased to tell you that upon having the mileage financially determined, we will be able to reduce the amount of budgeted deficit shown in your packet by \$362,000.

Now, again, that is the good news side of it. The bad news side is that this will still leave us in a deficit position of approximately \$290,000.

I know that we will be looking hard at this when we have a meeting of the Joint Boards this afternoon and I am going to suggest to the Imperial Potentate-Elect that a committee be appointed to study the future finances of the Iowa Corporation.

I might add that some six to seven years ago, I chaired such a committee and I am pleased that as a result of the efforts of this committee and the actions subsequently taken by the Imperial Council, we have covered the past five years, I think, in a very credible and responsible fashion. However, we do need to take another hard look at where we are going in the future.

Imperial Sir, I would move that this report with respect to the Iowa Corporation be received.

. . . The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried . . .

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: Now we will have brief reports relative to Time and Place. We are first going to have a report from our Imperial Potentate Elect, Ed McMullan.

IMPERIAL SIR McMULLAN: Thank you.

IMPERIAL SIR, IMPERIAL SIRs AND MY FELLOW NOBLES: Please do not forget Toronto in 1989, July 2-7. You all come, hear?

IMPERIAL POTENTATE KING: We will next hear from George Powell, Deputy Imperial Potentate-Elect.

IMPERIAL SIR POWELL: Thank you.

Imperial Sir, Fellows Nobles, I trust you will have some money left when we finish in Toronto and if you do, we want to invite you to Chicago. It will be July 2-6. Thank you very much.

IMPERIAL POTENTATE KING: Thank you, George.

We will next call on Chief Rabban-Elect, Joe Padgett.

IMPERIAL SIR PADGETT: The dates will be July 1-5 in San Francisco. Thank you very much. You all come.

IMPERIAL POTENTATE KING: Thank you, Joe.

We will from our Imperial Assistant Rabban-Elect, John W. Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Representatives: At the current time I have been negotiating with Atlantic City for the dates of June 29 through July 3.

The hotels in that city have been involved with takeover fights. This coming Wednesday, July 6th, I have a meeting with them and, hopefully, will be able to get that matter put to bed and be able to go to Atlantic City, New Jersey. The dates are June 29 through July 3.

I will also assure you that prior to the time we go there that I personally will meet with all of the members of the Grand Lodge of New Jersey, the Temples in New Jersey and we will have a harmonious Session. Thank you.

IMPERIAL POTENTATE KING: I will next call upon Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, you know, Texas is such a large state that I am still looking down there. However, it will be in Texas and our Grand Master will be willing for us to come down but I will let you know next year where it will be at.

IMPERIAL POTENTATE KING: Thank you, Everett.

Now, I believe that our Director General, Joe Vita, is here to present to you some closing remarks.

DIRECTOR GENERAL VITA: Imperial Sir, Imperial Sirs, Fellow Representatives and Nobles All: You know, I have been getting quite a few compliments. However, I just want to say this much to you—that you fellows are the ones that made this convention the great success it was and I hope, fellows, you have enjoyed yourselves. We have appreciated you coming down here to New Orleans and spending a few days with us.

Also, we are looking forward to seeing you in Toronto and at the other forthcoming Sessions in the future. Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Is not he great?

I would now like to call on our Imperial Recorder, Jack Jones, for a report from the Resolutions Committee.

IMPERIAL SIR JACK JONES: Imperial Sir and Nobles, Jack Streight, Chairman of the committee, asked that I present this resolution to you. However, in the essence of time and because we are pressed for time, I would like to, with permission of this Imperial Council, request that this report be put into the minutes of the meeting without reading and for record purposes, and I so move.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

... The report of the Resolutions Committee is inserted as follows ...

RESOLUTION

WHEREAS, the One Hundred Fourteenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine convened in New Orleans, Louisiana, June 28 to July 1, 1988; and,

WHEREAS, the City of New Orleans, the home of Mardi Gras, extended southern hospitality and a warm welcome to all the Nobles and their families; and,

WHEREAS, much of the success of this important Session can be credited to careful, conscientious and total planning of the Potentate, Walter W. Park and his Divan, the Director General, Joe Vita and the Nobility of Jerusalem Temple; and,

WHEREAS, the progress of the Order during the past year must, in an immeasurable amount, be due to the untiring efforts and energy of Imperial Potentate Voris King, his Divan and the Board of Trustees; and

WHEREAS, the interesting debates made this Session extremely active, and the addition of many honorable sirs and Grand Masters only added to the occasion; and,

WHEREAS, Oldsmobile Division of General Motors has added pleasure and comfort to the Imperial Family, Illustrious Officers and Nobles;

NOW, THEREFORE, BE IT RESOLVED, That our official thanks and deep appreciation for the many things done for our convenience, pleasure and comfort, be extended to each of the foregoing individuals, city and state officials, and organizations for a successful and pleasant Imperial Council at New Orleans, the Pelican State of Louisiana; and,

BE IT FURTHER RESOLVED, That this resolution be made a part of the minutes of this Session and your Committee on Resolutions, be discharged from our assignment.

Respectfully Submitted,
COMMITTEE ON RESOLUTIONS
Jack M. Streight, Q.C., Chairman
Robert B. Bailey
John D. VerMaas
Walter W. Park
Geralto "Joe" Vita

IMPERIAL POTENTATE KING: Thank you, Jack.

Now, I will again recognize Imperial Sir Jack for the presentation of some motions that he has for your action.

IMPERIAL SIR JONES: Imperial Sir, I would move that all of the acts and transactions of

those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KING: Now, before we go into the installation, I would like to tell you how great it has been to serve as your Imperial Potentate, particularly during this Session. I want to also indicate to you how wonderful you all have been. You are one of the greatest groups that I have ever been associated with and I thank you very much.

We will now go into the installation of our newly elected Imperial Potentate.

. . . Rising applause to Imperial Potentate Voris King then ensued at this point . . .

IMPERIAL POTENTATE KING: Thank you very much.

I will now call on Illustrious Sir Robert Turley who will conduct the installation.

. . . The gavel was tendered to Illustrious Sir Turley at this point . . .

ILLUSTRIOUS SIR TURLEY: Thank you very much.

Let me first announce that Imperial Sir Gene Bracewell will be the Installing Marshal.

At this point, I will ask Imperial Sir Bracewell to place the elected Officers and duly elected Trustees in position.

. . . At this time, the Officers to be installed were placed in their appropriate positions . . .

IMPERIAL SIR BRACEWELL: Imperial Sir Bob Turley, the Officers and Trustees to be installed at this time are properly in position.

ILLUSTRIOUS SIR TURLEY: Thank you very much.

Now, I am going to ask each of you to raise your right hand, say "I" and repeat after me.

. . . The Officers, in unison, then repeated their Oath of Obligation . . .

ILLUSTRIOUS SIR TURLEY: And now to you, Imperial Potentate-Elect, you have to give me answers to the following vows that I will present to you.

. . . Whereupon, Imperial Sir McMullan repeated his answers to the vows as presented by Illustrious Sir Turley . . .

ILLUSTRIOUS SIR TURLEY: And now I would like to call for the presentation of the Imperial Potentate's Fez by the Potentate of Al Azhar Temple, Illustrious Sir Jack Dunlop.

ILLUSTRIOUS SIR JACK DUNLOP [Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs and Nobles All: It gives me a great deal of pleasure to be able to put the Imperial Sir's Fez on his lovely head and I hope he will wear it with pride and humility as he travels throughout our two countries and also, Imperial Sir, please remember you are a Canadian.

. . . Presentation of Imperial Potentate's Fez and applause ensued . . .

ILLUSTRIOUS SIR TURLEY: Imperial Sir, to present your Jewel of Office, I will next recognize Noble Donald McDiarmid, Chief Rabban of Al Azhar Temple.

NOBLE DON MCDIARMID [Chief Rabban, Al Azhar Temple]: Imperial Sir, it gives me great pleasure to present you with your Imperial Potentate's Jewel. I know that you will wear this Jewel with pride and, in the wearing of it, likewise perform great service for the Shrine of North America. (Applause)

ILLUSTRIOUS SIR TURLEY: And now, I will ask each of the Imperial Officers who have not already done so, to invest their successor with the Jewels of Office that they have worn during the previous year and which their successors will likewise wear during the ensuing year.

. . . Whereupon, the other Imperial Officers, at this time, invested their successors with the respective Jewel of Office . . .

ILLUSTRIOUS SIR TURLEY: And now, Illustrious Past Potentate of El Maida Temple and Past Recorder of that Temple, Dag Nobles will present the Fez to the newly elected Outer Guard, his son, John Nobles.

NOBLE DAG NOBLES: Imperial Sir, Imperial Sirs, Illustrious Potentates and Nobles All: I consider this a rather great honor because I placed the Fez on this young man when he went through the Ceremony and became a Shriner and, at the same time, was in a class of three generations—his uncle, great uncle and himself in that Ceremonial.

You know, his mother was very interested in all of his progress in Masonry. It is true that the Supreme Being decided that he needed her about a year ago and so, in honor of her at this time, I am placing this Fez on your head.

... The Three-Star Fez was then placed upon the head of John Nobles ... (Applause)

ILLUSTRIOUS SIR TURLEY: Thank you very much.

I will now ask the Imperial Potentate Designate and about to be installed Imperial Potentate, to announce the appointment of your Imperial Chaplain at this time, please.

IMPERIAL POTENTATE-ELECT McMULLAN: Thank you very much.

My Imperial Chaplain for the ensuing year will be Harry Alger, a member of the legislation of Alberta and a member of Al Azhar Temple.

Certainly, Harry, it gives me a great deal of honor to present you with your Imperial Chaplain's Fez of office. I know that you will perform your duties with dignity and pride as you have carried them out in the past.

... Presentation of Imperial Chaplain's Fez and applause ensued ...

ILLUSTRIOUS SIR TURLEY: I would now like to call upon Bill King, present Imperial Chaplain, to make the presentation of the Jewel of Office to the new Imperial Chaplain.

IMPERIAL CHAPLAIN KING: Thank you, Bob.

Imperial Sir, Imperial Sirs and Nobles: It has been an extreme pleasure for me this year to have had the honor to wear this Jewel as your Imperial Chaplain. I thank you all for the honor of having been able to serve in the company of all of these great Past Imperial Chaplains that we have had in the past.

I know that the Noble that will wear this Jewel during the next year will be very proud and I know also that Harry is going to do a good job and that we all will be proud of him. Congratulations.

... Presentation of Imperial Chaplain's Jewel to Noble Alger ensued ... (Applause)

ILLUSTRIOUS SIR TURLEY: I now would like to call upon Bill King to present the Past Potentate's Fez to the now Junior Past Imperial Potentate, Voris King.

NOBLE BILL KING: Thank you very much, Bob.

It is truly an honor for me now to place on the head of my father this Past Imperial Potentate's Fez and, as I told you all when he started, he has now reached the out house.

... Laughter and Applause ensued ...

ILLUSTRIOUS SIR TURLEY: I will now call upon Past Imperial Potentate, Dr. Dan Bowers, to now invest the Past Imperial Potentate Voris King, with his Jewel of Office.

IMPERIAL SIR BOWERS: Imperial Sir, it is a special pleasure for me to perform this task because you have been loved by all the faithful members of the Shrine throughout this great land of ours during the past year. You have served the Order well.

I now present to you your Past Imperial Potentate's Jewel and, of course, I know you will wear it well in the coming years.

... Presentation of Past Imperial Potentate's Jewel to Imperial Sir Voris King ensued ... (Applause)

ILLUSTRIOUS SIR TURLEY: And now, the presentation of the Fez and Jewel of the Past Imperial Chaplain, Bill King, will be made by Dr. Daniel Bowers and Imperial Sir Voris King.

IMPERIAL SIR BOWERS: And to you also, Bill, you have been a charming Chaplain throughout the year. You have served the Order well. You have been loved by all and your dedication to the Order has been tremendous and it a pleasure for me to place this Jewel upon you indicating you as a Past Imperial Chaplain.

... Presentation of Jewel and applause then ensued ...

NOBLE BILL KING: May the blessing of the Lord be upon you and may the Lord smile upon each of you as you return to your several homes. Thank you so much.

... At this point, the Past Imperial Chaplain's Fez was placed upon the head of Noble Bill King by his father, Imperial Sir Voris King ... (Applause)

ILLUSTRIOUS SIR TURLEY: I now declare the Imperial Officers and new members of the Board of Trustees of Shriners Hospitals for Crippled Children installed. I will ask our installing Imperial Marshal to please make the proclamation.

IMPERIAL SIR BRACEWELL: Imperial Sir and My Fellow Representatives of the Shrine of North America, I now declare the Imperial Officers and Trustees as duly installed to their respective offices to which they have been elected for the ensuing year.

Thank you very much and let us give them all a great big, resounding applause.

... Resounding standing applause then ensued ...

ILLUSTRIOUS SIR TURLEY: And now, Imperial Potentate, it is now my great pleasure to present to you the gavel by which you will conduct the proceedings of this Imperial Council.

. . . The gavel was then presented to Imperial Potentate Ed McMullan . . .

IMPERIAL POTENTATE McMULLAN: Thank you very much, Illustrious Sir Bob Turley.

I wish to thank both you and Imperial Sir Gene Bracewell for the wonderful job you did in getting all of us into these respective offices. We all greatly appreciate it.

Also, in accordance with the Bylaws, it is now my duty to announce the standing committees for 1988–1989.

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

January 1 - December 31, 1987

Imperial Potentate Voris King, Officers and Members of the Imperial Council, A.A.O.N.M.S., in meeting assembled at New Orleans, Louisiana, June 1988:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

I urge you to read carefully the report of our independent auditors, KPMG Peat Marwick, which is included in this Book of Reports. Supplementing the report of our auditors, I have prepared and am appending hereto for the internal use of our officers, staff and representatives, a summary of the revenues, expenses, and changes in fund balance of the Imperial Council for the five years ended December 31, 1987.

Those of you who were Imperial representatives last year will recall that the Imperial Treasurer's report for 1986 contained a ten year summary of revenues, expenses and changes in fund balance. However, inasmuch as the last change in per capita dues was effective for the year beginning January 1, 1983, a comparison of the last five years is much more meaningful and informative. Also, certain reclassifications have been made in the amounts shown in the audit reports of prior years and, most importantly, the date of assessment of per capita dues was changed to January 1, effective with the year just ended, whereas in previous years the per capita dues were assessed as of December 31 of each year and were remitted by the temples to the Imperial Council during the subsequent year.

This change has the effect of deferring to 1988 the accrual of per capita dues of approximately \$2,365,000. The following is a comparative summary, exclusive of adjustment due to change in date of assessment of annual per capita dues, for the two years ended December 31, 1987:

	1987	1986
Revenues	\$ 2,852,237	\$ 2,828,375
Expenses	<u>2,830,796</u>	<u>2,706,126</u>
Excess of revenues over expenses	<u>\$ 21,441</u>	<u>\$ 122,249</u>

I also wish to call to your attention the fact that the 1987 revenues include a bequest of \$91,490, without which the Imperial Council would have had an excess of expenses over revenues of approximately \$70,000.

The comparative statement appended hereto clearly reflects the following:

1. The steady reduction of per capita dues and initiation fees due to decline in membership and fewer new member creations.
2. Reduction in investment income due to decline in interest rates.
3. Decrease in data processing revenues (net of direct expenses).
4. Increase in most categories of expenses due both to increased activity and to inflation.
5. Reduction in cost of Imperial Council session due to the outstanding cooperation of Imperial Council representatives in seeking and obtaining the lowest-cost air fares, thereby saving hundreds of thousands of dollars over the five year period. This is the principal reason that we have operated as successfully as we have for the past five years.

Due to uncertainty regarding air fares, we have been forced to adopt proposed budgets each of the last five years that have projected large deficits, which have then been adjusted after actual air fares have been determined at the time of the annual sessions. This is the principal reason that the budget adopted at the Las Vegas session projected a deficit of \$659,083 for 1988. We hope that the Finance and Accounts Committee will be able, with the information that will be available at the New Orleans session, to propose a substantial reduction of the 1988 budgeted deficit.

A comparison of actual vs. budgeted amounts for each category of income and expense for the budget year of 1987 is shown in the report of the Finance and Accounts Committee in this Book of Reports. That Committee will make a report on both the 1987 and 1988 Iowa Corporation budgets at the Imperial Session.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington
Imperial Treasurer
Imperial Council, A.A.O.N.M.S.

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: *Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.:*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1987 to December 31, 1987 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1988 Election Returns of the 189 Temples reflect that there are Representatives to the 1988 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	18	18
Emeritus	121	99
Elected	749	749
Appointed	2	<u>2</u>
Total		881

At the end of 1987, the Temple's Annual Report showed a total of 822,625 Nobles plus 5,727 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 61,229 Nobles, which relieves them from paying the Annual Shriners Hospital Assessment.

The net loss in Shrine membership for the year 1987 was 24,859 Nobles. Our net loss has progressively increased each year since 1979. There are two major problems confronting us—the declining number of creations and the high number of suspensions. Last year, we created only 18,886 and suspended 18,976—the first year our suspensions outnumbered our creations!! It is imperative that we find ways to attract new members and each Temple must develop programs to retain its present members. Without a substantial reduction in the number of suspensions, the Shrine must annually *create* approximately 40,000 new Nobles (more than twice the number created in 1987) in order to maintain a healthy growth posture.

The membership details reflected in Annual Temple reports are printed as a part of this report. It should be noted that only 21 Temples reported a net gain in membership while 168 had losses during the year.

Every Potentate should make membership the number one priority in his Temple. He must analyze his Temple's past programs, closely scrutinize its present operation, and develop innovative programs that will enhance membership. If you don't have a committee already structured,

use the manual recently developed by the Imperial Membership Committee as a guide.

Here are some thought provoking questions. Does your Temple have the best qualified Noble as Membership Committee Chairman? Does he have a realistic budget? Does your Temple have plenty of activities—social and otherwise—to keep the interest of its members? How is your Temple's image in the communities throughout your jurisdiction? Is your mosque building in good condition? Is it located in a desirable area of town and is there adequate parking? If you don't have your own mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

It is very important that all Temple officers work in close harmony with all Masonic organizations to develop programs that will benefit our Masonic family. We must work hand in hand with the Scottish Rite, York Rite, and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. It is a part of the philosophy of Masonry to help and encourage youth, and what better way is there to invest a part of our time and money than in prospects for future members. Besides, even those who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer of your state or province to find out how your Temple can help.

Imperial Potentate Voris King has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shrine Masons, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your Temple with that of others. Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the World's Greatest Philanthropy.

Es Selamu Aleikum

Respectfully submitted,

JACK H. JONES

Imperial Recorder

**THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA:**

We have examined the balance sheets of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (an Iowa Corporation) as of December 31, 1987 and 1986, and the related statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1987 and 1986, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Our examinations were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included on pages 23 and 24 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the examinations of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 1987 and 1986

(1) *Summary of Significant Accounting Policies*(a) *Organization*

The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is exempt from U. S. Federal income tax under Section 501(c)(10) of the Internal Revenue Code.

The Imperial Council is the supreme authority of the Shrine temples of North America. The Shrine is an international fraternity of approximately 828,000 members who belong to 189 temples throughout the United States, Canada, Mexico and the Panama Canal Zone. Each temple is a separate unincorporated association with its own governing body and finances.

(b) *Dues and Fees*

The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Beginning in 1988, per capita dues will be assessed effective January 1 of each year, previously dues were assessed effective December 31 of each year and were remitted by the temples to the Imperial Council during the subsequent year (see note 4). Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session and is credited as a liability to the session.

(c) *Marketable Securities*

Marketable securities are carried at the lower of cost (or estimated market value at date of receipt if received by gift or bequest) or market determined at the balance sheet date.

(d) *Property and Equipment*

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

(2) *Cash and Cash Equivalents*

Included in cash and cash equivalents are repurchase agreements amounting to \$3,330,000 and \$2,920,000 at December 31, 1987 and 1986, respectively. These amounts are fully collateralized by U.S. Treasury obligations.

(3) *Property and Equipment*

Property and equipment consists of the following:

	December 31	
	1987	1986
Automobiles	\$ 43,930	29,645
Equipment	10,700	-
	<u>\$ 54,630</u>	<u>29,645</u>

Depreciation expense was \$10,983 and \$6,420 for 1987 and 1986, respectively.

(4) *Adjustment due to Change in Date of Assessment of Annual Per Capita Dues*

At the Imperial Session in June of 1987, the Imperial Council adopted the policy, beginning in 1988, of assessing per capita dues on January 1 of each year. Previously dues were assessed as of December 31 of each year and recognized as revenue in the year assessed. Consequently, no dues have been assessed in 1987. For comparability purposes, revenues have been reflected as if dues had been assessed, and the related adjustment of \$2,365,770 (before Canadian exchange differences) due to the change in the date of assessment of annual per capita dues has been reflected as an expense.

(5) *Due From Imperial Council Session Corporations*

A separate corporation is formed for each of the annual Imperial Council Sessions (Sessions). Per capita tax amounts are advanced to the Convention Corporations to assist in defraying the expenses of the Sessions, including the reimbursement of travel costs of the Central office staff. Any unused per capital tax advances are required to be repaid to the Imperial Council.

NOTES TO FINANCIAL STATEMENTS

(Continued)

Estimated repayment of unused per capita tax from the 1986 Los Angeles Convention Corporation of \$26,952 was included in receivables at December 31, 1986 and received in 1987. Additional refunds of unused per capita tax totalling \$9,391 were received in 1987 from the Los Angeles Convention Corporation and are included in current year revenues. Reimbursement of costs incurred on behalf of the Session of \$23,463 due from the 1987 Las Vegas Convention Corporation was included in receivables at December 31, 1987 and was received in February, 1988. The amount, if any, to be received from the Las Vegas Convention Corporation for refund of unused per capita tax, was not determinable at December 31, 1987.

(6) *Transactions with Shriners Hospitals for Crippled Children*

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$(223,557) and \$224,674 were due (to) from SHCC at December 31, 1987 and 1986, respectively.

(7) *Retirement Plans*

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. There was no contribution to the plan in 1987 or 1986 and consequently no cost was allocated to the Imperial Council.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred under these plans was \$5,025 in 1987 and \$6,447 in 1986.

The deferred compensation plan consists of an annuity payable of \$16,509 and \$5,318 at December 31, 1987 and 1986, respectively, to an employee of the Imperial Council. An asset equal to the liability is included in the balance sheet.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1988

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its

flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representatives should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Lane

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others

stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir of Temple, (City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir of Temple, of (City), (State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and

SHRINERS HOSPITAL

Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Director at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

The Queen

It must be realized that Canadians do not pledge allegiance to their flag, but rather the crown. The country is the crown. The crown stands enshrined in the Canadian constitution as the emblem of the head of state, meaning, "The Queen."

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:

"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to the "Office" of the President of the United States.

Salute to the Office of the President of Mexico (when appropriate).

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang enough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol proce-

ture throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem

of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officer returns the salute.

Salute to the Flag

Auditorium

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

In Parades

Only the color party of each temple is saluted when passing in review.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

SHRINERS HOSPITAL

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be nondenominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

Temple Membership

§ **323.1 Temple; how constituted.** A temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knight's Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason (or a 14° Mason who cannot advance further due to absence of a special invitation) in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or a Supreme Council in amity with and recognized by either of them.

(b) A temple may not add to or take from the qualifications for membership in temples as fixed by these bylaws. A temple may not require that a candidate must be qualified under both (1) and (2) above.

Amend. 1988

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the temple to which he applies for membership or waiver.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed

immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; when initiated.

(a) A temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) The applicant need not hold a demit to make an application for associate membership. However, an application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

Amend. 1988

(c) Upon election of an applicant for associate membership, the second temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second temple shall not affect his membership in the temple to which he first belonged; but his sus-

pension for nonpayment of dues to the first temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either temple shall be given to the other temple and to the Imperial Recorder.

(e) Election of an associate member to life membership in one temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both temples except that he may not hold elective office in the second.

(h) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by an associate member who is in good standing and free from charges;
or

(2) Expulsion; or

(3) Death.

Amend. 1972, 1975, 1982

§ 323.8 Retention of Membership.

(a) In order to retain membership in a temple, a Noble must maintain the requirement of § 323.3(a), unless otherwise herein provided.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his membership in his temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his temple without vote of the temple. He may not be charged with dues to the temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his temple does not restore him to good standing in the temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for

any reason other than non-payment of dues, the loss of membership in his temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in §208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to the Imperial Council with its decision. If the appeal is sustained by the Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple. This subsection is retroactive to 1980)

Amend. 1987

(f) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its temples, the Imperial Potentate shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its temples in such jurisdiction retain all their rights, responsibilities and authority, notwithstanding any provision of the bylaws to the contrary.

Amend. 1988

(g) Except as herein provided, a temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the temple.

Amend. 1978, 1979, 1987

§ 323.9 Suspension or Termination of Membership

(a) Rights of membership in a temple are suspended by:

(2) **Suspension for non-payment of dues; or**

(3) **Suspension for other cause.**

(b) **Membership is terminated by:**

(1) **Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by a member who is in good standing and free from charges; or**

(f) A demit entitles the holder to affiliate with a temple only pursuant to these bylaws.

(g) When a demit is issued to a Noble residing outside the exclusive or concurrent jurisdiction of the issuing temple and in the jurisdiction of another temple, the Recorder of the issuing temple must give written notification within 30 days of the issuance to the Recorder of the temple in whose jurisdiction he resides. In the event such Noble resides in territory in concurrent jurisdiction (which is not concurrent with the issuing temple) the Recorder of the temple located nearest his residence shall receive the foregoing notification. The notification shall recite the Noble's name and address and the date the demit was issued.

Amend. 1982

§ 323.11 Suspension for nonpayment of dues.

(a) A temple may not carry a member on the books who is more than 2 years in arrears. The temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

- (1) He must be notified by first class mail that he is in arrears;
- (2) He must be given an opportunity to be heard;
- (3) He must be admitted to the temple for this purpose even though he is in arrears; and

(4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the temple upon terms authorized by the temple; and

(3) The restoration must be reported to the temple at its next stated meeting and recorded in the minutes.

§ 323.12 **Life Membership.** Life membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

§ 323.13 **Honorary Membership.**

(a) Honorary membership may be conferred by a temple upon any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 24

(a) Every temple must hold a stated meeting at least once in each calendar quarter. The Imperial Potentate may grant a special dispensation to change the date of any stated meeting.

(b) The first stated meeting of each calendar year must be held in January at the location of the temple and it is the annual meeting.

(c)(1) Not more than two stated meetings of the temple during a calendar year may be held elsewhere than the location of the temple but within the exclusive or concurrent jurisdiction of the temple. If the stated meeting is to be held in concurrent jurisdiction, and the temple is not located therein, then a written consent therefor must be secured from all other temples in the concurrent jurisdiction.

Amend. 1987

(2) The specific nature of the business to be transacted at a stated meeting held elsewhere than at the location of the temple must be set forth in the notice of the meeting.

(3) No action may be taken on any resolution to change the location of the temple, amend the temple bylaws, amend the temple budget, increase the temple dues, or pass an assessment except at a meeting held at the location of the temple.

Amend. 1979

§ 324.2 Ceremonial Sessions.

(a) **When.** Ceremonial sessions may be called by the potentate at any time.

(b) **Where.**

(1) A temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the temple.

(2) Where 2 or more temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the temple; but upon request of a temple accompanied by written consent of the other temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(3) A temple may hold a ceremonial session in states, territories or countries where no temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(4) A temple may hold a ceremonial session within the jurisdiction of another temple upon written request and provided it obtains the written consent of the temples affected within whose jurisdiction such ceremonial session is to be held.

§ 324.3 Special meetings. Special meetings may be called by the Potentate at any time, but notice must be given to each member stating the business to be considered and no other business than that specified in the call may be transacted. Except, however, the Potentate may, at a stated meeting of the temple, issue a call for a future special meeting for the single purpose of receiving and balloting on candidate petitions, without any further notification to the temple members.

Amend. 1987

§ 324.5 Notice of meetings. Unless a longer time is specified in these bylaws, not less than one-week's notice must be given of the time and place of all meetings and ceremonial sessions.

(a) The Potentate shall open and preside at all meetings and sessions of the temple.

(b) The Chief Rabban shall preside in the absence of the Potentate.

(c) In the absence of both the Potentate and the Chief Rabban, the Assistant Rabban shall preside.

(2) The requesting temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a temple in any other jurisdiction.

(e) A temple may not grant a blanket waiver.

(a) A petitioner, actually residing within a temple jurisdiction, may not petition elsewhere for initiation without a waiver from the temple.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no temple is located and when no temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest temple located in an adjoining state to his state of residence, if the location of that temple is within 25 miles of his residence; and no waiver from any temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the temple to which the petition is presented.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. (d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new temple.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new temple must contain a specific designation of the territorial jurisdiction of the new temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council.

Amend. 1974, 1984.

The temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of temple under dispensation.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 Definitions. In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(h) "Prosecutor" is the Noble representing the temple in the trial of the accused Noble.

(j) "Notice notify, provide, deliver or file" means to mail, first class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

330.4 Procedure. Proceedings for the discipline of any Noble by a temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate

of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall

be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who wilfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not

required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the temple or the accused Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the temple

to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ ds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ ds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling temple and it must be approved by a majority vote of the members present and voting.

§ 101.9

1966 Proceedings, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

1987 Proceedings, p. 118. *"Absent clear and persuasive evidence of breakdown of Article 30 procedure, Imperial Potentate will not interfere.*

§ 203.1

1976 Proceedings, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

§ 206.5

1966 Proceedings, p. 211. *General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.*

1970 Proceedings, p. 96. *The Imperial Potentate may suspend from office a Representative to the Imperial Council.*

1973 Proceedings, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (l), General Orders which have expired are no longer Shrine law.*

§ 207.3

1976 Proceedings, p. 176. *While the minutes of the Boards of Directors and Trustees must be produced and read to the Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.*

§ 208.6

1971 Proceedings, p. 97. *Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under § 208.6.*

1972 Proceedings, p. 153. *An appeal from a decision of the Imperial Po-*

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6.

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 209.2

1988 Proceedings, p. 237. Activities of a group unauthorized under this section, may be enjoined by the Imperial Potentate.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

Also, 1984 Proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "pre-requisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20. § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "pre-requisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is

terminated by expulsion, and one who has been expelled must apply again for membership under Article 30.

1975 Proceedings, p. 21. *The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.*

1978 Proceedings, p. 87. *A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.*

§ 323.10

1971 Proceedings, p. 97. *After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under 323.10(a) only if the assessment is paid.*

1972 Proceedings, p. 155. *A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.*

1973 Proceedings, p. 97. *To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).*

§ 323.11

1978 Proceedings, p. 88. *Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with § 324.8.*

§ 323.12

1967 Proceedings, p. 84. *A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.*

1973 Proceedings, p. 97. *Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.*

1973 Proceedings, p. 97. *So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.*

§ 323.13

1965 Proceedings, p. 43. *Honorary membership to Nobles only. Majority vote of Temple.*

§ 324.1

1972 Proceedings, p. 152. *So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.*

1973 Proceedings, p. 97. *The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.*

1975 Proceedings, p. 20. *A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.*

§ 324.2

1972 Proceedings, p. 154. *By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.*

1974 Proceedings, p. 25. *A special dispensation from the Imperial Po-*

tentate may be issued under § 324.2 for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

1987 Proceedings, p. 117. This section of the Imperial Bylaws requires a notice of each stated meeting not less than one week in advance. Blanket notice in the first issue of a Temple publication is not sufficient compliance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of § § 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for Temple office need not reside within the jurisdiction of the Temple, but only within the jurisdiction of the Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

1985 Proceedings, Page 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts

ANNOTATIONS TO BYLAWS (IOWA)

Rules of Order pursuant to Section 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a Temple election is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. The practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4. Roberts Rules of Order, Newly Revised.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. *A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.*

1981 Proceedings, p. 165. *Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.*

1983 Proceedings, p. 212. *The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).*

1987 Proceedings, p. 119. *"Distribution and circulation of pin-on button containing the name of a candidate, violates this section."*

1988 Proceedings, p. 238. *"Organizational meeting" of Divan, and Unit Heads prior to temple election based upon "presumption of election" does not constitute a violation of this article.*

1988 Proceedings, p. 238. *Pre-preparation and distribution of "sample ballot" containing suggestions of proper choice for various offices is in violation of this section.*

§ 325.12

1977 Proceedings, p. 162. *A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.*

1977 Proceedings, p. 163. *A Temple bylaw which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.*

1984 Proceedings, p. 110. *Question of "physical incompetence" of Temple officer to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.*

§ 325.13

1967 Proceedings, p. 83. *Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.*

1970 Proceedings, p. 96. *A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.*

1972 Proceedings, p. 152. *The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.*

§ 325.14

1976 Proceedings, p. 176. *A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).*

§ 326.1

1968 Proceedings, p. 121. *The obligation of a Temple officer cannot be taken by proxy.*

§ 326.3

1966 Proceedings, p. 211. *Elected Temple officer continues to hold office until his successor is both elected and installed.*

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.4

1965 Proceedings, p. 42. Temple bylaws valid which provide for both Potentate and Treasurer to sign checks.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple

meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.7.

1976 Proceedings, p. 177. According to § 328.7(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.7.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.7(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.7(b).

§ 329.6

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.6(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.6(b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 330.2

1985 Proceedings, Page 112. Procedure for handling Temple level grievances are provided in Article 30 of the Imperial Council bylaws.

§ 330.4

1984 Proceedings, p. 109. A Noble may present a complaint against any other Noble directly to the Temple.

1986 Proceedings, Page 151. Section 330.4(a)(7) requires where Potentate has been disqualified, "Highest ranking qualified officer" shall act. Such ranking is determined by § 325.1.

§ 331.1

1982 Proceedings, p. 169. To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple bylaws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the by-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple by-laws, which become effective only upon his approval, a Board of Trustees constituted by Tempel by-laws may not act prior to such approval.

1985 Proceedings, Page 111. Notice under this section and Section 324.5 is one week. Unless provided by Temple bylaws, first class mailing is not required.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the bylaws of a Temple, it may be changed only by an amendment to the bylaws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates

of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1978 Proceedings, p. 87. Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

1980 Proceedings, p. 29. Payment by a Temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that Temple is prohibited by § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his Temple.

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appellant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple Bylaws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of the Temple are authorized to amend the Temple budget under Section 334.4(e).

1985 Proceedings, Page 112. Under provisions of Section 334.4, contracts entered into by Temple officers when appropriations are made by the Temple, contracts requiring additional expenditures require Temple approval and appropriation of funds therefor by amendment of the budget.

1987 Proceedings, p. 119. "Temple specific project authorization and

budgeting granting the Board of Trustees supervisory control, is exclusive in nature and no other committees or Temple officers may interfere with the fulfillment of the Board's responsibility.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1985 Proceedings, Page 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the Temple.

§ 334.6

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1988 Proceedings, p. 237. Members of temples are entitled to see and review physical reports required of Temple officers under Section 334.6. They are also entitled to copies thereof at the Noble's expense.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, see p. 177. The purchase of golf carts for a Temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

1988 Proceedings, p. 237. Neither the Potentate nor any other representative of any Temple has power to execute any "borrowing agreement" without specific direction from the membership pursuant to this section.

§ 334.8

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

§ 335.1

1976 Proceedings, p. 176. Use of the United States mails for the promotion of a lottery or raffle being unlawful under Postal Regulations, it is also contrary to § 335.1.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline. 1966 Proceedings, p.

211. Identification of photograph in commercial advertisement as a former Temple Potentate violates Shrine Law.

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

1986 Proceedings, Page 152. Section 335.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under Section 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of

§ 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1987 Proceedings, p. 118. "Temple bylaws setting aside certain part of annual fees for replacement of unit uniforms, violates this section.

§ 335.10

1970 Proceedings, p. 95. Articles concerning "ladies' organizations in Temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.14

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

1968 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine Clubs or units are not prohibited.

§ 335.16

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.16.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.16.

1976 Proceedings, see p. 175. § 335.16 is not to be applied retroactively to corporations formed before its adoption in 1970.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a Temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. *The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).*

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. *Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.*

1974 Proceedings, p. 26. *The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.*

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as §337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

1984 Proceedings, p. 109. Imperial Bylaws do not authorize a Shrine Club to be a member of a corporation with other non-Shrine fraternal organizations.

§ 337.2

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to §337.3, and he may require changes in the By-laws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

1985 Proceedings, Page 113. Potentate has control of Shrine Club pursuant to Section 337.3. He may lawfully interpose his edicts regarding management, organization of the club, suspend its operations entirely during the term for which he holds office so long as such edicts are not arbitrary, capricious or penal in nature.

1986 Proceedings, Page 153. Temple Potentate has absolute control over a Shrine Club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c)(3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.17.

**IMPERIAL COUNCIL AAOONMS
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES**

The bylaws of the Imperial Council, A.A.O.N.M.S., an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached (see Form #21). These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.

2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.

3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.

4. Supplementary financial information should include details of all fund raising activities segregated into charitable and fraternal categories listing each fund raising event.

5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.

6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with the Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example is included with this addendum (see Form #22). This example acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his examination. An example is included with this addendum (see Form #22). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples (see Form #20). This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

ACCOUNTS 120-129: RECEIVABLES

At the beginning of the year, the total amount receivable from members for dues and hospital assessment should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The temple dues portion should be credited to Account # 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations,

Account 131—Inventory—Food and Beverage should contain items which are for resale. Such items may include food, beverages, tobacco, etc.

Account 132—Inventory—Jewels should contain the cost of jewels that are held for sale. There may, on occasion, be some Past Master's, or Past Potentate's jewels. These are held in this account until disposed of.

Account 150—Land should include all land sites owned by the temple, including the land on which the mosque building is situated, a country club, or any other real property. Land should be carried at cost. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

Account 151 includes the cost of purchase, construction, or other carrying value of the mosque building, and the cost of any subsequent improvements.

The cost of other buildings and improvements should be carried in Account 152.

LIABILITIES

ACCOUNT 210: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL ASSESSMENT

The Imperial Council will bill the temples a \$5 hospital assessment for each Noble on the membership roll as of January 1 who are not permanent contributing members of the hospital. The total amount billed is credited to this account with the contra entry to Account 120—Dues Receivable. Account 210 will be charged at the time

payment is made to the Imperial Council. As new members are created and assessed the hospital levy, a charge to dues receivable and a credit to this account is recorded. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

The Imperial Council will bill the temples a \$3 per capita tax for each Noble on the membership roll as of January 1. The total amount billed is credited to this account with the contra entry to Account 600—Per Capital Tax expense. All other amounts due the Imperial Council are to be recorded in this account. This account is charged at the time payment is made to the Imperial Council.

ACCOUNT 212: ACCOUNTS PAYABLE—TRADE

Since the hospital levy is a trust fund, hospital assessments received in advance must be segregate and should be credited to Account 237. Dues should not be recorded as income until January 1. Effective January 1, this account should be reversed by crediting Account 120—Receivable for the per capita tax portion and Account 401—Dues for the remaining balance.

ACCOUNT 236: INITIATION FEES PAID IN ADVANCE

This account should be credited for initiation fees received prior to January 1 from candidates who are initiated in the following year. Initiation fees should not be recorded as income until new members are created.

ACCOUNT 237: HOSPITAL ASSESSMENTS PAID IN ADVANCE

During the year this account should be credited for all hospital assessments paid in advance. Since the hospital levy is a trust fund, amounts received must be recorded in a separate account. The \$5 hospital assessment is not a temple liability until January 1 of the following year. Then on January 1, this account should be reversed by crediting Account 120—Receivable. Also credit this account for hospital assessments without ratable abatement received prior to January 1 from candidates who are initiated in the following year. The hospital assessment is not due the Imperial Council until new members are created.

ACCOUNT 238: OTHER DEFERRED REVENUE

This account should include contributions to the temple for designated expenses until expended.

SAMPLE AUDIT ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19... , and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by the Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the Temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19... We will not prepare any other tax returns unless specifically requested to do so.

If the above arrangements are acceptable to you and if the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

SAMPLE REVIEW ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19.., and related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended. We understand that all books and records will be prepared by Temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19.., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by the Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the Temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of Temple management. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19... We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

Gentlemen:

In connection with your examination of the balance sheet of ABC Temple as of December 31, 19.., and the related statements of revenue, expenses and changes in members' equity and changes in financial position for the years then ended; for the purpose of expressing an opinion as to whether the financial statements present fairly the financial position, results of operations, and changes in financial position of ABC Temple in conformity with generally accepted accounting principles, you have requested that we confirm certain representations made to you during your examinations. Accordingly, we confirm, to the best of our knowledge and belief, the following representations:

1. We are responsible for the fair presentation in the financial statements of financial position, results of operations, and changes in financial position in conformity with generally accepted accounting principles (or other comprehensive basis of accounting).
2. We have made available to you all financial records and related data. Minutes of the meetings of the Divan, copies of which have been supplied to you, are complete and authentic records of proceedings at all such meetings held between January 1, 19.. and (date of letter).
3. We understand that you have selectively tested the accounting records of the Temple and obtained other supporting evidence by methods and to the extent you deemed appropriate for the purpose of expressing an opinion on the financial statements, but that such test examination will not necessarily reveal all errors or irregularities. (The term irregularities refers to intentional distortions of financial statements or misappropriations of assets.) There have been no irregularities involving:
 - Management or employees who have significant roles in the system of internal accounting control.
 - Other employees who could have a material effect on the financial statements.
4. We have no plans or intentions that may materially affect the carrying amount or classification of assets or liabilities in the financial statements.

5. Related party transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, and guarantees have been properly recorded or disclosed in the financial statements. (Related parties include, as a minimum, members of the Divan and Shrine Clubs and Units.)
6. The following have been properly recorded or disclosed in the financial statements:
 - a. Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances, and line of credit or similar arrangements.
 - b. Agreements to repurchase assets previously sold or options to purchase property or equipment.
7. There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
8. We are not aware of any pending or threatened litigation, claims or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with Statement of Financial Accounting Standards No. 5 "Accounting for Contingencies," and we have not consulted a lawyer concerning litigation, claims or assessments.
9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed by Statements of Financial Accounting Standards No. 5.
10. Federal tax returns through December 31, 19... have been examined by the Internal Revenue Service. Returns of years since that date are still open.
11. The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged.
12. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. All material leases have been properly recorded or disclosed in the financial statements.
13. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance.
14. No events have occurred subsequent to the balance sheet date that would require adjustment to, or disclosure in, the financial statements.
15. We have complied with Imperial Council bylaws and General Orders, more specifically Section 335.3 of the by-laws of the Imperial Council, A.A.O.N.M.S. regarding fund-raising activities. In regards to all fund-raising activities that benefited Shriners Hospitals:
 - (a) Permission was received from the Imperial Council and Shriners Hospitals to hold the fund-raising activity.
 - (b) 100% of the net proceeds from the fund-raising event were distributed to Shriners Hospitals, or with written permission up to 50% to the Hospital Transportation Fund with the balance to Shriners Hospitals.
 - (c) All related charity activity forms have been completed and submitted to the Imperial Council A.A.O.N.M.S.
 - (d) No allowable administrative expenses have been charged to the activity nor have any transfers to other funds occurred. (Other than to the Hospital Transportation Fund).

(e) No interest earned on charitable funds was transferred to the Temple for non-charitable purposes, and the payment is not deductible as charitable contributions for federal income tax purposes.

In regards to all fraternal fund-raising activities, a statement has appeared on all promotional literature that 100% of the proceeds from the activity will benefit the Temple.

16. We have properly forwarded to Shriners Hospitals for Crippled Children all bequests and donations for the benefit of the Hospitals. Any bequests and donations which have been received by the Temple that could be possibly construed as being for charitable purposes have been communicated to General Counsel.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 5th day of the 7th month, Rajab, 1409 (marked 138 in red) is the 15th day of February, 1989 (also marked 150 in red).

What day in the Mohammedan year is June 9, 1989?

Finding June 9, 1989 in the Gregorian calendar it is found to be marked 252 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 1st day of the 11th month, Dhu-l-Qu-dah, 1409 (also marked 252 in red).

AFTERNOON SESSION
TUESDAY, JUNE 28, 1988
THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, convened in the Grand Ball Room at the New Orleans Hilton Hotel, New Orleans, Louisiana, on Tuesday June 28, 1988 at three o'clock p.m., Imperial Potentate Voris King presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE KING: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain until adjourned.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: I will now recognize the Imperial Recorder for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move, sir, that the Representatives of the Imperial Council, an Iowa Corporation, including all at Large, Ad Vitam and Emeriti Representatives, be elected to membership in the Colorado Corporation for the ensuing year.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All those in favor please say aye opposed. It is so carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: Imperial Sirs and Fellow Nobles, you know, we hear a lot of things, good things about our great philanthropy. We hear about what people do for us. We also hear about the great things that have been done and we also hear about things that are going to be done.

However, we have a surprise for you today and I would like to call upon Gene Bracewell, Past Imperial Potentate and Chairman of the Board of Trustees, to please bring a couple up here whom I want everybody to meet.

Also, at this time, I will declare a short recess while this presentation is being made.

IMPERIAL SIR GENE BRACEWELL [Past Imperial Potentate]: Thank you, Imperial Sir.

Fellow Representatives, you know, during the last six years of Shriners Hospitals' existence, we have, of course, had many wonderful benefactors, both individually and foundations, support us and, of course, this generous support has enabled us to operate twenty-two hospitals.

Now, we do have a foundation located in Houston, Texas, who has given to Shriners Hospitals for Crippled and Burned Children, principally the Houston Unit and Galveston Burns Institutes, sums in excess of ten millions of dollars. (Applause)

I am so pleased and proud to have been afforded this opportunity by the Imperial Potentate to present to you today the lady who is really responsible for us receiving these funds.

She is the Vice President of the Houston Endowment Foundation.

I would like to present to you at this time Ms. Jo Murphy and her husband, Chuck Murphy, who has just recently become a member of Arabia Temple and who has served on the Hospital Board. (Applause)

At this time, I would like to tender the podium to Ms. Murphy.

Ms. MURPHY: I would like to express to all of you my thanks for extending this invitation for me to be here today. Also, I want to thank you for your introduction.

Also, I would like to say "thank you" to my friends in Houston and to the Galveston Burns Institute. It has been proud to help them as we have and it is also pleasing to know that we are, at the same time, helping with the little children at these hospitals.

Now, I am not sure, but I feel that as funds become available in the future, that we should be able to continue these contributions. I am not sure but we will certainly try. (Applause)

Last but not least, let me say that it is nice to be the Lady of a Shriner.

... Rising applause ensued ...

NOBLE MURPHY: If my wife seems to be a little bit nervous, I can understand that because I am a member of a pretty good size Temple and have been before a large group before. Also, seeing all of these Red Fezes up here in front of me certainly is fantastic. Thank you, gentlemen, I am glad to be here. (Applause)

IMPERIAL POTENTATE KING: We want to thank both of you for sharing both your time and contributions with us and, once again, \$10 million is a lot of money, is it not? Thank you for your support and, of course, we hope that support will continue through the years.

... Business was transacted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at five-ten o'clock p.m. ...

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eleven-forty-five o'clock a.m., Imperial Potentate Voris King presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: At this time, I would like to call upon Imperial Sir Gene Bracewell, Past Imperial Potentate and Chairman of the Colorado Hospital Board.

IMPERIAL SIR BRACEWELL [Past Imperial Potentate]: Imperial Sir and My Fellow Representatives: In the Colorado Bylaws, on page 19, under Article 508.8, it provides that a Trustee, upon expiration of his third full three-year term, may become an Emeritus Trustee.

Now, at this Session, Mahlon will complete his third three-year term as having been elected a Trustee and I would like to entertain a motion that Mahlon Hessey become an Emeritus Trustee. I would like to receive such a motion, that we do elect Illustrious Sir Mahlon Hessey as an Emeritus Trustee.

ILLUSTRIOUS SIR SEWELL LAM DIN [Boumi Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives: I have had the pleasure of nominating Mahlon three times for the Board of Trustees and each time I was successful.

It is with a great deal of pleasure and pride that, once again, I have been given an opportunity to nominate my good friend from Baltimore as an Emeritus Member of the Board of Trustees.

... The motion was severally seconded ...

IMPERIAL SIR BRACEWELL: You have heard the motion which was made and seconded.

All in favor say aye; opposed. It is so ordered.

Is Mahlon Hessey here?

Mahlon, let me tell you that it gives me a great deal of pride and personal pleasure to have the opportunity to present this plaque to you because I have had the pleasure of serving with you during the last nine years and certainly you have exemplified at all times a tremendous amount of ability, wisdom and judgment in the many committees that you worked on as well as with the very, very important committees which I have chaired, such as the Budget Committee.

With that, I would like to present this plaque to you which makes recognition of your dedication and unselfish service as a Trustee of Shriners Hospitals from 1979 to 1988, having donated your time and talents for the betterment of the Shrine and its philanthropy.

For all of that time and service, this plaque unanimously elevates you to the position of Trustee Emeritus.

In behalf of Shriners Hospitals for Crippled Children, we extend to you our grateful gratitude and appreciation for your tireless efforts through the presentation of this plaque.

... Presentation of plaque and applause ensued ...

ILLUSTRIOUS SIR MAHLON HESSEY: Thank you very much, Gene.

You know, nine years do not seem like such a long time when you continue working but it is a wonderful and exhilarating experience and I can assure you of the dedication of all of those that serve on the Board of Trustees and Board of Directors of the Colorado Corporation.

The difficulty with an outgoing regime is that it leaves you with only one thing—a beginning point—a beginning point from which to move forward to new and greater heights and I am sure that under our leadership we will do precisely that.

Thank you so very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Mahlon.

Let me say that last night I asked our Imperial Assistant Rabban, Joe Padgett, to represent me at the Oriental Bands' Banquet. He has a report to make at this time.

IMPERIAL SIR PADGETT: Thank you, Imperial Sir.

It was indeed a pleasure to represent you last evening at the Banquet of the Association of Shrine Oriental Bands.

I would like to announce that the Chairman of their Ladder of Smiles gave me several checks totalling \$39,700.17 to present to you for our hospitals and so, to you, Imperial Sir, I present these checks.

... Check presentations and applause ensued ...

IMPERIAL POTENTATE KING: Thank you, Joe, and I wish to thank the Oriental Bands Association and to tell them how much we appreciate these funds for our crippled children's hospitals.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: Some of you may have a presentation of money for our hospitals. We do have a few moments and if any of you are ready at this time, we can take a few presentations.

Now, I know that some of you may not be prepared for this exact moment but if you do have your presentations ready, I will be happy to entertain them at this time.

I believe I have somebody right over here.

ILLUSTRIOUS SIR MARVIN TAYLOR [Potentate, Islam Temple]: Imperial Sir, I am really here to represent five Temples—Kerak, Aahmes, Tehran, Ben Ali and ourselves.

We all join together as sponsors of the East-West Football Game and on behalf of the other Potentates and myself, I am happy to present a check here to the "Kingfish" for in excess of \$250,000 from the proceeds of the game. (Applause)

IMPERIAL POTENTATE KING: Thank you very, very much.

NOBLE FOORD [Treasurer, Wa-Wa Temple]: Imperial Sir, I am Emeritus Treasurer of the

SHRINERS HOSPITAL

Shrine Treasurers Association of North America, a new association and I would like to make a small donation to Shriners Hospitals for Crippled Children. Being young and just getting started with our donations, I will admit that this donation is rather small but we are going to hope for a larger donation in years to come as we grow and prosper.

Therefore, I present to you a check in the amount of \$1,000. (Applause)

ILLUSTRIOUS SIR HUSSMANN [Past Potentate, Salaam Temple]: Imperial Sir, I have a check here for \$65,000 to present to the hospitals.

Twenty thousand dollars of this check was received from the Dodge Open—the Dodge dealers of New Jersey, New York and Connecticut. Every year they have run a Dodge Open. They raised \$40,000 in 1987, of which I received \$20,000 for our hospitals.

At any rate, I have a check here to present to our Imperial Sir in the amount of \$65,000. (Applause)

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KING: We have one more presentation and then we will recess.

... At this point, a check in the amount of \$100,000 was presented to the Imperial Sir for Shriners Hospitals by Illustrious Sir Rodney Wyrick, Potentate of Almas Temple . . .

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-thirty o'clock p.m. . . .

AFTERNOON SESSION
WEDNESDAY, JUNE 29, 1988
ONE-FORTY-FIVE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one-forty-five o'clock p.m., Imperial Potentate Voris King presiding.

IMPERIAL POTENTATE KING: I believe we are ready to begin.

Now, you heard a resignation made this morning and I would like to tell you what the Shrine tradition is.

The tradition is that there are two three-year terms open for the Board of Trustees. There is also one two-year term.

Now, tradition has it that we go ahead with our election of the two three-year terms.

Therefore, I will announce at this time that the first election will be for those two three-year terms.

I will announce at this time that we have, at this point, as candidates Russell Anthony, DVM; Kenneth Smith; Richard Olfene; Randolph R. Thomas; Doug Mayes and Robert Rinehart.

Now, those are the six candidates and at this point I would like to have six chairs to be placed out here in the front and I would like the candidates to please come forward.

IMPERIAL SIR RANDOLPH R. THOMAS [Past Imperial Potentate]: Imperial Sir, as most of you know, my name is up for a Trustee of the Colorado Corporation. However, I would like at this time to inform you that I have had quite a few individuals who have spoken to me and since I have had the privilege of serving on the Board of Trustees for seven years, I have elected not to be a candidate for the three-year term. However, I will be a candidate for the two-year term and so if you see fit to elect me for two years, then that will give me a total of nine years.

I feel very strongly that nine years is sufficient for someone to serve on the National Board of Trustees. I still solicit your support and you will be hearing from my nominator in due time.

IMPERIAL POTENTATE KING: Thank you very much, Randolph R. Thomas. (Applause)

Now, for those of you who may not have heard it the first time, I will read the names of the candidates again. They are Dr. Russell Anthony, Kenneth Smith, Richard Olfene, C. Douglas Mayes and Robert Rinehart.

We are going to ask them to draw numbers and to be seated in that position.

... Whereupon, at this point, numbers were drawn by the candidates for nominating position . . .

IMPERIAL POTENTATE KING: The first Noble who will be nominated is Doug Mayes. He will be nominated by Past Potentate Mahlon Hessey.

ILLUSTRIOUS SIR MAHLON HESSEY [Boumi Temple]: Thank you, Imperial Sir.

Imperial Sirs, Nobles and Representatives: I wish to place in nomination for the Office of Trustee of our beloved hospitals the name of one of the most dynamic, most enthusiastic and most qualified Shriners, a Past Potentate of Oasis Temple of Charleston, North Carolina, Doug Mayes.

Doug has spent almost a lifetime in broadcasting.

His first broadcast came at the age of sixteen in his hometown of Nashville, Tennessee. Since that time, he has shared microphones and the television cameras with some of the world's most successful and interesting people. An award winning broadcaster, he anchored the Evening News in Charlotte, North Carolina for more than twenty-five years on television channels 3 and 9 of ABC. The newspapers titled him "Dean of television newscasters in the Carolinas."

He was raised a Master Mason in Acacia Lodge No. 674, High Point, North Carolina, while a student at High Point College. Now a member of Meridian Lodge No. 728 in Charlotte, he is a Sir Knight of the Charlotte Commandery of the York Rite, a Thirty-Third Degree Scottish Rite, Past Venerable Master of the Carolina Consistory, Class Lecturer of the Scottish Rite (for over twenty years) and a Past Orator of the Grand Lodge of North Carolina, in which Grand Lodge he also serves on the Communications Advisory Committee. He is also a Past Director of his Jester Court.

Doug is a family man, having a lovely wife, two children and one grandchild.

He was the Potentate of Oasis Temple in 1976. He is the Chairman of that Temple's Public Relations Committee. He has been the Master of Ceremonies of the Carolina Shrine Bowl—the biggest Shrine promotion in the Carolinas—for some fifteen years and serves on its Board of Directors.

Doug is currently President of the South Atlantic Shrine Association.

He also serves the Shrine on an international basis as a member of the Imperial Public Relations Committee. He has traveled in the United States, Canada and Mexico extensively speaking on behalf of our hospitals. Just this year he received the Public Relations Committee Member of the Year Award from Imperial.

He anchors the Shrine's "Good News" video, a position for which he is uniquely qualified. You saw some of his handiwork in yesterday morning's Disney film.

As you might expect, he has not confined his many talents solely to the Shrine.

Doug is very experienced in financial matters. He is a Founding Director of the Mecklenburg Savings and Loan Association and an accomplished real estate investor.

He has a proven track record of commitment and service to others.

Along life's way he has taught Sunday School for a quarter of a century; served on the Governing Board of his Methodist Church; served during World War II in the United States Navy; served as a Board member of the Salvation Army; served on the Junior Achievement Board for over a decade; taught business communications at Central Piedmont College and has seen service as a member of the American Cancer Society Board. As you can see, he shares with us our philosophy that "Service to humanity is the best work of life."

Our Hospital Bylaws call for election of twelve Trustees, five of whom serve by virtue of their position as Imperial Officers, leaving seven to be elected from the floor. At the Opening Ceremonies on Monday, when the Board of Trustees of Hospital were announced, only two individuals who were not Imperial or Past Officers were introduced. One of those has now been elected to the Imperial Line. The second is ineligible for reelection, having served nine years on the Board. So now there are none. You have an opportunity to change that.

I would suggest to you that not all of the wisdom in this organization is reposed in those who sit on the stage.

I urge you, in your innermost deliberations with yourselves, to vote neither on the basis of rote nor to perpetuate any regime, but on the basis of merit, diversity, talent, human qualities and devotion to service.

I ask you to join me in voting for an eminently qualified Noble in every respect and one who will add new dimensions and unlimited horizons to our Hospital Board—Doug Mayes.

Do not be phased, do not be dazed, do not be amazed, do not be hazed, just vote for Mayes.

Thank you for your attention.

IMPERIAL POTENTATE KING: Thank you very much.

The second individual who will be nominated will be Past Imperial Potentate Dick Olfene and he will be nominated by Past Imperial Potentate Walker Kisselburgh.

IMPERIAL SIR WALKER KISSELBURGH [Past Imperial Potentate]: I am Walker Kisselburgh from California. (Laughter)

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Fellow Delegates: I have the distinct honor and privilege of nominating a man for the Office of Trustee of the Colorado Corporation who is eminently qualified for this office. He is seeking reelection for another three-year term and we are fortunate to have his experience.

First of all, and this is important, let me explain the Board of Trustees to you Representatives because it may be somewhat confusing.

The Board of Trustees consists of twelve members of this corporation, Colorado. They are the Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and Junior Past Imperial Potentate for a term of one year by virtue of their office. The other seven members shall be elected for terms of three years. Three shall be elected every third year and two shall be elected in each of the intervening years.

Now, I would also like to call to your attention Section 508.7, which is entitled "Powers and Duties," and this is likewise important for you to know.

"The Board of Trustees shall manage and operate all hospitals now established, or that are hereafter established, and shall allocate and provide for the disbursement of funds necessary for the construction, acquisition, maintenance, control and operation of the hospitals. The Board of Trustees shall make no commitments which cause a total annual outlay greater than the adopted budget unless approved by the Board of Directors. The Board of Trustees shall consult and advise with qualified surgeons of skill, ability and character as to the maintenance and operation of the hospitals."

Now, again, that is why it is so important to elect a man who has had experience to perform these tasks and my candidate has that experience and will not hesitate to speak out when he feels it is necessary to do so.

He is a man of conviction and will express his opinion as he sees fit.

Let us look into his record of accomplishments since he has been a member of the Board of Trustees.

He was a member of the Building and Equipment for several years and chaired the following important committees—the Investment Committee (which is so important), the Long Range Planning Committee, the Research Committee, the Hospital Regulations Committee and the Budget Committee for five years. He knows figures and, on top of all of that experience, he has likewise served as Chairman of the Board of Trustees for two years.

He has attained a wealth of knowledge pertaining to our great philanthropy.

In these uncertain times, we need this man of experience and knowledge.

I have known Imperial Sir Dick for over fourteen years and I have served with him on the Boards. I have known of his true dedication to our Fraternity and philanthropy. He is truly an asset and we cannot afford to lose him.

Therefore, it is with great pride that I place in nomination for reelection for another three-year term to the Board of Trustees, Imperial Sir Richard B. Olfene and I ask for your overwhelming support. Thank you. (Applause)

IMPERIAL POTENTATE KING: Thank you.

The next candidate who will be nominated is Past Imperial Potentate Dr. Russell Anthony to be nominated by the Assistant Rabban of El Kahir Temple, Shannon Murchison.

NOBLE SHANNON MURCHISON [El Kahir Temple]: Imperial Sir, Imperial Sirs, My Fellow Representatives and Nobles: It is my privilege to place in nomination for the Board of Trustees Past Imperial Potentate, Dr. Russell H. Anthony.

We Nobles in El Kahir Temple are proud of "Doc" Anthony for his many accomplishments, his sincere manner and, most of all, for his dedication to our Shrine.

It was "Doc," back in 1980, who first coined the now popular phrase "Shrine-Masons." This term soon became the key to promoting better Shrine-Masonic relations and recogniz-

ing this fact, Dr. Anthony declared his year as Imperial Potentate to be "The Year of the Shrine-Mason."

"Doc" is an old country boy and while on the farm earned quite a reputation as a Duroc hog breeder, which resulted in his being nicknamed the "Duroc Kid." His farming background, coupled with his military service during World War II, did much to prepare him for his profession as a veterinarian. With the help of the GI Bill, he attended the University of Illinois, where he received his pre-veterinary medical education and graduated highest in his class with the degree of Doctor of Veterinary Medicine from Iowa State University.

Dr. Anthony has received many honors and awards for his dedicated service to his university and many professional, civic, service and fraternal organizations. He recently sold his veterinary practice and is now the City Veterinarian and head of the Department of Animal Control for the City of Cedar Rapids, Iowa.

He is a Thirty-Third Degree Mason and a member of virtually all Shrine and Masonic organizations. He served as Potentate of El Kahir Temple in 1975, Imperial Potentate in 1986-1987 and has been a member of the Board of Directors of the Colorado Corporation since 1976. He has been a member of the Board of Trustees for the last four years, giving him a total of eleven years of experience and dedicated service on the Joint Boards.

As Imperial Membership Chairman, he instituted the "Pride" membership program, which included the production of the films "For Many Reasons" and "The Symbol of Pride." The "Symbol of Pride," which Dr. Anthony has produced at the University of Iowa, is still in the film libraries of many Temples and Grand Lodges.

As Imperial Athletic Committee Chairman, he did a super job in conducting three very successful athletic seminars which helped local Temples improve their conducting of athletic events benefitting Shriners Hospitals. The East-West Shrine Game, Nobles, will tell you that Dr. Anthony played a dominant role in successfully negotiating the present television contract with the ABC Sports organization.

I am sure that many of you have also read these thought-provoking articles that Dr. Anthony has had published in the major Masonic and Shrine publications, his latest being—"Proposition 5, a Step Back Into the Future."

Nobles, so that Dr. Anthony may continue his long and dedicated service to the Shrine, I earnestly ask that you join me in voting to reelect him to the Board of Trustees. Thank you.

IMPERIAL POTENTATE KING: The next nomination will be that of Kenneth Smith, who will be nominated by Les Peterson, Q.C., Potentate of Gizeh Temple.

ILLUSTRIOUS SIR PETERSON [Potentate, Gizeh Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs, Illustrious Sirs, Distinguished Guests and My Fellow Representatives: As Potentate of Gizeh Temple, I have the honor of nominating for the Office of Trustee a distinguished Past Potentate of our Temple, Illustrious Sir Kenneth W. Smith.

Since first becoming a Mason some thirty-three years ago, Illustrious Sir Ken has proven himself in the Masonic Order as a member of the York Rite and Scottish Rite, a member of the Cross of Constantine and Royal Order of Jesters. He has served our Temple as Director of the First Section for some eleven years—Past President of the Building Committee, Chairman of the Membership and Life Membership Committee, Chairman of the Public Relations Committee and Director General of the Pacific Northwest Shrine Association.

During his year as Potentate in 1985, Gizeh Temple enjoyed one of the most successful years in all of its history, attracting more than fifty percent of our total membership in its Ceremonials, a substantial increase in net membership at the end of the year and a contribution of \$337,000 to Shriners Hospitals for Crippled Children and the Crippled Children's Travel Fund, which is a fair amount for a Temple of 3,800 members.

Illustrious Sir Ken has also been active in Shrinedom throughout North America. He has had the pleasure of attending meetings of all Shrine Associations in Canada and the United States. He was appointed Vice Chairman of the East-West Game for Canada, a major Shrine activity, which generates more than a quarter of a million dollars for our Shriners Hospitals.

In selecting a candidate for Trustee of Shriners Hospitals for Crippled Children, I think it is important that we select a man who has not only proven his devotion and dedication to the Shrine of North America but has also demonstrated exceptional ability in the business world. The Board of Trustees is responsible for the operation of our twenty-two hospitals

and with the budgets that we have today for both capital and operating purposes, that business of running our hospitals is big business.

Ken's primary business is in the transportation sector of our economy, as President and Chief Executive Officer of his own company, as well as President of Western Bus Parts and Service Limited, Magnacharge Battery Corporation, Dalbank Training, Incorporated, Levett Auto Metal Limited and also a Director of a Construction Company, Edgewater Construction Company Limited. In short, Illustrious Sir Ken is a successful businessman, much to the delight of the government agencies that collect income tax.

The children from our jurisdiction that require hospital care are treated in either Portland Hospital or the Spokane Hospital. Earlier this year, Imperial Sir Voris King turned the sod for a new hospital in Spokane. The Pacific Northwest of our respective countries are vitally interested in the development and progress of this new hospital and I can think of no one better to serve in a liaison capacity to assist in completing that important task than Illustrious Sir Ken Smith.

He has the time, the ability, the good business judgment and the vision to take on such a job and do it well. He has a track record of proven leadership and his energy and enthusiasm is contagious to all who work with him.

Ken Smith is, most important to the ordinary Noble, simply one of us—a hard-working and devoted Shriner, always friendly and spreading good will to everyone. We respect him in our Temple and I know you will enjoy his friendship and that of his family.

Accordingly, I am honored and privileged to place in nomination for the Office of Trustee, Shriners Hospitals for Crippled Children, the name of Past Potentate Kenneth W. Smith of Gizeh Temple, and I thank you for your favorable consideration of him.

IMPERIAL POTENTATE KING: Next nomination for Trustee will be Robert Rinehart, who will be nominated by Illustrious Sir Haskel Beaver, Potentate of Khiva Temple.

ILLUSTRIOUS SIR BEAVER [Potentate Khiva Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Fellow Delegates: I would like to present for your consideration Past Potentate R. A. "Bob" Rinehart.

He and his lovely Lady, Bobbie, have three grown children, Mike, Debbie and Melanie.

His Masonic membership and affiliation includes Amarillo Lodge, Amarillo Chapter Royal Arch Masons, Amarillo Council, Amarillo Commandery, El Paso Scottish Rite bodies Thirty-Second Degree and the Lubbock Scottish Rite bodies, Thirty-Second Degree, a Charter Member.

Bob became a member of Khiva Temple in 1964, was elected Oriental Guide in 1982 and elected Potentate of Khiva Temple in 1986. He was reelected Potentate of Khiva Temple in 1987.

He is a Life Member of Khiva Lodge; a permanent contributing member to the Imperial Council; a member of the Khiva Temple Cabiri; a member of the Royal Order of Jesters, Court No. 140 and served as an Imperial Outer Guard's Aide in 1988. He has also served on the Imperial Captain of the Guard's Aides Committee and was appointed to the Imperial Marshal's Aide Committee for 1986–1987. He currently serves on this very important committee.

Noble Rinehart is a member of the Board of Governors of our Houston Unit. He has served the past two years as Chairman of the Plant and Facilities Committee and Chairman of the Long Range Planning Committee.

Let me say to you, Nobles, that when Noble Rinehart attends our Houston Board meeting each month, he has to travel some 1,200 miles at a cost of \$2,400 a year, which he pays himself, as our Temple or Imperial pays nothing toward our Hospital Board members' travel. I can also proudly say to you that he has only missed one meeting in two and a half years.

Our Houston Unit recently completed approximately \$500,000 in renovations, which required Noble Rinehart to travel to and from our Houston Unit several times each month.

He stays in Houston several days at a time working with architects and the contractor. I might mention also that the renovation was completed within the budget as allocated by our Imperial Trustees.

Nobles, the reason I mention this is to let you know that here is a dedicated Noble who

cares about our hospitals, our kids and your hard-earned money. He is certainly not afraid of hard work and long hours which are required of a Hospital Trustee.

Nobles, I would solicit and appreciate your vote for Bob Rinehart for the position of Hospital Trustee and I thank you very much for your time and consideration.

IMPERIAL POTENTATE KING: Are there other nominations? Are there other nominations? Hearing none, I will call on Jim Hathaway of the Tellers Committee.

NOBLE HATHAWAY: At this time I would like to thank you for the way you handled the ballot the first time. You made no mistakes and so at this time we are going to use ballot 17.

Now, you must vote for two individuals—you cannot vote for one or three—you must vote for two.

Tear out your ballots and leave that little stub in your book, please, and fold it just in half.

... Whereupon, balloting and collection of ballots ensued . . .

IMPERIAL POTENTATE KING: Has each one balloted? Hearing nothing to the contrary, I will, at this point, declare the ballot closed. (Gavel)

Now, while the ballots are being counted, I would like to continue with the presentation of checks for our hospitals. I understand that there are some out there. Would you please give your attention to these men who have done so much for our great philanthropy. I will as that they get in line, when they come up here give their name, title and Temple and make their presentation.

ILLUSTRIOUS SIR WILKERSON [Potentate, Kazim Temple]: Imperial Sir, I am the Potentate of a Temple having just 3,600 members and I would like to present you with this check for \$150,016. (Applause) Also, I would like to add that it has been a pleasure to work with you this year.

IMPERIAL POTENTATE KING: The sum of \$150,000. That is certainly excellent. Let us again applaud this Temple. (Applause)

ILLUSTRIOUS SIR RICHARD HAAG [Potentate, Moolah Temple]: Imperial Sir, it gives me a great deal of pleasure to present this check which represents the total from our Annual Shrine Circus which is the largest outdoor circus in the world. This is a check made payable to Shriners Hospitals in the amount of \$169,000. (Applause)

ILLUSTRIOUS SIR WILLIAM COMSTOCK [Potentate, Ararat Temple]: Imperial Sir, I would like to present this check to you in the amount of \$19,000. (Applause)

NOBLE JAMES WOOD [Moslem Temple]: I am the Assistant Rabban of Moslem Temple and, let me say that something happened the other day which we are extremely proud of.

Unannounced and unsolicited, we had an elderly gentleman who is a member of our Temple, a member of one of our Patrol Units, walk into the office and presented the Temple with two \$500,000 checks. (Applause) Now, upon the basis of the fact he wanted to get that money to the Imperial Headquarters that afternoon, those two checks were in the mail that afternoon. They were both cashier's checks.

ILLUSTRIOUS SIR DONALD E. LOGAN [Past Potentate, Barak Temple]: Imperial Sir, the other day a Noble called me up and said a lady had called him and asked him for one of those little envelopes that the hospitals always use. Well, he thought she wanted to make a small donation to the hospital and so he got her one and when that envelope came back, it contained a check for \$2,500. (Applause)

ILLUSTRIOUS SIR WILLIAM E. MAXWELL [Potentate, Hasan Temple]: Imperial Sir, it gives me a great deal of pleasure to present a check to the hospitals in the amount of \$55,000. (Applause)

NOBLE VERNON SHAW [Chief Rabban, Hasan Temple]: Imperial Sir, we started a little project down our way which we hope, through the years, will continue to grow. At this point, I am happy to present to you a check for \$6,000. (Applause)

ILLUSTRIOUS SIR G. A. POSEY [Potentate, Hamasa Temple]: Imperial Sir, in behalf of the entire Nobility of Hamasa Temple, we would like to present to you this check for \$35,000 for our crippled children's hospitals. (Applause)

ILLUSTRIOUS SIR PAUL GREGG [Potentate, Jamil Temple]: Imperial Sir, in behalf of the six Temples in North and South Carolina, we would like to present this check involving the proceeds from the Shrine Bowl of the Carolinas from last year in the amount of \$2,521,987.51. (Applause)

IMPERIAL POTENTATE KING: That is certainly a large check. Let us give these Temples a big hand once again. (Applause)

Is there anyone else that would like to make a presentation to our hospitals?

NOBLE DAVIS B. LEONARD [Al Malaikah Temple]: In 1952, Imperial Sir, when our hospital was built, the Los Angeles Unit, we started a football game and, through the years, our game has been progressing right along.

Now, last August 1st we sent you a check for \$74,994.

IMPERIAL POTENTATE KING: That is certainly a great contribution. Thank you very much.

Now, I would like to, at this time, take the liberty to read you the wording on a plaque which I received in behalf of the Shrine of North America. It was given in my home town. It was given by the Knights of Columbus. It reads as follows:

"In recognition and appreciation for the continued promotion and fostering of Christian Unity by providing free medical services through Shriners Hospitals for Crippled and Burned Children without regard to race, religion, creed or color."

Now, as I understand it, this is going to be an annual statewide gift to a national organization and we have received the first one. I just want you to know about it. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: Let me ask if there are any other contributions for our hospitals?

ILLUSTRIOUS SIR PRESTON BILLINGS [Potentate, Cairo Temple]: Imperial Sir, I am Preston Billings from Cairo Temple. Now, I do not have a check to present but I would like all of you here to know that Bektash Temple, Cairo Temple and Mount Sinai Temple have been able to take on a bowl game and we raised last year over \$60,000 that we contributed to our beloved hospitals. Also, over the last thirty-four years, we have contributed over \$2.5 million. Thank you. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: I believe that Jack Dean is ready to give us an Investment Committee report at this time which, I understand, is short and also will not call for any action.

I will recognize Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Masonic Guests and Fellow Representatives: I had the privilege this year of serving as Chairman of your Investment Committee. The results appear in your Book of Reports and I do not want to dwell on those. However, let me say that we were able to accomplish a couple of things this year that we had not been able to do before.

We had been talking with the Investment Committee members about the fact that at no time could we ever find out at a moment's notice what the total value of our investment fund was.

Now, we have gotten involved with a Master Custody Account in relation to which approximately a third of our securities are held at the Mellon Bank and another third held at the Northern Trust Bank and each of these institutions has reporting to them different investment managers.

We currently have some fifty-nine investment managers and we currently now have one Master Custody Account and now we are able to, for the first time since January, tell on any given day what the value of our portfolio is—how many shares of stock we have in relation to any one stock, what our total equity holdings and bond holdings are and cash also.

In addition to that, we have also entered into a program called Securities Lending and, through our activities here, we stand to make a little better than \$2 million, which will more than pay for the Master Custody.

We have all kinds of securities involved and so there is no risk to our portfolio in doing this.

Perhaps some of you do not quite understand that and so let me say that what happens is this—somebody pays you a premium to borrow your securities. They put up 100 or 200 percent in Treasuries to guarantee these securities. They borrow from you for three or four days and, in the process, give you a couple of points.

I might add that this is something that is done throughout the world and, in addition to that, Northern Trust has given us their personal guarantee against any loss.

We also established a "sweep" account and what that does is that at the end or close of every day, every penny that is not invested is swept out of every investment manager's account and put to work and we anticipate we may be able to, through the use of this procedure, make as much as \$6 million in addition each year as a result of operating that.

I have been privileged to serve you and just would like to thank you once again for your support and this opportunity that I have had of serving you. God bless you all. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Jack.

Let me add that Jack, as Chairman of the Investment Committee this year, has done a marvelous job in representing you and me on the Investment Committee of our great philanthropy.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: I believe we now have a report from Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir and Imperial Sirs, it is a pleasure to give you the report of ballot 17 being for the Board of Trustees for the three-year term.

There were a possible 996 votes; 882 actually voted. There were eight spoiled ballots and necessary for choice was 442.

The ballots were distributed as follows:

Noble Rinehart, 119; Dr. Anthony, 298; Richard Olfene, 329; Doug Mayes, 497 and Ken Smith 505.

IMPERIAL POTENTATE KING: Continuing with the election of Trustees, I would like to recognize Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons, by virtue of their office, as Imperial Offers to serve one year on the Board of Trustees, Shriners Hospitals for Crippled Children:

Imperial Potentate-Elect, Edward G. McMullan

Deputy Imperial Potentate-Elect, George W. Powell

Imperial Chief Rabban-Elect, Joseph P. Padgett

Imperial Treasurer, Webber C. Harrington

Soon to be Junior Past Imperial Potentate, Voris King

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: All in favor say aye; opposed. It is carried and so ordered.

At this time we will now elect a Trustee to serve for a two-year unexpired term. It was a term made vacant by the resignation this morning of our newly elected Imperial Outer Guard, John Nobles.

I will now ask for nominations for a two-year term as Trustee.

Okay, we have one nominee, who is Randolph R. Thomas. Also, we have another nominee who is Richard B. Olfene. We have still another nominee who is Dr. Russell Anthony.

Are there any other nominees?

If not, then I would ask that these three individuals draw lots for nominating position.

... Drawing for nominating position then ensued at this point ...

IMPERIAL POTENTATE KING: We have as number one, Richard B. Olfene; as number two, Randolph R. Thomas and as number three, Dr. Russell Anthony.

I believe that Imperial Sir Richard Olfene's nominator will be Walker Kisselburgh.

IMPERIAL SIR KISSELBURGH [Past Imperial Potentate]: Thank you.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Brothers: First of all, let me congratulate you for electing two of the men that I have known for some years, Doug Mayes and Ken Smith. I think you made an excellent choice and they will be a great addition to the Board and justify your faith in them.

I want to place in nomination for a two-year term on the Board of Trustees, the individual whom I spoke about before, who has the experience that we so desperately need, Imperial Sir Dick Olfene.

I am not going to repeat his attributes because that would just take up more time than you would like. However, I do want to call your attention to his sincerity.

I have known him through the many, many years that we ran together for the Imperial

Divan and I can promise you that this is a man of integrity, a man who knows of where he is coming from, especially when he talks about the budget of the Board of Trustees and spending money for our hospitals. He knows the experience that he must have to do an excellent job.

Also, I neglected to previously tell you about some of the very minor committees that he served on but, nevertheless, he served on many of them.

Therefore, I place in nomination the name of Imperial Sir Dick Olfene for a two-year term on the Board of Trustees. Thank you very much. (Applause)

IMPERIAL POTENTATE KING: The second nominee, Past Imperial Potentate Randolph R. Thomas, will be nominated by Phil Johnson of Al Bahr Temple.

NOBLE PHILLIP A. JOHNSON [Al Bahr Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Our Distinguished Masonic Guests, Representatives and Members of the Colorado Corporation: My name is Phil Johnson and I am the Recorder and Representative from Al Bahr Temple in San Diego.

I am pleased and honored to place in nomination the name of Randolph R. "Randy" Thomas.

It would be proper to speak to those who are voting members of the Colorado Corporation for the first time as well as those veteran voting members to inform you that Randy Thomas is a Past Potentate of Morocco Temple as well as a Past Imperial Potentate.

His record, accomplishments and experience outside of our Fraternity is in itself a success story. He has served his state and community as Chairman of the Board of Directors of Associated Industries of Florida; as Chairman of the Florida Game and Fresh Water Fish Commission; as Chairman of the Board of Directors of the Jacksonville Port Authority; as a Board member of the Big Brothers of America; as a Board member of the Jacksonville Transportation Authority; Trustee on the National Board of the Leukemia Society; a member of the Governor's Council; a member of Rotary International and has received the Award for Outstanding Management Accomplishments in Commerce and Industry.

Randy's vitality and broad experience in the private sector has brought vision that has enhanced Shrinedom.

By virtue of his office in the Imperial Divan, he has served on the Board of Trustees for four years. Additionally, he has served three more years. During that time, you will be able to determine that Randy was more than an occupant of a chair. In fact, his meaningful records, accomplishments and experience in the Colorado Corporation is the basis for your consideration for his election to the Board of Trustees.

He has chaired the Salaries and Personnel Committee for three years; designed a program for hiring full-time Chief Surgeons; has served, since its inception, on the Long Range Planning Committee and been its Chairman. He likewise has served with the Imperial Treasurer on a special committee to project the long range financial position for our hospital funds; as Chairman of the Investment Committee for seven years that monitored the performance of money managers who contributed to our Endowment Fund, increasing from \$700 million to over \$2 billion.

He is presently Chairman of the Spinal Cord Injury Program with locations at the Philadelphia, San Francisco and Chicago Units. He was either Chairman or served on the Liaison Committees of the Boston, Lexington, Springfield, Intermountain and Cincinnati Units and Chairman on a most important committee to study the feasibility and economics of producing in-house orthotics and prosthetics in our hospitals.

My fellow Nobles, Randy Thomas is one of the rare individuals who knows no other method of operation and accomplishment other than excellent. His being a member of your Board of Trustees for seven years in indeed indicative of his dedication to our great concern for children.

Imperial Sir, without hesitation, I nominate Randy Thomas as a member of the Board of Trustees. Thank you. (Applause)

IMPERIAL POTENTATE KING: I will next recognize Shannon Murchison, Assistant Rabban of El Kahir Temple, for the nomination of Past Imperial Potentate Dr. Russell Anthony.

NOBLE SHANNON MURCHISON [El Kahir Temple]: Imperial Sir, Imperial Sirs, Grand Masters and Representatives All: It is indeed my pleasure to bring before you the name of

Dr. Russell Anthony for the position of Trustee. I again ask you to consider his eleven years of experience and bringing that forward along with his Shrine-Mason responsibilities to lead you on the Board of Trustees.

I submit the name of Dr. Russell Anthony for reelection to the Board of Trustees. Thank you.

IMPERIAL POTENTATE KING: Are there any other nominations? Hearing none, I declare the nominations closed and I will call on Jim Hathaway.

NOBLE HATHAWAY: Thank you, Imperial Sir.

At this time we will use ballot 19. Write one name on the ballot—one name only.

... Whereupon, balloting and collection of ballots ensued . . .

IMPERIAL POTENTATE KING: Has everybody voted who cares to vote? Are there any who have not voted? If not, I will, at this point, declare the ballot closed. (Gavel)

Now, there is a presentation to be made and I would like to have it placed in the record and I will now call on Imperial Sir Tony Bukey to make that presentation.

IMPERIAL SIR BUKEY: Thank you.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellows Nobles: At a recent ground breaking for the new Spokane Hospital, it was suggested that we present a plaque to Gary Dalke who was helpful in securing the property on which that new hospital will be built.

I am going to ask that this plaque be taken back to Spokane and, at an appropriate time, a presentation be made of this plaque to Noble Gary. Also, I would like to read the inscription:

"In recognition of outstanding contributions above and beyond the call of duty in helping the Shrine of North America to acquire a new site for Shriners Hospitals for Crippled Children, Spokane Unit, and for his guidance and untiring efforts in working diligently to overcome obstacles encountered during its acquisition, the Shrine of North America here extends sincere appreciation."

It is signed by the Chairman of the Board, Gene Bracewell and the Imperial Potentate-Elect, Edward G. McMullan.

Let me say that we are, I know, proud to do him honor and I hope he will receive this plaque at the appropriate time. Thank you. (Applause)

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KING: I see Jim Hathaway approaching and so we will now, I believe, receive a report on the last ballot.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives All: It is a pleasure to give you the results of ballot 19 for the Office of Board of Trustee, two-year term.

There were a possible 946 votes; 855 actually voted. There were two spoiled ballots. Necessary for choice, 427.

The votes were distributed as follows: Russell Anthony, 181; Dick Olfene, 249; Randy Thomas, 423.

Imperial Sir, that is not a majority. We must have another ballot.

IMPERIAL SIR OLFENE [Past Imperial Potentate]: Hold it just a moment.

Imperial Sirs and Fellow Representatives, I have not even consulted with the Jurisprudence and Laws Committee on this issue so I do not know what can be done legally. However, I am willing to say, however, that, hey, I get the message. Now, if you are going to run another election, I certainly would be willing to step back.

However, Walker, let me thank you for the confidence you have had in me and the support that you gave me. I thought I had something to offer in relation to my experience and knowledge of this corporation but I stand by your decision and want you to know that I will not stand for reelection if you run another contest to straighten this out. Thank you very much. (Applause)

IMPERIAL SIR ANTHONY [Past Imperial Potentate]: And I likewise, Imperial Sir, will not stand for election if you take another vote.

Therefore, Imperial Sir, I would move that the Imperial Recorder be instructed to cast the unanimous ballot of this Assembly for Imperial Sir Randolph Thomas for this two-year term.

IMPERIAL SIR OLFENE: And I will most certainly second the motion.

IMPERIAL POTENTATE KING: Well, if there are no other nominations, if there are no other

nominations, all in favor say aye; opposed. It is unanimously carried and so ordered and I now declare Randolph Thomas elected for the two-year term of Trustee.

Let me ask you, Randy, do you accept?

IMPERIAL SIR THOMAS [Past Imperial Potentate]: Imperial Sir, I do accept and with thanks and gratitude to all of you. (Applause)

IMPERIAL POTENTATE KING: I will now call on the Imperial Recorder for nominations for the Officers of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons to serve as Officers of the Colorado Corporation:

Chairman, Board of Directors, Edward G. McMullan, C.D.

President, Gene Bracewell

First Vice President, George W. Powell

Second Vice President, Joseph P. Padgett

Treasurer, Webber C. Harrington

Secretary, John W. Dean

Assistant Secretary, Everett M. Evans

I would so move.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KING: All in favor please say aye; opposed. It is carried unanimously.

And now we will have the election of the Directors of the Colorado Corporation. Again, I will recognize our Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, I would like to nominate the following persons to be elected as Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children:

Edward G. McMullan, C.D.

Gene Bracewell

George W. Powell

Joseph P. Padgett

John W. Dean

Everett M. Evans

Richard L. Bukey

Webber C. Harrington

Jack H. Jones

Burton E. Ravellette, Jr.

I would so move.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

. . . The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at four-twenty o'clock p.m.

MORNING SESSION THURSDAY, JUNE 30, 1988 EIGHT-THIRTY O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at eight-thirty o'clock a.m., Imperial Potentate Voris King presiding.

. . . Business was transacted in the Iowa Corporation at this time . . .

NOBLE PETTIT: Imperial Sir, I have before me a written request by Imperial Sir Brantley to withdraw item 22 which appears on page 37 of the Call for the Annual Session. The request for withdrawal requires a unanimous consent of the Representatives. Therefore, I

recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, again, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE KING: There is a motion for withdrawal. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: Is there discussion? If not, remember, this requires the unanimous approval.

All in favor say aye; are there any in opposition? I will declare the proposal to be unanimously withdrawn.

... Business was transacted in the Iowa Corporation at this time.

IMPERIAL POTENTATE KING: At this time, we have a wonderful presentation to bring to you involving an individual who has really been a star for those of us who have worked with him in the Shrine. I am going to ask our Past Imperial Potentate and Chairman of the Colorado Corporation, Imperial Sir Gene Bracewell, to please come up and make this presentation.

IMPERIAL SIR BRACEWELL [Past Imperial Potentate]: Thank you, Imperial Sir.

Let me first say that I am not going to talk about disclosures or disclaimers, I can promise you that.

My Fellow Representatives, it is a pleasure and honor for me to present a beautiful recognition plaque to Dr. John Kinney.

Dr. Kinney was graduated from Harvard Medical School in 1946. He served in the United States Navy for two years, mainly in the radiological laboratory in San Francisco and then this was followed by a seven-year surgical residency.

One of the Dr. Kinney's special experiences before coming to Columbia University in 1962 was two years in biochemistry at Cornell University Medical College. Dr. Kinney has been associated with Columbia University for almost twenty-five years. Recently he resigned from Columbia University and they have given him the title of "Professor Emeritus in Surgery."

Now, Nobles, one of our most important committees in the Colorado Corporation is our Burns Advisory Board. Dr. Kinney served as Chairman of this very prestigious committee for seven years. During that period of time, Dr. Kinney worked tirelessly and with complete dedication for the betterment of our burns program and our burns institutes.

With that, I would like to call forward Dr. John M. Kinney and present to him this plaque which reads as follows:

"WHEREAS, John M. Kinney, M.D., having served as Chairman of the Burns Advisory Board of Shriners Hospitals for Crippled Children from 1980 through 1987, and,

"WHEREAS, he expressed his desire to retire from that position, and

"WHEREAS, it is fitting that his years of service be memorialized in a resolution to preserve in the archives of the Shrine, Now, Therefore, be it

"RESOLVED, that the Board of Directors and the Board of Trustees officially designate John M. Kinney, M.D., Chairman Emeritus of the Burns Advisory Board, Shriners Hospitals for Crippled Children."

This is respectfully submitted and signed by Imperial Sir Voris King, Imperial Potentate and by myself, Gene Bracewell, as Chairman of the Board of Trustees.

Dr. Kinney, it is indeed a pleasure for me to present this plaque to you and to thank you on behalf of Shriners Hospitals for Crippled and Burned Children for your tireless services in behalf of the Shrine.

... Rising applause ensued as Dr. Kinney was presented with his plaque ...

DR. JOHN M. KINNEY: Thank you very much, Chairman Bracewell.

You know, this is a special honor for me in 1988, so that it makes it a special year for me, because 1988 is a special year for the burns program in the Shrine as well.

If you will remember, back in 1968, when the Shrine burn program was getting along, there was a very difficult situation in the country for burns victims.

At that time, there was no concept of burns centers and intensive care for burns was, at that time, merely a curiosity.

Many dangerous burns patients died, died either because they could not be resuscitated or they died of infection, or they died of complications of trying to manage the burn wounds.

The Shrine can take great pride in changing this picture of tragic neglect in the past twenty years. Now it is rare to lose a patient in shock. This involves even large burns.

Now, infection is still a threat but it is being partially controlled.

Wound management has clearly improved and so, in 1988, today, the challenge for the burn patients is not survival, it is restoration—restoration of functions all the way from the intensive care unit to the rehabilitation clinic. Likewise, it is restoration of appearance.

We have that training situation where we do have to have some scars to help the wound but we also know the tremendous disfigurement that goes with too much scarring or scar in the wrong place.

Also, more than all of these, we have to turn our attention to restoring the psychology of the burn patient. That has been particularly difficult because presently we lack the time, money and skills.

However, I do think that the future of the Shrine Burns Program is extremely exciting. There are now facilities on the drawing board—they are not just new, they are imaginative and they are advanced—advanced intensive care units, new facilities for better rehabilitation and, more than that, new space in which to integrate the family with the burn victims in convalescence.

The new research potential, new laboratory facilities, are beginning at the cutting edge of cell biology to understand what is in the burns tissues.

Also, I think that the three burn units are beginning to have joint programs where they share data and this data, taken altogether, represents an absolutely unique resource for understanding whether our approach is correct and sometime maybe where even it needs to be improved.

However, I think that even more than any of these things, the Shrine Burn Units are setting the standard for today and along with that, they are training leaders for tomorrow.

There is also an outstanding new post-doctoral fellowship program you have voted on. There are new, outstanding candidates beginning the fellowship program, both clinical and research.

You may be interested to know that just two weeks ago, a Chairman of the Department of Surgery in New Zealand was describing his department and how he had a brilliant young faculty and further mentioned that one of the men he was most proud to have was an individual that had been trained in the Shrine Burns Program here in the States.

There used to be a comment saying that the secret of good care for the patient is caring for the patient. The Shrine has known that secret for many years.

It has been a privilege for me to work and have the friendship of the outstanding Shriners who have done so much for the burn victims and will do so much more in the future.

Thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Dr. Kinney.

Let me say to you, the Representatives, that Dr. Kinney is known throughout the world for the work he does and has helped us tremendously toward our goal of getting to the top. Let us give him another big hand. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: While we are waiting, does anybody have a check they would like to present?

ILLUSTRIOUS SIR RICHARD C. POST [Potentate, Irèm Temple]: Imperial Sir, it is a pleasure to present to you at this time the proceeds from our Third Annual Golf Tournament held at our beautiful country club. It gives me a great deal of pleasure to present to you the check for \$10,000 for our crippled children's hospitals.

IMPERIAL POTENTATE KING: Thank you very much.

ILLUSTRIOUS SIR ROBERT W. McDONALD [Potentate, Zenobia Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters and My Fellow Representatives: I am Bob McDonald, Potentate of Zenobia Temple, Toledo, Ohio, and I have here with me my partners in crime from the five other Temples—Illustrious Sir Harold B. Miller, Tadmor Temple; Illustrious Sir John Drach of Syrian Temple; Illustrious Sir

Benjamin Hardin of Antioch Temple; Illustrious Sir Robert Bodenstein of Al Koran Temple and Illustrious Sir Harry Reissig of Aladdin Temple.

Imperial Sir, it is our pleasure, representing all of the Ohio Temples and the Ohio Shrine Association, to present to you a facsimile check for the net proceeds of our Annual Hospital Tabloid Promotion. You already have the money in the bank in Tampa—the sum of \$521,000—and, of course, we are very pleased to demonstrate this kind of support for our Shriners Hospitals. (Applause)

IMPERIAL POTENTATE KING: Thank you very much.

ILLUSTRIOUS SIR DAVID BRUMFIELD [Potentate, Al Menah Temple]: Imperial Sir, I do not have a check with me but it is my pleasure to inform you and the Nobility here that Al Menah Temple turned over to Tampa last year \$641,000 from our Annual Paper Sale and we hope to do much better next year. (Applause)

IMPERIAL POTENTATE KING: Again, thank you very much.

Are there any other checks to be presented?

Now, while we are waiting here, I would like to recognize Imperial Sir John Dean, who is going to give you a quick report on Endowments, Wills and Gifts and he will be doing it in verbatim fashion. Please give him your attention.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, My Fellow Representatives: I am pleased to report to you that as Chairman of the EWG Committee that last year we had a fine year.

We maintained the amount of new money in the \$150 million range. The exact number is in your book. I do not have the papers in front of me. As a matter of fact, I was prepared to give you this report this afternoon. However, you will be receiving in the mail a list of all of the donor recognition awards by hospital units so that you can see how your hospital is doing.

Remember, I previously went through the numbers in relation to the donor recognition program.

Now, we found some people who wanted to give us further funds and, in the process, who desired more recognition and so we are going to create something for them.

Also, the Cabiri announced that they are going to help EWG and so we would encourage anyone here who would like to work on the committee or to help the committee that, if you will let us know, we will be glad to put you to work.

Other than that, thank you very much.

We thank you for your cooperation. We expect to get some exciting new programs going for you and you will be hearing from us on a more active basis this year.

Again, thank you very much. (Applause)

IMPERIAL POTENTATE KING: Thank you very much, Jack.

... Business was transacted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at twelve-ten o'clock p.m. ...

AFTERNOON SESSION THURSDAY, JUNE 30, 1988 ONE-FORTY-FIVE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at one-forty-five o'clock p.m., Imperial Potentate Voris King presiding.

IMPERIAL POTENTATE KING: If you will take your seats, we will get started.

At this time, I would like to call on Past Imperial Potentate and Chairman of the Colorado Corporation, Imperial Sir Gene Bracewell, who has a very, very interesting program to give us in the way of report on our hospitals.

He is doing a super job and so let us give him a big hand. (Applause)

IMPERIAL SIR GENE BRACEWELL [Past Imperial Potentate]: Thank you very much, Imperial Sir.

Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, My Fellow Representatives and Nobles All: It is a sincere honor and privilege to address you today about our wonderful philanthropy, Shriners Hospitals for Crippled and Burned Children.

I want to speak to you briefly about the state of our hospitals. If I were to describe the state of Shriners Hospitals in just one word, that word would be "success."

You know, success is something that everyone strives for but not everyone obtains. Success, comes from hard work and commitment. Success comes from pure dedication. Success comes from wanting something bad enough to give it 110 percent in order to get it.

Clearly, success can be found inside our hospitals and we have seen nothing but growth and prosperity since 1922. As we all know, we have grown from just one hospital in Shreveport to twenty-two hospitals all across America.

For sixty-six years, our hospital system has provided medical care to hundreds of thousands of children, at absolutely no cost, Nobles. I do not know of any other hospital system that comes close to matching this kind of success.

Success is the little girl who cried, not because she was in pain but because she was leaving our hospital. Also, success is the baby whose club feet are healed; the young boy whose spine is no longer curved.

I am sure you have seen the results, the "successes."

From the very beginning of the Shrine Hospital System, Shriners like yourselves have ensured that our hospitals continue to grow and prosper.

Shriners Hospitals for Crippled Children was built on the foundation of hard work and commitment. The cornerstones of our hospitals are the dedicated men and women in our hospitals who have worked tirelessly to continue this commitment and you, Nobles, are the mortar which holds our hospital system in place.

Shriners Hospitals have provided medical treatments to more than 350,000 children and have given it to them free—free braces, free operations, free medicines, and when those children left our hospitals, many of them were cured. What other hospital system can boast of such a tremendous success? I will tell you—none.

Every single one of you deserves special recognition for the work that has been accomplished in our hospitals.

Shriners across North America have given above and beyond what was just required of them. They have given 110 percent to make Shriners Hospitals the success they are today.

However, gentlemen, I am here to tell you that our work is not done. This past Imperial Year we have approved more than 20,000 new patient applications. This means 20,000 more children who need our help.

We are currently treating more than 100,000 patients and each day more people call or write, looking for some hope and help for their children.

As you can see, children still need us. That is why our 1988 budget exceeds \$200 million. This is the largest budget ever for Shriners Hospitals.

Do you realize that there are hospitals across North America that are closing their doors because they can no longer afford to provide medical care to their communities? Other hospitals are desperate for state or federal assistance just to keep them open.

Yet, we are able to not only provide excellent medical care to children but we give it to them totally free of charge.

Yes, we have made tremendous strides in our hospital system but we should not be so nearsighted as to believe that past or present accomplishments are enough. In my opinion, we should think about ways of improving the future—our children's future.

One way in which we are doing this is through our aggressive research programs. Hopefully, someday Shrine researchers will discover a cure for arthritis. Hopefully, a doctor in a Shriners Hospital laboratory will find a cure for brittle bone disease. Better yet, we hope that someday children will no longer need the services of our orthopaedic hospitals.

You know, it sounds as though I am counting on a lot of hope to realize these dreams. However, as a wise man once said—"Hope sees the invisible, feels the intangible and achieves the impossible."

Thus far, hoping, as well as a lot of hard work, has achieved far more than we could ever imagine. Somewhere in North America a mother hoped that her son would be given a chance to live a better life after his spinal cord injury. At one of our three spinal cord injury centers today, her son and many other kids like him are being given that chance.

From that hope, Shriners Hospitals have seen a new beginning this past year. We have seen the new Lexington Hospital built and dedicated on June 12th. We have seen the

Mexico City Unit renovated and remodeled, as well as the ground breaking ceremonies for the new hospitals to be built at Spokane and Springfield.

In addition, renovation and expansion projects are underway at the St. Louis and Honolulu Units as well.

I might also add that very soon we will be holding ground breaking ceremonies for new burns facilities at Cincinnati and Galveston.

All of these improvements will help to ensure that the children we treat in our hospitals are provided the most modern, up-to-date equipment in the most comfortable, friendly surroundings that we can provide.

As Shriners we recognize the importance of looking toward the future. That is why our hospitals are growing and expanding to meet childrens' special needs. For example, the development of the child amputee prosthetics project at the Los Angeles Unit and the approval to develop a regional center for prosthetic research at the Springfield Unit.

These type of programs move Shriners Hospitals to the forefront of meeting childrens' special prosthetic needs.

There are many outstanding and innovative programs in our hospital system. My point is that all of these programs only serve to prove that we want our hospital system to be the best.

I have said it before and I will say it again, another name for Shriners Hospitals is "success."

President John F. Kennedy used to quote an old Chinese saying which went like this—"Each generation builds a road for the next. I believe it is incumbent upon us, in our generation, to build a road for the next generation."

My fellow Nobles, we have already begun this road. It is now up to me, you, all of us, to ensure that this road which we began for the children, this road which provides happy, healthy lives for the children, will not only continue on but will be stronger for the next generation who ventures down its long and wonderful path.

Thank you for allowing me to serve this year as the Chairman of your Shriners Hospitals. It has been my distinct honor and pleasure.

... Applause ensued ...

IMPERIAL SIR BRACEWELL [Past Imperial Potentate]: At this time, I would like to introduce one of our Shriners Hospitals Chiefs of Staff. He is a man who has helped hundreds of severely burned children down the path to wellness.

Dr. Glenn D. Warden is the Chief of Staff of our Cincinnati Shriners Burns Institute. Dr. Warden came to the Shrine Hospital System from the University of Utah School of Medicine in 1985—only three years ago—but the contributions he has made to the Cincinnati Unit and to the Shriners Hospitals' System as a whole is immeasurable.

In addition to his many duties as Chief of Staff of the Cincinnati Unit, Dr. Warden is also Director of the Burns Special Care Unit at the University of Cincinnati Medical Center. He is currently secretary of the American Burn Association and will become President of that Association in the early 1990s, which indicates to you the caliber of physicians we have within our system.

Dr. Warden has some special remarks he would like to share with you today so it is my sincere honor to introduce and present to you Dr. Glenn Warden.

... Applause ensued as Dr. Warden approached the podium ...

DR. GLENN WARDEN [Chief of Staff, Cincinnati Shriners Burns Institute]: Imperial Sir, Imperial Sirs and Fellow Nobles: This year, the Shriners Burns Institute at Cincinnati, Ohio, celebrated twenty years of service and I would like to take this opportunity to review what has occurred during those twenty years and where we need to go during the next twenty years.

During the first seventeen years, the institute was under the direction of Dr. Bruce MacMillan, one of the true pioneers in burns surgery, a good friend and a fellow Shriner.

During the past twenty years, the activity of the unit has increased remarkably. In 1967, there were seventy total admissions for the year, compared to 793 in 1987. Of the seventy admissions, forty-seven were acute and twenty-three were reconstructive patients.

As you can see, in 1987, there were 191 acute patients and 602 reconstructive admissions. Importantly, the length of stay for the patients in 1967 was an average of forty-nine days,

compared to 1987, in which the average was only eight days. In addition, the outpatient clinic saw only 255 patients compared to 3,662 in 1987.

During the first twenty years of the Cincinnati Unit, we have made tremendous progress in the areas of controlling infection, improved nutritional support of the burned child, improved wound coverage and innovative reconstructive procedures for the children.

This has all culminated in improved survival. In 1967, the burn size where we lost fifty percent of our patients was only thirty-seven percent. Now it is seventy percent of the total body surface area before fifty percent mortality occurs. It has also resulted in a decrease in hospital stay, as graphically illustrated, going from twenty-five days in 1975 to eight days in 1987.

All three of the Shriners Burns Institutes have become centers of excellence, both clinically and in innovative research. As Shriners and hospital staff, we can be very proud of our accomplishments; however, by being successful, we have created other problems, namely, quality of life of the surviving patient with large burns.

We must ask the questions—"What happens to the child who sustains a massive burn? How does this child adapt socially during adulthood? How will he function as an adult? How will he handle the severe scars psychologically?"

We frequently show only successes.

What, for example, will we do with this young man you see on the slide who was transferred to our unit several years ago? How can we reconstruct this type of face? How will he return to society? Yes, we have been able to help him but we still have a long way to go.

American society worships the young and the beautiful. Ours is a society that does not tolerate scars or disfigurement. The movie industry exemplifies this problem.

In the 1930s, the famous movie, "The Phantom of the Opera," with Lon Chaney, a burn victim, we had a typical burned face. In 1956, "The House of Wax" with Vincent Price, a burn victim who could no longer use his hands and even the modern horror movie character, Freddie from "Nightmare on Elm Street" shows severe scarring.

The severely scarred person is not only not accepted in our society but is frequently shunned as being retarded or even evil.

Obviously, we need to reeducate not only ourselves but also our society to understand that our burned children are normal, with the same feelings, wants and desires as any other children.

The goals for the next twenty years are going to be even more complex than the last twenty years. Not only do we need to progress even further in the medical care of these patients, but we must now return them to society. We need to focus on rehabilitation. We desperately need to learn about scarring and be able to control the scarring process. We need to understand what these children go through during their hospital stay and the effect this will have on them the rest of their lives. And, finally, we need to be active in burn prevention.

As we look at the new building program, we must keep in mind that we have come a long way in helping the burned child but we also still have a considerable way to go for what we do today is for the children of tomorrow.

I would like to present to you a typical child, with a very supportive family, who has lived through a catastrophic burn injury.

Angela is a seven-year-old child who sustained a fifty percent total body surface area burn, forty-four percent being full thickness, in a house fire. Two other children succumbed in the flames.

She and her brother, David, who is seventeen years old and who also sustained a fifty percent burn, were initially treated at the East Tennessee Baptist Hospital and transferred to Vanderbilt University Burn Center and then to our unit on December 20, 1986. The sponsoring Temple was Kerbela.

As with many of our children burned in house fires, she had inhalation injury, necessitating a breathing machine for many days. She had full thickness burns of the back, which required excision of the dead tissue and skin grafting. Both arms required skin grafting. In addition, she had a third degree burn on her face. By using earlier excision and grafting, our

results with facial burns have improved. Angela's face was excised and skin grafted. She was hospitalized for a total of forty days at the Cincinnati Unit.

However, even with the best of results, fifty days after her discharge, one can see scar tissue forming, with contracture formation of both axillae. After three months, we can see the scarring which has occurred following third degree burns of the face.

Now, one and a half years later, we are only beginning her reconstructive phase of surgery. She will have approximately fifteen or sixteen procedures over the next ten years. As she grows, she will require many of these procedures just to have normal range of motion.

This is an outstanding family, who have not only been supportive to their child but also to Kerbela Temple. Angela was the Kerbela Poster Child who helped their paper sale.

Although she is only beginning the reconstructive process, I think you can see the courage that both Angela and her family have. The patients are our true heroes in regard to burn management. How well Angela functions in life will depend upon her family, the staff of the Cincinnati Unit and, very importantly, the Shriners' time and commitment.

I would like to spend the next few moments in this brief presentation to share with you some of the children whom you have helped during the past twenty years of the Cincinnati Unit.

... Pictures of children helped by the Cincinnati Unit during the past twenty years were then shown on the screen ...

DR. WARDEN: Now I would like to present to you Angela McGill and her mother, a truly courageous family and young girl and, I might also add, that today is Angela's birthday.

... Presentation of Angela McGill and her mother ensued at the podium, with rising applause being extended by the Representatives ...

IMPERIAL SIR BRACEWELL: I believe, with this presentation, Nobles, we laid out a surprise for you.

Also, we have some people up here with her who have escorted her around and are having a good time.

... At this point, the singing of "Happy Birthday" to Angela ensued, plus the presentation of a birthday cake to her ... (Applause)

IMPERIAL SIR BRACEWELL: At this time, I would like to present to you Angela's mother. (Applause)

MRS. MCGILL: Thank you very much.

You know, there are really no words to express how grateful I am to all of you all over the world.

You are loving, you present hope for those where there is no hope. We hope that this is what it always will be.

This little girl, through your help and generosity, will become a normal girl, do all of the things that normal girls her age do. She is able to dance like she did before.

Further, gentlemen, if you do not know where all of those dollars you collect go—well, here is an example of it.

I would also suggest to you that if you have not been to a Shrine Hospital, that you take time out from your busy schedule to go and see what it is all about. These are not people just doing a job, these are people saving lives, saving families and without their help and generosity, I do not believe we would be standing here today as we are.

I cannot express in words how I feel but I do, in my humble way, wish to thank all of those who were involved with Angela's recovery up to this point.

Thank you all so very, very much. (Applause)

IMPERIAL SIR BRACEWELL: Imperial Sir, I would like to move the acceptance of this report.

... The motion was severally seconded, was voted upon and declared to be carried ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: I will again recognize Noble Buckaway.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 20 on Call of the Annual Session of 1988, located on page 36 of the Call. It is a proposal to amend Article 3 of the Bylaws of the Colorado Corporation by adding a new Section 503.5 and renumbering

the present Sections 503.5 and 503.6 as Sections 503.6 and 503.7. The new Section 503.5 will read as follows:

ARTICLE 3

Powers

Section 503.5 Unauthorized Acts. Except as specifically provided by the Articles of Incorporation, Bylaws or Regulations of this corporation, or resolution of the Board of Directors, no hospital, group of persons or person:

(a) Has the authority, express or implied, to act as the agent of, to act on behalf of, or to bind Shriners Hospitals for Crippled Children.

(b) Can by its act or omission obligate or bind Shriners Hospitals for Crippled Children.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

AND LAWS
Walter S. Pettit, Jr.

Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
William A. Buckaway, Jr.
Gerald L. Davis
J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Theodore Corsones, for an appropriate motion.

IMPERIAL POTENTATE KING: I will recognize Illustrious Sir Theodore Corsones.

ILLUSTRIOUS SIR THEODORE CORSONES: Imperial Sir, I would move the adoption of the proposal as presented.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: There is discussion and I will now recognize Bob Turley.

ILLUSTRIOUS SIR TURLEY: Imperial Sir, Imperial Sirs and Fellow Representatives: My name is Robert J. Turley. I am from Oleika Temple, Lexington, Kentucky. Do not everyone applaud. (Laughter)

I would like to propose an amendment to Item 20 and tell you why and I am going to tell you what the amendment is.

Your Bylaws of the Colorado Corporation, which you, of course, promulgated, includes Section 508.7, which refers to the powers and duties of the Board of Trustees. You say in these Bylaws that "The Board of Trustees shall manage and operate all hospitals now established, or that are hereafter established, and shall allocate and provide for the disbursement of funds necessary for the construction, acquisition, maintenance, control and operation of the hospitals. The Board of Trustees shall make no commitments which cause a total outlay greater than the adopted budget unless approved by the Board of Directors. The Board of Trustees shall consult and advise with qualified surgeons of skill, ability and character, as to the maintenance and operation of the hospitals."

These Bylaws then cast upon the Board of Trustees considerable responsibility and its members have undertaken to deal with and meet that responsibility.

The text of this proposal, if you look at proposal 20 on page 36, permits actions to be taken or authority to be given to persons in certain areas upon resolution of the Board of Directors.

There is no provision in here for resolution to the Board of Trustees to empower and authorize acts that might meet the responsibilities of the Board of Trustees.

Therefore, I would propose an amendment to this amendment which would include, on the third line, after the word "Directors," the words "or Board of Trustees," so that if you

adopt my proposed amendment and if you adopt this whole proposal, it would read—"except as specifically provided by the Articles of Incorporation, Bylaws or Regulations of this corporation or resolution of the Board of Directors or Board of Trustees, no hospital group," etc., etc.

I would move that amendment to this proposal.

... The amendment was duly seconded ...

IMPERIAL POTENTATE KING: You have the amendment before you. Is there discussion?

IMPERIAL SIR POWELL: Having heard a second, I would ask the proposer, will you accept the amendment?

ILLUSTRIOUS SIR CORSONES: Imperial Sir, I accept.

IMPERIAL SIR POWELL: I think it would be a lot simpler.

IMPERIAL POTENTATE KING: Now that you have heard the amendment and you have heard the change in relation to the amendment and we have had that seconded, may I have a vote?

All in favor say aye; opposed. It is carried and thank you very much.

IMPERIAL SIR POWELL: Imperial Sir, now you have to go through that exercise again. You have to adopt the proposal as amended.

IMPERIAL POTENTATE KING: Very well.

All those in favor of the proposal as amended please say aye; opposed no. The ayes have it and we have wasted just another moment. (Laughter)

IMPERIAL SIR POWELL: What do you have on the schedule next, sir? (Laughter)

You know, each time I walk into my attorney's office, the rug gets prettier, the furniture looks better, the number of secretaries increases and then, on that basis, every now and then I go back and check my invoices from him. (Laughter)

You know, I found that one day we were talking about him going sailing, one weekend and he had twenty-five minutes charged to my bill for him talking to me about sailing. (Laughter)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KING: I will recognize Sam Erickson to present the report of the Finance and Accounts Committee for the Colorado Corporation.

NOBLE ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval the following reports with respect to income and expenditures for the Colorado Corporation.

1. Report for the year 1987.
2. Adjusted Budget Report for the year 1988.
3. Proposed Budget for the year 1989.
4. Estimated Capital Reserve and Building Fund for 1988 and 1989.

REPORT FOR THE YEAR 1987

The report for 1987 has been reported to you in the Book of Reports, which you have already received. No inquiries having been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of this report for the year 1987 as submitted.

... The motion was duly seconded, voted upon and carried ...

NOBLE ERICKSON: Included in your registration package, you have a breakdown of the operating expenditures showing amounts appropriated for 1988 including the adjustments made by the Joint Boards and the proposed figures in 1989.

Nobles, I need to make a correction on the budget information that was in your packet.

If you will look at the top of the page, the first page, page 1, it says "Shriners Hospitals for Crippled Children" and it says "1987-1988 Budget." Please change that to "1988-1989" and then also make the same change on page 2, change that from "1987-1988" to "1988-1989." I believe that is called a word processor correction and, by the way, according to the morning paper, the Twins were only five games out. (Laughter)

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the year 1989. Your proposed budget will be more

accurately presented for your approval at a subsequent Imperial Council Session. Also, the estimated Capital Reserves and Building Fund balance for 1988.

Let me say that the amount in the left-hand column was approved at Las Vegas. Then, also, the adjustments are shown with the 1988 adjustment balance, with the budgets which are proposed each year at this Session. Those are preliminary figures and during the year adjustments are needed because of changes in programs and costs for your hospitals.

If you will notice in relation to the approval at Las Vegas, and I call your attention to line 18, it shows a positive figure of \$9,000. After going through the adjustments, we come down with a negative of \$9,000 and so that is the net result—only an \$18,000 change, even though it was movement within a separate account.

The 1988 adjustment balance, which is the third column, in there we show total revenues of \$177,887,000 and at this time we show total expenses of \$177,887,00 and we are showing a break even point for the year 1988 in the adjusted budget.

The 1989 proposed budget, which is the fourth column, the last column on the right, reflects revenues of \$190,494,000, expenses of \$192,503,000, for a projected 1989 loss of \$2,009,000.

Now, if you would take a moment and go back to your Book of Reports, the last page in the Book of Reports from the Finance and Accounts Committee, you will find that is called capital reserve and building fund balance. We have a fund balance, beginning on January 1, 1987, of \$81,812,038. The receipts shown are transfers from the operating fund, net gains from investments, depreciation funded and expenditures.

Additions are to property, plants and equipment, which include new construction of \$29,599,371 and the remaining balance at the end of 1987, of \$211,084,131.

Since December 31, 1987, through the Boards' approval, in relation to approval for future construction, they have approved \$20,324,436 and Board approvals for replacement of equipment since January 1, 1988 totaled \$3,831,300 and so, at this point in time, the total amount that has been appropriated from that remaining balance that you are given on the last sheet of our report, of \$211,084,000—the total appropriated is \$128,747,121 appropriated.

Imperial Sir, if there are no questions I move the ratification, approval and adoption of the adjusted budget for the year 1988, and the year 1989 proposed budget by approved as submitted.

... The motion was duly seconded ...

IMPERIAL POTENTATE KING: The motion is for ratification, approval and adoption of the adjusted budget as presented to you.

Is there any discussion?

ILLUSTRIOUS SIR TURLEY: Imperial Sir, I would like to ask a question or two of the Chairman of the Finance and Accounts Committee, if I may.

The budget presented, as you said, is with a deficit in the Colorado Corporation of \$2,009,000 and I take that to be only the operating fund, is that correct?

NOBLE ERICKSON: That is correct.

ILLUSTRIOUS SIR TURLEY: Is the operating fund income designated under "policies established by the Board of Directors" in accordance with the footnote, footnote 1 of the auditor's report?

NOBLE ERICKSON: From the auditor's report?

ILLUSTRIOUS SIR TURLEY: Is it stated as a designation of revenues under policies established by the Board of Directors? Generally only the income from investments and assessments from Shriners and gifts and bequests made for exclusive use of a particular hospital are designated for operations.

NOBLE ERICKSON: Those will be designated funds, sir.

ILLUSTRIOUS SIR TURLEY: So that the funds designated for the operating budget are those revenues which are classified in those accounts by order of the Board of Directors, is that right?

NOBLE ERICKSON: That is correct.

ILLUSTRIOUS SIR TURLEY: Now, tell me if I am right in relation to reading the Book of Reports, that combined statement of revenues, expenses and changes in fund balance between 1986 and 1987 show an increase in our combined fund balances, after payment of all expenses for operation of the Colorado Corporation, all of our hospitals, our fund balances in the aggregate increased by more than \$340,000 million, is that correct?

NOBLE ERICKSON: That change was from the end of 1986 to the end of 1987 and, yes, that is correct.

ILLUSTRIOUS SIR TURLEY: However, was I correct on the figure—this was more than \$340,000 million? As I subtract the two figures, for example, I get \$343,280,000. I want to know if that is correct?

NOBLE ERICKSON: Three hundred forty-three million dollars is correct.

ILLUSTRIOUS SIR TURLEY: The figure is correct?

NOBLE ERICKSON: Yes, that is correct.

ILLUSTRIOUS SIR TURLEY: Well, I do not know if you figure that is an addition of 14.98 percent and I do not want these Representatives here to think that a \$2 million deficit means that our hospital system is in any sort of danger whatever. On the other hand, the challenge for us is to identify additional needs of crippled and burned children and try to meet these needs. (Applause)

IMPERIAL POTENTATE KING: Our Treasurer wants to respond.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: I was going to give this report tomorrow morning but I would just like to read a couple of things in the Treasurer's report which are in the back of the report. I strongly urge each one of you to look at this because what I have tried to do is make some sense out of the very things that both of the previous speakers have referred to.

Let me say, for example, that I state in here that a quick review of the combined balance sheets of Shriners Hospitals for Crippled Children shows that our charities are in superb financial condition from a balance sheet standpoint.

I also then go on to say that, likewise, when one looks at the combined statement of revenues, expenses and changes in fund balances, it is impressive to note the excess of revenues over expenses of the combined fund amounting to \$336,061,841 for 1987 and \$305,125,356 for 1986 but I then go on to state in the following paragraph that is exactly in accordance with the policies of the Board of Directors how revenues are designated for the respective funds.

I urge each of you to look at that a little bit tonight and I will expand upon it further tomorrow.

Thank you very much, Imperial Sir.

IMPERIAL SIR DEAN: Imperial Sir, I would also like to point out that your Investment Committee, a year and a half ago or two years ago, rescinded a policy that had been in effect to some of our investment managers that would produce a certain percentage of cash return so that we could operate our hospitals and we instructed them to get the most total return consistent with good investment practice so that we could maximize and take care of the funds entrusted to us and get as much as we could, because in the market we had a lot of trading that was done.

Now, I might add that every time we sell a stock, we make a profit on it and if we make a profit on it, it is listed as income and that is realized gain and, gentlemen, all realized gain, technically for accounting purposes, is income but, as I visualize it, as our investment managers trade, it is money we use to increase the total of the Endowment Fund so that we

can continue to run our hospitals because it does mean that we have more income than we need, further, in relation to how many ways we can spend, well, that is a philosophical problem that we have had on this Board for a long time and we spend hours discussing it all of the time. Now, Bob Turley just told you one side of it and I think I need to tell you the other.

NOBLE ERICKSON: Let me say to you, Representatives, that in relation to the report of the Finance and Accounts Committee, we report out as to revenues and at this point in time revenues do not record or do not include realized or recognized capital gain. We just take income from investments, assessments, exclusive use funding and that is how the income is derived.

Also, the comments made by Bob Turley are true in that there has been an increase in the funds but that increase is through the capital gains recognized. However, those are not monies that come into the income at this point to operate the hospitals. Thank you.

IMPERIAL POTENTATE KING: Is there further discussion?

If not, the motion is to accept the report as presented.

All in favor say aye; opposed. It is carried.

Now, let me say that concludes everything here for the day and let me announce to you that we will meet again at nine o'clock in the morning.

. . . The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at five-forty-five o'clock p.m. . . .

MORNING SESSION FRIDAY, JULY 1, 1988 NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the New Orleans Hilton Hotel, New Orleans, Louisiana, at nine o'clock a.m., Imperial Potentate Voris King presiding.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KING: I will next recognize Walter Pettit.

NOBLE WALTER PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 21 on Call of the Annual Session of 1988, located on page 36 of the Call. It is a proposal to amend Article 3 of the Bylaws of the Colorado Corporation by adding Sections 503.7 and 503.8 thereto.

With the concurrence of the sponsor, the committee recommends an amendment to the language of the proposal which would add to the end of the last sentence of the proposed Section 503.8 the words "or the Board of Trustees." The proposal with the amended language will read as follows:

ARTICLE 3 Powers & Prohibited Practices

Section 503.7 Conflict of Interest. Directors and Trustees must, at all times, avoid conflicts of interest while acting as such, and they shall comply with the following:

(a) Disclosure. Any duality of financial interest or possible direct or indirect conflict of interest on the part of a Director or Trustee shall be disclosed to all other Directors and Trustees and made a matter of record through a periodic procedure established by the Board of Directors, and again when the interest becomes a matter of Board action.

(b) Abstention. Any Director or Trustee having a duality of interest or possible conflict of interest on any matter shall not vote or use his personal influence on the matter, and shall not be counted in determining the quorum for the meeting. The minutes of the meeting shall reflect that a disclosure was made, by whom, the abstention from voting, and the quorum situation.

(c) Statement. A Director or Trustee having a duality of interest or possible conflict of interest on a matter may briefly state his position in the matter and answer pertinent questions of other Directors and Trustees since his knowledge may be of assistance.

Section 503.8 No Compensation. Directors and Trustees shall perform their duties and

responsibilities as Directors and Trustees without compensation, but they shall be reimbursed for any expenses reasonably incurred as members of their respective Boards in accordance with the policies and procedures established by the Board of Directors, or the Board of Trustees.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Mahlon W. Hessey, for an appropriate motion.

ILLUSTRIOUS SIR MAHLON W. HESSEY: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of the resolution with the amendment as proposed by the Jurisprudence and Laws Committee.

I think that I should state to you at the outset, however, that it is not introduced to cure any known abuse but this is simply a matter of guidance.

I think these provisions belong in our Bylaws and that we should have these rules established so everybody knows what they are.

IMPERIAL POTENTATE KING: Thank you.

Is there a second to the motion for adoption as indicated by Mahlon?

... The motion was severally seconded ...

IMPERIAL POTENTATE KING: Is there any discussion?

... There being no discussion and the question being called for, the motion to adopt the resolution with the amendment proposed by the Jurisprudence and Laws Committee, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL SIR HARRINGTON: And now, Imperial Sir, with regard to the Treasurer's report concerning the Colorado Corporation, I would like to touch briefly on a few items.

As you know, we had some discussion on this matter yesterday and I suggested then that you read carefully the Book of Reports.

All of the people who have spoken on both sides of the matter concerning finances of the Colorado Corporation are very responsible, concerned Board members and members of the Colorado Corporation and I would simply like to suggest to you that it shows that we do have to continue to watch our finances under the Colorado Corporation.

Also, the last thing I would like would be for somebody to go home saying that we had all of the money we needed because that is certainly not true. However, I will tell you that we are trying to look at all of the finances very carefully and just as I stated in the last paragraph of the Imperial Treasurer's report with respect to the hospitals, inasmuch as the operating expenses of our hospitals had increased percentagewise more than our investment fund increased over the past ten years, we had a greater challenge than ever to continue to favorably impress upon our members and the public that we are indeed the world's greatest philanthropy and, therefore, one that warrants great support.

At the same time, however, we must make sure that our funds are wisely spent so that we do the greatest amount of good for the dollars expended in the care of crippled and burned children and I am convinced that is exactly what we will do.

Imperial Sir, that concludes my report concerning the Colorado Corporation and I would move receipt of this report.

. . . The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried . . .

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL SIR JONES: Imperial Sir, I move, sir, that all of the acts and transactions of those who have acted as Officers, Directors and Trustees of the Colorado Corporation for the past year and those taken at this Session be ratified and approved.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

IMPERIAL SIR JONES: Imperial Sir, in accordance with Imperial Council Law, Section 504.2, I move that all members of the Colorado Corporation who did not register at this Session or who were not elected at this Session, have their membership terminated.

. . . The motion was duly seconded, was voted upon and declared to be unanimously carried . . .

. . . Business was transacted in the Iowa Corporation at this time . . .

. . . The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was adjourned sine die at twelve-forty o'clock p.m. . . .

**ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

January 1 - December 31, 1987

Imperial Sir Voris King, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Fourteenth Annual Imperial Council Session at New Orleans, Louisiana, June 1988:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this report should be considered in conjunction with a careful review of the report of our auditors, KPMG Peat Marwick, which shows the financial position, results of operations and supplementary data of Shriners Hospitals for Crippled Children for the year 1987. In this report I shall attempt to provide the members of the Colorado Corporation and other interested readers with additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends, and significant data regarding the various funds constituting our charity's capital.

The true financial status of Shriners Hospitals for Crippled Children has been the subject of much debate, and sometimes misunderstanding, among sincere and concerned Board members and representatives. I shall try in this report to clarify the status of our respective funds at December 31, 1987.

A quick review of the Combined Balance Sheets of Shriners Hospitals for Crippled Children shows that our charity is in superb financial condition from a balance sheet standpoint, with capital consisting of the following fund balances (at carrying values):

Designated for operations	\$ 9,324,525
Designated for investment	2,186,605,141
Designated for capital reserve	211,084,131
Invested in plant	228,327,445
Total fund balance	<u>\$2,635,341,242</u>

Likewise, when one looks at the Combined Statements of Revenues, Expenses and Changes in Fund Balance, it is impressive to note that the excess of revenues over expenses of the combined funds amounted to \$336,061,841 for 1987 and \$305,125,356 for 1986. However, in order to understand why our finances have been a subject of debate and concern for several years, culminating in the appointment of a committee to study and report on the future financing of Shriners Hospitals for Crippled Children, it is necessary to review the philosophy of those who have worked so hard to bring our charity to its present preeminent position, the policies established by the Board of Directors, an analysis of the results of operations within the respective funds, and the fact that there has been an inexorable increase in the cost of medical care and we have not been spared in that regard.

Under policies established by the Board of Directors, revenues are credited to funds as follows:

Designated for operations:

- Income from investments (endowment fund)
- Annual assessments from Shriners
- Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)
- Reimbursements from Canadian provinces
- Income from investments in capital reserve fund (effective January 1, 1987)
- Charitable fund raising activities (effective January 1, 1988)

Designated for capital reserve fund:

- Investment income on assets in capital reserve fund (through 1986)
- Realized gains from sales of assets in capital reserve fund
- Depreciation funded

Designated for investment (endowment) fund:

- Life memberships from Shriners
- Gifts and bequests (except those for the exclusive use of particular hospitals)
- Realized gains from sales of assets in investment fund
- Charitable fund raising activities (through 1987)

On March 16, 1988, in order to more correctly match revenues and expenses, the Joint Boards approved, effective January 1, 1988, the recommendation of our auditors that revenues from fund raising activities be classified as revenues designated for operations.

SHRINERS HOSPITAL

To assist the members of the Colorado Corporation, many of whom are not familiar with the financial details regarding the operating, capital reserve and investment funds of Shriners Hospitals for Crippled Children, I have prepared and am appending to this report the following statements of revenues, expenses and changes in fund balances for the five years ended December 31, 1987:

Funds Designated for Operations - Schedule 1
 Capital Reserve Fund - Schedule 1
 Investment Fund - Schedule 2

The figures shown on the attached schedules have been taken from the reports of our independent auditors for the respective years, with certain reclassifications to facilitate comparison between years. The increase in our investment fund reflects the wonderful support which we have received from Shriners and the public at large. Also in recent years, due to the strong growth in the stock market, until October 19, 1987 (Black Monday), and good performance by our investment managers, we have had substantial realized gains in our equity portfolio. However, a review of our realized gains over a twenty year period, including the five years shown on Schedule 1, reveals that they have averaged approximately 3.5% per year rather than the much higher percentage that would be indicated by the past five years. Realized gains as shown on Schedules 1 and 2, may be summarized as follows:

Investment fund	\$177,545,401
Capital reserve fund	15,887,220
	<u>\$193,432,621</u>

Despite the stock market crash on October 19, 1987, our investment managers performed very creditably overall for the year, as will be reported by our Investment Committee at the Imperial Session. Understandably, due to the stock market decline in the last quarter of 1987, unrealized gains on our investment portfolio likewise declined, as shown in the following schedule:

	Market Value	Carrying Value	Excess of Market Over Carrying Value
1987			
Investment fund securities	\$2,164,760,771	\$2,100,680,296	\$ 64,080,475
Capital reserve fund securities	219,794,370	209,831,606	9,962,764
	<u>2,384,555,141</u>	<u>2,310,511,902</u>	<u>74,043,239</u>
1986			
Investment fund securities	2,195,432,325	1,908,744,850	286,687,475
Capital reserve fund securities	44,958,375	43,379,949	1,578,426
	<u>2,240,390,700</u>	<u>1,952,124,799</u>	<u>288,265,901</u>
Increase (decrease)	<u>\$ 144,164,441</u>	<u>\$ 358,387,103</u>	<u>\$(214,222,662)</u>

During the year 1987, the Board approved the transfer of \$135,100,793 from the Investment Fund to the Capital Reserve Fund to fund future hospital construction. It is anticipated that the Capital Reserve Fund balance of \$211,084,131 at December 31, 1987 together with additions from realized gains and depreciation funded, will be adequate to complete the rebuilding of the hospital system presently contemplated.

The attached schedule of Funds Designated for Operations shows rather graphically that increased operating expenses, due to expansion of services, new and expanded facilities, and an increase in medical care costs in general, have grown much faster than the revenues designated for operations by the Board of Directors. As stated previously, a committee was appointed to study and report on this matter and such report will be made at the Imperial Session.

As I stated last year, inasmuch as the operating expenses of our hospitals have increased percentage-wise more than our investment fund has increased over the past ten years, we have a greater challenge then ever to continue to favorably impress upon our members and the public that we are indeed the world's greatest philanthropy and therefore worthy of even greater support. At the same time, we must make sure that our funds are wisely spent so that we do the greatest amount of good for the dollars expended in the care of crippled and burned children.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, Treasurer
 Shriners Hospitals for Crippled Children

THE BOARD OF DIRECTORS

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1987 and 1986, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned combined financial statements present fairly the financial position of Shriners Hospitals for Crippled Children at December 31, 1987 and 1986, and the results of their operations and the changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Our examinations were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included on pages 14 through 19 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the examinations of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

December 31, 1987 and 1986

(1) *Summary of Significant Accounting Policies*(a) *Combined Organizations*

The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations, all of which are exempt from federal income taxes:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All significant intercompany balances and transactions have been eliminated.

(b) *Gifts and Bequests*

Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that hospital and are included in revenues designated for operations.

(c) *Securities*

Marketable equity securities, principally common stocks, are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

(d) *Property, Plant and Equipment*

Property, plant and equipment are stated at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

(e) *Deferred Charges*

The Hospitals incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred until receipt of the gift or bequest.

(f) *Inventories*

Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

(g) *Retirement Plans*

The Hospitals follow the principles of "Statement of Financial Accounting Standards No. 87, Employers' Accounting for Pensions," which requires use of the "projected unit credit" actuarial method for financial reporting purposes. The Hospitals also use this method for funding purposes.

(h) *Designation of Revenues*

Under policy established by the Board of Directors (the Board), generally only the income from investments, annual assessments from Shriners, and gifts and bequests made for the exclusive use of a particular hospital are designated for operations.

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, fund raising activities, and gains from investment sales are designated by the Hospitals for investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain substantially all gifts and bequests for investment purposes.

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

(i) *Foreign Currency Translation*

Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of the excess of revenues over expenses for the period in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

The Board approved a transfer of \$7,000,000 from Funds Designated for Operations to the Capital Reserve Fund in 1986. In 1987, the Board approved the transfer of investments with a carrying value of \$135,100,793 (market value of \$146,331,782) from Funds Designated for Investment to the Capital Reserve Fund. These transfers were made to fund future hospital construction.

Coinciding with its approval of the transfer of \$135,100,793 from Funds Designated for Investment, the Board changed its policy of retaining the investment income of the Capital Reserve Fund within the Fund to designating such income for operations.

(5) *Transactions with the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA*

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$223,557 and \$(224,674) were due from (to) the Imperial Council as of December 31, 1987 and 1986, respectively.

(6) *Fund Raising Activities*

The Shriners Hospitals are financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from the general public and from Shriners, and certain fund raising activities conducted by Shriners. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. Shrine fund raising activities generally consist of paper sale donations, football games, some circuses and other miscellaneous activities. The name "Shriners Hospitals for Crippled Children" may be used in connection with a fund raising activity by a Shrine Temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Revenues from fund raising activities amounted to \$8,959,154 and \$6,560,678, net of direct costs of \$4,400,261 and \$2,311,689 for 1987 and 1986, respectively. Fund raising costs include the following:

The discount rate and rate of increase in future compensation levels used in determining the actuarial present value of the projected benefit obligation were 8% and 6.5%, respectively. The expected long-term rate of return on assets was 10%.

The Hospitals also have a retirement savings plan for all eligible employees. Under the plan, voluntary contributions by employees up to 6% of eligible compensation are matched by the Hospitals up to 1.5% of eligible compensation. Contributions to the retirement savings plan were \$510,389 and \$438,595 during the fiscal years ending December 31, 1987 and 1986.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. There was an unfunded vested accrued liability of \$24,425 and \$19,716 as of June 30, 1987 and 1986, respectively.

(8) *Other Liabilities*

Other liabilities at December 31, 1987 and 1986, include annuities payable of \$1,833,649 and \$1,741,380, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheets.

Also included in other liabilities are annuities of \$5,471,853 and \$3,902,370 at December 31, 1987 and 1986, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetimes.

(9) *Estimated Malpractice Costs and Other Contingencies*

The Hospitals are self-insured for claims for malpractice from providing professional and patient care. Claims alleging malpractice have been asserted against the Hospitals and are currently in various stages of litigation. It is the opinion of management, that estimated malpractice costs accrued should be adequate to provide for potential losses resulting from pending litigation. Additional claims may be asserted against the Hospitals arising from services provided to patients through December 31, 1987. The Hospitals are unable to determine the ultimate cost of the resolution of such potential claims and, accordingly, no accrual has been made for them.

The Hospitals are also a party to various other claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of such claims and legal actions will have a material adverse effect on the financial position or results of operations of the Hospitals.
